(a) Each Term SOFR Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to Term SOFR determined for such Interest Period *plus* the Applicable Margin.

(b) Each Base Rate Loan shall bear interest at a rate per annum equal to the Base Rate from time to time *plus* the Applicable Margin.

(c) Notwithstanding the foregoing, upon the occurrence and during the continuance of an Event of Default under Section 7.1(a) or (b) or at any time after the date on which any principal amount of any Term Loan is due and payable (whether on the maturity date therefor, upon acceleration or otherwise), and, in each case, for so long as such overdue Obligation remains unpaid, the Borrower shall pay, but only to the extent permitted by law, interest (after as well as before judgment) on such unpaid overdue amounts at a rate per annum equal to (a) in the case of overdue principal on any Term Loan, the rate of interest that otherwise would be applicable to such Term Loan plus 2% per annum and (b) in the case of overdue interest, fees, and other monetary Obligations, the rate then applicable to Base Rate Loans *plus* 2% per annum.

(d) Interest shall be payable in arrears on each Interest Payment Date; provided that interest accruing pursuant to paragraph (c) of this Section 2.9 shall be payable from time to time on demand.

(e) The provisions of this Section 2.9 (and the interest rates applicable to various extensions of credit hereunder) shall be subject to modification as expressly provided in Section 2.27.

(f) Term SOFR Conforming Changes. In connection with the use or administration of Term SOFR, the Administrative Agent will have the right, in consultation with the Borrower, to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

2.10. Computation of Interest and Fees.

(a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to Base Rate Loans, the interest thereon shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the Lenders of each determination of Term SOFR. Any change in the interest rate on a Term Loan resulting from a change in the Base Rate shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate hereunder.

2.11. Inability to Determine Interest Rate; Benchmark Replacement Setting.

(a) If prior to the first day of any Interest Period:

(i) the Administrative Agent shall have reasonably determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining Term SOFR for such Interest Period, or

(ii) the Administrative Agent shall have received notice from the Required Lenders that Term SOFR determined or to be determined for such Interest Period in good faith by such Required Lenders will not adequately and fairly reflect the cost to such Lenders (as conclusively certified by such Lenders) of making or maintaining their affected Term Loans during such Interest Period,

(b) the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given, (x) any Term SOFR Loans hereunder requested to be made on the first day of such Interest Period shall be made as Base Rate Loans, (y) any Term Loans hereunder that were to have been converted on the first day of such Interest Period to Term SOFR Loans shall be continued as Base Rate Loans and (z) any outstanding Term SOFR Loans hereunder shall be converted, on the last day of the then-current Interest Period, to Base Rate Loans; provided that if the circumstances giving rise to such notice shall cease or otherwise become inapplicable to such Required Lenders, then such Required Lenders shall promptly give notice of such change in circumstances to the Administrative Agent and the Borrower. Until such notice has been withdrawn by the Administrative Agent, no further Term SOFR Loans hereunder shall be made or continued as such, nor shall the Borrower have the right to convert Term Loans hereunder to Term SOFR Loans.

(c) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date that the Administrative Agent has posted such proposed amendment to all affected Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.11(c) will occur prior to the applicable Benchmark Transition Start Date.

(d) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(e) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.11(e) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.11, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.11.

(f) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may in its reasonable discretion modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may in its reasonable discretion modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (i) the Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of Term SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans and (ii) any outstanding affected Term SOFR Loans will be deemed to have been converted to Base Rate Loans at the end of the applicable Interest Period. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.[Reserved].

2.13. Optional Prepayment of Loans; Repricing Transaction.

(a) Subject to the provisos below, the Borrower may at any time and from time to time prepay either the Term B Loans or any series of Incremental Term Loans, in whole or in part, without premium or penalty, upon irrevocable notice (except as otherwise permitted below) delivered to the Administrative Agent prior to 10:00 A.M., New York City time, one (1) Business Day prior to the date of prepayment, which notice shall specify the date and amount of prepayment and whether the prepayment is (i) of Term SOFR Loans or Base Rate Loans or a combination thereof, and if a combination thereof, the amount allocable to each and (ii) whether the repayment is of the Term B Loans or Incremental Term Loans of a given series or a combination thereof, and if a combination thereof, the amount allocable to each. Upon receipt of any such notice of prepayment, the Administrative Agent shall notify each relevant Lender thereof on the date of receipt of such notice. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of prepayments of Term Loans maintained as Base Rate Loans) accrued interest to such date on the amount prepaid. Partial prepayments shall be in an aggregate principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof (or, if less, the then outstanding principal amount of Term B Loans or any series of Incremental Term Loans, as applicable). The application of any prepayment pursuant to this Section 2.13(a) shall be made, first, to Base Rate Loans of the respective Lenders (and of the respective tranche, if there are multiple tranches) and, second, to Term SOFR Loans of the respective Lenders (and of the respective tranche, if there are multiple tranches). Any prepayments of Term Loans pursuant to this Section 2.13(a) shall be applied to the remaining scheduled installments of the Term B Loans or any series of Incremental Term Loan, as applicable, as directed by the Borrower. A notice of prepayment of all outstanding Term B Loans or any series of Incremental Term Loans, as applicable, pursuant to this Section 2.13(a) may state that such notice is conditioned upon the effectiveness of other credit facilities the proceeds of which will be used to refinance in full this Agreement, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) At the time of the effectiveness of any Repricing Transaction that (x) results in any prepayment of Refinancing Term B Loans, or (y) effects any amendment of this Agreement resulting in a Repricing Transaction with respect to Refinancing Term B Loans and (in either case) is consummated prior to February 2, 2024, the Borrower agrees to pay to the Administrative Agent, for the ratable account of each applicable Refinancing Term Loan Lender, a fee in an amount equal to, without duplication, (I) in the case of preceding clause (x), a prepayment premium of 1% of the principal amount of the Refinancing Term B Loans being prepaid and (II) in the case of preceding clause (y), a payment equal to 1% of the aggregate amount of the applicable Refinancing Term B Loans outstanding immediately prior to such amendment and subject to such Repricing Transaction.

2.14. Prepayment Offers.

(a) Upon the occurrence of a Change of Control Triggering Event, the Borrower shall make an offer to prepay the entire principal amount of all outstanding Term Loans (the "Change of Control Prepayment Offer") at 101% of the aggregate principal amount thereof and the Borrower shall notify the Administrative Agent in writing of the Change of Control Prepayment Offer in writing within thirty (30) days after the date of such Change of Control Triggering Event. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment and include the payment date, which shall be no earlier than thirty (30) days and no later than sixty (60) days from the date of such notice is mailed (the "Change of Control Payment Date"). The Administrative Agent will promptly notify each relevant Lender of the contents of any such prepayment notice and of such Lender's *pro rata* share of the prepayment. Any Lender may elect, by delivering not less than three (3) U.S. Government Securities Business Days prior to the Change of Control Payment Date, a written notice (such notice, an "Acceptance Notice") that any change of control prepayment be made with respect to all or any portion of the Term Loans held by such Lender pursuant to this Section 2.14(a). If a Lender fails to deliver an Acceptance Notice within the time frame specified above, any such failure will be deemed a rejection of the Change of Control Prepayment Offer as to all outstanding Term Loans of such Lender. Any prepayment of Term Loans pursuant to this Section 2.14(a) shall be applied to the remaining scheduled installments of such Term Loans as directed by the Borrower.

(b) If, pursuant to Section 6.8, the Borrower shall be required to commence an Asset Sale Offer, the Borrower shall notify the Administrative Agent in writing of the Asset Sale Offer in writing within thirty (30) days after the date of such Asset Sale. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment and include the payment date, which shall be no earlier than thirty (30) days and no later than sixty (60) days from the date of such notice is mailed (the "Asset Sale Payment Date"). The Administrative Agent will promptly notify each relevant Lender of the contents of any such prepayment notice and of such Lender's *pro rata* share of the prepayment. Any Lender may elect, by delivering not less than three (3) Business Days prior to the Asset Sale Payment Date, a written notice (such notice, a "Acceptance Notice") that any prepayment be made with respect to all or any portion of the Term Loans held by such Lender pursuant to this Section 2.14(b). If a Lender fails to deliver an Acceptance Notice within the time frame specified above, any such failure will be deemed a rejection of the Asset Sale Offer as to all outstanding Term Loans of such Lender. Any prepayment of Term Loans pursuant to this Section 2.14(b) shall be applied to the remaining scheduled installments of such Term Loans as directed by the Borrower.

2.15. Conversion and Continuation Options.

(a) The Borrower may elect from time to time to convert Term SOFR Loans to Base Rate Loans by giving the Administrative Agent prior irrevocable notice, in substantially the form attached hereto as Exhibit F, of such election no later than 12:00 Noon, New York City time, on the Business Day preceding the proposed conversion date, provided that any such conversion of Term SOFR Loans may only be made on the last day of an Interest Period with respect thereto. The Borrower may elect from time to time to convert Base Rate Loans to Term SOFR Loans by giving the Administrative Agent prior irrevocable notice of such election no later than 12:00 Noon, New York City time, on the third (3rd) U.S. Government Securities Business Day preceding the proposed conversion date (which notice shall specify the length of the initial Interest Period therefor), provided that no Base Rate Loan may be converted into a Term SOFR Loan when any Event of Default has occurred and is continuing and the Required Lenders have determined in its or their sole discretion, by written notice to the Administrative Agent and the Borrower, not to permit such conversions. Upon receipt of any such notice, the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any Term SOFR Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving irrevocable notice to the Administrative Agent, in substantially the form attached hereto as Exhibit F, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Term Loans, provided that no Term SOFR Loan may be continued as such when any Event of Default has occurred and is continuing and the Required Lenders have determined in its or their sole discretion, by written notice to the Administrative Agent and the Borrower, not to permit such continuations; and provided, further, that if the Borrower shall fail to give any required notice as described above in this paragraph or if such continuation is not permitted pursuant to the preceding proviso such Term SOFR Loans shall be automatically converted to Base Rate Loans on the last day of such then expiring Interest Period. Upon receipt of any such notice, the Administrative Agent shall promptly notify each relevant Lender thereof.

2.16. Limitations on Term SOFR Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Term SOFR Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that, (i) after giving effect thereto, the aggregate principal amount of the Term SOFR Loans comprising each tranche of Term SOFR Loans shall be equal to $5,000,000 or a whole multiple of $500,000 in excess thereof and (ii) no more than ten different Interest Periods for any tranche of Term Loans be outstanding at any one time (unless a greater number of Interest Periods is permitted by the Administrative Agent).

2.17. Pro Rata Treatment, etc.

(a) Except as otherwise provided herein (including Section 2.27), each Borrowing by the Borrower from the Lenders hereunder shall be made *pro rata* according to the Term B Percentages or applicable Incremental Term Percentages, as applicable, of the relevant Lenders.

(b) Except as otherwise provided herein (including Sections 2.14, 2.27, 2.28 and 9.6(f)), each payment (including each prepayment) by the Borrower on account of principal or interest on each tranche of Term Loans shall be made *pro rata* according to the respective outstanding principal amounts of the Term B Loans or any series of Incremental Term Loans, as applicable, then held by the applicable Lenders.

(c) All payments by the Borrower hereunder and under any Notes shall be made in Dollars in immediately available funds at the Funding Office of the Administrative Agent by 2:00 P.M., New York City time, on the date on which such payment shall be due, provided that if any payment hereunder would become due and payable on a day other than a Business Day such payment shall become due and payable on the next succeeding Business Day and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. Interest in respect of any Term Loan hereunder shall accrue from and including the date of such Term Loan to but excluding the date on which such Term Loan is paid in full.

(d) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a Borrowing that such Lender will not make the amount that would constitute its share of such Borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon, at a rate per annum equal to the greater of (i) the Federal Funds Effective Rate and (ii) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three (3) Business Days after such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to Base Rate Loans under this Agreement, on demand, from the Borrower, such recovery to be without prejudice to the rights of the Borrower against any such Lender.

(e) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment due to be made by the Borrower hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the applicable Lenders their respective *pro rata* shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three (3) Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

(f) Notwithstanding anything to the contrary contained in this Section 2.17 or elsewhere in this Agreement, the Borrower may extend the final maturity of any tranche of Term Loans in connection with an Extension that is permitted under Section 2.27 without being obligated to effect such extensions on a *pro rata* basis among the relevant Lenders. Furthermore, the Borrower may take all actions contemplated by Section 2.27 in connection with any Extension (including modifying pricing and repayments or prepayments), and in each case such actions shall be permitted, and the differing payments contemplated therein shall be permitted without giving rise to any violation of this Section 2.17 or any other provision of this Agreement.

2.18. Requirements of Law.

(a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case, made subsequent to the Effective Date (including, but not limited to, the Dodd-Frank Wall Street Reform and Consumer Protection Act and, in each case, all requests, rules, guidelines or directives thereunder or issued in connection therewith):

(i) shall subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Term SOFR Loan made by it (except for Non-Excluded Taxes or Other Taxes required to be indemnified under Section 2.19 and any Excluded Taxes);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender; or

(iii) shall impose on any such Lender any other condition;

and the result of any of the foregoing is to increase the cost to such Lender, by an amount that such Lender deems to be material, of making, converting into, continuing or maintaining Term SOFR Loans, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable. If any Lender becomes entitled to claim any additional amounts pursuant to this paragraph, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy (whether or not having the force of law) from any Governmental Authority made subsequent to the Effective Date shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a written request therefor, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such corporation for such reduction.

(c) A certificate as to any additional amounts payable pursuant to this Section 2.18 submitted by any Lender to the Borrower (with a copy to the Administrative Agent) shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 2.18, the Borrower shall not be required to compensate any Lender pursuant to this Section 2.18 for any amounts incurred more than 180 days prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; provided that, if the circumstances giving rise to such claim have a retroactive effect, then such 180 days period shall be extended to include the period of such retroactive effect. The obligations of the Borrower pursuant to this Section 2.18 shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

2.19. Taxes.

(a) Unless required by applicable law (as determined in good faith by the applicable withholding agent), all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes. If any Taxes are required by law to be withheld by the applicable withholding agent from any amounts payable to the Administrative Agent or any Lender hereunder, or under any other Loan Document: (x) to the extent such Taxes are Non-Excluded Taxes or Other Taxes, the amounts so payable by the applicable Loan Party to the Administrative Agent or such Lender shall be increased to the extent necessary so that after all required deductions (including deductions applicable to additional sums payable under this Section 2.19) have been made, such Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such withholding or deductions been made, (y) the applicable withholding agent shall make such deductions, and (z) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

Notwithstanding anything to the contrary contained in this Section 2.19(a) or Section 2.19(b), unless the Administrative Agent or a Lender gives notice to the applicable Loan Party that it is obligated to pay an amount under Section 2.19(a) or Section 2.19(b) within 180 days of the later of (x) the date the applicable party incurs the Taxes or (y) the date the applicable party has knowledge of its incurrence of the Taxes, then such party shall only be entitled to be compensated for such amount by the applicable Loan Party pursuant to Section 2.19(a) or Section 2.19(b) to the extent the Taxes are incurred or suffered on or after the date which occurs 180 days prior to such party giving notice to the applicable Loan Party that it is obligated to pay the respective amounts pursuant to Section 2.19(a) or Section 2.19(b), but if the circumstances giving rise to such claim have a retroactive effect (*e.g.*, in connection with the audit of a prior tax year), then such 180 day period shall be extended to include such period of retroactive effect.

(b) In addition, the relevant Loan Party shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Whenever any Non-Excluded Taxes or Other Taxes are payable by a Loan Party, as promptly as possible thereafter such Loan Party shall send to the Administrative Agent for its own account or for the account of the relevant Lender, as the case may be, a certified copy of an original official receipt received, if any, by the Borrower or other documentary evidence showing payment thereof.

(d) The Borrower shall indemnify the Administrative Agent and the Lenders (within 30 days after demand therefor) for the full amount of any Non-Excluded Taxes or Other Taxes (including Non-Excluded Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.19), and for any reasonable expenses arising therefrom or with respect thereto, that may become payable by the Administrative Agent or any Lender, whether or not such Non-Excluded Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided that the Borrower shall not be obligated to indemnify the Administrative Agent or any Lender for any penalties, interest or expenses relating to Non-Excluded Taxes or Other Taxes to the extent that such penalties, interest or expenses are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such party's gross negligence or willful misconduct. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by law, or reasonably requested by the Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation expired, obsolete or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify the Borrower and the Administrative Agent of its legal ineligibility to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the Borrower, Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable law from such payments at the applicable statutory rate. Each Lender hereby authorizes the Administrative Agent to deliver to the Borrower and to any successor Administrative Agent any documentation provided by the Lender to the Administrative Agent pursuant to this Section 2.19(e).

Without limiting the generality of the foregoing:

(i) Each Lender that is a "United States person" (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Lender that is not a "United States person" (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement whichever of the following is applicable:

(A) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States of America is a party,

(B) two duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, in substantially the form of Exhibit E (any such certificate a "United States Tax Compliance Certificate"), or any other form approved by the Administrative Agent, to the effect that such Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and that no payments in connection with the Loan Documents are effectively connected with such Lender's conduct of a U.S. trade or business and (y) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Lender that has granted a participation), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate shall be provided by such Lender on behalf of such direct or indirect partner(s)), or

(E) any other form prescribed by applicable requirements of U.S. federal income tax law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct or withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(f) If the Administrative Agent or any Lender determines, in its sole discretion, that it has received a refund of any Non-Excluded Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which a Loan Party has paid additional amounts pursuant to this Section 2.19, it shall pay over such refund to the applicable Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by the such Loan Party under this Section 2.19 with respect to the Non-Excluded Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund, net of any Taxes payable by the Administrative Agent or such Lender); provided that the applicable Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender, as the case may be, is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

(g) The agreements in this Section 2.19 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder or any other Loan Document and any assignment of rights by, or replacement of, any Lender.

(h) For the avoidance of doubt, any payments made by the Administrative Agent to any Lender shall be treated as payments made by the applicable Loan Party.

2.20. [Reserved].

2.21. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.18 or 2.19(a) with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event with the object of avoiding the consequences of such event; provided that such designation is made on terms that, in the good faith judgment of such Lender, cause such Lender and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to Section 2.18 or 2.19(a).

2.22. Fees.

(a) The Borrower agrees to pay to the Administrative Agent the administrative agent fees in the amounts and on the dates as set forth in any written agreements from time to time between the Administrative Agent and the Borrower.

(b) The Borrower agrees to pay on the Effective Date to the Administrative Agent for the pro rata benefit of each Lender an upfront fee in an amount equal to 0.75% of the aggregate principal amount of the Refinancing Term B Loans incurred on the Effective Date; provided that such upfront fee may be structured as original issue discount as agreed between the Borrower and the Administrative Agent.

2.23. [Reserved].

2.24. Nature of Fees. All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent (for the respective accounts of the Administrative Agent and the Lenders), as provided herein. Once paid, none of the Fees shall be refundable under any circumstances.

2.25. Incremental Term Loans.

(a) At any time after the Effective Date, the Borrower may by written notice to the Administrative Agent elect to request the establishment of one or more incremental term loan commitments (any such incremental term loan commitment, an "Incremental Commitment") to make one or more additional term loans (any such additional term loan, an "Incremental Term Loan"); provided that (1) the total aggregate principal amount for all such Incremental Commitments shall not (as of any date of incurrence thereof) exceed the Maximum Incremental Facilities Amount at such time and (2) the total aggregate principal amount for each Incremental Commitment (and the Incremental Term Loans made thereunder) shall not be less than $25,000,000 (or such lesser amount as may be (x) approved by the Administrative Agent or (y) remaining pursuant to foregoing clause (1). Each such notice shall specify the date (each, an "Increased Amount Date") on which the Borrower proposes that any Incremental Commitment shall be effective, which shall be a date not less than five (5) Business Days (or such shorter period as the Administrative Agent may agree to) after the date on which such notice is delivered to the Administrative Agent. The Borrower may invite any Lender, any Affiliate of any Lender and/or any Approved Fund, and/or any other Person reasonably satisfactory to the Administrative Agent, to provide an Incremental Commitment (any such Person, an "Incremental Lender"). Any proposed Incremental Lender offered or approached to provide all or a portion of any Incremental Commitment may elect or decline, in its sole discretion, to provide such Incremental Commitment. Any Incremental Commitment shall become effective as of such Increased Amount Date; provided that:

(i) all the conditions in Section 4.2 shall have been met; provided that in connection with an acquisition or investment permitted hereunder or an irrevocable redemption of other Indebtedness permitted hereunder, if agreed to by the respective Incremental Lenders, the Borrower shall only be required to (i) comply with Section 4.2(a), (ii) make customary "Sungard" representations and warranties and (iii) comply with a requirement that no Event of Default under Sections 7.1(a), (b), (i) or (j) shall have occurred and be continuing on the date on which the definitive agreement for such acquisition or investment is entered into or on the date which the respective irrevocable redemption notice is delivered.

(ii) the proceeds of any Incremental Term Loans shall be used for the working capital and general corporate purposes (including acquisitions, investments and Restricted Payments permitted under this Agreement) of the Borrower and its Restricted Subsidiaries;

(iii) each Incremental Commitment (and the Incremental Term Loans made thereunder) shall constitute Obligations and Parity Secured Obligations for all purposes under the Loan Documents and shall be secured and guaranteed with the other Term Loans hereunder on a pari passu basis;

(iv) in the case of each series of Incremental Term Loans (the terms of which shall be set forth in an amendment (an "Incremental Commitment Supplement") to this Agreement in form and substance reasonably satisfactory to the Administrative Agent and the Borrower):

(A) such Incremental Term Loan will mature and amortize in a manner reasonably acceptable to the Incremental Lenders making such Incremental Term Loan and the Borrower, but will not in any event have a shorter Weighted Average Life to Maturity than the remaining Weighted Average Life to Maturity of the initial Refinancing Term B Loans made on the Effective Date or a final maturity date earlier than that of such initial Refinancing Term B Loans;

(B) the Applicable Margin, pricing grid, if applicable, and fees for such Incremental Term Loan shall be determined by the applicable Incremental Lenders and the Borrower and set forth in the applicable Incremental Commitment Supplement;

(C) any Incremental Lender making any Incremental Term Loan shall be entitled to the same voting rights as the existing Lenders and each Incremental Term Loan shall receive proceeds of prepayments on the same basis as the Refinancing Term B Loans and, in the case of mandatory prepayment offers required pursuant to Section 2.14, such prepayments offers shall be on made pro rata on the basis of the original aggregate funded amount thereof among the Refinancing Term B Loans and the Incremental Term Loans (except, in each case, to the extent that the respective Incremental Lenders elect a lesser prepayment);

(D) each series of Incremental Commitments shall be effected pursuant to an Incremental Commitment Supplement executed and delivered by the Borrower, the Administrative Agent and the applicable Incremental Lenders (which Incremental Commitment Supplement may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section 2.25); and

(E) the Borrower shall deliver or cause to be delivered any customary legal opinions or other customary documents (including, without limitation, a resolution duly adopted by the board of directors (or equivalent governing body) of each Loan Party authorizing such Incremental Term Loan and/or Incremental Commitment) reasonably requested by the Administrative Agent in connection with any such transaction.

(b) (i) Unless otherwise specifically provided herein, all references in the Loan Documents to Term Loans shall be deemed, unless the context otherwise requires, to include references to Incremental Term Loans that are Term Loans made pursuant to this Agreement; provided that such Incremental Term Loan either shall be designated as a separate tranche of Term Loans for all purposes of this Agreement or may be added to a then existing tranche of Term Loans (and thereafter, for all purposes of the Loan Documents, be treated as part of such existing tranche of Term Loans).

(ii) The Incremental Lenders shall be included in any determination of the Required Lenders and, unless otherwise agreed or provided for in this Agreement, the Incremental Lenders will not constitute a separate voting class for any purposes under this Agreement.

(iii) The Incremental Term Loans may be drawn on a delayed draw basis if agreed by the Incremental Lenders providing such Incremental Term Loans.

(c) On any Increased Amount Date on which any Incremental Commitment becomes effective, subject to the foregoing terms and conditions, each Incremental Lender with an Incremental Commitment shall make, or be obligated to make, an Incremental Term Loan to the Borrower in an amount equal to its Incremental Commitment and shall become a Lender hereunder with respect to such Incremental Commitment and the Incremental made pursuant thereto.

(d) The Lenders hereby irrevocably authorize the Administrative Agent and the Collateral Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower and the other applicable Loan Parties as may be necessary in order to effectuate the terms of this Section 2.25 (including, without limitation, as applicable, (1) to permit the Incremental Term Loans to share ratably in the benefits of this Agreement and the other Loan Documents and (2) to include the Incremental Commitments or outstanding Incremental Term Loans in any determination of Required Lenders). Without limiting the foregoing, in connection with any Incremental Term Loan, the respective Loan Parties shall (at their expense) amend (and the Collateral Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the then latest Stated Maturity so that such maturity date is extended to the then latest Stated Maturity (or such later date as may be advised by local counsel to the Collateral Agent).

2.26. Replacement of Lenders. The Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.18 or 2.19, (b) refuses to extend its Term Loans pursuant to an Extension Offer pursuant to Section 2.27 or (c) does not consent to any proposed amendment, supplement, modification, consent or waiver of any provision of this Agreement or any other Loan Document that requires the consent of each of the Lenders or each of the Lenders affected thereby (so long as the consent of the Required Lenders has been obtained), in each case with a replacement financial institution; provided that (i) prior to any such replacement pursuant to preceding clause (a), such Lender shall have taken no action under Section 2.21 so as to eliminate the continued need for payment of amounts owing pursuant to Section 2.18 or 2.19, (ii) the replacement financial institution shall purchase, at par, all Term Loans outstanding and other amounts related thereto owing to such replaced Lender on or prior to the date of replacement, (iii) [reserved], (iv) the replacement financial institution (if other than a then existing Lender or an affiliate thereof or an Approved Fund) shall be reasonably satisfactory to the Administrative Agent, (v) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 9.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein), (vi) until such time as such replacement shall be consummated, the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.18 or 2.19, as the case may be, and (vii) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

2.27. Extensions of Loans and Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by the Borrower to any or all Lenders holding Term B Loans or Incremental Term Loans of a given series with a like Stated Maturity, the Borrower may from time to time extend the maturity date of such Term Loans and otherwise modify the terms of such Term Loans pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of such Term Loans (and related outstandings), in each case, without the consent of any other Lenders) (an "Extension," and each group of Term Loans so extended, as well as the original Term Loans (not so extended), being a "tranche"; any Extended Term Loans shall constitute a separate tranche of Term Loans from the tranche of Term Loans from which they were converted), so long as the following terms are satisfied: (i) no Event of Default shall have occurred and be continuing at the time that any offering document in respect of an Extension Offer is delivered to the relevant Lenders, (ii) except as to interest rates, fees. amortization and final maturity, the Term Loans of any Lender (an "Extending Term Lender") extended pursuant to an Extension (an "Extended Term Loan") shall be a Term Loan with the same terms as the original Term Loans; provided that at no time shall there be Term Loans hereunder (including Extended Term Loans and any original Term Loans) which have more than three different Stated Maturities (unless a greater number is permitted by the Administrative Agent), (iii) if the aggregate principal amount of Term Loans in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans offered to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer, (viii) all documentation in respect of such Extension shall be consistent with the foregoing, and all written communications by the Borrower generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and otherwise reasonably satisfactory to the Administrative Agent, and (ix) any applicable Minimum Extension Condition shall be satisfied.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.27, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.13 or 2.14 and (ii) no Extension Offer is required to be in any minimum amount or any minimum increment, provided that the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's discretion) of Term Loans of any or all applicable tranches be tendered. The Administrative Agent and the Lenders hereby consent to the Extensions and the other transactions contemplated by this Section 2.27(b) (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.13, 2.14, 2.17 and 9.7(a)) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.27.

(c) The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower and the other applicable Loan Parties as may be necessary in order to establish new tranches or sub-tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.27. Notwithstanding the foregoing, the Administrative Agent shall have the right (but not the obligation) to seek the advice or concurrence of the Required Lenders with respect to any matter contemplated by this Section 2.27(c) and, if the Administrative Agent seeks such advice or concurrence, the Administrative Agent shall be permitted to enter into such amendments with the Borrower in accordance with any instructions actually received by such Required Lenders and shall also be entitled to refrain from entering into such amendments with the Borrower unless and until it shall have received such advice or concurrence; provided, however, that whether or not there has been a request by the Administrative Agent for any such advice or concurrence, all such amendments entered into with the Borrower by the Administrative Agent hereunder shall be binding and conclusive on the Lenders. Without limiting the foregoing, in connection with any Extensions, the respective Loan Parties shall (at their expense) amend (and the Collateral Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the then latest Stated Maturity so that such maturity date is extended to the then latest Stated Maturity (or such later date as may be advised by local counsel to the Collateral Agent).

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.27.

2.28. Dutch Auction Buy Backs. Notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the Borrower may conduct reverse Dutch auctions from time to time after the Effective Date in order to purchase either Term B Loans or any Incremental Term Loans of any particular tranche(s) (as determined by the Borrower in its sole discretion) (each, an "Auction") (each such Auction to be managed exclusively by Administrative Agent or another investment bank or commercial bank of recognized standing selected by the Borrower (in such capacity, the "Auction Manager")), so long as the following conditions are satisfied: (i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.28 and Exhibit I, (ii) no Event of Default shall have occurred and be continuing on the date of the delivery of each Auction Notice in connection with any Auction, (iii) the minimum principal amount (calculated on the face amount thereof) of each and all tranches of Term Loans that the Borrower offers to purchase in any such Auction shall be no less than $25,000,000 (across all such tranches) or an integral multiple of $1,000,000 in excess thereof (or such lesser amount and such lesser integral multiple as may be reasonably acceptable to the Auction Manager) and (iv) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans of the applicable tranche or tranches so purchased by the Borrower shall automatically be cancelled and retired by the Borrower on the settlement date of the relevant purchase (and may not be resold). The Borrower must terminate an Auction if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the respective Auction. If the Borrower commences any Auction (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of the respective Auction have in fact been satisfied), and if at such time of commencement the Borrower reasonably believes that all required conditions set forth above which are required to be satisfied at the time of the purchase of Term Loans pursuant to such Auction shall be satisfied, then the Borrower shall have no liability to any Lender for any termination of the respective Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the respective Auction, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans of the applicable tranche or tranches made by the Borrower pursuant to this Section 2.28, (x) the Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant Offer Documents), if any, on the purchased Term Loans of the applicable tranche or tranches up to the settlement date of such purchase and (y) such purchases (and the payments made by the Borrower and the cancellation of the purchased Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.13 or 2.14. Each Lender acknowledges and agrees that in connection with each Auction, (i) the Borrower may purchase or acquire Term Loans hereunder from Lenders from time to time, subject to this Section 2.28, (ii) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to enter into an assignment of such Term Loans hereunder ("Excluded Information"), (iii) such Lender has independently and without reliance on the Borrower or any of its Subsidiaries or Affiliates made such Lender's own analysis and determined to enter into an assignment of such Term Loans and to consummate the transactions contemplated thereby notwithstanding such Lender's lack of knowledge of the Excluded Information and (iv) the Borrower and its Subsidiaries shall have no liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower and its Subsidiaries, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender further acknowledges that the Excluded Information may not be available to the Administrative Agent, the Auction Manager or the other Lenders hereunder. Each Lender which tenders (or does not tender) Term Loans pursuant to an Auction agrees to the provisions of the two preceding sentences, and agrees that they shall control, notwithstanding any inconsistent provision hereof or in any Assignment and Acceptance. The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.28 and hereby waive the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.28. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 8 and Section 9.5 *mutatis mutandis* as if each reference therein to the "Administrative Agent" or an "Agent" were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Auction.

SECTION 3

Representations and Warranties

In order to induce the Lenders to enter into this Agreement and to make Term Loans, the Borrower represents and warrants on the Effective Date to the Administrative Agent and to each Lender as follows:

3.1. Existence; Compliance with Law. Each Loan Party (a) is duly organized, validly existing and (to the extent such concept is applicable) in good standing under the laws of the jurisdiction of its organization, (b) has the power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign corporation or other organization and (to the extent such concept is applicable) in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification and (d) is in compliance with all Requirements of Law, except, in the case of each of the foregoing clauses (a) through (d), to the extent that the failure to comply therewith would not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.2. Power; Authorizations; Enforceable Obligations. Each Loan Party has the power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to obtain extensions of credit hereunder. Each Loan Party has taken all necessary organizational action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the extensions of credit on the terms and conditions of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority is required in connection with the extensions of credit hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement or any of the Loan Documents, except (i) that have been obtained or made and are in full force and effect, (ii) the filings made in respect of the Security Documents and (iii) to the extent that the failure to obtain any such consent, authorization, filing, notice or other act would not, in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Loan Document has been duly executed and delivered on behalf of each Loan Party party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

3.3. No Legal Bar. The execution, delivery and performance of this Agreement and the other Loan Documents, the borrowings hereunder and the use of the proceeds thereof (x) will not violate any Requirement of Law applicable to any Loan Party or any Contractual Obligation of any Loan Party that (in either case) would reasonably be expected to have a Material Adverse Effect and (y) will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such material Contractual Obligation (other than the Liens created by the Security Documents and other Permitted Liens).

3.4. Accuracy of Information. No statement or information contained in this Agreement, any other Loan Document, the Information Memorandum or any other document, certificate or statement furnished by or on behalf of any Loan Party to the Administrative Agent or the Lenders, or any of them, for use in connection with the transactions contemplated by this Agreement or the other Loan Documents, contained as of the Effective Date, taken as a whole and in light of the circumstances in which made, any untrue statement of a material fact or omitted to state a material fact necessary to make the statements contained herein or therein not materially misleading.

3.5. No Material Adverse Effect. Since December 31, 2022, there has been no development or event that has had or would reasonably be expected to have a Material Adverse Effect.

3.6. Subsidiaries. Schedule 3.6 annexed hereto sets forth the name and jurisdiction of organization of each Restricted Subsidiary of the Borrower as of the Effective Date and, as to each such Restricted Subsidiary, the percentage of each class of Capital Stock owned by any Loan Party as of the Effective Date, and (b) as of the Effective Date, there are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments (other than stock options or restricted stock granted to employees or directors and directors' qualifying shares) of any nature relating to any Capital Stock of any of the Guarantors directly owned by the Loan Parties that are included in the Collateral, except as created by the Loan Documents or permitted under Section 6.2.

3.7. Title to Assets; Liens. The Loan Parties have title in fee simple to, or a valid leasehold or easement interest in, all their material real property (including, without limitation, the material real property to be encumbered by a Mortgage), taken as a whole, and good and marketable title to, or a valid leasehold or easement interest in, all their other material property, taken as a whole, in each case, except for those which the failure to have such good title or such leasehold or easement interest would not be reasonably expected to have a Material Adverse Effect, and none of such property is subject to any Lien except Permitted Liens.

3.8. Intellectual Property. Each Loan Party owns, or is licensed to use, all Intellectual Property material to the conduct of its business, and the conduct of the business of each Loan Party does not infringe upon the intellectual property rights of any other Person, in each case except where the failure to do so would not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.9. Use of Proceeds. The proceeds of the Refinancing Term B Loans shall be utilized, together with cash on hand, (i) to repay all the Initial Term B Loans outstanding under the Existing Credit Agreement, (ii) to pay fees and expenses related thereto (including without limitation, any breakage fees) and related to this Agreement and the transactions contemplated hereby, (iii) to pay any swap breakage costs (if any) resulting from such repayments and (iv) for general corporate purposes (including a partial prepayment of the Term B-5 Term Loan). The proceeds of Incremental Term Loans shall be used for the purposes described in Section 2.25.

3.10. Litigation. Except as disclosed in writing to the Administrative Agent and the Lenders prior to the Effective Date or otherwise disclosed on the Calpine Platform prior to the Effective Date, no litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Borrower, threatened in writing by or against any Loan Party or against any of their respective properties or revenues that, in the aggregate, would reasonably be expected to have a Material Adverse Effect.

3.11. Federal Reserve Regulations. No part of the proceeds of any Term Loan will be used (a) for "buying" or "carrying" any "margin stock" within the respective meanings of each of the quoted terms under Regulation U as now in effect for any purpose that violates the provisions of the Regulations of the Board of Governors or (b) for any purpose that violates the provisions of the Regulations of the Board of Governors. Neither the Borrower nor any of its Restricted Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any "margin stock."

3.12. Solvency. On the Effective Date, the Borrower and its Subsidiaries, taken as a whole, are, and after giving effect to the incurrence of all Indebtedness and obligations being incurred in connection herewith on the Effective Date will be, Solvent.

3.13. Taxes. Each Loan Party has filed or caused to be filed all federal and state income Tax and other Tax returns that are required to be filed, except if the failures to make any such filing would not, in the aggregate, reasonably be expected to have a Material Adverse Effect, and has paid all Taxes (including in its capacity as withholding agent) shown to be due and payable on said returns or on any assessments made against it or any of its property and all other Taxes, fees or other charges imposed on it or any of its property by any Governmental Authority (other than any (x) the amount or validity of which are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the relevant Loan Party, or (y) those where the failure to pay, in the aggregate, would not reasonably be expected to have a Material Adverse Effect). There are no proposed Tax assessments or other claims against, and no Tax audits with respect to, any Loan Party that would reasonably be expected to, in the aggregate, have a Material Adverse Effect.

3.14. ERISA. Except as, in the aggregate, does not or would not reasonably be expected to result in a Material Adverse Effect: neither a Reportable Event nor a failure to satisfy the minimum funding standard of Section 430 of the Code or Section 303 of ERISA, whether or not waived, with respect to a Plan has occurred during the five year period prior to the date on which this representation is made or deemed made with respect to any Plan, and each Plan has complied in all respects with the applicable provisions of ERISA and the Code; no termination of a Plan has occurred, and no Lien in favor of the PBGC or a Plan has arisen, during such five-year period; the present value of all accrued benefits under each Plan (based on those assumptions used to fund such Plans) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such Plan allocable to such accrued benefits; neither the Borrower nor any Commonly Controlled Entity has had a complete or partial withdrawal (including under Section 4062(e) of ERISA) from any Plan or Multiemployer Plan; to the knowledge of the Borrower, neither the Borrower nor any Commonly Controlled Entity would become subject to any liability under ERISA if the Borrower or any such Commonly Controlled Entity were to withdraw completely from all Multiemployer Plans as of the valuation date most closely preceding the date on which this representation is made or deemed made; and to the knowledge of the Borrower, no Multiemployer Plan is Insolvent.

3.15. Environmental Matters; Hazardous Material. There have been no matters with respect to Environmental Laws or Materials of Environmental Concern which, in the aggregate, would reasonably be expected to have a Material Adverse Effect.

3.16. Investment Company Act; Other Regulations. No Loan Party is an "investment company", or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended.

3.17. Labor Matters. Except as, in the aggregate, would not reasonably be expected to have a Material Adverse Effect: (a) there are no strikes or other labor disputes against any Loan Party pending or, to the knowledge of the Borrower, threatened; (b) hours worked by and payment made to employees of each Loan Party have not been in violation of the Fair Labor Standards Act or any other applicable Requirement of Law dealing with such matters; and (c) all payments due from any Loan Party on account of employee health and welfare insurance have been paid or accrued as a liability on the books of the relevant Loan Party.

3.18. Security Documents.

(a) After the execution and delivery thereof, the Pledge and Security Agreement and the Partnership Interest Pledge Agreement are effective to create in favor of the Collateral Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in the Collateral described therein and proceeds thereof. In the case of the Pledged Stock described in the Pledge and Security Agreement and the Partnership Interest Pledge Agreement, when stock certificates (if any) representing such Pledged Stock are delivered to the Collateral Agent, and in the case of the Collateral described in the Pledge and Security Agreement and the Partnership Interest Pledge Agreement, when financing statements and other filings specified on Schedule 5 of the Perfection Certificate in appropriate form are filed in the offices specified on Schedule 6 of the Perfection Certificate, the Pledge and Security Agreement and the Partnership Interest Pledge Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in such Collateral and the proceeds thereof to the extent security interests can be so perfected (by delivery or filing UCC financing statements as applicable) on such Collateral, as security for the Secured Obligations, in each such case prior and superior in right to any other Person (except Permitted Liens).

(b) After the execution and delivery thereof, each of the Mortgages, is or will be effective to create in favor of the Collateral Agent, for the benefit of the Secured Parties, a legal, valid and enforceable Lien on the Mortgaged Properties described therein and proceeds thereof, and each such Mortgage shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in the Mortgaged Properties and the proceeds thereof, as security for the Secured Obligations, in each case prior and superior in right to any other Person other than Permitted Liens. Schedule 1.1B lists, as of the Effective Date, each parcel of owned real property and each leasehold interest in real property located in the United States and held by the Borrower or any of its Guarantors that has a value, in the reasonable opinion of the Borrower, in excess of $40,000,000.

3.19. Energy Regulation. The Borrower and its Restricted Subsidiaries are in compliance with the Public Utility Holding Company Act of 2005 and the implementing regulations of the Federal Energy Regulatory Commission, as amended from time to time (together, "PUHCA 2005"), and consummation of the transactions contemplated by this Agreement and the other Loan Documents will not cause the Borrower or its Restricted Subsidiaries to cease to be in compliance with PUHCA 2005, except where any such non-compliance would not reasonably be expected to have a Material Adverse Effect.

3.20. Anti-Corruption Laws and Sanctions. No Loan Party is a Sanctioned Person. Neither the Borrower's incurrence of any Term Loans on any Borrowing Date nor its use of the proceeds thereof will violate any Anti-Corruption Law or applicable Sanctions.

3.21. Beneficial Ownership Certification. As of the Effective Date, the information included in the Beneficial Ownership Certification delivered pursuant to Section 4.1(i) is true and correct in all respects.

4.2. Conditions to Each Borrowing of Term Loans. The occurrence of the Effective Date and the making of Term Loans hereunder are subject to the satisfaction or waiver of the following conditions precedent (except to the extent otherwise provided in Section 2.25):

(a) Notice. The Administrative Agent shall have received the applicable notice of borrowing, in substantially the form attached as Exhibit J, from the Borrower.

(b) Representations and Warranties. All representations and warranties contained in this Agreement and the other Loan Documents shall be true and correct in all material respects on and as of the date of each Borrowing of Term Loans hereunder with the same effect as if made on and as of such date (unless stated to relate to a specific earlier date, in which case, such representations and warranties shall be true and correct in all material respects as of such earlier date) (it being understood that any representation or warranty that is qualified as to materiality or Material Adverse Effect shall be correct in all respects).

(c) No Default or Event of Default. (i) In the case of any Borrowing of Term Loans (other than Incremental Term Loans), no Default or Event of Default shall have occurred and be continuing on such Borrowing Date or after giving effect to the making of such Term Loans on such Borrowing Date and (ii) in the case of any Borrowing of Incremental Term Loans, no Event of Default shall have occurred and be continuing on such Borrowing Date or after giving effect to the making of such Incremental Term Loans on such Borrowing Date.

SECTION 5

Affirmative Covenants

5.1. Financial Statements, Etc. Whether or not required by the SEC's rules and regulations, the Borrower will furnish to the Administrative Agent (for distribution to the Lenders) unaudited quarterly financial statements of the Borrower for the first three fiscal quarters of each fiscal year of the Borrower (which statements have been certified by a Responsible Officer of the Borrower) beginning with the fiscal quarter ended December 31, 2023, and audited annual financial statements of the Borrower (which annual financial statements shall include a report thereon from the Borrower's certified independent accountants), in each case prepared in accordance with GAAP (in absence of footnote disclosures and year-end audit adjustments as it pertains to quarterly financial statements) and, in each case, within (x) 105 days after the end of the fiscal year of the Borrower, in the case of audited annual financial statements and (y) 60 days after the end of each of the first three fiscal quarters of each fiscal year of the Borrower, in the case of unaudited quarterly financial statements of the Borrower.

(a) The Borrower shall deliver to the Administrative Agent, within 105 days after the end of each fiscal year of the Borrower, an officers' certificate of a Responsible Officer of the Borrower stating that a review of the activities of the Borrower and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Responsible Officer with a view to determining whether any Default or Event of Default has occurred and is continuing under this Agreement, and further stating, as to such Responsible Officer signing such certificate, that to the best of his or her knowledge no Default or Event of Default has occurred and is continuing under this Agreement (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Borrower is taking or proposes to take with respect thereto).

(b) The Borrower will deliver to the Administrative Agent, promptly upon any Responsible Officer becoming aware of any Default or Event of Default, an officers' certificate of a Responsible Officer of the Borrower specifying such Default or Event of Default and what action the Borrower is taking or proposes to take with respect thereto.

5.4. Maintenance of Insurance.

(a) The Borrower and the Grantors will maintain insurance policies (or self-insurance) on all its material property in at least such amounts and against at least such risks as are usually insured against by companies of a similar size engaged in the same or a similar business and, from and after the Original Closing Date, will name the Collateral Agent as an additional insured and (in the case of Collateral) lender's loss payee as its interests may appear, to the extent required by the Security Documents. Upon the request of the Collateral Agent, the Borrower and the Grantors will furnish to the Collateral Agent full information as to their property and liability insurance carriers; and

(b) If at any time any Building or Mobile Home (each as defined by the Flood Insurance Laws) located on a Mortgaged Property subject to a Mortgage is located in an area identified by the Federal Emergency Management Agency (or any successor agent) as a special flood hazard area, then the Borrower shall, or shall cause the applicable Loan Party to, (i) maintain with a financially sound and reputable insurer flood insurance in an amount and otherwise sufficient to comply with all applicable rules and regulations promulgated pursuant to the Flood Insurance Laws and (ii) if requested by the Administrative Agent, deliver to the Administrative Agent evidence of such compliance.

5.9. After-Acquired Collateral.

(b) With respect to any fee interest in any real property having a fair market value (together with improvements thereof) of at least $40,000,000 acquired after the Original Closing Date by the Borrower or any Guarantor (other than any such real property subject to a Permitted Lien which precludes the granting of a Mortgage thereon), within 180 days after the creation or acquisition thereof (as such date may be extended by the Administrative Agent), the Borrower or the applicable Guarantor shall deliver to the Collateral Agent the items set forth in Section 5.10(b) hereof.

(ii) deliver to the Collateral Agent the certificates representing such Capital Stock (unless constituting an Excluded Asset), together with undated stock powers, in blank, executed and delivered by a duly authorized officer of the Borrower or the relevant Guarantor,

(iii) cause such new Wholly-Owned Domestic Subsidiary (A) to become a party to the Pledge and Security Agreement, (B) to take such actions reasonably necessary or advisable to grant to the Collateral Agent for the benefit of the Secured Parties a perfected first priority security interest in the Collateral described in the Pledge and Security Agreement with respect to such new Wholly-Owned Domestic Subsidiary (subject to Permitted Liens and the terms of the Pledge and Security Agreement), including the filing of Uniform Commercial Code financing statements in such jurisdictions as may be required by the Pledge and Security Agreement or by law or as may be reasonably requested by the Collateral Agent and (C) to deliver to the Collateral Agent a customary closing certificate of such Wholly-Owned Domestic Subsidiary, with appropriate insertions and attachments, and

(ii) if commercially reasonable, deliver to the Collateral Agent the certificates representing such Capital Stock (unless constituting an Excluded Asset), together with undated stock powers, in blank, executed and delivered by a duly authorized officer of the Borrower or the relevant Guarantor, and take such other action as may be necessary or, in the opinion of the Collateral Agent, desirable to perfect the Collateral Agent's security interest therein.

(2) fully paid policies of title insurance (or marked-up title insurance commitments having the effect of policies of title insurance) on each Mortgaged Property naming the Collateral Agent as the insured party for its benefit and that of the Secured Parties and respective successors and assigns (the "Title Insurance Policies") issued by the Title Insurance Company, such Title Insurance Policies to be in form and substance and in an amount reasonably acceptable to the Collateral Agent, insuring the Mortgages to be valid subsisting first-priority Liens (subject to Permitted Liens) on the property described therein, free and clear of all Liens other than Permitted Liens, each of which shall (i) to the extent reasonably necessary, include such reinsurance arrangements or coinsurance as shall be reasonably acceptable to the Collateral Agent, (ii) contain a "tie-in" endorsement, if available under applicable law and (iii) have been supplemented by such endorsements as shall be reasonably requested by the Collateral Agent (including, if reasonably requested by the Collateral Agent, endorsements on matters relating to usury, first loss, zoning, contiguity, revolving credit, doing business, access, variable rate, survey, environmental lien, subdivision, mortgage recording tax, separate tax lot and so-called comprehensive coverage over covenants and restrictions);

(4) customary legal opinions, addressed to the Administrative Agent, the Collateral Agent and the Lenders (a) in the state in which the applicable Mortgaged Property is located with respect to the enforceability and perfection of such Mortgage and any related fixture filing and any other customary matters reasonably requested by the Collateral Agent and (b) in the state in which the mortgagor is organized or formed, with respect to due authorization, execution and delivery of such Mortgage and other customary matters reasonably requested by the Collateral Agent;

(5) with respect to each Mortgaged Property, a completed "Life-of-Loan" Federal Emergency Management Agency Standard Flood Hazard Determination, and to the extent any Building or Mobile Home (as defined by the Flood Insurance Laws) on the Mortgaged Property is located in an area identified by the Federal Emergency Management Agency (or any successor agent) as a special flood hazard area, (i) a notice about special flood hazard area status and flood disaster assistance duly executed by the Borrower and (ii) evidence of flood insurance as required by Section 5.4 hereof; and

SECTION 6

Negative Covenants

The Borrower agrees that, so long as any Term Loan or other amount is owing to any Lender or the Administrative Agent hereunder or under any other Loan Document (other than contingent indemnification obligations for which no claim has been asserted) or the Term Commitments are outstanding:

6.1. Limitation on Incurrence of Indebtedness and Issuance of Preferred Stock.

(a) The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness, and the Borrower will not issue any Disqualified Capital Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; provided, however, that the Borrower may incur Indebtedness or issue Disqualified Capital Stock, and the Guarantors may incur Indebtedness or issue preferred stock, if the Fixed Charge Coverage Ratio for the Borrower's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Capital Stock or preferred stock is issued would have been at least 2.0 to 1.0, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Capital Stock or preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) The provisions of Section 6.1(a) will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "Permitted Debt"):

(i) the incurrence by the Borrower and its Restricted Subsidiaries and the guarantee by the Borrower and its Restricted Subsidiaries of Indebtedness and letters of credit under Credit Facilities in an aggregate principal amount at any one time outstanding under this Section 6.1(b)(i) (with letters of credit being deemed to have a principal amount equal to the maximum potential liability of the Borrower and its Restricted Subsidiaries thereunder) not to exceed $50.0 million less the amount incurred pursuant to clause (a)(i) of the definition of "Maximum Incremental Facilities Amount" (but only to the extent that such amount is then outstanding);

(ii) the incurrence by the Borrower and its Restricted Subsidiaries of Indebtedness represented by the Term Loans (including Incremental Term Loans) and the related guarantees and the incurrence by any Restricted Subsidiary of the Borrower of any other guarantee of the Term Loans (including Incremental Term Loans) and other Obligations;

(iii) the incurrence by the Borrower or any of its Restricted Subsidiaries of Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of design, construction, installation or improvement of property, plant or equipment used or useful in the business of the Borrower or any of its Restricted Subsidiaries or within 180 days thereafter; provided that at the time of incurrence of any such Indebtedness, the aggregate amount of Indebtedness outstanding under this Section 6.1(b)(iii), including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this Section 6.1(b)(iii), does not exceed the greater of (x) $100.0 million and (y) 5.0% of Total Assets;

(iv) Indebtedness, Disqualified Capital Stock or preferred stock of Persons or assets that are acquired by the Borrower or any of its Restricted Subsidiaries or merged into the Borrower or any of its Restricted Subsidiaries in accordance with the terms of this Agreement; provided that such Indebtedness, Disqualified Capital Stock or preferred stock is not incurred in contemplation of such acquisition or merger; and provided further that after giving effect to such acquisition or merger, either (a) the Borrower would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 6.1(a) or (b) the Fixed Charge Coverage Ratio would be no less than that immediately prior to such acquisition or merger;

(v) the incurrence by the Borrower or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace, Indebtedness (other than intercompany Indebtedness) that was permitted by this Agreement to be incurred under Section 6.1(a) or clauses (ii), (iii), (iv), (v), (xiii), (xiv), (xv) or (xvii) of this Section 6.1(b);

(vi) the incurrence by the Borrower or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Borrower or any of its Restricted Subsidiaries; provided, however, that:

(A) if the Borrower or any Guarantor is the obligor on such Indebtedness and the payee is not the Borrower or a Guarantor, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations, in the case of the Borrower, or the guarantee, in the case of a Guarantor; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Borrower or any of its Restricted Subsidiaries and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Borrower or a Restricted Subsidiary of the Borrower (except transfers to the applicable Secured Debt Representative to secure Parity Secured Obligations) will be deemed, in each case, to constitute an incurrence of such Indebtedness by the Borrower or such Restricted Subsidiary, as the case may be, that was not permitted by this Section 6.1(b)(vi);

(vii) the Guarantee by the Borrower or any of its Restricted Subsidiaries of Indebtedness that was permitted by this Agreement to be incurred by another provision of this Section 6.1(b);

(viii) the issuance by any of the Borrower's Restricted Subsidiaries to the Borrower or to any of its Restricted Subsidiaries of shares of preferred stock; provided, however, that:

(A) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person other than the Borrower or its Restricted Subsidiary; and

(B) any sale or other transfer of any such preferred stock to a Person that is not either the Borrower or a Restricted Subsidiary of the Borrower

will be deemed, in each case, to constitute an issuance of such preferred stock by such Restricted Subsidiary that was not permitted by this Section 6.1(b)(viii);

(ix) the incurrence by the Borrower or any of its Restricted Subsidiaries of obligations under Swap Agreements or Cash Management Obligations in the ordinary course of business or consistent with past practice;

(x) the incurrence by the Borrower or any of its Restricted Subsidiaries of Indebtedness in respect of workers' compensation claims, self-insurance obligations, bankers' acceptances, performance, surety and similar bonds provided by the Borrower or any of its Restricted Subsidiaries in the ordinary course of business;

(xi) the incurrence by the Borrower or any of its Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within five Business Days;

(xii) the incurrence of Indebtedness arising from agreements of the Borrower or any of its Restricted Subsidiaries providing for indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition or acquisition of any business, assets or Equity Interests of a Subsidiary; provided that the maximum aggregate liability in respect of all such Indebtedness in respect of a disposition shall at no time exceed the gross proceeds (including the Fair Market Value of non-cash proceeds) actually received by the Borrower and/or such Restricted Subsidiary in connection with such disposition;

(xiii) Indebtedness of the Borrower or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business or consistent with past practice;

(xiv) Indebtedness of the Borrower and its Restricted Subsidiaries existing on the Effective Date;

(xv) (a) Environmental CapEx Debt or (b) Indebtedness in respect of Upgrades; provided, in each case, that prior to the incurrence of any such Indebtedness, the Borrower shall deliver to the Administrative Agent an officer's certificate of a Responsible Officer designating such Indebtedness as Environmental CapEx Debt or Indebtedness in respect of Upgrades, as applicable;

(xvi) the incurrence by the Borrower or any of its Restricted Subsidiaries of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding pursuant to this Section 6.1(b)(xvi), including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (xvii), not to exceed the greater of (x) $100.0 million and (y) 5.0% of Total Assets (which may, but need not, be incurred under a Credit Facility); and

(xvii) the incurrence by the Borrower or any of its Restricted Subsidiaries of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding pursuant to this Section 6.1(b)(xvii), including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (xvii), not to exceed the greater of (x) $100.0 million and (y) 5.0% of Total Assets (which may, but need not, be incurred under a Credit Facility) less the amount incurred pursuant to clause (a)(ii) of the definition of "Maximum Incremental Facilities Amount" (but only to the extent such amount is then outstanding).

(c) The Borrower shall not, and shall not permit any Guarantor to, incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Borrower or that Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Obligations or the applicable guarantee on substantially identical terms; provided, however, that no Indebtedness of the Borrower will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Borrower solely by virtue of being unsecured or by virtue of being secured on a junior basis.

(d) For purposes of determining compliance with this Section 6.1, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (i) through (xvii) of Section 6.1(b), or is entitled to be incurred pursuant to Section 6.1(a), the Borrower will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify from time to time all or a portion of such item of Indebtedness, in any manner that complies with this Section 6.1. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Capital Stock or preferred stock in the form of additional shares of the same class of Disqualified Capital Stock or preferred stock will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Capital Stock or preferred stock for purposes of this Section 6.1; provided, in each such case, that the amount thereof is included in (and to the extent required by) Fixed Charges of the Borrower as accrued. Notwithstanding any other provision of this Section 6.1, the maximum amount of Indebtedness that the Borrower or any of its Restricted Subsidiaries may incur pursuant to this Section 6.1 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

6.2. Limitation on Liens. The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind on any asset now owned or hereafter acquired, except Permitted Liens.

6.3. Merger, Consolidation, or Sale of Assets.

(a) The Borrower shall not, directly or indirectly, (1) consolidate or merge with or into another Person (whether or not the Borrower is the surviving corporation); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Borrower and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(i) either:

(A) the Borrower is the surviving corporation; or

(B) the Person formed by or surviving any such consolidation or merger (if other than an Borrower) or to which such sale, assignment, transfer, conveyance or other disposition has been made is either (i) a corporation organized or existing under the laws of the United States, any state of the United States or the District of Columbia or (ii) a partnership or limited liability company organized or existing under the laws of the United States, any state of the United States or the District of Columbia;

(ii) the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of the Borrower under this Agreement and the Security Documents pursuant to a supplemental documentation reasonably satisfactory to the Administrative Agent;

(iii) immediately after such transaction, no Event of Default exists; and

(iv) the Borrower or the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or to which such sale, assignment, transfer, conveyance or other disposition has been made will, on the date of such transaction after giving *pro forma* effect thereto and to any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, either (i) have a *pro forma* Fixed Charge Coverage Ratio that is at least equal to the actual Fixed Charge Coverage Ratio of the Borrower as of such date or (ii) be permitted to incur at least $1.00 of additional Indebtedness pursuant to Section 6.1(a).

(b) In addition, the Borrower may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

(c) Notwithstanding the foregoing:

(i) any Restricted Subsidiary of the Borrower may consolidate with, merge into or transfer all or part of its properties and assets to the Borrower or any other Restricted Subsidiary of the Borrower; and

(ii) the Borrower may merge with an Affiliate solely for the purpose of reincorporating the Borrower or reforming in another jurisdiction.

(d) Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Borrower in accordance with this Section 6.3, the successor entity formed by such consolidation or into or with which the Borrower is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Agreement referring to the Borrower shall refer instead to the successor entity and not to the Borrower), and may exercise every right and power of the Borrower under this Agreement with the same effect as if such successor Person had been named as the Borrower herein; provided that the predecessor Borrower shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale, assignment, transfer, conveyance or other disposition of all of the Borrower's assets that meets the requirements of this Section 6.3.

6.4. Limitation on Sale and Leaseback Transactions.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, enter into any sale and leaseback transaction; provided that the Borrower or any of its Restricted Subsidiaries may enter into a sale and leaseback transaction if:

(i) the Borrower or the Restricted Subsidiary, as applicable, could have incurred Indebtedness in an amount equal to the Attributable Debt relating to such sale and leaseback transaction under Section 6.1;

(ii) the gross cash proceeds of that sale and leaseback transaction are at least equal to the Fair Market Value of the property that is the subject of that sale and leaseback transaction; and

(iii) if such sale and leaseback transaction constitutes an Asset Sale, the transfer of assets in that sale and leaseback transaction is permitted by, and the Borrower applies (or reinvests) the proceeds of such transaction in compliance with, Section 6.8.

(b) Section 6.4(a) shall not apply to a sale and leaseback transaction entered into between the Borrower and a Restricted Subsidiary of the Borrower or between Restricted Subsidiaries of the Borrower.

6.5. Business Activities. The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Borrower and its Subsidiaries taken as a whole.

6.6. Designation of Restricted and Unrestricted Subsidiaries. The Board of Directors of the Borrower may designate any Restricted Subsidiary of the Borrower to be an Unrestricted Subsidiary if that designation would not cause an Event of Default. If a Restricted Subsidiary of the Borrower is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Borrower and its Restricted Subsidiaries in the Subsidiary properly designated will be deemed to be an Investment made as of the time of the designation and will utilize the amount available for Restricted Payments under Section 6.9 or Permitted Investments, as determined by the Borrower. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Borrower may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary.

6.7. Transactions with Affiliates.

(a) The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Borrower (each, an "Affiliate Transaction") involving aggregate payments in excess of $10.0 million, unless:

(i) the Affiliate Transaction is on terms that are no less favorable (as reasonably determined by the Borrower) to the Borrower or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person; and

(ii) the Borrower delivers to the Administrative Agent:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $25.0 million, either (x) a resolution of the Board of Directors of the Borrower set forth in an officer's certificate of a Responsible Officer certifying that such Affiliate Transaction complies with this Section 6.7 and that such Affiliate Transaction has been approved by a majority of the members of the Board of Directors of the Borrower or (y) an opinion described in clause (B) below; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $50.0 million, an opinion as to the fairness to the Borrower or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 6.7(a):

(i) any employment agreement or director's engagement agreement, employee benefit plan, officer and director indemnification agreement or any similar arrangement entered into by the Borrower or any of its Restricted Subsidiaries in the ordinary course of business or approved by the relevant Board of Directors;

(ii) transactions between or among the Borrower and/or its Restricted Subsidiaries;

(iii) transactions with a Person that is an Affiliate of the Borrower solely because the Borrower owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(iv) payment of reasonable directors' fees and expenses and indemnities to Persons who are not otherwise Affiliates of the Borrower;

(v) any issuance of Equity Interests (other than Disqualified Capital Stock) of the Borrower to Affiliates of the Borrower;

(vi) Restricted Payments that do not violate the provisions of Section 6.9 or a Permitted Investment;

(vii) loans or advances to directors, officers and employees in the ordinary course of business not to exceed $10.0 million in the aggregate outstanding at any one time;

(viii) any agreement, instrument or arrangement as in effect as of the Effective Date and any transactions contemplated thereby and any amendment thereto or replacement thereof, so long as any such amendment or replacement agreement that at the time such amendment or agreement is executed is not materially less favorable taken as a whole than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person;

(ix) any *pro rata* distribution (including a rights offering) to all holders of a class of Equity Interests or Indebtedness of the Borrower or any of its Restricted Subsidiaries, including Persons who are Affiliates of the Borrower or any of its Restricted Subsidiaries;

(x) any transaction involving sales of electric capacity, energy, ancillary services, transmission services and products, steam, emissions credits, fuel, fuel transportation, shared services agreements, operation and maintenance agreements and fuel storage in the ordinary course of business on terms that are not materially less favorable (as reasonably determined by the Borrower) to the Borrower or the relevant Restricted Subsidiary of the Borrower than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person;

(xi) if the Borrower or any of its Restricted Subsidiaries enter into a transaction involving sales of electric capacity, energy, ancillary services, transmission services and products, steam, emissions credits, fuel, fuel transportation and fuel storage with any Person that is not an Affiliate, any amendment to any agreement with an Affiliate with respect thereto that modifies such agreement solely with respect to the subject matter of the transaction with such non-Affiliate;

(xii) the trading and sharing of parts and components for equipment, tools and equipment among the Borrower and its Affiliates, in the ordinary course of business or consistent with past practices of the relevant Persons, including for purposes of spare or replacement;

(xiii) transactions with customers, clients, suppliers, joint venture partners or purchasers or sellers of goods or services (including pursuant to joint venture agreements) otherwise in compliance with the terms of this Agreement that are fair to the Borrower and its Restricted Subsidiaries, in the determination of a senior financial officer of the Borrower, or are on terms not materially less favorable taken as a whole would reasonably have been obtained at such time from an unaffiliated party;

(xiv) transactions in which the Borrower or any Restricted Subsidiary of the Borrower, as the case may be, delivers to the Administrative Agent a letter from an accounting, appraisal or investment banking firm of national standing stating that such transaction is fair to the Borrower or such Restricted Subsidiary from a financial point of view or meets the requirements of Section 6.7(a)(i); and

(xv) transactions relating to corporate services agreements, administrative services agreements, operating, service and maintenance agreements, and intercompany tolling agreements, in each case, among the Borrower and/or one or more of its Restricted Subsidiaries and Calpine Corporation and/or one or more of its subsidiaries.

6.8. Asset Sales.

(a) The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(i) the Borrower (or its Restricted Subsidiary, as the case may be) receive consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(ii) at least 75% of the consideration received in the Asset Sale by the Borrower or such Restricted Subsidiary is in the form of cash or Cash Equivalents or Designated Non-Cash Consideration to the extent that all Designated Non-Cash Consideration at such time does not exceed the greater of $50.0 million and 2.5% of Total Assets (with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value). For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as shown on the Borrower's most recent consolidated balance sheet, of the Borrower or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Obligations or any guarantee thereof) and assumed by the transferee of any such assets pursuant to a customary novation agreement that releases the Borrower or such Restricted Subsidiary from further liability;

(B) any securities, notes or other obligations received by the Borrower or any such Restricted Subsidiary from such transferee that are converted (by sale or other disposition) by the Borrower or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion within 180 days; and

(C) reasonable reserves for indemnity obligations and purchase price adjustments funded in cash or held back by the purchaser.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale or, if the Borrower or any of its Restricted Subsidiaries has entered into a binding commitment or commitments with respect to any of the actions described in Section 6.8(b)(iii)(A) through (iii)(C) below, within the later of (x) 365 days after the receipt of any Net Proceeds from an Asset Sale or (y) 365 days after the entering into such commitment or commitments, the Borrower (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

(i) in the case of a sale of assets of a Restricted Subsidiary of the Borrower that is not a Guarantor, to repay Indebtedness of that Restricted Subsidiary and correspondingly reduce commitments with respect thereto;

(ii) in the case of a sale of assets pledged to secure Indebtedness (including Capital Lease Obligations), other than Parity Secured Debt, to repay the Indebtedness secured by those assets;

(iii) in the case of any Asset Sale:

(A) to acquire all or substantially all of the assets of (or any division, business unit or line of business of), or all or a majority of the Voting Stock of, a Person engaged in a Permitted Business, provided that such Person becomes a Restricted Subsidiary;

(B) to make a capital expenditure (including, without limitation, a maintenance capital expenditure or expense); or

(C) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business;

(iv) to collateralize the reimbursement obligations of the Borrower or any of its Restricted Subsidiaries in connection with surety or performance bonds or letters of credit or bankers' acceptances issued in the ordinary course of business; or

(v) any combination of the foregoing.

(c) As to any Net Proceeds from any Asset Sale, pending final application of such Net Proceeds in accordance with this Section 6.8, the Borrower or any of its Restricted Subsidiaries may temporarily reduce revolving credit borrowings or otherwise use the Net Proceeds in any manner that is not prohibited by this Agreement.

(d) Any Net Proceeds from Asset Sales that are not applied or invested as provided in Section 6.8(b) will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds $40.0 million, the Borrower shall make an Asset Sale Offer pursuant to Section 2.14(b) to all Lenders and an offer to all holders of other Parity Secured Debt that is *pari passu* with the Term Loans containing provisions similar to those set forth in this Agreement with respect to offers to purchase or redeem with the proceeds of sales of assets, an aggregate principal amount of Term Loans and such other Parity Secured Debt that may be purchased (or repaid, prepaid or redeemed) on a pro rata basis equal to the aggregate Excess Proceeds (an "Asset Sale Offer"). The offer price for the Term Loans in any Asset Sale Offer will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Borrower may use those Excess Proceeds for any purpose not otherwise prohibited by this Agreement. If the aggregate principal amount of Term Loans and other Parity Secured Debt tendered into such Asset Sale Offer or other offer exceeds the amount of Excess Proceeds, the Borrower will select the Term Loans and such other Parity Secured Debt to be purchased on a *pro rata* basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

6.9. Limitation on Restricted Payments.

(a) The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any other payment or distribution on account of the Borrower or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Borrower or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Borrower's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable in Equity Interests (other than Disqualified Capital Stock) of the Borrower or any of its Restricted Subsidiaries);

(ii) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Borrower) any Equity Interests of the Borrower or Parent;

(iii) make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness of the Borrower or of any Guarantor that is subordinated in right of payment to the Term Loans or any guarantee thereof (excluding any intercompany Indebtedness, intercompany receivables or intercompany advances between or among any of the Borrower and any of its Restricted Subsidiaries), except a payment of interest or principal at the Stated Maturity thereof; or

(iv) make any Investment that is not a Permitted Investment.

(all such payments and other actions set forth in these clauses (i) through (iv) above being collectively referred to as "Restricted Payments").

(b) The foregoing provisions of Section 6.9(a) shall not prohibit:

(i) the payment of any dividend or distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration of the dividend or distribution or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend, distribution or redemption payment would have complied with the provisions of this Agreement;

(ii) the making of any Restricted Payment in exchange for Equity Interests of the Borrower, or out of the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of any Borrower) of Equity Interests of the Borrower (other than Disqualified Capital Stock) and, to the extent contributed to the Borrower, Equity Interests of Parent, or out of the cash proceeds of the substantially concurrent contribution of common equity capital or surplus to the Borrower;

(iii) the defeasance, redemption, repurchase or other acquisition or retirement for value of Indebtedness or Disqualified Capital Stock of the Borrower or any Guarantor that is subordinated to the Obligations or to any guarantee thereof with the net cash proceeds from a substantially concurrent incurrence of Permitted Refinancing Indebtedness;

(iv) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Restricted Subsidiary of the Borrower to the holders of any series of its Equity Interests on a *pro rata* basis;

(v) (A) the repurchase, redemption or other acquisition or retirement for value of any Equity Interests of any Parent, the Borrower or any Restricted Subsidiaries of the Borrower in connection with any management equity subscription agreement, stock option agreement, shareholders' agreement, severance agreement, employee benefit plan or agreement or similar agreement, (B) the repurchase for value of any Equity Interests of any Parent, the Borrower or any Restricted Subsidiaries of the Borrower in the open market to satisfy stock options issued by Parent, the Borrower or any Restricted Subsidiaries of the Borrower that are outstanding; provided that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests after the Effective Date may not exceed (x) $10.0 million in any calendar year (or the *pro rata* portion thereof for the calendar year 2023) or (y) $40.0 million in the aggregate since the Effective Date; provided, however, that if the aggregate amount applied pursuant to this Section 6.9(b)(v) shall be less than $10.0 million in any calendar year or the *pro rata* portion thereof for the calendar year 2023 (before giving effect to any carryover), then the amount of such shortfall may be added to the amount that may be applied under this Section 6.9(b)(v) in any subsequent calendar year, subject at all times to the preceding clause (y);

(vi) the repurchase of Equity Interests deemed to occur upon the exercise of stock options to the extent such Equity Interests represent a portion of the exercise price of those stock options and repurchases of Equity Interests in connection with the withholding of a portion of the Equity Interests granted or awarded to a director or an employee to pay for the taxes payable by such director or employee upon such grant or award;

(vii) the purchase by the Borrower of fractional shares upon conversion of any securities of the Borrower into Equity Interests of the Borrower;

(viii) the declaration and payment of dividends to holders of any class or series of Disqualified Capital Stock of the Borrower or any preferred stock of its Restricted Subsidiaries issued on or after the Effective Date in accordance with the Fixed Charge Coverage Ratio test contained in Section 6.1;

(ix) upon the occurrence of (i) a Change of Control Triggering Event and after the completion of the Change of Control Prepayment Offer pursuant to Section 2.14(a) or (ii) an Asset Sale to the extent an Asset Sale Offer is required in accordance with this Agreement and after the completion of the Asset Sale Offer pursuant to Section 2.14(b) (including, in each case, the repayment of all Term Loans of accepting Lenders), any purchase, defeasance, retirement, redemption or other acquisition of Equity Interests or Indebtedness that is contractually subordinated to the Obligations or any guarantee thereof required under the terms of such Capital Stock or Indebtedness as a result of such Change of Control Triggering Event or Asset Sale, as applicable;

(x) the declaration and payment of dividends or distributions to any Parent, the proceeds of which are used in a manner contemplated by Section 3.9(iv);

(xi) the transactions with any Person (including any Affiliate of the Borrower) set forth in clauses (i) and (iv) of Section 6.7 and the funding of any obligations in connection therewith;

(xii) the issuance of Equity Interests of the Borrower (other than Disqualified Capital Stock) for other Equity Interests of the Borrower in connection with any rights offering and payments for the redemption of fractional shares in connection with any rights offering;

(xiii) the declaration and payment of dividends or distributions to, or the making of loans to any Parent:

(A) with respect to any taxable period for which the Borrower is a partnership or disregarded entity for U.S. federal income Tax purposes that is wholly-owned (directly or indirectly) by a C corporation for U.S. federal and/or applicable state or local income Tax purposes, in amounts required for such Parent to pay federal, state and/or local income Taxes to the extent such income Taxes are attributable to the income of the Borrower and/or its Restricted Subsidiaries and, to the extent of the amount actually received from Unrestricted Subsidiaries, in amounts required to pay such Taxes to the extent attributable to the income of the Unrestricted Subsidiaries; provided, however, that in each case the amount of such payments in any taxable year does not exceed the amount that the Borrower and/or its applicable Restricted Subsidiaries (and, to the extent described above, its applicable Unrestricted Subsidiaries) would have been required to pay in respect of such federal, state and/or local income Taxes, as applicable, for such taxable year had the Borrower and/or such Restricted Subsidiaries (and/or such Unrestricted Subsidiaries, as applicable) paid such Taxes as a stand-alone taxpayer, less any such federal, state and/or local income Taxes, as applicable, actually payable directly by the Borrower and/or its Restricted Subsidiaries (and/or its Unrestricted Subsidiaries, as applicable); and

(B) in an aggregate amount not to exceed $1.5 million per annum (such amount to be adjusted upwards annually, beginning on January 1, 2024, by 5% on a compounded basis) to pay reasonable accounting, legal and administrative expenses of any Parent when due;

(xiv) Investments in Unrestricted Subsidiaries not to exceed the greater of (x) $100.0 million and (y) 5.0% of Total Assets since the Effective Date;

(xv) [reserved];

(xvi) additional Restricted Payments in an aggregate amount not to exceed $10.0 million in any calendar year (or the *pro rata* portion thereof for the calendar year 2023); provided, however, that if the aggregate amount applied pursuant to this Section 6.9(b)(xvi) shall be less than $10.0 million in any calendar year or the *pro rata* portion thereof for the calendar year 2023 (before giving effect to any carryover), then the amount of such shortfall may be added to the amount that may be applied under this Section 6.9(b)(xvi) in any subsequent calendar year;

(xvii) additional Restricted Payments so long as at the time of such Restricted Payment, the amount of such Restricted Payments together with all other Restricted Payments made pursuant to Section 6.9(b)(xvii) does not to exceed the greater of (x) $75.0 million and (y) 3.5% of Total Assets; and

(xviii) the dividend of the Equity Interests or Indebtedness of any Unrestricted Subsidiary; and

(xix) the payment or making of any cash Restricted Payment; provided that no Default or Event of Default has occurred and is continuing or would occur as a consequence of such cash dividend.

The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Borrower or its Restricted Subsidiaries, as the case may be, pursuant to the Restricted Payment. The Fair Market Value of any assets or securities that are required to be valued by this Section 6.9 will be determined by the Board of Directors of the Borrower; provided that if the Fair Market Value of such assets or securities involves an aggregate amount in excess of $50.0 million, the Borrower shall deliver to the Administrative Agent a resolution of the Board of Directors of the Borrower set forth in an officer's certificate of a Responsible Officer certifying that such valuation has been approved by a majority of the members of the Board of Directors of the Borrower.

For purposes of determining compliance with this Section 6.9, in the event that a Restricted Payment meets the criteria of more than one of the types of Restricted Payments described in the above clauses, the Borrower, in its sole discretion, may order and classify, and from time to time may reorder and reclassify, such Restricted Payment if it would be permitted at the time of any such reclassification.

6.10. Changes in Covenants When Term Loans Rated Investment Grade.

(a) If on any date following the Effective Date:

(i) the rating assigned to the Term Loans by either S&P or Moody's is an Investment Grade Rating and

(ii) no Default or Event of Default shall have occurred and be continuing,

then, beginning on that day and subject to the provisions of the following paragraph, the covenants contained in Sections 6.1, 6.3(a)(iv), 6.4(a)(i), 6.4(a)(iii), 6.5, 6.6, 6.7, 6.8 (and 2.14(b)) and 6.9 will be suspended.

(b) Notwithstanding the provisions of Section 6.10(a), if the ratings assigned by both such rating agencies with respect to the Term Loans should subsequently decline to below an Investment Grade Rating, the foregoing covenants will be reinstituted as of and from the date that both such ratings are below Investment Grade Ratings, unless and until such Term Loans subsequently attain an Investment Grade Rating from either S&P or Moody's (in which event the suspended covenants will again be suspended for such time that the Term Loans maintain an Investment Grade Rating from either S&P or Moody's); provided, however, that no Default, Event of Default or breach of any kind will be deemed to exist under this Agreement, the Security Documents or the related Guarantees with respect to the suspended covenants, and none of the Borrower or any of its Subsidiaries will bear any liability for any actions taken or events occurring after such Term Loans attain an Investment Grade Rating from either S&P or Moody's and before any reinstatement of the suspended covenants as provided above, or any actions taken at any time pursuant to any contractual obligation arising prior to the reinstatement, regardless of whether those actions or events would have been permitted if the applicable suspended covenant had remained in effect during such period.

SECTION 7

Events of Default

7.1. Events of Default. Each of the following is an "Event of Default":

(a) default for 30 days in the payment when due of interest on the Term Loans;

(b) default in payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Term Loans;

(c) failure by Borrower to comply with the provisions of Section 2.14 or 6.3;

(d) failure by any Loan Party for 60 days after notice from the Administrative Agent or the Required Lenders to comply with any of the other agreements in this Agreement or the Security Documents required by this Agreement;

(e) (i) default under any other mortgage, indenture, agreement or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness of any Loan Party (or the payment of which is guaranteed by any Loan Party), whether such Indebtedness or Guarantee now exists, or is created after the Effective Date, if that default:

(A) is caused by a failure to pay principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace period provided in such Indebtedness) (a "Payment Default"); or

(B) results in the acceleration of such Indebtedness prior to its express maturity, and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $100,000,000 or more; provided that this Section 7.1(e)(i) shall not apply to Indebtedness that becomes due solely as a result of the voluntary sale or transfer of property or assets to the extent such sale or transfer is permitted by the terms of such Indebtedness; or

(ii) [Reserved];

(f) any of the Security Documents shall cease, for any reason, to be in full force and effect (other than in accordance with its terms) with respect to Collateral with a book value greater than $50,000,000, or any Loan Party shall so assert, or any Lien (affecting Collateral with a book value greater than $50,000,000) created by any of the Security Documents shall cease to be enforceable and of the same effect and priority purported to be created thereby (other than, in each case, pursuant to a failure of the Administrative Agent, the Collateral Agent, any other agent appointed by the Administrative Agent, the Collateral Agent or the Lenders to take any action within the sole control of such Person that is expressly required by the Loan Documents to be taken by such Person) (it being understood that the release of Collateral from the Security Documents or the discharge of a Guarantor therefrom in accordance with the terms hereof and thereof shall not be construed (x) as any of the Security Documents ceasing to be in full force and effect or (y) as any of the Liens created thereunder ceasing to be enforceable or of the same priority and effect purported to be created thereby);

(g) except as permitted by this Agreement, the Guaranty Agreement or the Pledge and Security Agreement, any Guaranty Reimbursement Obligation of a Significant Subsidiary ceases, for any reason, to be in full force and effect (other than in accordance with its terms), or any Significant Subsidiary that is a Guarantor denies or disaffirms in writing its obligations under its Guaranty Reimbursement Obligation;

(h) [Reserved];

(i) the Borrower or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together, would constitute a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case,

(ii) consents to the entry of an order for relief against it in an involuntary case,

(iii) consents to the appointment of a custodian of it or for all or substantially all of its property,

(iv) makes a general assignment for the benefit of its creditors, or

(v) generally is not paying its debt as they become due; or

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Borrower or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together, would constitute a Significant Subsidiary, in an involuntary case;

(ii) appoints a custodian of the Borrower or any Guarantor that is a Significant Subsidiary or any group of Guarantors of the Borrower that, taken together, would constitute a Significant Subsidiary, or for all or substantially all of the property of the Borrower or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together, would constitute a Significant Subsidiary; or

If any other Event of Default occurs and is continuing, the Required Lenders may declare all the Term Loans to be due and payable immediately. Upon any such declaration, the Term Loans shall become due and payable immediately. The Required Lenders by written notice to the Administrative Agent may, on behalf of all of the Lenders, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived.

SECTION 8

The Agents

8.1. Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Each Lender hereby irrevocably designates and appoints the Collateral Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, none of the Administrative Agent and the Collateral Agent shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent or the Collateral Agent.

8.2. Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may execute any of their duties under this Agreement and the other Loan Documents by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. None of the Administrative Agent and the Collateral Agent shall be responsible for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

8.3. Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, attorneys in fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for the creation, perfection or priority of any Lien purported to be created by the Security Documents, the value or sufficiency of the Collateral or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

8.4. Reliance by the Administrative Agent. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, email message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts reasonably selected by such Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless the Administrative Agent shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Agents shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement or any other Loan Document, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

8.5. Notice of Default. The Administrative Agent and the Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless it has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders. The Administrative Agent and the Collateral Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement or any other Loan Document, all Lenders); provided that unless and until the Administrative Agent and the Collateral Agent shall have received such directions, the Administrative Agent and the Collateral Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as such Agent shall deem advisable in the best interests of the Lenders.

8.6. Non-Reliance on Arrangers, Agents and Other Lenders. Each Lender expressly acknowledges that neither the Arrangers, the Agents nor any of their respective officers, directors, employees, agents, attorneys in fact or affiliates have made any representations or warranties to it and that no act by any Arranger or Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Arranger or Agent to any Lender. Each Lender represents to the Arrangers and Agents that it has, independently and without reliance upon any Arranger, Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Term Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Arranger, Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or affiliates.

8.7. Indemnification. The Lenders agree to indemnify the Agents in their capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Term Percentage in effect on the date on which indemnification is sought under this Section 8.7 (or, if indemnification is sought after the date upon which the Term B Commitments or any series of Incremental Commitments shall have terminated and the Term B Loans or any series of Incremental Term Loans shall have been paid in full, ratably in accordance with such Term Percentage or Incremental Term Percentage immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Term Loans) be imposed on, incurred by or asserted against such Agent, in any way relating to or arising out of, the Term B Commitments, the Refinancing Term Loan Commitments, any Incremental Commitment, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The agreements in this Section 8.7 shall survive the payment of the Term Loans and all other amounts payable hereunder.

8.8. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Term Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

8.9. Successor Administrative Agent. Each Agent may resign as Administrative Agent or Collateral Agent, as applicable upon ten (10) days' notice to the Lenders and the Borrower. If the Administrative Agent or the Collateral Agent shall resign as Administrative Agent or Collateral Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of in the case of (x) successor Administrative Agent, the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as an Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Term Loans and (y) a successor Collateral Agent, the Collateral Agent, and the term "Collateral Agent" shall mean such successor agent effective upon such appointment and approval, and the former Collateral Agent's rights, powers and duties as a Collateral Agent shall be terminated, without any other or further act or deed on the part of such former Collateral Agent or any of the parties to this Agreement or any holders of the Term Loans. If no successor agent has accepted appointment as an Administrative Agent or Collateral Agent, as applicable, by the date that is thirty (30) days following the retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of such Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security as nominee or sub-agent for perfection until such time as a successor Collateral Agent is appointed). After the retiring Agent's resignation, the provisions of this Section 8 and Section 9.5 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was an Agent (or nominee or sub-agent pursuant to the immediately preceding sentence) under this Agreement and the other Loan Documents.

Notwithstanding the foregoing, the Lenders hereby agree if Credit Suisse AG, Cayman Islands Branch resigns as Administrative Agent and/or Collateral Agent and the Borrower appoints Citibank, N.A. (or any of its affiliates) as a successor Administrative Agent and/or Collateral Agent, then the Required Lenders shall be deemed to have consented to such appointment by their execution of this Agreement, and in connection therewith, (x) the Lenders authorize and approve the Agency Assignment Agreement (if any) entered into by Credit Suisse AG, Cayman Islands Branch, Citibank, N.A. (or any of its affiliates) and the Borrower and agree to be bound by the terms and provisions of such Agency Assignment Agreement and (y) the Lenders authorize Credit Suisse AG, Cayman Islands Branch as resigning Administrative Agent and/or Collateral Agent and Citibank, N.A. as successor Administrative Agent and/or Collateral Agent to execute such documents and take such actions as the may deem appropriate or desirable to effect, evidence or implement the resignation, succession and assignment, including without limitation to file any Uniform Commercial Code assignments or amendments with respect to the Uniform Commercial Code financing statements in respect of the Collateral, together with any amendments, assignments and/or notices of assignment with respect to the Security Documents and the Collateral (including but not limited to intellectual property Collateral and real property). In connection with the foregoing, the Borrower shall and shall cause the other Loan Parties and Grantors to execute such documents and take such other actions as Credit Suisse AG, Cayman Islands Branch or Citibank, N.A., may reasonably request.

8.10. Collateral Security. The Collateral Agent will hold, administer and manage any Collateral pledged from time to time under the Security Documents either in its own name or as Collateral Agent, but each Lender shall hold a direct, undivided *pro rata* beneficial interest therein, on the basis of its proportionate interest in the secured obligations, by reason of and as evidenced by this Agreement and the other Loan Documents, subject to the priority of payments referenced in Section 7.2 of the Pledge and Security Agreement and subject to the terms of any applicable intercreditor agreement.

8.11. Enforcement by the Administrative Agent and Collateral Agent. All rights of action under this Agreement and the other Loan Documents and under the Obligations and all rights to the Collateral hereunder and under the Security Documents may be enforced by the Administrative Agent and the Collateral Agent and any suit or proceeding instituted by the Administrative Agent or the Collateral Agent in furtherance of such enforcement shall be brought in its name as Administrative Agent or Collateral Agent without the necessity of joining as plaintiffs or defendants any other Lenders, and the recovery of any judgment shall be for the benefit of Lenders subject to the expenses of the Administrative Agent and the Collateral Agent.

8.12. Withholding Tax. To the extent required by any applicable law, the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agents (to the extent that the Administrative Agent has not already been reimbursed by the Borrower pursuant to Sections 2.18 and 2.19 and without limiting or expanding the obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, together with all expenses incurred, including legal expenses and any out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 8.12. The agreements in this Section 8.12 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the repayment, satisfaction or discharge of all other Obligations.

8.13. Intercreditor Agreements. The Administrative Agent and Collateral Agent are hereby authorized to enter into the Parity Secured Intercreditor Agreement, and the parties hereto acknowledge that the Parity Secured Intercreditor Agreement is binding upon them. Each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Parity Secured Intercreditor Agreements and (b) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Parity Secured Intercreditor Agreement. In addition, but in conformance with the terms hereof, each Lender hereby authorizes the Administrative Agent and the Collateral Agent to enter into any amendments to the Parity Secured Intercreditor Agreements to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required by Section 6.2 of this Agreement. Each Lender waives any conflict of interest, now contemplated or arising hereafter, in connection therewith and agrees not to assert against any Agent or any of its affiliates any claims, causes of action, damages or liabilities of whatever kind or nature relating thereto.

SECTION 9

Miscellaneous

9.1. Amendments and Waivers.

(a) None of this Agreement, any Note, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 9.1. Except to the extent otherwise provided in (or permitted by) the Parity Secured Intercreditor Agreement and/or the Guaranty Agreement and the Pledge and Security Agreement, the Required Lenders and each Loan Party party to the relevant Loan Document may, or, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party party to the relevant Loan Document may, from time to time, (I) enter into written amendments, supplements or modifications hereto or to the other Loan Documents for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (II) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (A)(i) forgive the principal amount or extend the final scheduled date of maturity of any Term Loan, (ii) reduce the stated rate of any interest or fee payable hereunder (except in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Required Term B Lenders, Required Refinancing Term B Lenders or Required Incremental Lenders with respect to Term B Loans or the applicable tranche of Incremental Term Loans, respectively)) or extend the scheduled date of any payment thereof, (iii) increase the amount or extend the expiration date of any Lender's Term Commitment or Incremental Commitment (it being understood that a waiver of any Event of Default or Default shall not be deemed to be an increase in the amount of any Lender's Term Commitment or Incremental Commitment), or (iv) release all or substantially all of the Collateral for the Obligations or release all or substantially all of the Guarantors (except, in either case, as expressly permitted by the Loan Documents), in each case without the written consent of each Lender directly affected thereby, (B) [Reserved]; (C) without the consent of all the Lenders, (i) amend, modify or waive any provision of this Section 9.1(a) or any other provision of any Section hereof expressly requiring the consent of all the Lenders (except, in either case, for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford protections to such additional extensions of credit of the type provided to the Term Commitments on the Effective Date), or (ii) reduce the percentage specified in or otherwise change the definition of Required Lenders (it being understood that, with the consent of the Required Lenders, the Required Term B Lenders or Required Refinancing Term B Lenders, as applicable, or as otherwise permitted hereunder, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the extensions of Term Commitments are included on the Effective Date), or (iii) change Section 2.17 in a manner that would alter the *pro rata* sharing of payments required thereby (other than as permitted thereby or by Section 9.1(b)), (D) amend, modify or waive any provision of Section 8 or any other provision of this Agreement or the other Loan Documents, which affects, the rights, duties or obligations of the Administrative Agent without the written consent of the Administrative Agent, (E) require consent of any Person to an amendment to this Agreement made pursuant to Section 2.27 other than the Borrower and each Lender participating in the respective Extension and (F) reduce the percentage specified in or otherwise change the definition of Required Term B Lenders, Required Refinancing Term B Lenders or Required Incremental Lenders without the consent of the Required Term B Lenders, Required Refinancing Term B Lenders or Required Incremental Lenders, as applicable (other than as permitted by clause (C)(ii) above). Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under any other Loan Documents, and any Default or Event of Default waived shall be deemed to have not occurred or to be cured and not continuing, as the parties may agree; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

(b) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Borrower and the institutions providing each Refinancing Credit Facility (as defined below) (a) to add one or more additional credit facilities to this Agreement for the purpose of refinancing or replacing any and all of the Term Loans and Term Commitments hereunder (each a "Refinancing Credit Facility") and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Term B Lenders, Required Refinancing Term B Lenders or Required Incremental Lenders, as applicable; provided that (i) no Default or Event of Default then exists or would result therefrom, (ii) any Refinancing Credit Facility does not mature prior to the earliest maturity date of the Term Loans being refinanced and (iii) the other terms and conditions of such Refinancing Credit Facility (excluding pricing and optional prepayment and redemption terms) are substantially identical to, or (taken as a whole) are no more favorable to the Lenders providing such Refinancing Credit Facility than, those applicable to the Term Loans being refinanced (except for covenants or other provisions applicable only to periods after the latest Termination Date of the Term Loans existing at the time of such refinancing).

(c) Notwithstanding anything to the contrary contained in this Section 9.1, if the Administrative Agent and the Borrower shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Loan Documents, then the Administrative Agent and the Borrower shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notwithstanding anything to the contrary in this Agreement or the other Loan Documents, the Administrative Agent and the Collateral Agent are each hereby irrevocably authorized by each Lender (and each such Lender expressly consents), without any further action or the consent of any other party to any Loan Document, to make any technical amendments to the Guaranty Agreement and the Security Documents to correct any cross-references therein to any provision of this Agreement that may be necessary in order to properly reflect the amendments made to this Agreement.

(d) Notwithstanding the foregoing, this Agreement and the other Loan Documents may be amended (or amended and restated) as provided in Sections 2.25 and 2.27.

(c) [Reserved].

(d) Each of the Loan Parties understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the willful misconduct or gross negligence of the Administrative Agent, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(e) The Platform and any Approved Electronic Communications are provided "as is" and "as available." None of the Agents or any of their respective officers, directors, employees, agents, advisors or representatives warrant the accuracy, adequacy, or completeness of the Approved Electronic Communications or the Platform and each expressly disclaims liability for errors or omissions in the Platform and the Approved Electronic Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects is made by any of the Agents or any of their respective officers, directors, employees, agents, advisors or representatives in connection with the Platform or the Approved Electronic Communications.

(f) Each of the Loan Parties, the Lenders and the Agents agree that Administrative Agent may, but shall not be obligated to, store any Approved Electronic Communications on the Platform in accordance with the Administrative Agent's customary document retention procedures and policies.

9.3. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

9.4. Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Term Loans and the other extensions of credit hereunder.

9.5. Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse each of the Administrative Agent and the Collateral Agent for all its reasonable out-of-pocket costs and expenses reasonably incurred in connection with (i) the development, negotiation, preparation, execution and delivery of this Agreement and any other documents prepared in connection herewith or therewith, including any amendment, supplement or modification to any of the foregoing and (ii) the consummation and administration of the transactions contemplated hereby and thereby, and the reasonable fees and disbursements of one counsel to the Administrative Agent, the Collateral Agent and the Arrangers, taken as a whole (and, to the extent necessary, one local counsel in each relevant jurisdiction for all such entities, taken as a whole and, solely in the case of an actual or potential conflict of interest, one additional local counsel in each relevant jurisdiction to the affected entities similarly situated, taken as a whole), and security interest filing and recording fees and expenses, (b) to pay or reimburse the Administrative Agent, the Collateral Agent and each Lender for all its reasonable costs and expenses reasonably incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any such other documents following the occurrence and during the continuance of an Event of Default, including without limitation, the reasonable fees and disbursements of one counsel to the Administrative Agent, the Collateral Agent and the Lenders and each of their respective affiliates, taken as a whole (and, to the extent reasonably necessary, one local counsel in each relevant jurisdiction for all such entities, taken as a whole, and, solely in the case of an actual or potential conflict of interest, one additional local counsel in each relevant jurisdiction to the affected entities similarly situated, taken as a whole), (c) to pay, and indemnify and hold harmless each Lender, each Arranger, the Collateral Agent and the Administrative Agent from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes, if any, which may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents (without duplication to payments made pursuant to Section 2.19) and (d) to pay, and indemnify and hold harmless each Lender, each Arranger, the Collateral Agent, the Administrative Agent and each of their respective Affiliates, directors, officers, employees, representatives, partners and agents (each, an "Indemnitee") from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance, preservation of rights and administration of this Agreement, the other Loan Documents or the use of the proceeds of the Term Loans or any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of the Loan Parties or any of their respective properties and the reasonable fees and expenses of one legal counsel for the Indemnitees taken as a whole in connection with claims, actions or proceedings by any Indemnitee against any Loan Party under any Loan Document (all the foregoing in this clause (d), collectively, the "indemnified liabilities"); provided that the Borrower shall have no obligation hereunder to any Indemnitee with respect to indemnified liabilities to the extent (x) determined by the final judgment of a court of competent jurisdiction to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee or any of such Indemnitee's Related Persons, (y) resulting from a material breach by such Indemnitee or any of such Indemnitee's Related Persons of its material obligations under this Agreement or the other Loan Documents or (z) related to any dispute solely among Indemnitees other than any claims against any Indemnitee in its capacity or in fulfilling its role as an Agent, an Arranger or any similar role under this Agreement and the other Loan Documents and other than any claims involving any act or omission on the part of the Borrower or its Subsidiaries; provided, further, that the Borrower shall in no event be responsible for consequential, indirect, special or punitive damages to any Indemnitee pursuant to this Section 9.5 except such consequential, indirect, special or punitive damages required to be paid by such Indemnitee in respect of any indemnified liabilities. Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause its Subsidiaries not to assert, and hereby waives and agrees to cause its Subsidiaries to waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee related to the indemnified liabilities. To the extent permitted by applicable law, no Loan Party nor any of their respective Subsidiaries shall assert, and each Loan Party hereby waives, on behalf of itself and its Subsidiaries, any claim against each Lender, each Arranger, each Agent and their respective affiliates, directors, officers, employees, attorneys, representatives, agents or sub-agents, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Term Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Loan Party hereby waives, releases and agrees, on behalf of themselves and each of their respective Subsidiaries, not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor. All amounts due under this Section 9.5 shall be payable not later than 10 days after written demand therefor. Statements payable by the Borrower pursuant to this Section 9.5 shall be submitted to the Treasurer of the Borrower (Telecopy No. 713-353-9137), at the address of the Borrower set forth in Section 9.2 (with copies (which shall not constitute notice) to the Associate General Counsel of the Borrower at the respective addresses set forth in Section 9.2), or to such other Person or address as may be hereafter designated by the Borrower in a written notice to the Administrative Agent. The agreements in this Section shall survive repayment of the Term Loans and all other amounts payable hereunder.

9.6. Successors and Assigns; Participations.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted, except that (i) unless otherwise permitted by Section 6.3, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.6.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (other than a Disqualified Lender) (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Term Commitments and the respective tranche of Term Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld, delayed or conditioned); provided that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default under Section 7.1(a), (b), (i) (in the case of the Borrower only) or (j) (in the case of the Borrower only) has occurred and is continuing, any other Person; and

(B) the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned), provided that no consent of the Administrative Agent shall be required for an assignment to a Lender, an affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Term Loans of the respective tranche, the amount of the Term Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Borrower shall be required if an Event of Default under Section 7(a), Section 7.1(b), Section 7.1(i) (in the case of Borrower only) or Section 7(j) (in the case of the Borrower only) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its affiliates or Approved Funds, if any;

(B) (1) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of $3,500 (although the Borrower shall not be responsible for the payment of the recordation fee unless the Borrower has chosen to replace a Lender pursuant to Section 2.26) and (2) the assigning Lender shall have paid in full any amounts owing by it to the Administrative Agent;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in which the Assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws; and

(D) except as provided in Section 2.28 or in Section 9.6(f), none of the Loan Parties, their respective Affiliates or any natural person shall be an Assignee hereunder.

For the purposes of this Section 9.6, "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an affiliate of a Lender or (c) an entity or an affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) below, from and after the effective date specified in each Assignment and Acceptance, the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.18, 2.19 and 9.5 for the period of time in which it was a Lender hereunder. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Term Commitments of, and principal amount (and interest amounts) of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice. Any assignment of any Term Loan shall be effective only upon appropriate entries with respect thereto being made in the Register.

(v) Upon its receipt of an Assignment and Acceptance (executed via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually)), by a transferor Lender and an Assignee, as the case may be (and, in the case of an Assignee that is not then a Lender, by the Administrative Agent and the Borrower to the extent required under paragraph (c) above), together with payment to the Administrative Agent by the transferor Lender or the Assignee of a recordation and processing fee of $3,500 (which fee may be waived or reduced in the reasonable discretion of the Administrative Agent), the Administrative Agent shall (i) promptly accept such Assignment and Acceptance, (ii) on the effective date of such transfer determined pursuant thereto record the information contained therein in the Register and (iii) give notice of such acceptance and recordation to the transferor Lender, the Assignee and the Borrower.

(vi) Notwithstanding anything to the contrary contained in Section 9.6(b), no consent of the Administrative Agent (and no processing and recordation fee or administrative questionnaire) shall be required to be obtained, paid or delivered (as the case may be) for any assignment of Term Loans in any principal amount as part of a purchase of such Term Loans in accordance with Section 2.28.

(c) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (other than any Disqualified Lender) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Term Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and any other Loan Document or to otherwise exercise its voting righting rights under this Agreement and any other Loan Document; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to the proviso to the second sentence of Section 9.1(a) and (2) directly affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.18 and 2.19 (subject to the requirements and limitations of such sections and Section 2.26) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section (it being understood that the documentation required under Section 2.19(e) shall be delivered solely to the participating Lender). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.7(b) as though it were a Lender, provided such Participant shall be subject to Section 9.7(a) as though it were a Lender.

(i) A Participant shall not be entitled to receive any greater payment under Section 2.18 or 2.19 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent that any entitlement to a greater payment results from a change in any Requirement of Law arising after such Participant became a Participant.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and related interest amounts) of each participant's interest in the Term Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Loan Document) to any Person expect to the extent that such disclosure is necessary to establish that any Loans are in registered form for U.S. federal income tax purposes.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) Subject to Section 9.15, the Borrower authorizes each Lender to disclose to any Transferee and any prospective Transferee (in each case which agrees to comply with the provisions of Section 9.15 or confidentiality requirements no less restrictive on such prospective transferee than those set forth in Section 9.15) any and all financial information in such Lender's possession concerning the Borrower and its Affiliates which has been delivered to such Lender by or on behalf of the Borrower pursuant to this Agreement or any other Loan Document or which has been delivered to such Lender by or on behalf of the Borrower in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(f) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Loans hereunder to the Borrower or any of its Subsidiaries or Affiliates; provided that:

(i) upon the effectiveness of any such assignment (or contribution of Term Loans to the capital of the Borrower by an Affiliate thereof which shall occur substantially concurrently with the assignment to an Affiliate of the Borrower), such Term Loans shall be retired, and shall be deemed cancelled and not outstanding for all purposes under this Agreement; and

(ii) no Default or Event of Default shall exist or be continuing.

Each Lender acknowledges and agrees that in connection with each Assignment and Acceptance pursuant to this Section 9.6(f), (i) the Borrower then may have, and later may come into possession of Excluded Information, (ii) such Lender has independently and without reliance on the Borrower or any of its Subsidiaries or Affiliates made such Lender's own analysis and determined to enter into an assignment of such Term Loans and to consummate the transactions contemplated thereby notwithstanding such Lender's lack of knowledge of the Excluded Information and (iii) the Borrower and its Subsidiaries shall have no liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower and its Subsidiaries, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders hereunder. Each Lender which assigns Term Loans pursuant to this Section 9.6(f) agrees to the provisions of the two preceding sentences, and agrees that they shall control, notwithstanding any inconsistent provision hereof or in any Assignment and Acceptance.

(g) The Borrower, on behalf of itself and its Affiliates and the Lenders, expressly acknowledges that the Administrative Agent (in its capacity as such or as an arranger, bookrunner or other agent hereunder) shall not have any obligation to monitor whether assignments or participations are made to Disqualified Lenders and none of the Borrower, the Lenders or any of their respective Affiliates will bring any claim to such effect. The Administrative Agent shall have the right to disclose the list of Disqualified Lenders to any Lender requesting the same.

9.7. Adjustments; Setoff.

(a) Except to the extent that this Agreement, any other Loan Document or a court order expressly provides or permits for payments to be allocated to a particular Lender or to the Lenders, if any Lender (a "Benefited Lender") shall receive any payment of all or part of the Obligations owing to it (other than in connection with an assignment or participation made pursuant to Section 9.6 or in connection with an Auction that is permitted under Section 2.28), or receive any collateral in respect thereof (whether voluntarily or involuntarily, by setoff, pursuant to events or proceedings of the nature referred to in Section 7.1(i) or (j), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of the Obligations owing to such other Lender, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of the Obligations owing to each such other Lender, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest. Notwithstanding anything to the contrary contained in this Section 9.7(a), no purchase or assignment of Term Loans in connection with an Auction that is permitted under Section 2.28 or Section 9.6(f) (and no payment made or cancellation of such Term Loans in connection therewith) and no extension of Term Loans that is permitted under Section 2.27 shall constitute a payment of any of such Term Loans for purposes of this Section 9.7.

(b) In addition to any rights and remedies of the Lenders provided by law and subject to the terms of the Pledge and Security Agreement, each Lender shall have the right, without notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon any Obligations becoming due and payable by the Borrower (whether at the stated maturity, by acceleration or otherwise), to apply to the payment of such Obligations, by setoff or otherwise, any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender, any affiliate thereof or any of their respective branches or agencies to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such application made by such Lender, provided that the failure to give such notice shall not affect the validity of such application.

9.8. Counterparts; Electronic Execution. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. The words "execution," "signed," "signature," and words of like import in this Agreement and the other Loan Documents including any Assignment and Assumption shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

9.9. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9.10. Integration. This Agreement and the other Loan Documents represent the entire agreement of the Borrower, the Administrative Agent and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Administrative Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

9.11. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

9.12. Submission To Jurisdiction; Waivers.

(a) Subject to clause (b)(iii) of this Section 9.12, each party hereto hereby irrevocably and unconditionally submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the courts of the United States for the Southern District of New York, and appellate courts from any thereof, in each case that are located in the Borough of Manhattan, The City of New York;

(b) The Borrower hereby irrevocably and unconditionally:

(i) agrees that any such action or proceeding shall be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(ii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower at its address set forth in Section 9.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(iii) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right of any Agent, any Arranger or any Lender to sue in any other jurisdiction; and

(iv) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

9.13. Acknowledgements. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) notwithstanding the provisions of this Agreement or any of the other Loan Documents and the Arrangers shall have no powers, duties, responsibilities or liabilities with respect to this Agreement and the other Loan Documents;

(c) the Agents, the Arrangers, the Lenders and their Affiliates may have economic interests that conflict with those of the Borrower; and

(d) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower and the Lenders.

9.14. Releases of Guarantees and Liens.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, each of the Administrative Agent and the Collateral Agent is hereby irrevocably authorized by each Lender (and each such Lender hereby expressly consents) (without requirement of notice to or consent of any Lender except as expressly required by Section 9.1(a)) to take any action reasonably requested by the Borrower having the effect of releasing any Collateral or Guarantor from its guarantee obligations (i) that has been consented to in accordance with Section 9.1(a) or in connection with any sale, transfer or other disposition of any Collateral or Guarantor to a Person that is not a Loan Party, including as a result of any investments of Collateral in non-Guarantor Subsidiaries to the extent not prohibited by the Loan Documents, (ii) to the extent any such release is permitted at such time pursuant to the applicable Security Document or (iii) under the circumstances described in paragraphs (b) or (c) below (and, upon the consummation of any such transaction in preceding clause (i), (ii) or (iii), such Collateral shall be automatically released from, and be disposed of free and clear of, all Liens under the Security Documents and/or such Guarantor shall be automatically released from its obligations under the Loan Documents).

(b) At such time as the Term Loans and the other Obligations under the Loan Documents (other than obligations under or in respect of Swap Agreements or Cash Management Agreements) shall have been paid in full and all Commitments of the Lenders have expired or terminated, the Collateral shall be released from the Liens created by the Security Documents, and the Security Documents and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent, the Collateral Agent and each Loan Party under the Security Documents shall terminate, all without delivery of any instrument or performance of any act by any Person.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Lenders hereby agree, and each of the Administrative Agent and the Collateral Agent is hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender) to take any action required by the Borrower having the effect of releasing a Guarantor from its guarantee obligations under the Guaranty Agreement and as a Grantor under the Security Documents if (i) such Guarantor becomes an Excluded Subsidiary or ceases to be a Restricted Subsidiary, (ii) all or substantially all of the assets of such Guarantor have been sold or otherwise disposed of (including by way of merger or consolidation) to a Person that is not a Borrower or a Guarantor in a transaction permitted (or not prohibited) by this Agreement or (iii) such Guarantor has been liquidated or dissolved in a transaction permitted (or not prohibited) by this Agreement .

(d) In connection with any release of Collateral of the type described above in clause (a) or (c) notwithstanding anything to the contrary contained herein or in any other Loan Document, each of the Administrative Agent and the Collateral Agent is hereby irrevocably authorized by each Lender (and each such Lender hereby expressly consents) (without requirement of notice to or consent of any Lender except as expressly required by Section 9.1(a)) to take any action with respect to the Collateral requested by the Borrower to the extent necessary to permit such release or other transaction, including without limitation, directing the Collateral Agent to execute agreements with respect to any Collateral, upon the delivery to the Administrative Agent and Collateral Agent of a certificate signed by an officer of the Borrower stating that such action and the release of the Collateral or other transaction, as applicable, is permitted by each Loan Document.

9.15. Confidentiality. Each Agent, each Arranger and each Lender agrees to keep confidential all non-public information provided to it by any Loan Party, the Administrative Agent or any Lender pursuant to or in connection with this Agreement; provided that nothing herein shall prevent any Agent, any Arranger or any Lender from disclosing any such information (a) to the Administrative Agent, any other Lender or any affiliate thereof (so long as such affiliate agrees to be bound by the provisions of this Section 9.15), (b) subject to an agreement to comply with provisions no less restrictive than this Section 9.15, to any actual or prospective Transferee or any direct or indirect counterparty to any Swap Agreement (or any professional advisor to such counterparty), (c) to its employees, directors, officers, agents, attorneys, accountants, partners and other professional advisors or those of any of its affiliates, (d) upon the request or demand, or in accordance with the requirements (including reporting requirements), of any Governmental Authority having jurisdiction over such Lender, provided that to the extent permitted by law, such Lender shall promptly notify the applicable Loan Party of such disclosure (except with respect to any audit or examination conducted by bank accountants or any governmental bank authority exercising examination or regulatory authority), (e) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law or other legal process, provided that to the extent permitted by law, such Lender shall promptly notify the applicable Loan Party of such disclosure (except with respect to any audit or examination conducted by bank accountants or any governmental bank authority exercising examination or regulatory authority), (f) if requested or required to do so in connection with any litigation or similar proceeding; provided that to the extent permitted by law, such Lender shall promptly notify the applicable Loan Party of such disclosure, (g) to the extent such information has been independently developed by such Lender or that has been publicly disclosed other than in breach of this Agreement, (h) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender, or (i) in connection with the exercise of any remedy hereunder or under any other Loan Document.

Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to, or in the course of administering this Agreement or the other Loan Documents, will be syndicate-level information, which may (except as provided in the following paragraph) contain material non-public information concerning the Borrower and its Affiliates and their related parties or their respective securities. Accordingly, each Lender confirms to the Borrower and the Administrative Agent that (i) it has developed compliance procedures regarding the use of material non-public information, (ii) it has identified in its administrative questionnaire a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law, including Federal and state securities laws and (iii) it will handle such material non-public information in accordance with those procedures and applicable law, including Federal and state securities laws.

The Borrower acknowledges that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to the Borrower, its subsidiaries or their securities) (each, a "Public Lender") and, if documents required to be delivered pursuant to Section 5.1 or 5.2 or otherwise are being distributed through the Platform, the Borrower agrees to designate those documents or other information that are suitable for delivery to the Public Lenders as such. Any document that the Borrower has indicated contains non-public information shall not be posted on that portion of the Platform designated for such Public Lenders. If the Borrower has not indicated whether a document delivered pursuant to Section 5.1 or 5.2 contains non-public information, the Administrative Agent reserves the right to post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to the Borrower, its Subsidiaries and their securities. The Borrower acknowledges and agrees that copies of the Loan Documents may be distributed to Public Lenders (unless the Borrower promptly notifies the Administrative Agent that any such document contains material non-public information with respect to the Borrower or its securities).

9.16. WAIVERS OF JURY TRIAL. THE BORROWER, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

9.17. U.S.A. PATRIOT Act; Beneficial Ownership Regulation. Each Lender that is subject to the requirements of the PATRIOT Act and the Beneficial Ownership Regulation hereby notifies each Loan Party that pursuant to the requirements of the PATRIOT Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the PATRIOT Act and the Beneficial Ownership Regulation. The Borrower shall, and shall cause each of its Subsidiaries to, provide, to the extent commercially reasonable, such information and take such actions as are reasonably requested by each Lender and the Administrative Agent to maintain compliance with the PATRIOT Act and the Beneficial Ownership Regulation.

9.18. No Fiduciary Duty. Each Agent, each Lender, the Arrangers and their respective Affiliates (collectively, solely for purposes of this paragraph, the "Lenders") may have economic interests that conflict with those of the Borrower, its stockholders and/or its affiliates. The Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower, its stockholders or its affiliates, on the other. The Borrower acknowledges and agrees that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Borrower, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of the Borrower, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower, its stockholders or its affiliates on other matters) or any other obligation to the Borrower except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower, its management, stockholders, creditors or any other Person. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower, in connection with such transaction or the process leading thereto. None of the Arrangers identified on the cover page or signature pages of this Agreement shall have any rights, powers, obligations, liabilities, responsibilities or duties under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as a Lender hereunder. Without limiting any other provision of this Article, none of such Arrangers in their respective capacities as such shall have or be deemed to have any fiduciary relationship with any Lender, the Administrative Agent or any other Person by reason of this Agreement or any other Loan Document.

9.19. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent, the Co-Managers, the Joint Lead Arrangers, the Joint Bookrunners, the Co-Managers and each of their Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Term Loans or the Term Commitments,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Term Loans, the Term Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Term Loans, the Term Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Term Loans, the Term Commitments and this Agreement, or

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, Administrative Agent, the Co-Managers, the Joint Lead Arrangers, the Joint Bookrunners, the Co-Managers and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, none of the Administrative Agent, the Co-Managers, the Joint Lead Arrangers, the Joint Bookrunners or any of their Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Term Loans, the Term Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent, the Co-Managers, the Joint Lead Arrangers, the Joint Bookrunners under this Agreement, any Loan Document or any documents related hereto or thereto).

9.20. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

9.21. Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender or any Person who has received funds on behalf of a Lender (any such Lender or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 9.21 and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender or any Person who has received funds on behalf of a Lender (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepay ment or repayment; and

(ii) such Lender shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repay-ment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.21(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 9.21(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.21(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under Section 9.21(a).

(d) (i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans of the relevant Class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance)), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement which shall survive as to such assigning Lender, (D) the Administrative Agent and the Borrower shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment.

(ii) Subject to Section 9.06 (but excluding, in all events, any assignment consent or approval requirements (whether from the Borrower or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender to the rights and interests of such Lender, as the case may be) under the Loan Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") (provided that the Loan Parties' Obligations under the Loan Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party; provided that this Section 9.21 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 9.21 shall survive the resignation or re-placement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender and/or the repayment, satisfaction or dis-charge of all Obligations (or any portion thereof) under any Loan Document.

9.22. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States.

(b) As used in this Section 9.22, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Covered Entity" means any of the following:

(i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b)

(iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

9.23. Secured Cash Management Agreements and Secured Swap Agreements.

No Cash Management Bank or Hedge Bank that obtains the benefit of the provisions of Section 7.2 of the Pledge and Security Agreement, or the Guaranty Agreement or any Collateral by virtue of the provisions hereof or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) (or to notice of or to consent to any amendment, waiver or modification of the provisions hereof or of the Guaranty Agreement or any Security Document) other than in its capacity as Administrative Agent, Collateral Agent or a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision to the contrary, neither the Administrative Agent nor the Collateral Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Obligations arising under Secured Cash Management Agreements or Secured Swap Agreements except to the extent expressly provided herein and unless the Administrative Agent and the Collateral Agent has received a written notice of such Secured Obligations, together with such supporting documentation as the Administrative Agent or the Collateral Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

On and as of the Amendment No. 4 Effective Date, after giving effect to this Amendment, the Borrower hereby represents and warrants to the Administrative Agent and each Lender (including the initial New Lender) as follows:

(a) this Amendment has been duly authorized, executed and delivered by the Borrower and constitutes the legal, valid and binding obligations of the Borrower enforceable against the Borrower in accordance with its terms and the Credit Agreement, as amended by this Amendment, constitutes the legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws of general applicability relating to or limiting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law;

(b) each of the representations and warranties contained in Section 3 (Representations and Warranties) of the Credit Agreement and each other Loan Document is true and correct in all material respects (and in all respects if qualified by materiality) on and as of the Amendment No. 4 Effective Date, as if made on and as of such date and except to the extent that such representations and warranties specifically relate to a specific date, in which case such representations and warranties shall be true and correct in all material respects (and in all respects if qualified by materiality) as of such specific date; *provided*, *however*, that references therein to the "*Credit Agreement*" shall be deemed to refer to the Credit Agreement as amended hereby and after giving effect to the consents and waivers set forth herein; and

(c) no Default or Event of Default has occurred and is continuing.

Section 4. New Lenders, Non-Consenting Lenders and Reduced Lenders.

If any Lender under the Credit Agreement (each a "*Non-Consenting Lender*") declines or fails to consent to this Amendment by failing to return an executed Consent to the Administrative Agent prior to the Consent Deadline, then pursuant to and in compliance with the terms of Section 2.26 of the Credit Agreement, such Lender may be replaced and its commitments and/or obligations (or a portion thereof) purchased and assumed by either a new lender (a *"New Lender*") or an existing Lender which is willing to increase its Term Loans. For the avoidance of doubt, each Non-Consenting Lender will be deemed to have executed an Assignment and Acceptance for all of its then outstanding Term Loans. The Borrower may elect, by giving written notice to the Administrative Agent and the applicable Consenting Lender, to cause such Consenting Lender (such Lender, a "Reduced Lender") to assign all or a portion (in an amount as determined by the Borrower and Administrative Agent) outstanding Term Loans (such Term Loans, the "Reduced Term Loans") to the New Lender in accordance with the provisions of Section 9.6(b) of the Credit Agreement; provided that (1) on the date of such assignment, the New Lender shall pay to the Reduced Lender an amount equal to the principal of the Reduced Term Loans of such Reduced Lender and (2) on the date of such assignment, the Borrower shall pay all accrued interest on the Reduced Term Loans of such Reduced Lender and any amounts payable to such Reduced Lender pursuant to Sections 2.18 or 2.19 of the Credit Agreement or otherwise as if it were a prepayment. For the avoidance of doubt, each Reduced Lender will be deemed to have executed an Assignment and Acceptance for its Reduced Term Loans.

Section 5. Fees and Expenses; Indemnity; No Fiduciary Duty

The Borrower agrees to pay, in accordance with the terms of Section 9.5 of the Credit Agreement, all reasonable out-of-pocket costs and expenses of the Administrative Agent in connection with the preparation, reproduction, execution and delivery of this Amendment (including, without limitation, the reasonable and documented fees and out-of-pocket expenses of counsel for the Administrative Agent with respect thereto). Sections 9.5 and 9.18 of the Credit Agreement are incorporated by reference herein as if such Sections appeared herein, and shall apply to the activities of the Lead Arrangers in connection with this Amendment, *mutatis mutandis*.

Section 6. Reference to the Effect on the Loan Documents

(a) As of the Amendment No. 4 Effective Date, each reference in the Credit Agreement to "*this Agreement*," "*hereunder*," "*hereof*," "*herein*," or words of like import, and each reference in the other Loan Documents to the Credit Agreement (including, without limitation, by means of words like "*thereunder*," "*thereof*" and words of like import), shall mean and be a reference to the Credit Agreement as amended hereby, and this Amendment and the Credit Agreement shall be read together and construed as a single instrument. Each of the table of contents and lists of Exhibits and Schedules of the Credit Agreement shall be amended to reflect the changes made in this Amendment as of the Amendment No. 4 Effective Date.

(b) Except as expressly amended hereby or specifically waived above, all of the terms and provisions of the Credit Agreement and all other Loan Documents are and shall remain in full force and effect and are hereby ratified and confirmed.

(c) The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of the Lenders, the Borrower, the Lead Arrangers or the Administrative Agent under any of the Loan Documents, nor constitute a waiver or amendment of any other provision of any of the Loan Documents or for any purpose except as expressly set forth herein. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Amendment and all other Loan Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Loan Documents as in effect prior to the Amendment No. 4 Effective Date.

(d) This Amendment is a Loan Document.

(e) For the avoidance of doubt, the Interest Period for the Refinancing Term B Loans shall remain unchanged and shall end on June 28, 2024.

Section 7. Reaffirmation

The Board of Directors of the Borrower may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Borrower; provided that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Borrower of any outstanding Indebtedness of such Unrestricted Subsidiary and such designation will only be permitted if (1) such Indebtedness is permitted under Section 6.1, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the four-quarter reference period; and (2) no Default or Event of Default would be in existence following such designation.

2.1. Term B Commitments.

(a) Subject to the terms and conditions hereof, each Term B Lender severally agrees to make a term loan (an "Initial Term B Loan") to the Borrower on the Original Closing Date in an amount equal to the amount of the Term B Commitment of such Lender. The Term B Loans may from time to time be Term SOFR Loans or Base Rate Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.2 and 2.15. The Term B Commitments automatically terminated upon the borrowing of the Term B Loans on the Original Closing Date.

(b) Subject to the terms and conditions hereof, each Refinancing Term Loan Lender severally agrees to make a Refinancing Term B Loan to the Borrower on the Effective Date in an amount equal to the amount of the Refinancing Term Loan Commitment of such Lender. The Refinancing Term B Loans may from time to time be Term SOFR Loans or Base Rate Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.2 and 2.15. The Refinancing Term Loan Commitments shall automatically terminate upon the borrowing of the Refinancing Term B Loans on the Effective Date.

(c) Subject to the terms and conditions hereof, each 2025 Refinancing Term Loan Lender severally agrees to make a 2025 Refinancing Term B Loan to the Borrower on the Amendment No. 5 Effective Date in an amount equal to the amount of the 2025 Refinancing Term Loan Commitment of such Lender. The 2025 Refinancing Term B Loans may from time to time be Term SOFR Loans or Base Rate Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.2 and 2.15. The 2025 Refinancing Term Loan Commitments shall automatically terminate upon the borrowing of the 2025 Refinancing Term B Loans on the Amendment No. 5 Effective Date.

2.2. Procedure for Term Loan Borrowing. The Borrower shall give the Administrative Agent irrevocable notice substantially in the form of Exhibit B hereto (which notice must be received by the Administrative Agent prior to 12:00 Noon, New York City time, (a) three (3) U.S. Government Securities Business Days prior to the requested Borrowing Date (or such shorter period as may be agreed to by the Administrative Agent), in the case of Term SOFR Loans or (b) on the requested Borrowing Date, in the case of Base Rate Loans, in either case, requesting that the applicable Lenders make the applicable Term Loans on the Effective Date (or, in the case of Incremental Term Loans, the funding date thereon) and specifying the amount to be borrowed for each such Term Loans); provided, however, with respect to Incremental Term Loans, the Administrative Agent may agree in its reasonable discretion that any such notice may be revocable by the Borrower and may shorten the time periods set forth above for incurring such Incremental Term Loans. Upon receipt of such notice the Administrative Agent shall promptly notify each applicable Lender thereof. Not later than 12:00 Noon, New York City time, on the Effective Date (or, in the case of Incremental Term Loans, the funding date thereon), each Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the Term Loan or Term Loans to be made by such Lender. The Administrative Agent shall make the proceeds of such Term Loan or Term Loans available to the Borrower on the Borrowing Date by wire transfer in immediately available funds to a bank account designated in writing by the Borrower to the Administrative Agent.

2.3. [Reserved].

2.4. [Reserved].

2.5. [Reserved].

2.6. [Reserved].

2.7. [Reserved].

2.8. Repayment of Loans; Evidence of Debt.

(a) The remaining unpaid principal amount of the 2025 Refinancing Term B Loans and all other Obligations under or in respect of the 2025 Refinancing Term B Loans shall be due and payable in full, if not earlier in accordance with this Agreement, on the Termination Date for the 2025 Refinancing Term B Loans. The Borrower hereby further agrees to pay interest on the unpaid principal amount of the 2025 Refinancing Term B Loans from time to time outstanding from the date hereof until payment in full thereof at the rates per annum, and on the dates, set forth in Section 2.9.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing Indebtedness of the Borrower to such Lender resulting from each Term Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall, in respect of this Agreement, record in the Register, with separate sub-accounts for each Lender, (i) the amount and Borrowing Date of each Term Loan made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) both the amount of any payment received by the Administrative Agent hereunder from the Borrower and each Lender's Term B Percentage or Incremental Term Percentage, as applicable, thereof.

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to Sections 2.8(b) and (c) shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded absent manifest error; provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Term Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

(e) If so requested after the Effective Date by any Lender by written notice to the Borrower (with a copy to the Administrative Agent), the Borrower will execute and deliver to such Lender, promptly after the Borrower's receipt of such notice, a Note to evidence such Lender's Term Loans in form and substance reasonably satisfactory to the Administrative Agent and the Borrower.

2.9. Interest Rates and Payment Dates.

(a) Each Term SOFR Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to Term SOFR determined for such Interest Period *plus* the Applicable Margin.

(b) Each Base Rate Loan shall bear interest at a rate per annum equal to the Base Rate from time to time *plus* the Applicable Margin.

(c) Notwithstanding the foregoing, upon the occurrence and during the continuance of an Event of Default under Section 7.1(a) or (b) or at any time after the date on which any principal amount of any Term Loan is due and payable (whether on the maturity date therefor, upon acceleration or otherwise), and, in each case, for so long as such overdue Obligation remains unpaid, the Borrower shall pay, but only to the extent permitted by law, interest (after as well as before judgment) on such unpaid overdue amounts at a rate per annum equal to (a) in the case of overdue principal on any Term Loan, the rate of interest that otherwise would be applicable to such Term Loan plus 2% per annum and (b) in the case of overdue interest, fees, and other monetary Obligations, the rate then applicable to Base Rate Loans *plus* 2% per annum.

(d) Interest shall be payable in arrears on each Interest Payment Date; provided that interest accruing pursuant to paragraph (c) of this Section 2.9 shall be payable from time to time on demand.

(e) The provisions of this Section 2.9 (and the interest rates applicable to various extensions of credit hereunder) shall be subject to modification as expressly provided in Section 2.27.

(f) Term SOFR Conforming Changes. In connection with the use or administration of Term SOFR, the Administrative Agent will have the right, in consultation with the Borrower, to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

2.10. Computation of Interest and Fees.

(a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to Base Rate Loans, the interest thereon shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the Lenders of each determination of Term SOFR. Any change in the interest rate on a Term Loan resulting from a change in the Base Rate shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate hereunder.

2.11. Inability to Determine Interest Rate; Benchmark Replacement Setting.

(a) If prior to the first day of any Interest Period:

(i) the Administrative Agent shall have reasonably determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining Term SOFR for such Interest Period, or

(ii) the Administrative Agent shall have received notice from the Required Lenders that Term SOFR determined or to be determined for such Interest Period in good faith by such Required Lenders will not adequately and fairly reflect the cost to such Lenders (as conclusively certified by such Lenders) of making or maintaining their affected Term Loans during such Interest Period,

(b) the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given, (x) any Term SOFR Loans hereunder requested to be made on the first day of such Interest Period shall be made as Base Rate Loans, (y) any Term Loans hereunder that were to have been converted on the first day of such Interest Period to Term SOFR Loans shall be continued as Base Rate Loans and (z) any outstanding Term SOFR Loans hereunder shall be converted, on the last day of the then-current Interest Period, to Base Rate Loans; provided that if the circumstances giving rise to such notice shall cease or otherwise become inapplicable to such Required Lenders, then such Required Lenders shall promptly give notice of such change in circumstances to the Administrative Agent and the Borrower. Until such notice has been withdrawn by the Administrative Agent, no further Term SOFR Loans hereunder shall be made or continued as such, nor shall the Borrower have the right to convert Term Loans hereunder to Term SOFR Loans.

(c) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date that the Administrative Agent has posted such proposed amendment to all affected Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.11(c) will occur prior to the applicable Benchmark Transition Start Date.

(d) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(e) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.11(e) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.11, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.11.

(f) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may in its reasonable discretion modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may in its reasonable discretion modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (i) the Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of Term SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans and (ii) any outstanding affected Term SOFR Loans will be deemed to have been converted to Base Rate Loans at the end of the applicable Interest Period. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.[Reserved].

2.13. Optional Prepayment of Loans; Repricing Transaction.

(a) Subject to the provisos below, the Borrower may at any time and from time to time prepay either the Term B Loans or any series of Incremental Term Loans, in whole or in part, without premium or penalty, upon irrevocable notice (except as otherwise permitted below) delivered to the Administrative Agent prior to 10:00 A.M., New York City time, one (1) Business Day prior to the date of prepayment, which notice shall specify the date and amount of prepayment and whether the prepayment is (i) of Term SOFR Loans or Base Rate Loans or a combination thereof, and if a combination thereof, the amount allocable to each and (ii) whether the repayment is of the Term B Loans or Incremental Term Loans of a given series or a combination thereof, and if a combination thereof, the amount allocable to each. Upon receipt of any such notice of prepayment, the Administrative Agent shall notify each relevant Lender thereof on the date of receipt of such notice. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of prepayments of Term Loans maintained as Base Rate Loans) accrued interest to such date on the amount prepaid. Partial prepayments shall be in an aggregate principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof (or, if less, the then outstanding principal amount of Term B Loans or any series of Incremental Term Loans, as applicable). The application of any prepayment pursuant to this Section 2.13(a) shall be made, first, to Base Rate Loans of the respective Lenders (and of the respective tranche, if there are multiple tranches) and, second, to Term SOFR Loans of the respective Lenders (and of the respective tranche, if there are multiple tranches). Any prepayments of Term Loans pursuant to this Section 2.13(a) shall be applied to the remaining scheduled installments of the Term B Loans or any series of Incremental Term Loan, as applicable, as directed by the Borrower. A notice of prepayment of all outstanding Term B Loans or any series of Incremental Term Loans, as applicable, pursuant to this Section 2.13(a) may state that such notice is conditioned upon the effectiveness of other credit facilities the proceeds of which will be used to refinance in full this Agreement, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) At the time of the effectiveness of any Repricing Transaction that (x) results in any prepayment of 2025 Refinancing Term B Loans, or (y) effects any amendment of this Agreement resulting in a Repricing Transaction with respect to 2025 Refinancing Term B Loans and (in either case) is consummated prior to ~~December 6~~May 18, ~~2024~~2026, the Borrower agrees to pay to the Administrative Agent, for the ratable account of each applicable 2025 Refinancing Term Loan Lender, a fee in an amount equal to, without duplication, (I) in the case of preceding clause (x), a prepayment premium of 1% of the principal amount of the 2025 Refinancing Term B Loans being prepaid and (II) in the case of preceding clause (y), a payment equal to 1% of the aggregate amount of the applicable 2025 Refinancing Term B Loans outstanding immediately prior to such amendment and subject to such Repricing Transaction.

2.14. Prepayment Offers.

(a) Upon the occurrence of a Change of Control Triggering Event, the Borrower shall make an offer to prepay the entire principal amount of all outstanding Term Loans (the "Change of Control Prepayment Offer") at 101% of the aggregate principal amount thereof and the Borrower shall notify the Administrative Agent in writing of the Change of Control Prepayment Offer in writing within thirty (30) days after the date of such Change of Control Triggering Event. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment and include the payment date, which shall be no earlier than thirty (30) days and no later than sixty (60) days from the date of such notice is mailed (the "Change of Control Payment Date"). The Administrative Agent will promptly notify each relevant Lender of the contents of any such prepayment notice and of such Lender's *pro rata* share of the prepayment. Any Lender may elect, by delivering not less than three (3) U.S. Government Securities Business Days prior to the Change of Control Payment Date, a written notice (such notice, an "Acceptance Notice") that any change of control prepayment be made with respect to all or any portion of the Term Loans held by such Lender pursuant to this Section 2.14(a). If a Lender fails to deliver an Acceptance Notice within the time frame specified above, any such failure will be deemed a rejection of the Change of Control Prepayment Offer as to all outstanding Term Loans of such Lender. Any prepayment of Term Loans pursuant to this Section 2.14(a) shall be applied to the remaining scheduled installments of such Term Loans as directed by the Borrower.

(b) If, pursuant to Section 6.8, the Borrower shall be required to commence an Asset Sale Offer, the Borrower shall notify the Administrative Agent in writing of the Asset Sale Offer in writing within thirty (30) days after the date of such Asset Sale. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment and include the payment date, which shall be no earlier than thirty (30) days and no later than sixty (60) days from the date of such notice is mailed (the "Asset Sale Payment Date"). The Administrative Agent will promptly notify each relevant Lender of the contents of any such prepayment notice and of such Lender's *pro rata* share of the prepayment. Any Lender may elect, by delivering not less than three (3) Business Days prior to the Asset Sale Payment Date, a written notice (such notice, a "Acceptance Notice") that any prepayment be made with respect to all or any portion of the Term Loans held by such Lender pursuant to this Section 2.14(b). If a Lender fails to deliver an Acceptance Notice within the time frame specified above, any such failure will be deemed a rejection of the Asset Sale Offer as to all outstanding Term Loans of such Lender. Any prepayment of Term Loans pursuant to this Section 2.14(b) shall be applied to the remaining scheduled installments of such Term Loans as directed by the Borrower.

2.15. Conversion and Continuation Options.

(a) The Borrower may elect from time to time to convert Term SOFR Loans to Base Rate Loans by giving the Administrative Agent prior irrevocable notice, in substantially the form attached hereto as Exhibit F, of such election no later than 12:00 Noon, New York City time, on the Business Day preceding the proposed conversion date, provided that any such conversion of Term SOFR Loans may only be made on the last day of an Interest Period with respect thereto. The Borrower may elect from time to time to convert Base Rate Loans to Term SOFR Loans by giving the Administrative Agent prior irrevocable notice of such election no later than 12:00 Noon, New York City time, on the third (3rd) U.S. Government Securities Business Day preceding the proposed conversion date (which notice shall specify the length of the initial Interest Period therefor), provided that no Base Rate Loan may be converted into a Term SOFR Loan when any Event of Default has occurred and is continuing and the Required Lenders have determined in its or their sole discretion, by written notice to the Administrative Agent and the Borrower, not to permit such conversions. Upon receipt of any such notice, the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any Term SOFR Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving irrevocable notice to the Administrative Agent, in substantially the form attached hereto as Exhibit F, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Term Loans, provided that no Term SOFR Loan may be continued as such when any Event of Default has occurred and is continuing and the Required Lenders have determined in its or their sole discretion, by written notice to the Administrative Agent and the Borrower, not to permit such continuations; and provided, further, that if the Borrower shall fail to give any required notice as described above in this paragraph or if such continuation is not permitted pursuant to the preceding proviso such Term SOFR Loans shall be automatically converted to Base Rate Loans on the last day of such then expiring Interest Period. Upon receipt of any such notice, the Administrative Agent shall promptly notify each relevant Lender thereof.

2.16. Limitations on Term SOFR Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Term SOFR Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that, (i) after giving effect thereto, the aggregate principal amount of the Term SOFR Loans comprising each tranche of Term SOFR Loans shall be equal to $5,000,000 or a whole multiple of $500,000 in excess thereof and (ii) no more than ten different Interest Periods for any tranche of Term Loans be outstanding at any one time (unless a greater number of Interest Periods is permitted by the Administrative Agent).

2.17. Pro Rata Treatment, etc.

(a) Except as otherwise provided herein (including Section 2.27), each Borrowing by the Borrower from the Lenders hereunder shall be made *pro rata* according to the Term B Percentages or applicable Incremental Term Percentages, as applicable, of the relevant Lenders.

(b) Except as otherwise provided herein (including Sections 2.14, 2.27, 2.28 and 9.6(f)), each payment (including each prepayment) by the Borrower on account of principal or interest on each tranche of Term Loans shall be made *pro rata* according to the respective outstanding principal amounts of the Term B Loans or any series of Incremental Term Loans, as applicable, then held by the applicable Lenders.

(c) All payments by the Borrower hereunder and under any Notes shall be made in Dollars in immediately available funds at the Funding Office of the Administrative Agent by 2:00 P.M., New York City time, on the date on which such payment shall be due, provided that if any payment hereunder would become due and payable on a day other than a Business Day such payment shall become due and payable on the next succeeding Business Day and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. Interest in respect of any Term Loan hereunder shall accrue from and including the date of such Term Loan to but excluding the date on which such Term Loan is paid in full.

(d) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a Borrowing that such Lender will not make the amount that would constitute its share of such Borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon, at a rate per annum equal to the greater of (i) the Federal Funds Effective Rate and (ii) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three (3) Business Days after such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to Base Rate Loans under this Agreement, on demand, from the Borrower, such recovery to be without prejudice to the rights of the Borrower against any such Lender.

(e) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment due to be made by the Borrower hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the applicable Lenders their respective *pro rata* shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three (3) Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

(f) Notwithstanding anything to the contrary contained in this Section 2.17 or elsewhere in this Agreement, the Borrower may extend the final maturity of any tranche of Term Loans in connection with an Extension that is permitted under Section 2.27 without being obligated to effect such extensions on a *pro rata* basis among the relevant Lenders. Furthermore, the Borrower may take all actions contemplated by Section 2.27 in connection with any Extension (including modifying pricing and repayments or prepayments), and in each case such actions shall be permitted, and the differing payments contemplated therein shall be permitted without giving rise to any violation of this Section 2.17 or any other provision of this Agreement.

2.18. Requirements of Law.

(a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case, made subsequent to the Effective Date (including, but not limited to, the Dodd-Frank Wall Street Reform and Consumer Protection Act and, in each case, all requests, rules, guidelines or directives thereunder or issued in connection therewith):

(i) shall subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Term SOFR Loan made by it (except for Non-Excluded Taxes or Other Taxes required to be indemnified under Section 2.19 and any Excluded Taxes);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender; or

(iii) shall impose on any such Lender any other condition;

and the result of any of the foregoing is to increase the cost to such Lender, by an amount that such Lender deems to be material, of making, converting into, continuing or maintaining Term SOFR Loans, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable. If any Lender becomes entitled to claim any additional amounts pursuant to this paragraph, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy (whether or not having the force of law) from any Governmental Authority made subsequent to the Effective Date shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a written request therefor, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such corporation for such reduction.

(c) A certificate as to any additional amounts payable pursuant to this Section 2.18 submitted by any Lender to the Borrower (with a copy to the Administrative Agent) shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Section 2.18, the Borrower shall not be required to compensate any Lender pursuant to this Section 2.18 for any amounts incurred more than 180 days prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; provided that, if the circumstances giving rise to such claim have a retroactive effect, then such 180 days period shall be extended to include the period of such retroactive effect. The obligations of the Borrower pursuant to this Section 2.18 shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

2.19. Taxes.

(a) Unless required by applicable law (as determined in good faith by the applicable withholding agent), all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes. If any Taxes are required by law to be withheld by the applicable withholding agent from any amounts payable to the Administrative Agent or any Lender hereunder, or under any other Loan Document: (x) to the extent such Taxes are Non-Excluded Taxes or Other Taxes, the amounts so payable by the applicable Loan Party to the Administrative Agent or such Lender shall be increased to the extent necessary so that after all required deductions (including deductions applicable to additional sums payable under this Section 2.19) have been made, such Lender (or, in the case of payments made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such withholding or deductions been made, (y) the applicable withholding agent shall make such deductions, and (z) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

Notwithstanding anything to the contrary contained in this Section 2.19(a) or Section 2.19(b), unless the Administrative Agent or a Lender gives notice to the applicable Loan Party that it is obligated to pay an amount under Section 2.19(a) or Section 2.19(b) within 180 days of the later of (x) the date the applicable party incurs the Taxes or (y) the date the applicable party has knowledge of its incurrence of the Taxes, then such party shall only be entitled to be compensated for such amount by the applicable Loan Party pursuant to Section 2.19(a) or Section 2.19(b) to the extent the Taxes are incurred or suffered on or after the date which occurs 180 days prior to such party giving notice to the applicable Loan Party that it is obligated to pay the respective amounts pursuant to Section 2.19(a) or Section 2.19(b), but if the circumstances giving rise to such claim have a retroactive effect (*e.g.*, in connection with the audit of a prior tax year), then such 180 day period shall be extended to include such period of retroactive effect.

(b) In addition, the relevant Loan Party shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Whenever any Non-Excluded Taxes or Other Taxes are payable by a Loan Party, as promptly as possible thereafter such Loan Party shall send to the Administrative Agent for its own account or for the account of the relevant Lender, as the case may be, a certified copy of an original official receipt received, if any, by the Borrower or other documentary evidence showing payment thereof.

(d) The Borrower shall indemnify the Administrative Agent and the Lenders (within 30 days after demand therefor) for the full amount of any Non-Excluded Taxes or Other Taxes (including Non-Excluded Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.19), and for any reasonable expenses arising therefrom or with respect thereto, that may become payable by the Administrative Agent or any Lender, whether or not such Non-Excluded Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided that the Borrower shall not be obligated to indemnify the Administrative Agent or any Lender for any penalties, interest or expenses relating to Non-Excluded Taxes or Other Taxes to the extent that such penalties, interest or expenses are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such party's gross negligence or willful misconduct. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by law, or reasonably requested by the Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation expired, obsolete or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify the Borrower and the Administrative Agent of its legal ineligibility to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the Borrower, Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable law from such payments at the applicable statutory rate. Each Lender hereby authorizes the Administrative Agent to deliver to the Borrower and to any successor Administrative Agent any documentation provided by the Lender to the Administrative Agent pursuant to this Section 2.19(e).

Without limiting the generality of the foregoing:

(i) Each Lender that is a "United States person" (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Lender that is not a "United States person" (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement whichever of the following is applicable:

(A) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States of America is a party,

(B) two duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, in substantially the form of Exhibit E (any such certificate a "United States Tax Compliance Certificate"), or any other form approved by the Administrative Agent, to the effect that such Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and that no payments in connection with the Loan Documents are effectively connected with such Lender's conduct of a U.S. trade or business and (y) two duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Lender that has granted a participation), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate shall be provided by such Lender on behalf of such direct or indirect partner(s)), or

(E) any other form prescribed by applicable requirements of U.S. federal income tax law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct or withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(f) If the Administrative Agent or any Lender determines, in its sole discretion, that it has received a refund of any Non-Excluded Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which a Loan Party has paid additional amounts pursuant to this Section 2.19, it shall pay over such refund to the applicable Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by the such Loan Party under this Section 2.19 with respect to the Non-Excluded Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund, net of any Taxes payable by the Administrative Agent or such Lender); provided that the applicable Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender, as the case may be, is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

(g) The agreements in this Section 2.19 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder or any other Loan Document and any assignment of rights by, or replacement of, any Lender.

(h) For the avoidance of doubt, any payments made by the Administrative Agent to any Lender shall be treated as payments made by the applicable Loan Party.

2.20. [Reserved].

2.21. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.18 or 2.19(a) with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event with the object of avoiding the consequences of such event; provided that such designation is made on terms that, in the good faith judgment of such Lender, cause such Lender and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to Section 2.18 or 2.19(a).

2.22. Fees.

(a) The Borrower agrees to pay to the Administrative Agent the administrative agent fees in the amounts and on the dates as set forth in any written agreements from time to time between the Administrative Agent and the Borrower.

(b) The Borrower agrees to pay on the Effective Date to the Administrative Agent for the pro rata benefit of each Lender an upfront fee in an amount equal to 0.75% of the aggregate principal amount of the Refinancing Term B Loans incurred on the Effective Date; provided that such upfront fee may be structured as original issue discount as agreed between the Borrower and the Administrative Agent.

2.23. [Reserved].

2.24. Nature of Fees. All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent (for the respective accounts of the Administrative Agent and the Lenders), as provided herein. Once paid, none of the Fees shall be refundable under any circumstances.

2.25. Incremental Term Loans.

(a) At any time after the Effective Date, the Borrower may by written notice to the Administrative Agent elect to request the establishment of one or more incremental term loan commitments (any such incremental term loan commitment, an "Incremental Commitment") to make one or more additional term loans (any such additional term loan, an "Incremental Term Loan"); provided that (1) the total aggregate principal amount for all such Incremental Commitments shall not (as of any date of incurrence thereof) exceed the Maximum Incremental Facilities Amount at such time and (2) the total aggregate principal amount for each Incremental Commitment (and the Incremental Term Loans made thereunder) shall not be less than $25,000,000 (or such lesser amount as may be (x) approved by the Administrative Agent or (y) remaining pursuant to foregoing clause (1). Each such notice shall specify the date (each, an "Increased Amount Date") on which the Borrower proposes that any Incremental Commitment shall be effective, which shall be a date not less than five (5) Business Days (or such shorter period as the Administrative Agent may agree to) after the date on which such notice is delivered to the Administrative Agent. The Borrower may invite any Lender, any Affiliate of any Lender and/or any Approved Fund, and/or any other Person reasonably satisfactory to the Administrative Agent, to provide an Incremental Commitment (any such Person, an "Incremental Lender"). Any proposed Incremental Lender offered or approached to provide all or a portion of any Incremental Commitment may elect or decline, in its sole discretion, to provide such Incremental Commitment. Any Incremental Commitment shall become effective as of such Increased Amount Date; provided that:

(i) all the conditions in Section 4.2 shall have been met; provided that in connection with an acquisition or investment permitted hereunder or an irrevocable redemption of other Indebtedness permitted hereunder, if agreed to by the respective Incremental Lenders, the Borrower shall only be required to (i) comply with Section 4.2(a), (ii) make customary "Sungard" representations and warranties and (iii) comply with a requirement that no Event of Default under Sections 7.1(a), (b), (i) or (j) shall have occurred and be continuing on the date on which the definitive agreement for such acquisition or investment is entered into or on the date which the respective irrevocable redemption notice is delivered.

(ii) the proceeds of any Incremental Term Loans shall be used for the working capital and general corporate purposes (including acquisitions, investments and Restricted Payments permitted under this Agreement) of the Borrower and its Restricted Subsidiaries;

(iii) each Incremental Commitment (and the Incremental Term Loans made thereunder) shall constitute Obligations and Parity Secured Obligations for all purposes under the Loan Documents and shall be secured and guaranteed with the other Term Loans hereunder on a pari passu basis;

(iv) in the case of each series of Incremental Term Loans (the terms of which shall be set forth in an amendment (an "Incremental Commitment Supplement") to this Agreement in form and substance reasonably satisfactory to the Administrative Agent and the Borrower):

(A) such Incremental Term Loan will mature and amortize in a manner reasonably acceptable to the Incremental Lenders making such Incremental Term Loan and the Borrower, but will not in any event have a shorter Weighted Average Life to Maturity than the remaining Weighted Average Life to Maturity of the initial 2025 Refinancing Term B Loans made on the Amendment No. 5 Effective Date or a final maturity date earlier than that of such initial 2025 Refinancing Term B Loans;

(B) the Applicable Margin, pricing grid, if applicable, and fees for such Incremental Term Loan shall be determined by the applicable Incremental Lenders and the Borrower and set forth in the applicable Incremental Commitment Supplement;

(C) any Incremental Lender making any Incremental Term Loan shall be entitled to the same voting rights as the existing Lenders and each Incremental Term Loan shall receive proceeds of prepayments on the same basis as the 2025 Refinancing Term B Loans and, in the case of mandatory prepayment offers required pursuant to Section 2.14, such prepayments offers shall be on made pro rata on the basis of the original aggregate funded amount thereof among the 2025 Refinancing Term B Loans and the Incremental Term Loans (except, in each case, to the extent that the respective Incremental Lenders elect a lesser prepayment);

(D) each series of Incremental Commitments shall be effected pursuant to an Incremental Commitment Supplement executed and delivered by the Borrower, the Administrative Agent and the applicable Incremental Lenders (which Incremental Commitment Supplement may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section 2.25); and

(E) the Borrower shall deliver or cause to be delivered any customary legal opinions or other customary documents (including, without limitation, a resolution duly adopted by the board of directors (or equivalent governing body) of each Loan Party authorizing such Incremental Term Loan and/or Incremental Commitment) reasonably requested by the Administrative Agent in connection with any such transaction.

(b) (i) Unless otherwise specifically provided herein, all references in the Loan Documents to Term Loans shall be deemed, unless the context otherwise requires, to include references to Incremental Term Loans that are Term Loans made pursuant to this Agreement; provided that such Incremental Term Loan either shall be designated as a separate tranche of Term Loans for all purposes of this Agreement or may be added to a then existing tranche of Term Loans (and thereafter, for all purposes of the Loan Documents, be treated as part of such existing tranche of Term Loans).

(ii) The Incremental Lenders shall be included in any determination of the Required Lenders and, unless otherwise agreed or provided for in this Agreement, the Incremental Lenders will not constitute a separate voting class for any purposes under this Agreement.

(iii) The Incremental Term Loans may be drawn on a delayed draw basis if agreed by the Incremental Lenders providing such Incremental Term Loans.

(c) On any Increased Amount Date on which any Incremental Commitment becomes effective, subject to the foregoing terms and conditions, each Incremental Lender with an Incremental Commitment shall make, or be obligated to make, an Incremental Term Loan to the Borrower in an amount equal to its Incremental Commitment and shall become a Lender hereunder with respect to such Incremental Commitment and the Incremental made pursuant thereto.

(d) The Lenders hereby irrevocably authorize the Administrative Agent and the Collateral Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower and the other applicable Loan Parties as may be necessary in order to effectuate the terms of this Section 2.25 (including, without limitation, as applicable, (1) to permit the Incremental Term Loans to share ratably in the benefits of this Agreement and the other Loan Documents and (2) to include the Incremental Commitments or outstanding Incremental Term Loans in any determination of Required Lenders). Without limiting the foregoing, in connection with any Incremental Term Loan, the respective Loan Parties shall (at their expense) amend (and the Collateral Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the then latest Stated Maturity so that such maturity date is extended to the then latest Stated Maturity (or such later date as may be advised by local counsel to the Collateral Agent).

2.26. Replacement of Lenders. The Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.18 or 2.19, (b) refuses to extend its Term Loans pursuant to an Extension Offer pursuant to Section 2.27 or (c) does not consent to any proposed amendment, supplement, modification, consent or waiver of any provision of this Agreement or any other Loan Document that requires the consent of each of the Lenders or each of the Lenders affected thereby (so long as the consent of the Required Lenders has been obtained), in each case with a replacement financial institution; provided that (i) prior to any such replacement pursuant to preceding clause (a), such Lender shall have taken no action under Section 2.21 so as to eliminate the continued need for payment of amounts owing pursuant to Section 2.18 or 2.19, (ii) the replacement financial institution shall purchase, at par, all Term Loans outstanding and other amounts related thereto owing to such replaced Lender on or prior to the date of replacement, (iii) [~~reserved~~Reserved], (iv) the replacement financial institution (if other than a then existing Lender or an affiliate thereof or an Approved Fund) shall be reasonably satisfactory to the Administrative Agent, (v) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 9.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein), (vi) until such time as such replacement shall be consummated, the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.18 or 2.19, as the case may be, and (vii) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

2.27. Extensions of Loans and Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by the Borrower to any or all Lenders holding Term B Loans or Incremental Term Loans of a given series with a like Stated Maturity, the Borrower may from time to time extend the maturity date of such Term Loans and otherwise modify the terms of such Term Loans pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of such Term Loans (and related outstandings), in each case, without the consent of any other Lenders) (an "Extension," and each group of Term Loans so extended, as well as the original Term Loans (not so extended), being a "tranche"; any Extended Term Loans shall constitute a separate tranche of Term Loans from the tranche of Term Loans from which they were converted), so long as the following terms are satisfied: (i) no Event of Default shall have occurred and be continuing at the time that any offering document in respect of an Extension Offer is delivered to the relevant Lenders, (ii) except as to interest rates, fees. amortization and final maturity, the Term Loans of any Lender (an "Extending Term Lender") extended pursuant to an Extension (an "Extended Term Loan") shall be a Term Loan with the same terms as the original Term Loans; provided that at no time shall there be Term Loans hereunder (including Extended Term Loans and any original Term Loans) which have more than three different Stated Maturities (unless a greater number is permitted by the Administrative Agent), (iii) if the aggregate principal amount of Term Loans in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans offered to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer, (viii) all documentation in respect of such Extension shall be consistent with the foregoing, and all written communications by the Borrower generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and otherwise reasonably satisfactory to the Administrative Agent, and (ix) any applicable Minimum Extension Condition shall be satisfied.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.27, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.13 or 2.14 and (ii) no Extension Offer is required to be in any minimum amount or any minimum increment, provided that the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's discretion) of Term Loans of any or all applicable tranches be tendered. The Administrative Agent and the Lenders hereby consent to the Extensions and the other transactions contemplated by this Section 2.27(b) (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.13, 2.14, 2.17 and 9.7(a)) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.27.

(c) The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower and the other applicable Loan Parties as may be necessary in order to establish new tranches or sub-tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.27. Notwithstanding the foregoing, the Administrative Agent shall have the right (but not the obligation) to seek the advice or concurrence of the Required Lenders with respect to any matter contemplated by this Section 2.27(c) and, if the Administrative Agent seeks such advice or concurrence, the Administrative Agent shall be permitted to enter into such amendments with the Borrower in accordance with any instructions actually received by such Required Lenders and shall also be entitled to refrain from entering into such amendments with the Borrower unless and until it shall have received such advice or concurrence; provided, however, that whether or not there has been a request by the Administrative Agent for any such advice or concurrence, all such amendments entered into with the Borrower by the Administrative Agent hereunder shall be binding and conclusive on the Lenders. Without limiting the foregoing, in connection with any Extensions, the respective Loan Parties shall (at their expense) amend (and the Collateral Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the then latest Stated Maturity so that such maturity date is extended to the then latest Stated Maturity (or such later date as may be advised by local counsel to the Collateral Agent).

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.27.

2.28. Dutch Auction Buy Backs. Notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the Borrower may conduct reverse Dutch auctions from time to time after the Effective Date in order to purchase either Term B Loans or any Incremental Term Loans of any particular tranche(s) (as determined by the Borrower in its sole discretion) (each, an "Auction") (each such Auction to be managed exclusively by Administrative Agent or another investment bank or commercial bank of recognized standing selected by the Borrower (in such capacity, the "Auction Manager")), so long as the following conditions are satisfied: (i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.28 and Exhibit I, (ii) no Event of Default shall have occurred and be continuing on the date of the delivery of each Auction Notice in connection with any Auction, (iii) the minimum principal amount (calculated on the face amount thereof) of each and all tranches of Term Loans that the Borrower offers to purchase in any such Auction shall be no less than $25,000,000 (across all such tranches) or an integral multiple of $1,000,000 in excess thereof (or such lesser amount and such lesser integral multiple as may be reasonably acceptable to the Auction Manager) and (iv) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans of the applicable tranche or tranches so purchased by the Borrower shall automatically be cancelled and retired by the Borrower on the settlement date of the relevant purchase (and may not be resold). The Borrower must terminate an Auction if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the respective Auction. If the Borrower commences any Auction (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of the respective Auction have in fact been satisfied), and if at such time of commencement the Borrower reasonably believes that all required conditions set forth above which are required to be satisfied at the time of the purchase of Term Loans pursuant to such Auction shall be satisfied, then the Borrower shall have no liability to any Lender for any termination of the respective Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the respective Auction, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans of the applicable tranche or tranches made by the Borrower pursuant to this Section 2.28, (x) the Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant Offer Documents), if any, on the purchased Term Loans of the applicable tranche or tranches up to the settlement date of such purchase and (y) such purchases (and the payments made by the Borrower and the cancellation of the purchased Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.13 or 2.14. Each Lender acknowledges and agrees that in connection with each Auction, (i) the Borrower may purchase or acquire Term Loans hereunder from Lenders from time to time, subject to this Section 2.28, (ii) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to enter into an assignment of such Term Loans hereunder ("Excluded Information"), (iii) such Lender has independently and without reliance on the Borrower or any of its Subsidiaries or Affiliates made such Lender's own analysis and determined to enter into an assignment of such Term Loans and to consummate the transactions contemplated thereby notwithstanding such Lender's lack of knowledge of the Excluded Information and (iv) the Borrower and its Subsidiaries shall have no liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower and its Subsidiaries, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender further acknowledges that the Excluded Information may not be available to the Administrative Agent, the Auction Manager or the other Lenders hereunder. Each Lender which tenders (or does not tender) Term Loans pursuant to an Auction agrees to the provisions of the two preceding sentences, and agrees that they shall control, notwithstanding any inconsistent provision hereof or in any Assignment and Acceptance. The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.28 and hereby waive the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.28. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 8 and Section 9.5 *mutatis mutandis* as if each reference therein to the "Administrative Agent" or an "Agent" were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Auction.

SECTION 3

Representations and Warranties

In order to induce the Lenders to enter into this Agreement and to make Term Loans, the Borrower represents and warrants on the Effective Date to the Administrative Agent and to each Lender as follows:

3.1. Existence; Compliance with Law. Each Loan Party (a) is duly organized, validly existing and (to the extent such concept is applicable) in good standing under the laws of the jurisdiction of its organization, (b) has the power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign corporation or other organization and (to the extent such concept is applicable) in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification and (d) is in compliance with all Requirements of Law, except, in the case of each of the foregoing clauses (a) through (d), to the extent that the failure to comply therewith would not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.2. Power; Authorizations; Enforceable Obligations. Each Loan Party has the power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to obtain extensions of credit hereunder. Each Loan Party has taken all necessary organizational action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the extensions of credit on the terms and conditions of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority is required in connection with the extensions of credit hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement or any of the Loan Documents, except (i) that have been obtained or made and are in full force and effect, (ii) the filings made in respect of the Security Documents and (iii) to the extent that the failure to obtain any such consent, authorization, filing, notice or other act would not, in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Loan Document has been duly executed and delivered on behalf of each Loan Party party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

3.3. No Legal Bar. The execution, delivery and performance of this Agreement and the other Loan Documents, the borrowings hereunder and the use of the proceeds thereof (x) will not violate any Requirement of Law applicable to any Loan Party or any Contractual Obligation of any Loan Party that (in either case) would reasonably be expected to have a Material Adverse Effect and (y) will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such material Contractual Obligation (other than the Liens created by the Security Documents and other Permitted Liens).

3.4. Accuracy of Information. No statement or information contained in this Agreement, any other Loan Document, the Information Memorandum or any other document, certificate or statement furnished by or on behalf of any Loan Party to the Administrative Agent or the Lenders, or any of them, for use in connection with the transactions contemplated by this Agreement or the other Loan Documents, contained as of the Effective Date, taken as a whole and in light of the circumstances in which made, any untrue statement of a material fact or omitted to state a material fact necessary to make the statements contained herein or therein not materially misleading.

3.5. No Material Adverse Effect. Since December 31, 2022, there has been no development or event that has had or would reasonably be expected to have a Material Adverse Effect.

3.6. Subsidiaries. Schedule 3.6 annexed hereto sets forth the name and jurisdiction of organization of each Restricted Subsidiary of the Borrower as of the Effective Date and, as to each such Restricted Subsidiary, the percentage of each class of Capital Stock owned by any Loan Party as of the Effective Date, and (b) as of the Effective Date, there are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments (other than stock options or restricted stock granted to employees or directors and directors' qualifying shares) of any nature relating to any Capital Stock of any of the Guarantors directly owned by the Loan Parties that are included in the Collateral, except as created by the Loan Documents or permitted under Section 6.2.

3.7. Title to Assets; Liens. The Loan Parties have title in fee simple to, or a valid leasehold or easement interest in, all their material real property (including, without limitation, the material real property to be encumbered by a Mortgage), taken as a whole, and good and marketable title to, or a valid leasehold or easement interest in, all their other material property, taken as a whole, in each case, except for those which the failure to have such good title or such leasehold or easement interest would not be reasonably expected to have a Material Adverse Effect, and none of such property is subject to any Lien except Permitted Liens.

3.8. Intellectual Property. Each Loan Party owns, or is licensed to use, all Intellectual Property material to the conduct of its business, and the conduct of the business of each Loan Party does not infringe upon the intellectual property rights of any other Person, in each case except where the failure to do so would not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.9. Use of Proceeds. The proceeds of the Refinancing Term B Loans shall be utilized, together with cash on hand, (i) to repay all the Initial Term B Loans outstanding under the Existing Credit Agreement, (ii) to pay fees and expenses related thereto (including without limitation, any breakage fees) and related to this Agreement and the transactions contemplated hereby, (iii) to pay any swap breakage costs (if any) resulting from such repayments and (iv) for general corporate purposes (including a partial prepayment of the Term B-5 Term Loan). The proceeds of Incremental Term Loans shall be used for the purposes described in Section 2.25.

3.10. Litigation. Except as disclosed in writing to the Administrative Agent and the Lenders prior to the Effective Date or otherwise disclosed on the Calpine Platform prior to the Effective Date, no litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Borrower, threatened in writing by or against any Loan Party or against any of their respective properties or revenues that, in the aggregate, would reasonably be expected to have a Material Adverse Effect.

3.11. Federal Reserve Regulations. No part of the proceeds of any Term Loan will be used (a) for "buying" or "carrying" any "margin stock" within the respective meanings of each of the quoted terms under Regulation U as now in effect for any purpose that violates the provisions of the Regulations of the Board of Governors or (b) for any purpose that violates the provisions of the Regulations of the Board of Governors. Neither the Borrower nor any of its Restricted Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any "margin stock."

3.12. Solvency. On the Effective Date, the Borrower and its Subsidiaries, taken as a whole, are, and after giving effect to the incurrence of all Indebtedness and obligations being incurred in connection herewith on the Effective Date will be, Solvent.

3.13. Taxes. Each Loan Party has filed or caused to be filed all federal and state income Tax and other Tax returns that are required to be filed, except if the failures to make any such filing would not, in the aggregate, reasonably be expected to have a Material Adverse Effect, and has paid all Taxes (including in its capacity as withholding agent) shown to be due and payable on said returns or on any assessments made against it or any of its property and all other Taxes, fees or other charges imposed on it or any of its property by any Governmental Authority (other than any (x) the amount or validity of which are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the relevant Loan Party, or (y) those where the failure to pay, in the aggregate, would not reasonably be expected to have a Material Adverse Effect). There are no proposed Tax assessments or other claims against, and no Tax audits with respect to, any Loan Party that would reasonably be expected to, in the aggregate, have a Material Adverse Effect.

3.14. ERISA. Except as, in the aggregate, does not or would not reasonably be expected to result in a Material Adverse Effect: neither a Reportable Event nor a failure to satisfy the minimum funding standard of Section 430 of the Code or Section 303 of ERISA, whether or not waived, with respect to a Plan has occurred during the five year period prior to the date on which this representation is made or deemed made with respect to any Plan, and each Plan has complied in all respects with the applicable provisions of ERISA and the Code; no termination of a Plan has occurred, and no Lien in favor of the PBGC or a Plan has arisen, during such five-year period; the present value of all accrued benefits under each Plan (based on those assumptions used to fund such Plans) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such Plan allocable to such accrued benefits; neither the Borrower nor any Commonly Controlled Entity has had a complete or partial withdrawal (including under Section 4062(e) of ERISA) from any Plan or Multiemployer Plan; to the knowledge of the Borrower, neither the Borrower nor any Commonly Controlled Entity would become subject to any liability under ERISA if the Borrower or any such Commonly Controlled Entity were to withdraw completely from all Multiemployer Plans as of the valuation date most closely preceding the date on which this representation is made or deemed made; and to the knowledge of the Borrower, no Multiemployer Plan is Insolvent.

3.15. Environmental Matters; Hazardous Material. There have been no matters with respect to Environmental Laws or Materials of Environmental Concern which, in the aggregate, would reasonably be expected to have a Material Adverse Effect.

3.16. Investment Company Act; Other Regulations. No Loan Party is an "investment company", or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended.

3.17. Labor Matters. Except as, in the aggregate, would not reasonably be expected to have a Material Adverse Effect: (a) there are no strikes or other labor disputes against any Loan Party pending or, to the knowledge of the Borrower, threatened; (b) hours worked by and payment made to employees of each Loan Party have not been in violation of the Fair Labor Standards Act or any other applicable Requirement of Law dealing with such matters; and (c) all payments due from any Loan Party on account of employee health and welfare insurance have been paid or accrued as a liability on the books of the relevant Loan Party.

3.18. Security Documents.

(a) After the execution and delivery thereof, the Pledge and Security Agreement and the Partnership Interest Pledge Agreement are effective to create in favor of the Collateral Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in the Collateral described therein and proceeds thereof. In the case of the Pledged Stock described in the Pledge and Security Agreement and the Partnership Interest Pledge Agreement, when stock certificates (if any) representing such Pledged Stock are delivered to the Collateral Agent, and in the case of the Collateral described in the Pledge and Security Agreement and the Partnership Interest Pledge Agreement, when financing statements and other filings specified on Schedule 5 of the Perfection Certificate in appropriate form are filed in the offices specified on Schedule 6 of the Perfection Certificate, the Pledge and Security Agreement and the Partnership Interest Pledge Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in such Collateral and the proceeds thereof to the extent security interests can be so perfected (by delivery or filing UCC financing statements as applicable) on such Collateral, as security for the Secured Obligations, in each such case prior and superior in right to any other Person (except Permitted Liens).

(b) After the execution and delivery thereof, each of the Mortgages, is or will be effective to create in favor of the Collateral Agent, for the benefit of the Secured Parties, a legal, valid and enforceable Lien on the Mortgaged Properties described therein and proceeds thereof, and each such Mortgage shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in the Mortgaged Properties and the proceeds thereof, as security for the Secured Obligations, in each case prior and superior in right to any other Person other than Permitted Liens. Schedule 1.1B lists, as of the Effective Date, each parcel of owned real property and each leasehold interest in real property located in the United States and held by the Borrower or any of its Guarantors that has a value, in the reasonable opinion of the Borrower, in excess of $40,000,000.

3.19. Energy Regulation. The Borrower and its Restricted Subsidiaries are in compliance with the Public Utility Holding Company Act of 2005 and the implementing regulations of the Federal Energy Regulatory Commission, as amended from time to time (together, "PUHCA 2005"), and consummation of the transactions contemplated by this Agreement and the other Loan Documents will not cause the Borrower or its Restricted Subsidiaries to cease to be in compliance with PUHCA 2005, except where any such non-compliance would not reasonably be expected to have a Material Adverse Effect.

3.20. Anti-Corruption Laws and Sanctions. No Loan Party is a Sanctioned Person. Neither the Borrower's incurrence of any Term Loans on any Borrowing Date nor its use of the proceeds thereof will violate any Anti-Corruption Law or applicable Sanctions.

3.21. Beneficial Ownership Certification. As of the Effective Date, the information included in the Beneficial Ownership Certification delivered pursuant to Section 4.1(i) is true and correct in all respects.

SECTION 4

(f) [Reserved].

(h) Refinancing. The Refinancing shall have been consummated, or shall be consummated substantially simultaneously with the initial borrowing of the Refinancing Term B Loans, and, in connection therewith, the Borrower shall have paid, or caused to be paid, to the Administrative Agent, for the ratable benefit of each Initial Term B Lender, all accrued and unpaid interest, to but not including the Effective Date, in respect of the Initial Term B Loans.

(i) KYC Information. 4.2. Conditions to Each Borrowing of Term Loans. The occurrence of the Effective Date and the making of Term Loans hereunder are subject to the satisfaction or waiver of the following conditions precedent (except to the extent otherwise provided in Section 2.25):

(a) Notice. The Administrative Agent shall have received the applicable notice of borrowing, in substantially the form attached as Exhibit J, from the Borrower.

(b) Representations and Warranties. All representations and warranties contained in this Agreement and the other Loan Documents shall be true and correct in all material respects on and as of the date of each Borrowing of Term Loans hereunder with the same effect as if made on and as of such date (unless stated to relate to a specific earlier date, in which case, such representations and warranties shall be true and correct in all material respects as of such earlier date) (it being understood that any representation or warranty that is qualified as to materiality or Material Adverse Effect shall be correct in all respects).

(c) No Default or Event of Default. (i) In the case of any Borrowing of Term Loans (other than Incremental Term Loans), no Default or Event of Default shall have occurred and be continuing on such Borrowing Date or after giving effect to the making of such Term Loans on such Borrowing Date and (ii) in the case of any Borrowing of Incremental Term Loans, no Event of Default shall have occurred and be continuing on such Borrowing Date or after giving effect to the making of such Incremental Term Loans on such Borrowing Date.

SECTION 5

Affirmative Covenants

The Borrower hereby agrees that, so long as any Term Loan or other amount is owing to any Lender or the Administrative Agent hereunder or under any other Loan Document (other than contingent indemnification obligations for which no claim has been asserted) or the Term Commitments are outstanding, the Borrower shall and shall cause each of its Restricted Subsidiaries to:

5.1. Financial Statements, Etc. Whether or not required by the SEC's rules and regulations, the Borrower will furnish to the Administrative Agent (for distribution to the Lenders) unaudited quarterly financial statements of the Borrower for the first three fiscal quarters of each fiscal year of the Borrower (which statements have been certified by a Responsible Officer of the Borrower) beginning with the fiscal quarter ended December 31, 2023, and audited annual financial statements of the Borrower (which annual financial statements shall include a report thereon from the Borrower's certified independent accountants), in each case prepared in accordance with GAAP (in absence of footnote disclosures and year-end audit adjustments as it pertains to quarterly financial statements) and, in each case, within (x) 105 days after the end of the fiscal year of the Borrower, in the case of audited annual financial statements and (y) 60 days after the end of each of the first three fiscal quarters of each fiscal year of the Borrower, in the case of unaudited quarterly financial statements of the Borrower.

5.2. Compliance Certificate.

(a) The Borrower shall deliver to the Administrative Agent, within 105 days after the end of each fiscal year of the Borrower, an officers' certificate of a Responsible Officer of the Borrower stating that a review of the activities of the Borrower and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Responsible Officer with a view to determining whether any Default or Event of Default has occurred and is continuing under this Agreement, and further stating, as to such Responsible Officer signing such certificate, that to the best of his or her knowledge no Default or Event of Default has occurred and is continuing under this Agreement (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Borrower is taking or proposes to take with respect thereto).

(b) The Borrower will deliver to the Administrative Agent, promptly upon any Responsible Officer becoming aware of any Default or Event of Default, an officers' certificate of a Responsible Officer of the Borrower specifying such Default or Event of Default and what action the Borrower is taking or proposes to take with respect thereto.

5.3. Maintenance of Existence. Preserve, renew and keep in full force and effect its organizational existence and (ii) take all reasonable action to maintain all rights, privileges and franchises reasonably necessary in the normal conduct of its business, except, in each case, (x) as otherwise permitted by Section 6.3 or 6.8 or (y) to the extent that failure to do so would not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

5.4. Maintenance of Insurance.

(a) The Borrower and the Grantors will maintain insurance policies (or self-insurance) on all its material property in at least such amounts and against at least such risks as are usually insured against by companies of a similar size engaged in the same or a similar business and, from and after the Original Closing Date, will name the Collateral Agent as an additional insured and (in the case of Collateral) lender's loss payee as its interests may appear, to the extent required by the Security Documents. Upon the request of the Collateral Agent, the Borrower and the Grantors will furnish to the Collateral Agent full information as to their property and liability insurance carriers; and

(b) If at any time any Building or Mobile Home (each as defined by the Flood Insurance Laws) located on a Mortgaged Property subject to a Mortgage is located in an area identified by the Federal Emergency Management Agency (or any successor agent) as a special flood hazard area, then the Borrower shall, or shall cause the applicable Loan Party to, (i) maintain with a financially sound and reputable insurer flood insurance in an amount and otherwise sufficient to comply with all applicable rules and regulations promulgated pursuant to the Flood Insurance Laws and (ii) if requested by the Administrative Agent, deliver to the Administrative Agent evidence of such compliance.

5.5. [Reserved].

5.6. [Reserved].

5.7. [Reserved].

5.8. Additional Guarantees. If (1) the Borrower acquires or creates another Wholly-Owned Domestic Subsidiary after the Original Closing Date (that does not constitute an Excluded Subsidiary) or (2) any Wholly-Owned Domestic Subsidiary of the Borrower ceases to constitute an Excluded Subsidiary, then such Wholly-Owned Domestic Subsidiary will become a Guarantor under the Guaranty Agreement within 90 days thereof (as such date may be extended by the Administrative Agent).

5.9. After-Acquired Collateral.

(a) With respect to any property acquired after the Original Closing Date by the Borrower or any Guarantor (other than (x) property constituting an "Excluded Asset" under (and as defined in) the Pledge and Security Agreement and (y) any property described in clauses (b)-(d) of this Section 5.9) as to which the Collateral Agent, for the benefit of the Secured Parties, does not have a perfected Lien, the Borrower and each applicable Guarantor shall promptly:

(i) execute and deliver to the Collateral Agent such amendments to the Pledge and Security Agreement or such other documents as the Collateral Agent deems necessary or advisable to grant to the Collateral Agent, for the benefit of the Secured Parties, a security interest in such property; and

(ii) take all actions necessary or advisable to grant to the Collateral Agent, for the benefit of the Secured Parties, a perfected first priority security interest in such property (subject to Permitted Liens), including the filing of Uniform Commercial Code financing statements in such jurisdictions as may be required by the Pledge and Security Agreement or by law or as may be reasonably requested by the Collateral Agent.

(b) With respect to any fee interest in any real property having a fair market value (together with improvements thereof) of at least $40,000,000 acquired after the Original Closing Date by the Borrower or any Guarantor (other than any such real property subject to a Permitted Lien which precludes the granting of a Mortgage thereon), within 180 days after the creation or acquisition thereof (as such date may be extended by the Administrative Agent), the Borrower or the applicable Guarantor shall deliver to the Collateral Agent the items set forth in Section 5.10(b) hereof.

(c) With respect to any new Wholly-Owned Domestic Subsidiary (other than an Excluded Subsidiary) created or acquired after the Original Closing Date by the Borrower or any Guarantor (which, for the purposes of this paragraph (c), shall include any existing Wholly-Owned Domestic Subsidiary that ceases to be an Excluded Subsidiary), within 90 days after the creation or acquisition thereof (as such date may be extended by the Administrative Agent), the Borrower and each applicable Guarantor shall:

(i) execute and deliver to the Collateral Agent such amendments to the Pledge and Security Agreement as the Collateral Agent reasonably deems necessary or advisable to grant to the Collateral Agent, for the benefit of the Secured Parties, a perfected first priority security interest in the Capital Stock of such new Wholly-Owned Domestic Subsidiary that is owned by the Borrower or any Guarantor (subject to Permitted Liens unless constituting an Excluded Asset),

(ii) deliver to the Collateral Agent the certificates representing such Capital Stock (unless constituting an Excluded Asset), together with undated stock powers, in blank, executed and delivered by a duly authorized officer of the Borrower or the relevant Guarantor,

(iii) cause such new Wholly-Owned Domestic Subsidiary (A) to become a party to the Pledge and Security Agreement, (B) to take such actions reasonably necessary or advisable to grant to the Collateral Agent for the benefit of the Secured Parties a perfected first priority security interest in the Collateral described in the Pledge and Security Agreement with respect to such new Wholly-Owned Domestic Subsidiary (subject to Permitted Liens and the terms of the Pledge and Security Agreement), including the filing of Uniform Commercial Code financing statements in such jurisdictions as may be required by the Pledge and Security Agreement or by law or as may be reasonably requested by the Collateral Agent and (C) to deliver to the Collateral Agent a customary closing certificate of such Wholly-Owned Domestic Subsidiary, with appropriate insertions and attachments, and

(iv) if requested by the Collateral Agent, deliver to the Collateral Agent customary legal opinions relating to the matters described above.

(d) With respect to any new direct Foreign Subsidiary created or acquired after the Original Closing Date by the Borrower or any Guarantor, the Borrower or the applicable Guarantor shall promptly:

(i) execute and deliver to the Collateral Agent such amendments to the Pledge and Security Agreement as the Collateral Agent deems reasonably necessary or advisable to grant to the Collateral Agent, for the benefit of the Secured Parties, a perfected first priority security interest in the Capital Stock of such new Foreign Subsidiary that is owned by the Borrower or such Guarantor (provided that in no event shall more than 65% of the total outstanding voting Capital Stock of any such new Foreign Subsidiary be required to be so pledged and then only so long as such Capital Stock does not constitute an Excluded Asset), and

(ii) if commercially reasonable, deliver to the Collateral Agent the certificates representing such Capital Stock (unless constituting an Excluded Asset), together with undated stock powers, in blank, executed and delivered by a duly authorized officer of the Borrower or the relevant Guarantor, and take such other action as may be necessary or, in the opinion of the Collateral Agent, desirable to perfect the Collateral Agent's security interest therein.

5.10. Post-Closing Matters.

(a) Within ninety (90) days after the Effective Date (or such longer period as Administrative Agent may agree in its reasonable discretion), the Collateral Agent shall have received evidence of property and liability insurance policies (or self-insurance) on all of the Borrower's material property in at least such amounts and against at least such risks as are usually insured against by companies of a similar size engaged in the same or a similar business and, from and after the Effective Date, endorsements naming the Collateral Agent as an additional insured and loss payee as its interests may appear, to the extent required by the Security Documents; and

(b) Within 90 days after the Original Closing Date (or such longer period as the Administrative Agent may agree in its reasonable discretion), the Collateral Agent shall have received:

(2) fully paid policies of title insurance (or marked-up title insurance commitments having the effect of policies of title insurance) on each Mortgaged Property naming the Collateral Agent as the insured party for its benefit and that of the Secured Parties and respective successors and assigns (the "Title Insurance Policies") issued by the Title Insurance Company, such Title Insurance Policies to be in form and substance and in an amount reasonably acceptable to the Collateral Agent, insuring the Mortgages to be valid subsisting first-priority Liens (subject to Permitted Liens) on the property described therein, free and clear of all Liens other than Permitted Liens, each of which shall (i) to the extent reasonably necessary, include such reinsurance arrangements or coinsurance as shall be reasonably acceptable to the Collateral Agent, (ii) contain a "tie-in" endorsement, if available under applicable law and (iii) have been supplemented by such endorsements as shall be reasonably requested by the Collateral Agent (including, if reasonably requested by the Collateral Agent, endorsements on matters relating to usury, first loss, zoning, contiguity, revolving credit, doing business, access, variable rate, survey, environmental lien, subdivision, mortgage recording tax, separate tax lot and so-called comprehensive coverage over covenants and restrictions);

(4) customary legal opinions, addressed to the Administrative Agent, the Collateral Agent and the Lenders (a) in the state in which the applicable Mortgaged Property is located with respect to the enforceability and perfection of such Mortgage and any related fixture filing and any other customary matters reasonably requested by the Collateral Agent and (b) in the state in which the mortgagor is organized or formed, with respect to due authorization, execution and delivery of such Mortgage and other customary matters reasonably requested by the Collateral Agent;

(5) with respect to each Mortgaged Property, a completed "Life-of-Loan" Federal Emergency Management Agency Standard Flood Hazard Determination, and to the extent any Building or Mobile Home (as defined by the Flood Insurance Laws) on the Mortgaged Property is located in an area identified by the Federal Emergency Management Agency (or any successor agent) as a special flood hazard area, (i) a notice about special flood hazard area status and flood disaster assistance duly executed by the Borrower and (ii) evidence of flood insurance as required by Section 5.4 hereof; and

(c) *Mortgage Amendments*. Within 180 days after the Effective Date (or such longer period as the Administrative Agent may agree in its reasonable discretion), the Borrower shall, or shall cause the applicable Guarantor to, enter into an amendment to such of the Mortgages encumbering the Mortgaged Properties as the Administrative Agent may reasonably request based on the advice of local counsel in the jurisdiction in which each Mortgaged Property is located, in form reasonably acceptable to the Administrative Agent, together, in each case, if reasonably requested by the Administrative Agent, with opinions of local counsel with respect thereto and a date-down endorsement to the existing lender's title insurance policy (or where such endorsement is not available, a modification endorsement or a title search). For the avoidance of doubt, the requirements under this Section 5.10(c) have been satisfied with respect to Mortgages encumbering Mortgaged Properties in Texas and Massachusetts.

SECTION 6

Negative Covenants

The Borrower agrees that, so long as any Term Loan or other amount is owing to any Lender or the Administrative Agent hereunder or under any other Loan Document (other than contingent indemnification obligations for which no claim has been asserted) or the Term Commitments are outstanding:

6.1. Limitation on Incurrence of Indebtedness and Issuance of Preferred Stock.

(a) The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness, and the Borrower will not issue any Disqualified Capital Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; provided, however, that the Borrower may incur Indebtedness or issue Disqualified Capital Stock, and the Guarantors may incur Indebtedness or issue preferred stock, if the Fixed Charge Coverage Ratio for the Borrower's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Capital Stock or preferred stock is issued would have been at least 2.0 to 1.0, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Capital Stock or preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) The provisions of Section 6.1(a) will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "Permitted Debt"):

(i) the incurrence by the Borrower and its Restricted Subsidiaries and the guarantee by the Borrower and its Restricted Subsidiaries of Indebtedness and letters of credit under Credit Facilities in an aggregate principal amount at any one time outstanding under this Section 6.1(b)(i) (with letters of credit being deemed to have a principal amount equal to the maximum potential liability of the Borrower and its Restricted Subsidiaries thereunder) not to exceed $50.0 million less the amount incurred pursuant to clause (a)(i) of the definition of "Maximum Incremental Facilities Amount" (but only to the extent that such amount is then outstanding);

(ii) the incurrence by the Borrower and its Restricted Subsidiaries of Indebtedness represented by the Term Loans (including Incremental Term Loans) and the related guarantees and the incurrence by any Restricted Subsidiary of the Borrower of any other guarantee of the Term Loans (including Incremental Term Loans) and other Obligations;

(iii) the incurrence by the Borrower or any of its Restricted Subsidiaries of Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of design, construction, installation or improvement of property, plant or equipment used or useful in the business of the Borrower or any of its Restricted Subsidiaries or within 180 days thereafter; provided that at the time of incurrence of any such Indebtedness, the aggregate amount of Indebtedness outstanding under this Section 6.1(b)(iii), including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this Section 6.1(b)(iii), does not exceed the greater of (x) $100.0 million and (y) 5.0% of Total Assets;

(iv) Indebtedness, Disqualified Capital Stock or preferred stock of Persons or assets that are acquired by the Borrower or any of its Restricted Subsidiaries or merged into the Borrower or any of its Restricted Subsidiaries in accordance with the terms of this Agreement; provided that such Indebtedness, Disqualified Capital Stock or preferred stock is not incurred in contemplation of such acquisition or merger; and provided further that after giving effect to such acquisition or merger, either (a) the Borrower would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 6.1(a) or (b) the Fixed Charge Coverage Ratio would be no less than that immediately prior to such acquisition or merger;

(v) the incurrence by the Borrower or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace, Indebtedness (other than intercompany Indebtedness) that was permitted by this Agreement to be incurred under Section 6.1(a) or clauses (ii), (iii), (iv), (v), (xiii), (xiv), (xv) or (xvii) of this Section 6.1(b);

(vi) the incurrence by the Borrower or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Borrower or any of its Restricted Subsidiaries; provided, however, that:

(A) if the Borrower or any Guarantor is the obligor on such Indebtedness and the payee is not the Borrower or a Guarantor, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations, in the case of the Borrower, or the guarantee, in the case of a Guarantor; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Borrower or any of its Restricted Subsidiaries and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Borrower or a Restricted Subsidiary of the Borrower (except transfers to the applicable Secured Debt Representative to secure Parity Secured Obligations) will be deemed, in each case, to constitute an incurrence of such Indebtedness by the Borrower or such Restricted Subsidiary, as the case may be, that was not permitted by this Section 6.1(b)(vi);

(vii) the Guarantee by the Borrower or any of its Restricted Subsidiaries of Indebtedness that was permitted by this Agreement to be incurred by another provision of this Section 6.1(b);

(viii) the issuance by any of the Borrower's Restricted Subsidiaries to the Borrower or to any of its Restricted Subsidiaries of shares of preferred stock; provided, however, that:

(A) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person other than the Borrower or its Restricted Subsidiary; and

(B) any sale or other transfer of any such preferred stock to a Person that is not either the Borrower or a Restricted Subsidiary of the Borrower

will be deemed, in each case, to constitute an issuance of such preferred stock by such Restricted Subsidiary that was not permitted by this Section 6.1(b)(viii);

(ix) the incurrence by the Borrower or any of its Restricted Subsidiaries of obligations under Swap Agreements or Cash Management Obligations in the ordinary course of business or consistent with past practice;

(x) the incurrence by the Borrower or any of its Restricted Subsidiaries of Indebtedness in respect of workers' compensation claims, self -insurance obligations, bankers' acceptances, performance, surety and similar bonds provided by the Borrower or any of its Restricted Subsidiaries in the ordinary course of business;

(xi) the incurrence by the Borrower or any of its Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within five Business Days;

(xii) the incurrence of Indebtedness arising from agreements of the Borrower or any of its Restricted Subsidiaries providing for indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition or acquisition of any business, assets or Equity Interests of a Subsidiary; provided that the maximum aggregate liability in respect of all such Indebtedness in respect of a disposition shall at no time exceed the gross proceeds (including the Fair Market Value of non-cash proceeds) actually received by the Borrower and/or such Restricted Subsidiary in connection with such disposition;

(xiii) Indebtedness of the Borrower or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business or consistent with past practice;

(xiv) Indebtedness of the Borrower and its Restricted Subsidiaries existing on the Effective Date;

(xv) (a) Environmental CapEx Debt or (b) Indebtedness in respect of Upgrades; provided, in each case, that prior to the incurrence of any such Indebtedness, the Borrower shall deliver to the Administrative Agent an officer's certificate of a Responsible Officer designating such Indebtedness as Environmental CapEx Debt or Indebtedness in respect of Upgrades, as applicable;

(xvi) the incurrence by the Borrower or any of its Restricted Subsidiaries of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding pursuant to this Section 6.1(b)(xvi), including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (xvii), not to exceed the greater of (x) $100.0 million and (y) 5.0% of Total Assets (which may, but need not, be incurred under a Credit Facility); and

(xvii) the incurrence by the Borrower or any of its Restricted Subsidiaries of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding pursuant to this Section 6.1(b)(xvii), including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (xvii), not to exceed the greater of (x) $100.0 million and (y) 5.0% of Total Assets (which may, but need not, be incurred under a Credit Facility) less the amount incurred pursuant to clause (a)(ii) of the definition of "Maximum Incremental Facilities Amount" (but only to the extent such amount is then outstanding).

(c) The Borrower shall not, and shall not permit any Guarantor to, incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Borrower or that Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Obligations or the applicable guarantee on substantially identical terms; provided, however, that no Indebtedness of the Borrower will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Borrower solely by virtue of being unsecured or by virtue of being secured on a junior basis.

(d) For purposes of determining compliance with this Section 6.1, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (i) through (xvii) of Section 6.1(b), or is entitled to be incurred pursuant to Section 6.1(a), the Borrower will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify from time to time all or a portion of such item of Indebtedness, in any manner that complies with this Section 6.1. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Capital Stock or preferred stock in the form of additional shares of the same class of Disqualified Capital Stock or preferred stock will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Capital Stock or preferred stock for purposes of this Section 6.1; provided, in each such case, that the amount thereof is included in (and to the extent required by) Fixed Charges of the Borrower as accrued. Notwithstanding any other provision of this Section 6.1, the maximum amount of Indebtedness that the Borrower or any of its Restricted Subsidiaries may incur pursuant to this Section 6.1 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

6.2. Limitation on Liens. The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind on any asset now owned or hereafter acquired, except Permitted Liens.

6.3. Merger, Consolidation, or Sale of Assets.

(a) The Borrower shall not, directly or indirectly, (1) consolidate or merge with or into another Person (whether or not the Borrower is the surviving corporation); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Borrower and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(i) either:

(A) the Borrower is the surviving corporation; or

(B) the Person formed by or surviving any such consolidation or merger (if other than an Borrower) or to which such sale, assignment, transfer, conveyance or other disposition has been made is either (i) a corporation organized or existing under the laws of the United States, any state of the United States or the District of Columbia or (ii) a partnership or limited liability company organized or existing under the laws of the United States, any state of the United States or the District of Columbia;

(ii) the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of the Borrower under this Agreement and the Security Documents pursuant to a supplemental documentation reasonably satisfactory to the Administrative Agent;

(iii) immediately after such transaction, no Event of Default exists; and

(iv) the Borrower or the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or to which such sale, assignment, transfer, conveyance or other disposition has been made will, on the date of such transaction after giving *pro forma* effect thereto and to any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, either (i) have a *pro forma* Fixed Charge Coverage Ratio that is at least equal to the actual Fixed Charge Coverage Ratio of the Borrower as of such date or (ii) be permitted to incur at least $1.00 of additional Indebtedness pursuant to Section 6.1(a).

(b) In addition, the Borrower may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

(c) Notwithstanding the foregoing:

(i) any Restricted Subsidiary of the Borrower may consolidate with, merge into or transfer all or part of its properties and assets to the Borrower or any other Restricted Subsidiary of the Borrower; and

(ii) the Borrower may merge with an Affiliate solely for the purpose of reincorporating the Borrower or reforming in another jurisdiction.

(d) Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Borrower in accordance with this Section 6.3, the successor entity formed by such consolidation or into or with which the Borrower is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Agreement referring to the Borrower shall refer instead to the successor entity and not to the Borrower), and may exercise every right and power of the Borrower under this Agreement with the same effect as if such successor Person had been named as the Borrower herein; provided that the predecessor Borrower shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale, assignment, transfer, conveyance or other disposition of all of the Borrower's assets that meets the requirements of this Section 6.3.

6.4. Limitation on Sale and Leaseback Transactions.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, enter into any sale and leaseback transaction; provided that the Borrower or any of its Restricted Subsidiaries may enter into a sale and leaseback transaction if:

(i) the Borrower or the Restricted Subsidiary, as applicable, could have incurred Indebtedness in an amount equal to the Attributable Debt relating to such sale and leaseback transaction under Section 6.1;

(ii) the gross cash proceeds of that sale and leaseback transaction are at least equal to the Fair Market Value of the property that is the subject of that sale and leaseback transaction; and

(iii) if such sale and leaseback transaction constitutes an Asset Sale, the transfer of assets in that sale and leaseback transaction is permitted by, and the Borrower applies (or reinvests) the proceeds of such transaction in compliance with, Section 6.8.

(b) Section 6.4(a) shall not apply to a sale and leaseback transaction entered into between the Borrower and a Restricted Subsidiary of the Borrower or between Restricted Subsidiaries of the Borrower.

6.5. Business Activities. The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Borrower and its Subsidiaries taken as a whole.

6.6. Designation of Restricted and Unrestricted Subsidiaries. The Board of Directors of the Borrower may designate any Restricted Subsidiary of the Borrower to be an Unrestricted Subsidiary if that designation would not cause an Event of Default. If a Restricted Subsidiary of the Borrower is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Borrower and its Restricted Subsidiaries in the Subsidiary properly designated will be deemed to be an Investment made as of the time of the designation and will utilize the amount available for Restricted Payments under Section 6.9 or Permitted Investments, as determined by the Borrower. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Borrower may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary.

6.7. Transactions with Affiliates.

(a) The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Borrower (each, an "Affiliate Transaction") involving aggregate payments in excess of $10.0 million, unless:

(i) the Affiliate Transaction is on terms that are no less favorable (as reasonably determined by the Borrower) to the Borrower or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person; and

(ii) the Borrower delivers to the Administrative Agent:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $25.0 million, either (x) a resolution of the Board of Directors of the Borrower set forth in an officer's certificate of a Responsible Officer certifying that such Affiliate Transaction complies with this Section 6.7 and that such Affiliate Transaction has been approved by a majority of the members of the Board of Directors of the Borrower or (y) an opinion described in clause (B) below; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $50.0 million, an opinion as to the fairness to the Borrower or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 6.7(a):

(i) any employment agreement or director's engagement agreement, employee benefit plan, officer and director indemnification agreement or any similar arrangement entered into by the Borrower or any of its Restricted Subsidiaries in the ordinary course of business or approved by the relevant Board of Directors;

(ii) transactions between or among the Borrower and/or its Restricted Subsidiaries;

(iii) transactions with a Person that is an Affiliate of the Borrower solely because the Borrower owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(iv) payment of reasonable directors' fees and expenses and indemnities to Persons who are not otherwise Affiliates of the Borrower;

(v) any issuance of Equity Interests (other than Disqualified Capital Stock) of the Borrower to Affiliates of the Borrower;

(vi) Restricted Payments that do not violate the provisions of Section 6.9 or a Permitted Investment;

(vii) loans or advances to directors, officers and employees in the ordinary course of business not to exceed $10.0 million in the aggregate outstanding at any one time;

(viii) any agreement, instrument or arrangement as in effect as of the Effective Date and any transactions contemplated thereby and any amendment thereto or replacement thereof, so long as any such amendment or replacement agreement that at the time such amendment or agreement is executed is not materially less favorable taken as a whole than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person;

(ix) any *pro rata* distribution (including a rights offering) to all holders of a class of Equity Interests or Indebtedness of the Borrower or any of its Restricted Subsidiaries, including Persons who are Affiliates of the Borrower or any of its Restricted Subsidiaries;

(x) any transaction involving sales of electric capacity, energy, ancillary services, transmission services and products, steam, emissions credits, fuel, fuel transportation, shared services agreements, operation and maintenance agreements and fuel storage in the ordinary course of business on terms that are not materially less favorable (as reasonably determined by the Borrower) to the Borrower or the relevant Restricted Subsidiary of the Borrower than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person;

(xi) if the Borrower or any of its Restricted Subsidiaries enter into a transaction involving sales of electric capacity, energy, ancillary services, transmission services and products, steam, emissions credits, fuel, fuel transportation and fuel storage with any Person that is not an Affiliate, any amendment to any agreement with an Affiliate with respect thereto that modifies such agreement solely with respect to the subject matter of the transaction with such non-Affiliate;

(xii) the trading and sharing of parts and components for equipment, tools and equipment among the Borrower and its Affiliates, in the ordinary course of business or consistent with past practices of the relevant Persons, including for purposes of spare or replacement;

(xiii) transactions with customers, clients, suppliers, joint venture partners or purchasers or sellers of goods or services (including pursuant to joint venture agreements) otherwise in compliance with the terms of this Agreement that are fair to the Borrower and its Restricted Subsidiaries, in the determination of a senior financial officer of the Borrower, or are on terms not materially less favorable taken as a whole would reasonably have been obtained at such time from an unaffiliated party;

(xiv) transactions in which the Borrower or any Restricted Subsidiary of the Borrower, as the case may be, delivers to the Administrative Agent a letter from an accounting, appraisal or investment banking firm of national standing stating that such transaction is fair to the Borrower or such Restricted Subsidiary from a financial point of view or meets the requirements of Section 6.7(a)(i); and

(xv) transactions relating to corporate services agreements, administrative services agreements, operating, service and maintenance agreements, and intercompany tolling agreements, in each case, among the Borrower and/or one or more of its Restricted Subsidiaries and Calpine Corporation and/or one or more of its subsidiaries.

6.8. Asset Sales.

(a) The Borrower shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(i) the Borrower (or its Restricted Subsidiary, as the case may be) receive consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(ii) at least 75% of the consideration received in the Asset Sale by the Borrower or such Restricted Subsidiary is in the form of cash or Cash Equivalents or Designated Non-Cash Consideration to the extent that all Designated Non-Cash Consideration at such time does not exceed the greater of $50.0 million and 2.5% of Total Assets (with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value). For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as shown on the Borrower's most recent consolidated balance sheet, of the Borrower or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Obligations or any guarantee thereof) and assumed by the transferee of any such assets pursuant to a customary novation agreement that releases the Borrower or such Restricted Subsidiary from further liability;

(B) any securities, notes or other obligations received by the Borrower or any such Restricted Subsidiary from such transferee that are converted (by sale or other disposition) by the Borrower or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion within 180 days; and

(C) reasonable reserves for indemnity obligations and purchase price adjustments funded in cash or held back by the purchaser.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale or, if the Borrower or any of its Restricted Subsidiaries has entered into a binding commitment or commitments with respect to any of the actions described in Section 6.8(b)(iii)(A) through (iii)(C) below, within the later of (x) 365 days after the receipt of any Net Proceeds from an Asset Sale or (y) 365 days after the entering into such commitment or commitments, the Borrower (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

(i) in the case of a sale of assets of a Restricted Subsidiary of the Borrower that is not a Guarantor, to repay Indebtedness of that Restricted Subsidiary and correspondingly reduce commitments with respect thereto;

(ii) in the case of a sale of assets pledged to secure Indebtedness (including Capital Lease Obligations), other than Parity Secured Debt, to repay the Indebtedness secured by those assets;

(iii) in the case of any Asset Sale:

(A) to acquire all or substantially all of the assets of (or any division, business unit or line of business of), or all or a majority of the Voting Stock of, a Person engaged in a Permitted Business, provided that such Person becomes a Restricted Subsidiary;

(B) to make a capital expenditure (including, without limitation, a maintenance capital expenditure or expense); or

(C) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business;

(iv) to collateralize the reimbursement obligations of the Borrower or any of its Restricted Subsidiaries in connection with surety or performance bonds or letters of credit or bankers' acceptances issued in the ordinary course of business; or

(v) any combination of the foregoing.

(c) As to any Net Proceeds from any Asset Sale, pending final application of such Net Proceeds in accordance with this Section 6.8, the Borrower or any of its Restricted Subsidiaries may temporarily reduce revolving credit borrowings or otherwise use the Net Proceeds in any manner that is not prohibited by this Agreement.

(d) Any Net Proceeds from Asset Sales that are not applied or invested as provided in Section 6.8(b) will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds $40.0 million, the Borrower shall make an Asset Sale Offer pursuant to Section 2.14(b) to all Lenders and an offer to all holders of other Parity Secured Debt that is *pari passu* with the Term Loans containing provisions similar to those set forth in this Agreement with respect to offers to purchase or redeem with the proceeds of sales of assets, an aggregate principal amount of Term Loans and such other Parity Secured Debt that may be purchased (or repaid, prepaid or redeemed) on a pro rata basis equal to the aggregate Excess Proceeds (an "Asset Sale Offer"). The offer price for the Term Loans in any Asset Sale Offer will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Borrower may use those Excess Proceeds for any purpose not otherwise prohibited by this Agreement. If the aggregate principal amount of Term Loans and other Parity Secured Debt tendered into such Asset Sale Offer or other offer exceeds the amount of Excess Proceeds, the Borrower will select the Term Loans and such other Parity Secured Debt to be purchased on a *pro rata* basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

6.9. Limitation on Restricted Payments.

(b) The foregoing provisions of Section 6.9(a) shall not prohibit:

(i) the payment of any dividend or distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration of the dividend or distribution or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend, distribution or redemption payment would have complied with the provisions of this Agreement;

(x) the declaration and payment of dividends or distributions to any Parent, the proceeds of which are used in a manner contemplated by Section 3.9(iv);

(xii) the issuance of Equity Interests of the Borrower (other than Disqualified Capital Stock) for other Equity Interests of the Borrower in connection with any rights offering and payments for the redemption of fractional shares in connection with any rights offering;

(xiii) the declaration and payment of dividends or distributions to, or the making of loans to any Parent:

(A) with respect to any taxable period for which the Borrower is a partnership or disregarded entity for U.S. federal income Tax purposes that is wholly-owned (directly or indirectly) by a C corporation for U.S. federal and/or applicable state or local income Tax purposes, in amounts required for such Parent to pay federal, state and/or local income Taxes to the extent such income Taxes are attributable to the income of the Borrower and/or its Restricted Subsidiaries and, to the extent of the amount actually received from Unrestricted Subsidiaries, in amounts required to pay such Taxes to the extent attributable to the income of the Unrestricted Subsidiaries; provided, however, that in each case the amount of such payments in any taxable year does not exceed the amount that the Borrower and/or its applicable Restricted Subsidiaries (and, to the extent described above, its applicable Unrestricted Subsidiaries) would have been required to pay in respect of such federal, state and/or local income Taxes, as applicable, for such taxable year had the Borrower and/or such Restricted Subsidiaries (and/or such Unrestricted Subsidiaries, as applicable) paid such Taxes as a stand-alone taxpayer, less any such federal, state and/or local income Taxes, as applicable, actually payable directly by the Borrower and/or its Restricted Subsidiaries (and/or its Unrestricted Subsidiaries, as applicable); and

(B) in an aggregate amount not to exceed $1.5 million per annum (such amount to be adjusted upwards annually, beginning on January 1, 2024, by 5% on a compounded basis) to pay reasonable accounting, legal and administrative expenses of any Parent when due;

(xiv) Investments in Unrestricted Subsidiaries not to exceed the greater of (x) $100.0 million and (y) 5.0% of Total Assets since the Effective Date;

(xv) [~~reserved~~Reserved];

(xvi) additional Restricted Payments in an aggregate amount not to exceed $10.0 million in any calendar year (or the *pro rata* portion thereof for the calendar year 2023); provided, however, that if the aggregate amount applied pursuant to this Section 6.9(b)(xvi) shall be less than $10.0 million in any calendar year or the *pro rata* portion thereof for the calendar year 2023 (before giving effect to any carryover), then the amount of such shortfall may be added to the amount that may be applied under this Section 6.9(b)(xvi) in any subsequent calendar year;

(xvii) additional Restricted Payments so long as at the time of such Restricted Payment, the amount of such Restricted Payments together with all other Restricted Payments made pursuant to Section 6.9(b)(xvii) does not to exceed the greater of (x) $75.0 million and (y) 3.5% of Total Assets; and

(xviii) the dividend of the Equity Interests or Indebtedness of any Unrestricted Subsidiary; and

(xix) the payment or making of any cash Restricted Payment; provided that no Default or Event of Default has occurred and is continuing or would occur as a consequence of such cash dividend.

The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Borrower or its Restricted Subsidiaries, as the case may be, pursuant to the Restricted Payment. The Fair Market Value of any assets or securities that are required to be valued by this Section 6.9 will be determined by the Board of Directors of the Borrower; provided that if the Fair Market Value of such assets or securities involves an aggregate amount in excess of $50.0 million, the Borrower shall deliver to the Administrative Agent a resolution of the Board of Directors of the Borrower set forth in an officer's certificate of a Responsible Officer certifying that such valuation has been approved by a majority of the members of the Board of Directors of the Borrower.

For purposes of determining compliance with this Section 6.9, in the event that a Restricted Payment meets the criteria of more than one of the types of Restricted Payments described in the above clauses, the Borrower, in its sole discretion, may order and classify, and from time to time may reorder and reclassify, such Restricted Payment if it would be permitted at the time of any such reclassification.

6.10. Changes in Covenants When Term Loans Rated Investment Grade.

(a) If on any date following the Effective Date:

(i) the rating assigned to the Term Loans by either S&P or Moody's is an Investment Grade Rating and

(ii) no Default or Event of Default shall have occurred and be continuing,

then, beginning on that day and subject to the provisions of the following paragraph, the covenants contained in Sections 6.1, 6.3(a)(iv), 6.4(a)(i), 6.4(a)(iii), 6.5, 6.6, 6.7, 6.8 (and 2.14(b)) and 6.9 will be suspended.

(b) Notwithstanding the provisions of Section 6.10(a), if the ratings assigned by both such rating agencies with respect to the Term Loans should subsequently decline to below an Investment Grade Rating, the foregoing covenants will be reinstituted as of and from the date that both such ratings are below Investment Grade Ratings, unless and until such Term Loans subsequently attain an Investment Grade Rating from either S&P or Moody's (in which event the suspended covenants will again be suspended for such time that the Term Loans maintain an Investment Grade Rating from either S&P or Moody's); provided, however, that no Default, Event of Default or breach of any kind will be deemed to exist under this Agreement, the Security Documents or the related Guarantees with respect to the suspended covenants, and none of the Borrower or any of its Subsidiaries will bear any liability for any actions taken or events occurring after such Term Loans attain an Investment Grade Rating from either S&P or Moody's and before any reinstatement of the suspended covenants as provided above, or any actions taken at any time pursuant to any contractual obligation arising prior to the reinstatement, regardless of whether those actions or events would have been permitted if the applicable suspended covenant had remained in effect during such period.

SECTION 7

Events of Default

7.1. Events of Default. Each of the following is an "Event of Default":

(a) default for 30 days in the payment when due of interest on the Term Loans;

(b) default in payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Term Loans;

(c) failure by Borrower to comply with the provisions of Section 2.14 or 6.3;

(d) failure by any Loan Party for 60 days after notice from the Administrative Agent or the Required Lenders to comply with any of the other agreements in this Agreement or the Security Documents required by this Agreement;

(e) (i) default under any other mortgage, indenture, agreement or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness of any Loan Party (or the payment of which is guaranteed by any Loan Party), whether such Indebtedness or Guarantee now exists, or is created after the Effective Date, if that default:

(A) is caused by a failure to pay principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace period provided in such Indebtedness) (a "Payment Default"); or

(B) results in the acceleration of such Indebtedness prior to its express maturity,

and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $100,000,000 or more; provided that this Section 7.1(e)(i) shall not apply to Indebtedness that becomes due solely as a result of the voluntary sale or transfer of property or assets to the extent such sale or transfer is permitted by the terms of such Indebtedness; or

(ii) [Reserved];

(f) any of the Security Documents shall cease, for any reason, to be in full force and effect (other than in accordance with its terms) with respect to Collateral with a book value greater than $50,000,000, or any Loan Party shall so assert, or any Lien (affecting Collateral with a book value greater than $50,000,000) created by any of the Security Documents shall cease to be enforceable and of the same effect and priority purported to be created thereby (other than, in each case, pursuant to a failure of the Administrative Agent, the Collateral Agent, any other agent appointed by the Administrative Agent, the Collateral Agent or the Lenders to take any action within the sole control of such Person that is expressly required by the Loan Documents to be taken by such Person) (it being understood that the release of Collateral from the Security Documents or the discharge of a Guarantor therefrom in accordance with the terms hereof and thereof shall not be construed (x) as any of the Security Documents ceasing to be in full force and effect or (y) as any of the Liens created thereunder ceasing to be enforceable or of the same priority and effect purported to be created thereby);

(g) except as permitted by this Agreement, the Guaranty Agreement or the Pledge and Security Agreement, any Guaranty Reimbursement Obligation of a Significant Subsidiary ceases, for any reason, to be in full force and effect (other than in accordance with its terms), or any Significant Subsidiary that is a Guarantor denies or disaffirms in writing its obligations under its Guaranty Reimbursement Obligation;

(h) [Reserved];

(i) the Borrower or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together, would constitute a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case,

(ii) consents to the entry of an order for relief against it in an involuntary case,

(iii) consents to the appointment of a custodian of it or for all or substantially all of its property,

(iv) makes a general assignment for the benefit of its creditors, or

(v) generally is not paying its debt as they become due; or

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Borrower or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together, would constitute a Significant Subsidiary, in an involuntary case;

(ii) appoints a custodian of the Borrower or any Guarantor that is a Significant Subsidiary or any group of Guarantors of the Borrower that, taken together, would constitute a Significant Subsidiary, or for all or substantially all of the property of the Borrower or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together, would constitute a Significant Subsidiary; or

(iii) orders the liquidation of the Borrower or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together, would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days.

In the case of an Event of Default specified in clause (i) or (j) of this Section 7.1 with respect to the Borrower, all outstanding Term Loans will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Required Lenders may declare all the Term Loans to be due and payable immediately. Upon any such declaration, the Term Loans shall become due and payable immediately. The Required Lenders by written notice to the Administrative Agent may, on behalf of all of the Lenders, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived.

SECTION 8

The Agents

8.1. Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Each Lender hereby irrevocably designates and appoints the Collateral Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, none of the Administrative Agent and the Collateral Agent shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent or the Collateral Agent.

8.2. Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may execute any of their duties under this Agreement and the other Loan Documents by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. None of the Administrative Agent and the Collateral Agent shall be responsible for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

8.3. Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, attorneys in fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for the creation, perfection or priority of any Lien purported to be created by the Security Documents, the value or sufficiency of the Collateral or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

8.4. Reliance by the Administrative Agent. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, email message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts reasonably selected by such Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless the Administrative Agent shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Agents shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement or any other Loan Document, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

8.5. Notice of Default. The Administrative Agent and the Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless it has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders. The Administrative Agent and the Collateral Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement or any other Loan Document, all Lenders); provided that unless and until the Administrative Agent and the Collateral Agent shall have received such directions, the Administrative Agent and the Collateral Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as such Agent shall deem advisable in the best interests of the Lenders.

8.6. Non-Reliance on Arrangers, Agents and Other Lenders. Each Lender expressly acknowledges that neither the Arrangers, the Agents nor any of their respective officers, directors, employees, agents, attorneys in fact or affiliates have made any representations or warranties to it and that no act by any Arranger or Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Arranger or Agent to any Lender. Each Lender represents to the Arrangers and Agents that it has, independently and without reliance upon any Arranger, Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Term Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Arranger, Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or affiliates.

8.7. Indemnification. The Lenders agree to indemnify the Agents in their capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Term Percentage in effect on the date on which indemnification is sought under this Section 8.7 (or, if indemnification is sought after the date upon which the Term B Commitments or any series of Incremental Commitments shall have terminated and the Term B Loans or any series of Incremental Term Loans shall have been paid in full, ratably in accordance with such Term Percentage or Incremental Term Percentage immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Term Loans) be imposed on, incurred by or asserted against such Agent, in any way relating to or arising out of, the Term B Commitments, the 2025 Refinancing Term Loan Commitments, any Incremental Commitment, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The agreements in this Section 8.7 shall survive the payment of the Term Loans and all other amounts payable hereunder.

8.8. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Term Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

8.9. Successor Administrative Agent. Each Agent may resign as Administrative Agent or Collateral Agent, as applicable upon ten (10) days' notice to the Lenders and the Borrower. If the Administrative Agent or the Collateral Agent shall resign as Administrative Agent or Collateral Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of in the case of (x) successor Administrative Agent, the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as an Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Term Loans and (y) a successor Collateral Agent, the Collateral Agent, and the term "Collateral Agent" shall mean such successor agent effective upon such appointment and approval, and the former Collateral Agent's rights, powers and duties as a Collateral Agent shall be terminated, without any other or further act or deed on the part of such former Collateral Agent or any of the parties to this Agreement or any holders of the Term Loans. If no successor agent has accepted appointment as an Administrative Agent or Collateral Agent, as applicable, by the date that is thirty (30) days following the retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of such Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security as nominee or sub-agent for perfection until such time as a successor Collateral Agent is appointed). After the retiring Agent's resignation, the provisions of this Section 8 and Section 9.5 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was an Agent (or nominee or sub-agent pursuant to the immediately preceding sentence) under this Agreement and the other Loan Documents.

Notwithstanding the foregoing, the Lenders hereby agree if Credit Suisse AG, Cayman Islands Branch resigns as Administrative Agent and/or Collateral Agent and the Borrower appoints Citibank, N.A. (or any of its affiliates) as a successor Administrative Agent and/or Collateral Agent, then the Required Lenders shall be deemed to have consented to such appointment by their execution of this Agreement, and in connection therewith, (x) the Lenders authorize and approve the Agency Assignment Agreement (if any) entered into by Credit Suisse AG, Cayman Islands Branch, Citibank, N.A. (or any of its affiliates) and the Borrower and agree to be bound by the terms and provisions of such Agency Assignment Agreement and (y) the Lenders authorize Credit Suisse AG, Cayman Islands Branch as resigning Administrative Agent and/or Collateral Agent and Citibank, N.A. as successor Administrative Agent and/or Collateral Agent to execute such documents and take such actions as the may deem appropriate or desirable to effect, evidence or implement the resignation, succession and assignment, including without limitation to file any Uniform Commercial Code assignments or amendments with respect to the Uniform Commercial Code financing statements in respect of the Collateral, together with any amendments, assignments and/or notices of assignment with respect to the Security Documents and the Collateral (including but not limited to intellectual property Collateral and real property). In connection with the foregoing, the Borrower shall and shall cause the other Loan Parties and Grantors to execute such documents and take such other actions as Credit Suisse AG, Cayman Islands Branch or Citibank, N.A., may reasonably request.

8.10. Collateral Security. The Collateral Agent will hold, administer and manage any Collateral pledged from time to time under the Security Documents either in its own name or as Collateral Agent, but each Lender shall hold a direct, undivided *pro rata* beneficial interest therein, on the basis of its proportionate interest in the secured obligations, by reason of and as evidenced by this Agreement and the other Loan Documents, subject to the priority of payments referenced in Section 7.2 of the Pledge and Security Agreement and subject to the terms of any applicable intercreditor agreement.

8.11. Enforcement by the Administrative Agent and Collateral Agent. All rights of action under this Agreement and the other Loan Documents and under the Obligations and all rights to the Collateral hereunder and under the Security Documents may be enforced by the Administrative Agent and the Collateral Agent and any suit or proceeding instituted by the Administrative Agent or the Collateral Agent in furtherance of such enforcement shall be brought in its name as Administrative Agent or Collateral Agent without the necessity of joining as plaintiffs or defendants any other Lenders, and the recovery of any judgment shall be for the benefit of Lenders subject to the expenses of the Administrative Agent and the Collateral Agent.

8.12. Withholding Tax. To the extent required by any applicable law, the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agents (to the extent that the Administrative Agent has not already been reimbursed by the Borrower pursuant to Sections 2.18 and 2.19 and without limiting or expanding the obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, together with all expenses incurred, including legal expenses and any out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 8.12. The agreements in this Section 8.12 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the repayment, satisfaction or discharge of all other Obligations.

8.13. Intercreditor Agreements. The Administrative Agent and Collateral Agent are hereby authorized to enter into the Parity Secured Intercreditor Agreement, and the parties hereto acknowledge that the Parity Secured Intercreditor Agreement is binding upon them. Each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Parity Secured Intercreditor Agreements and (b) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Parity Secured Intercreditor Agreement. In addition, but in conformance with the terms hereof, each Lender hereby authorizes the Administrative Agent and the Collateral Agent to enter into any amendments to the Parity Secured Intercreditor Agreements to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required by Section 6.2 of this Agreement. Each Lender waives any conflict of interest, now contemplated or arising hereafter, in connection therewith and agrees not to assert against any Agent or any of its affiliates any claims, causes of action, damages or liabilities of whatever kind or nature relating thereto.

SECTION 9

Miscellaneous

9.1. Amendments and Waivers.

(a) None of this Agreement, any Note, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 9.1. Except to the extent otherwise provided in (or permitted by) the Parity Secured Intercreditor Agreement and/or the Guaranty Agreement and the Pledge and Security Agreement, the Required Lenders and each Loan Party party to the relevant Loan Document may, or, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party party to the relevant Loan Document may, from time to time, (I) enter into written amendments, supplements or modifications hereto or to the other Loan Documents for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (II) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (A)(i) forgive the principal amount or extend the final scheduled date of maturity of any Term Loan, (ii) reduce the stated rate of any interest or fee payable hereunder (except in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Required Term B Lenders, Required Refinancing Term B Lenders or Required Incremental Lenders with respect to Term B Loans or the applicable tranche of Incremental Term Loans, respectively)) or extend the scheduled date of any payment thereof, (iii) increase the amount or extend the expiration date of any Lender's Term Commitment or Incremental Commitment (it being understood that a waiver of any Event of Default or Default shall not be deemed to be an increase in the amount of any Lender's Term Commitment or Incremental Commitment), or (iv) release all or substantially all of the Collateral for the Obligations or release all or substantially all of the Guarantors (except, in either case, as expressly permitted by the Loan Documents), in each case without the written consent of each Lender directly affected thereby, (B) [Reserved]; (C) without the consent of all the Lenders, (i) amend, modify or waive any provision of this Section 9.1(a) or any other provision of any Section hereof expressly requiring the consent of all the Lenders (except, in either case, for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford protections to such additional extensions of credit of the type provided to the Term Commitments on the Effective Date), or (ii) reduce the percentage specified in or otherwise change the definition of Required Lenders (it being understood that, with the consent of the Required Lenders, the Required Term B Lenders or Required Refinancing Term B Lenders, as applicable, or as otherwise permitted hereunder, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the extensions of Term Commitments are included on the Effective Date), or (iii) change Section 2.17 in a manner that would alter the *pro rata* sharing of payments required thereby (other than as permitted thereby or by Section 9.1(b)), (D) amend, modify or waive any provision of Section 8 or any other provision of this Agreement or the other Loan Documents, which affects, the rights, duties or obligations of the Administrative Agent without the written consent of the Administrative Agent, (E) require consent of any Person to an amendment to this Agreement made pursuant to Section 2.27 other than the Borrower and each Lender participating in the respective Extension and (F) reduce the percentage specified in or otherwise change the definition of Required Term B Lenders, Required Refinancing Term B Lenders or Required Incremental Lenders without the consent of the Required Term B Lenders, Required Refinancing Term B Lenders or Required Incremental Lenders, as applicable (other than as permitted by clause (C)(ii) above). Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under any other Loan Documents, and any Default or Event of Default waived shall be deemed to have not occurred or to be cured and not continuing, as the parties may agree; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

(b) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Borrower and the institutions providing each Refinancing Credit Facility (as defined below) (a) to add one or more additional credit facilities to this Agreement for the purpose of refinancing or replacing any and all of the Term Loans and Term Commitments hereunder (each a "Refinancing Credit Facility") and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Term B Lenders, Required Refinancing Term B Lenders or Required Incremental Lenders, as applicable; provided that (i) no Default or Event of Default then exists or would result therefrom, (ii) any Refinancing Credit Facility does not mature prior to the earliest maturity date of the Term Loans being refinanced and (iii) the other terms and conditions of such Refinancing Credit Facility (excluding pricing and optional prepayment and redemption terms) are substantially identical to, or (taken as a whole) are no more favorable to the Lenders providing such Refinancing Credit Facility than, those applicable to the Term Loans being refinanced (except for covenants or other provisions applicable only to periods after the latest Termination Date of the Term Loans existing at the time of such refinancing).

(c) Notwithstanding anything to the contrary contained in this Section 9.1, if the Administrative Agent and the Borrower shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Loan Documents, then the Administrative Agent and the Borrower shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notwithstanding anything to the contrary in this Agreement or the other Loan Documents, the Administrative Agent and the Collateral Agent are each hereby irrevocably authorized by each Lender (and each such Lender expressly consents), without any further action or the consent of any other party to any Loan Document, to make any technical amendments to the Guaranty Agreement and the Security Documents to correct any cross-references therein to any provision of this Agreement that may be necessary in order to properly reflect the amendments made to this Agreement.

(d) Notwithstanding the foregoing, this Agreement and the other Loan Documents may be amended (or amended and restated) as provided in Sections 2.25 and 2.27.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including e-mail and Internet or intranet websites or other information platform (the "Platform")) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Sections 2.2, 2.8(e), 2.11, 2.13, 2.14, 2.15, 2.25 and 2.27(d) unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) [Reserved].

(d) Each of the Loan Parties understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the willful misconduct or gross negligence of the Administrative Agent, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(e) The Platform and any Approved Electronic Communications are provided "as is" and "as available." None of the Agents or any of their respective officers, directors, employees, agents, advisors or representatives warrant the accuracy, adequacy, or completeness of the Approved Electronic Communications or the Platform and each expressly disclaims liability for errors or omissions in the Platform and the Approved Electronic Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects is made by any of the Agents or any of their respective officers, directors, employees, agents, advisors or representatives in connection with the Platform or the Approved Electronic Communications.

(f) Each of the Loan Parties, the Lenders and the Agents agree that Administrative Agent may, but shall not be obligated to, store any Approved Electronic Communications on the Platform in accordance with the Administrative Agent's customary document retention procedures and policies.

9.3. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

9.4. Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Term Loans and the other extensions of credit hereunder.

9.5. Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse each of the Administrative Agent and the Collateral Agent for all its reasonable out-of-pocket costs and expenses reasonably incurred in connection with (i) the development, negotiation, preparation, execution and delivery of this Agreement and any other documents prepared in connection herewith or therewith, including any amendment, supplement or modification to any of the foregoing and (ii) the consummation and administration of the transactions contemplated hereby and thereby, and the reasonable fees and disbursements of one counsel to the Administrative Agent, the Collateral Agent and the Arrangers, taken as a whole (and, to the extent necessary, one local counsel in each relevant jurisdiction for all such entities, taken as a whole and, solely in the case of an actual or potential conflict of interest, one additional local counsel in each relevant jurisdiction to the affected entities similarly situated, taken as a whole), and security interest filing and recording fees and expenses, (b) to pay or reimburse the Administrative Agent, the Collateral Agent and each Lender for all its reasonable costs and expenses reasonably incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any such other documents following the occurrence and during the continuance of an Event of Default, including without limitation, the reasonable fees and disbursements of one counsel to the Administrative Agent, the Collateral Agent and the Lenders and each of their respective affiliates, taken as a whole (and, to the extent reasonably necessary, one local counsel in each relevant jurisdiction for all such entities, taken as a whole, and, solely in the case of an actual or potential conflict of interest, one additional local counsel in each relevant jurisdiction to the affected entities similarly situated, taken as a whole), (c) to pay, and indemnify and hold harmless each Lender, each Arranger, the Collateral Agent and the Administrative Agent from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes, if any, which may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents (without duplication to payments made pursuant to Section 2.19) and (d) to pay, and indemnify and hold harmless each Lender, each Arranger, the Collateral Agent, the Administrative Agent and each of their respective Affiliates, directors, officers, employees, representatives, partners and agents (each, an "Indemnitee") from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance, preservation of rights and administration of this Agreement, the other Loan Documents or the use of the proceeds of the Term Loans or any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of the Loan Parties or any of their respective properties and the reasonable fees and expenses of one legal counsel for the Indemnitees taken as a whole in connection with claims, actions or proceedings by any Indemnitee against any Loan Party under any Loan Document (all the foregoing in this clause (d), collectively, the "indemnified liabilities"); provided that the Borrower shall have no obligation hereunder to any Indemnitee with respect to indemnified liabilities to the extent (x) determined by the final judgment of a court of competent jurisdiction to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee or any of such Indemnitee's Related Persons, (y) resulting from a material breach by such Indemnitee or any of such Indemnitee's Related Persons of its material obligations under this Agreement or the other Loan Documents or (z) related to any dispute solely among Indemnitees other than any claims against any Indemnitee in its capacity or in fulfilling its role as an Agent, an Arranger or any similar role under this Agreement and the other Loan Documents and other than any claims involving any act or omission on the part of the Borrower or its Subsidiaries; provided, further, that the Borrower shall in no event be responsible for consequential, indirect, special or punitive damages to any Indemnitee pursuant to this Section 9.5 except such consequential, indirect, special or punitive damages required to be paid by such Indemnitee in respect of any indemnified liabilities. Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause its Subsidiaries not to assert, and hereby waives and agrees to cause its Subsidiaries to waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee related to the indemnified liabilities. To the extent permitted by applicable law, no Loan Party nor any of their respective Subsidiaries shall assert, and each Loan Party hereby waives, on behalf of itself and its Subsidiaries, any claim against each Lender, each Arranger, each Agent and their respective affiliates, directors, officers, employees, attorneys, representatives, agents or sub-agents, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Term Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Loan Party hereby waives, releases and agrees, on behalf of themselves and each of their respective Subsidiaries, not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor. All amounts due under this Section 9.5 shall be payable not later than 10 days after written demand therefor. Statements payable by the Borrower pursuant to this Section 9.5 shall be submitted to the Treasurer of the Borrower (Telecopy No. 713-353-9137), at the address of the Borrower set forth in Section 9.2 (with copies (which shall not constitute notice) to the Associate General Counsel of the Borrower at the respective addresses set forth in Section 9.2), or to such other Person or address as may be hereafter designated by the Borrower in a written notice to the Administrative Agent. The agreements in this Section shall survive repayment of the Term Loans and all other amounts payable hereunder.

9.6. Successors and Assigns; Participations.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted, except that (i) unless otherwise permitted by Section 6.3, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.6.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (other than a Disqualified Lender) (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Term Commitments and the respective tranche of Term Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld, delayed or conditioned); provided that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default under Section 7.1(a), (b), (i) (in the case of the Borrower only) or (j) (in the case of the Borrower only) has occurred and is continuing, any other Person; and

(B) the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned), provided that no consent of the Administrative Agent shall be required for an assignment to a Lender, an affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Term Loans of the respective tranche, the amount of the Term Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Borrower shall be required if an Event of Default under Section 7(a), Section 7.1(b), Section 7.1(i) (in the case of Borrower only) or Section 7(j) (in the case of the Borrower only) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its affiliates or Approved Funds, if any;

(B) (1) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of $3,500 (although the Borrower shall not be responsible for the payment of the recordation fee unless the Borrower has chosen to replace a Lender pursuant to Section 2.26) and (2) the assigning Lender shall have paid in full any amounts owing by it to the Administrative Agent;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in which the Assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws; and

(D) except as provided in Section 2.28 or in Section 9.6(f), none of the Loan Parties, their respective Affiliates or any natural person shall be an Assignee hereunder.

For the purposes of this Section 9.6, "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an affiliate of a Lender or (c) an entity or an affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) below, from and after the effective date specified in each Assignment and Acceptance, the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.18, 2.19 and 9.5 for the period of time in which it was a Lender hereunder. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Term Commitments of, and principal amount (and interest amounts) of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice. Any assignment of any Term Loan shall be effective only upon appropriate entries with respect thereto being made in the Register.

(v) Upon its receipt of an Assignment and Acceptance (executed via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually)), by a transferor Lender and an Assignee, as the case may be (and, in the case of an Assignee that is not then a Lender, by the Administrative Agent and the Borrower to the extent required under paragraph (c) above), together with payment to the Administrative Agent by the transferor Lender or the Assignee of a recordation and processing fee of $3,500 (which fee may be waived or reduced in the reasonable discretion of the Administrative Agent), the Administrative Agent shall (i) promptly accept such Assignment and Acceptance, (ii) on the effective date of such transfer determined pursuant thereto record the information contained therein in the Register and (iii) give notice of such acceptance and recordation to the transferor Lender, the Assignee and the Borrower.

(vi) Notwithstanding anything to the contrary contained in Section 9.6(b), no consent of the Administrative Agent (and no processing and recordation fee or administrative questionnaire) shall be required to be obtained, paid or delivered (as the case may be) for any assignment of Term Loans in any principal amount as part of a purchase of such Term Loans in accordance with Section 2.28.

(c) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (other than any Disqualified Lender) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Term Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and any other Loan Document or to otherwise exercise its voting righting rights under this Agreement and any other Loan Document; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to the proviso to the second sentence of Section 9.1(a) and (2) directly affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.18 and 2.19 (subject to the requirements and limitations of such sections and Section 2.26) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section (it being understood that the documentation required under Section 2.19(e) shall be delivered solely to the participating Lender). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.7(b) as though it were a Lender, provided such Participant shall be subject to Section 9.7(a) as though it were a Lender.

(i) A Participant shall not be entitled to receive any greater payment under Section 2.18 or 2.19 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent that any entitlement to a greater payment results from a change in any Requirement of Law arising after such Participant became a Participant.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and related interest amounts) of each participant's interest in the Term Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Loan Document) to any Person expect to the extent that such disclosure is necessary to establish that any Loans are in registered form for U.S. federal income tax purposes.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) Subject to Section 9.15, the Borrower authorizes each Lender to disclose to any Transferee and any prospective Transferee (in each case which agrees to comply with the provisions of Section 9.15 or confidentiality requirements no less restrictive on such prospective transferee than those set forth in Section 9.15) any and all financial information in such Lender's possession concerning the Borrower and its Affiliates which has been delivered to such Lender by or on behalf of the Borrower pursuant to this Agreement or any other Loan Document or which has been delivered to such Lender by or on behalf of the Borrower in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(f) Notwithstanding anything to the contrary contained herein, any Lender may assign all or any portion of its Loans hereunder to the Borrower or any of its Subsidiaries or Affiliates; provided that:

(i) upon the effectiveness of any such assignment (or contribution of Term Loans to the capital of the Borrower by an Affiliate thereof which shall occur substantially concurrently with the assignment to an Affiliate of the Borrower), such Term Loans shall be retired, and shall be deemed cancelled and not outstanding for all purposes under this Agreement; and

(ii) no Default or Event of Default shall exist or be continuing.

Each Lender acknowledges and agrees that in connection with each Assignment and Acceptance pursuant to this Section 9.6(f), (i) the Borrower then may have, and later may come into possession of Excluded Information, (ii) such Lender has independently and without reliance on the Borrower or any of its Subsidiaries or Affiliates made such Lender's own analysis and determined to enter into an assignment of such Term Loans and to consummate the transactions contemplated thereby notwithstanding such Lender's lack of knowledge of the Excluded Information and (iii) the Borrower and its Subsidiaries shall have no liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Borrower and its Subsidiaries, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders hereunder. Each Lender which assigns Term Loans pursuant to this Section 9.6(f) agrees to the provisions of the two preceding sentences, and agrees that they shall control, notwithstanding any inconsistent provision hereof or in any Assignment and Acceptance.

(g) The Borrower, on behalf of itself and its Affiliates and the Lenders, expressly acknowledges that the Administrative Agent (in its capacity as such or as an arranger, bookrunner or other agent hereunder) shall not have any obligation to monitor whether assignments or participations are made to Disqualified Lenders and none of the Borrower, the Lenders or any of their respective Affiliates will bring any claim to such effect. The Administrative Agent shall have the right to disclose the list of Disqualified Lenders to any Lender requesting the same.

9.7. Adjustments; Setoff.

(a) Except to the extent that this Agreement, any other Loan Document or a court order expressly provides or permits for payments to be allocated to a particular Lender or to the Lenders, if any Lender (a "Benefited Lender") shall receive any payment of all or part of the Obligations owing to it (other than in connection with an assignment or participation made pursuant to Section 9.6 or in connection with an Auction that is permitted under Section 2.28), or receive any collateral in respect thereof (whether voluntarily or involuntarily, by setoff, pursuant to events or proceedings of the nature referred to in Section 7.1(i) or (j), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of the Obligations owing to such other Lender, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of the Obligations owing to each such other Lender, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest. Notwithstanding anything to the contrary contained in this Section 9.7(a), no purchase or assignment of Term Loans in connection with an Auction that is permitted under Section 2.28 or Section 9.6(f) (and no payment made or cancellation of such Term Loans in connection therewith) and no extension of Term Loans that is permitted under Section 2.27 shall constitute a payment of any of such Term Loans for purposes of this Section 9.7.

(b) In addition to any rights and remedies of the Lenders provided by law and subject to the terms of the Pledge and Security Agreement, each Lender shall have the right, without notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon any Obligations becoming due and payable by the Borrower (whether at the stated maturity, by acceleration or otherwise), to apply to the payment of such Obligations, by setoff or otherwise, any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender, any affiliate thereof or any of their respective branches or agencies to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such application made by such Lender, provided that the failure to give such notice shall not affect the validity of such application.

9.8. Counterparts; Electronic Execution. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. The words "execution," "signed," "signature," and words of like import in this Agreement and the other Loan Documents including any Assignment and Assumption shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

9.9. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9.10. Integration. This Agreement and the other Loan Documents represent the entire agreement of the Borrower, the Administrative Agent and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Administrative Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

9.11. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

9.12. Submission To Jurisdiction; Waivers.

(a) Subject to clause (b)(iii) of this Section 9.12, each party hereto hereby irrevocably and unconditionally submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the courts of the United States for the Southern District of New York, and appellate courts from any thereof, in each case that are located in the Borough of Manhattan, The City of New York;

(b) The Borrower hereby irrevocably and unconditionally:

(i) agrees that any such action or proceeding shall be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(ii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower at its address set forth in Section 9.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(iii) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right of any Agent, any Arranger or any Lender to sue in any other jurisdiction; and

(iv) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

9.13. Acknowledgements. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) notwithstanding the provisions of this Agreement or any of the other Loan Documents and the Arrangers shall have no powers, duties, responsibilities or liabilities with respect to this Agreement and the other Loan Documents;

(c) the Agents, the Arrangers, the Lenders and their Affiliates may have economic interests that conflict with those of the Borrower; and

(d) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower and the Lenders.

9.14. Releases of Guarantees and Liens.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, each of the Administrative Agent and the Collateral Agent is hereby irrevocably authorized by each Lender (and each such Lender hereby expressly consents) (without requirement of notice to or consent of any Lender except as expressly required by Section 9.1(a)) to take any action reasonably requested by the Borrower having the effect of releasing any Collateral or Guarantor from its guarantee obligations (i) that has been consented to in accordance with Section 9.1(a) or in connection with any sale, transfer or other disposition of any Collateral or Guarantor to a Person that is not a Loan Party, including as a result of any investments of Collateral in non-Guarantor Subsidiaries to the extent not prohibited by the Loan Documents, (ii) to the extent any such release is permitted at such time pursuant to the applicable Security Document or (iii) under the circumstances described in paragraphs (b) or (c) below (and, upon the consummation of any such transaction in preceding clause (i), (ii) or (iii), such Collateral shall be automatically released from, and be disposed of free and clear of, all Liens under the Security Documents and/or such Guarantor shall be automatically released from its obligations under the Loan Documents).

(b) At such time as the Term Loans and the other Obligations under the Loan Documents (other than obligations under or in respect of Swap Agreements or Cash Management Agreements) shall have been paid in full and all Commitments of the Lenders have expired or terminated, the Collateral shall be released from the Liens created by the Security Documents, and the Security Documents and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent, the Collateral Agent and each Loan Party under the Security Documents shall terminate, all without delivery of any instrument or performance of any act by any Person.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Lenders hereby agree, and each of the Administrative Agent and the Collateral Agent is hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender) to take any action required by the Borrower having the effect of releasing a Guarantor from its guarantee obligations under the Guaranty Agreement and as a Grantor under the Security Documents if (i) such Guarantor becomes an Excluded Subsidiary or ceases to be a Restricted Subsidiary, (ii) all or substantially all of the assets of such Guarantor have been sold or otherwise disposed of (including by way of merger or consolidation) to a Person that is not a Borrower or a Guarantor in a transaction permitted (or not prohibited) by this Agreement or (iii) such Guarantor has been liquidated or dissolved in a transaction permitted (or not prohibited) by this Agreement.

(d) In connection with any release of Collateral of the type described above in clause (a) or (c) notwithstanding anything to the contrary contained herein or in any other Loan Document, each of the Administrative Agent and the Collateral Agent is hereby irrevocably authorized by each Lender (and each such Lender hereby expressly consents) (without requirement of notice to or consent of any Lender except as expressly required by Section 9.1(a)) to take any action with respect to the Collateral requested by the Borrower to the extent necessary to permit such release or other transaction, including without limitation, directing the Collateral Agent to execute agreements with respect to any Collateral, upon the delivery to the Administrative Agent and Collateral Agent of a certificate signed by an officer of the Borrower stating that such action and the release of the Collateral or other transaction, as applicable, is permitted by each Loan Document.

9.15. Confidentiality. Each Agent, each Arranger and each Lender agrees to keep confidential all non-public information provided to it by any Loan Party, the Administrative Agent or any Lender pursuant to or in connection with this Agreement; provided that nothing herein shall prevent any Agent, any Arranger or any Lender from disclosing any such information (a) to the Administrative Agent, any other Lender or any affiliate thereof (so long as such affiliate agrees to be bound by the provisions of this Section 9.15), (b) subject to an agreement to comply with provisions no less restrictive than this Section 9.15, to any actual or prospective Transferee or any direct or indirect counterparty to any Swap Agreement (or any professional advisor to such counterparty), (c) to its employees, directors, officers, agents, attorneys, accountants, partners and other professional advisors or those of any of its affiliates, (d) upon the request or demand, or in accordance with the requirements (including reporting requirements), of any Governmental Authority having jurisdiction over such Lender, provided that to the extent permitted by law, such Lender shall promptly notify the applicable Loan Party of such disclosure (except with respect to any audit or examination conducted by bank accountants or any governmental bank authority exercising examination or regulatory authority), (e) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law or other legal process, provided that to the extent permitted by law, such Lender shall promptly notify the applicable Loan Party of such disclosure (except with respect to any audit or examination conducted by bank accountants or any governmental bank authority exercising examination or regulatory authority), (f) if requested or required to do so in connection with any litigation or similar proceeding; provided that to the extent permitted by law, such Lender shall promptly notify the applicable Loan Party of such disclosure, (g) to the extent such information has been independently developed by such Lender or that has been publicly disclosed other than in breach of this Agreement, (h) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender, or (i) in connection with the exercise of any remedy hereunder or under any other Loan Document.

Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to, or in the course of administering this Agreement or the other Loan Documents, will be syndicate-level information, which may (except as provided in the following paragraph) contain material non-public information concerning the Borrower and its Affiliates and their related parties or their respective securities. Accordingly, each Lender confirms to the Borrower and the Administrative Agent that (i) it has developed compliance procedures regarding the use of material non-public information, (ii) it has identified in its administrative questionnaire a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law, including Federal and state securities laws and (iii) it will handle such material non-public information in accordance with those procedures and applicable law, including Federal and state securities laws.

The Borrower acknowledges that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to the Borrower, its subsidiaries or their securities) (each, a "Public Lender") and, if documents required to be delivered pursuant to Section 5.1 or 5.2 or otherwise are being distributed through the Platform, the Borrower agrees to designate those documents or other information that are suitable for delivery to the Public Lenders as such. Any document that the Borrower has indicated contains non-public information shall not be posted on that portion of the Platform designated for such Public Lenders. If the Borrower has not indicated whether a document delivered pursuant to Section 5.1 or 5.2 contains non-public information, the Administrative Agent reserves the right to post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to the Borrower, its Subsidiaries and their securities. The Borrower acknowledges and agrees that copies of the Loan Documents may be distributed to Public Lenders (unless the Borrower promptly notifies the Administrative Agent that any such document contains material non-public information with respect to the Borrower or its securities).

Notwithstanding anything contained herein, nothing in this Agreement shall prohibit or in any way restrict the Borrower from reporting possible violations of law or regulation to, otherwise communicating directly with, cooperating with or providing information to any governmental or regulatory body or any self-regulatory organization including but not limited to, bank examiners, the SEC, DOJ, FINRA, NFA, or the CFTC, or making other disclosures pursuant to applicable "whistleblower" laws or regulations.

9.16. WAIVERS OF JURY TRIAL. THE BORROWER, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

9.17. U.S.A. PATRIOT Act; Beneficial Ownership Regulation. Each Lender that is subject to the requirements of the PATRIOT Act and the Beneficial Ownership Regulation hereby notifies each Loan Party that pursuant to the requirements of the PATRIOT Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the PATRIOT Act and the Beneficial Ownership Regulation. The Borrower shall, and shall cause each of its Subsidiaries to, provide, to the extent commercially reasonable, such information and take such actions as are reasonably requested by each Lender and the Administrative Agent to maintain compliance with the PATRIOT Act and the Beneficial Ownership Regulation.

9.18. No Fiduciary Duty. Each Agent, each Lender, the Arrangers and their respective Affiliates (collectively, solely for purposes of this paragraph, the "Lenders") may have economic interests that conflict with those of the Borrower, its stockholders and/or its affiliates. The Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower, its stockholders or its affiliates, on the other. The Borrower acknowledges and agrees that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Borrower, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of the Borrower, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower, its stockholders or its affiliates on other matters) or any other obligation to the Borrower except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower, its management, stockholders, creditors or any other Person. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower, in connection with such transaction or the process leading thereto. None of the Arrangers identified on the cover page or signature pages of this Agreement shall have any rights, powers, obligations, liabilities, responsibilities or duties under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as a Lender hereunder. Without limiting any other provision of this Article, none of such Arrangers in their respective capacities as such shall have or be deemed to have any fiduciary relationship with any Lender, the Administrative Agent or any other Person by reason of this Agreement or any other Loan Document.

9.19. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent, the Co-Managers, the Joint Lead Arrangers, the Joint Bookrunners, the Co-Managers and each of their Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Term Loans or the Term Commitments,

(ii) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable so as to exempt from the prohibitions of Section 406 of ERISA and Section 4975 of the Code such Lender's entrance into, participation in, administration of and performance of the Term Loans, the Term Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Term Loans, the Term Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Term Loans, the Term Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Term Loans, the Term Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its reasonable discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, Administrative Agent, the Co-Managers, the Joint Lead Arrangers, the Joint Bookrunners, the Co-Managers and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, none of the Administrative Agent, the Co-Managers, the Joint Lead Arrangers, the Joint Bookrunners or any of their Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Term Loans, the Term Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent, the Co-Managers, the Joint Lead Arrangers, the Joint Bookrunners under this Agreement, any Loan Document or any documents related hereto or thereto).

9.20. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

9.21. Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender or any Person who has received funds on behalf of a Lender (any such Lender or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 9.21 and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender or any Person who has received funds on behalf of a Lender (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.21(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 9.21(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.21(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under Section 9.21(a).

(d) (i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans of the relevant Class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance)), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement which shall survive as to such assigning Lender, (D) the Administrative Agent and the Borrower shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment.

(ii) Subject to Section 9.06 (but excluding, in all events, any assignment consent or approval requirements (whether from the Borrower or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender to the rights and interests of such Lender, as the case may be) under the Loan Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") (provided that the Loan Parties' Obligations under the Loan Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party; provided that this Section 9.21 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 9.21 shall survive the resignation or re-placement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender and/or the repayment, satisfaction or dis-charge of all Obligations (or any portion thereof) under any Loan Document.

9.22. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States.

(b) As used in this Section 9.22, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Covered Entity" means any of the following:

(i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b)

(ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

9.23. Secured Cash Management Agreements and Secured Swap Agreements.

No Cash Management Bank or Hedge Bank that obtains the benefit of the provisions of Section 7.2 of the Pledge and Security Agreement, or the Guaranty Agreement or any Collateral by virtue of the provisions hereof or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) (or to notice of or to consent to any amendment, waiver or modification of the provisions hereof or of the Guaranty Agreement or any Security Document) other than in its capacity as Administrative Agent, Collateral Agent or a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision to the contrary, neither the Administrative Agent nor the Collateral Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Obligations arising under Secured Cash Management Agreements or Secured Swap Agreements except to the extent expressly provided herein and unless the Administrative Agent and the Collateral Agent has received a written notice of such Secured Obligations, together with such supporting documentation as the Administrative Agent or the Collateral Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

NOW, **THEREFORE**, in consideration of the agreements herein and in the other Credit Documents and in reliance upon the representations and warranties set forth herein and therein, the parties hereto agree as follows:

1. DEFINITIONS

1.1 Definitions

Unless otherwise defined in Exhibit A or otherwise expressly provided in this Agreement, capitalized terms used herein shall have the meanings provided in the First Lien Common Terms Agreement or, if not in the First Lien Common Terms Agreement, in the Intercreditor Agreement.

1.2 Rules of Interpretation

Except as otherwise expressly provided, the rules of interpretation set forth in Exhibit A shall apply to this Agreement and the other Credit Documents.

2. THE CREDIT FACILITIES

2.1 Term Loan Facility

(a) Term Loans; Term Loan Commitments.

(i) The aggregate amount of the Term Loan Commitments on the Closing Date is $900,000,000 (the "**Total Term Loan Commitment**"). Each Lender holding a Term Loan Commitment (a "**Term Lender**") severally agrees, on the terms and conditions hereinafter set forth, to make a Loan to the Borrower on the Closing Date in an amount not to exceed such Lender's Term Loan Commitment at such time. Amounts borrowed under this Section 2.1(a), when repaid or prepaid, may not be reborrowed.

(ii) Notice of Borrowing. Borrower shall request any Loans to be funded on the Closing Date or Borrowing Date, as applicable, by delivering to Administrative Agent a written notice in the form of Exhibit C-1, appropriately completed (a "**Notice of Borrowing**"), at or before 1:00 p.m. (New York City time) at least one Banking Day prior to the Closing Date or Borrowing Date, as applicable.

(A) Each Lender shall, before 12:00 noon (New York City time) on the date of such Borrowing, make available by wire transfer for the account of its Lending Office to the account of the Administrative Agent, in same day funds, such Lender's ratable portion of such Borrowing, in accordance with the respective Commitments of such Lender. After the Administrative Agent's receipt of such funds and upon fulfillment or waiver of the applicable conditions set forth in Section 3.2, the Administrative Agent shall make such funds available to the Borrower (1) in the case of a Borrowing of Term Loans to be made on the Closing Date, as directed by the Borrower pursuant to the terms of, and in accordance with, the Funds Flow Memorandum and (2) in the case of a Borrowing of Incremental Term Loans, as directed by the Borrower pursuant to the terms and in accordance with, the funds flow memorandum relating to the Incremental Term Loans.

(B) Each Notice of Borrowing shall be irrevocable and binding on the Borrower from and after the Banking Day prior to the Borrowing. In the case of any Borrowing that the related Notice of Borrowing specifies is to be comprised of LIBOR Loans, the Borrower shall indemnify each applicable Lender against any actual and documented out-of-pocket loss, cost or expense (excluding loss of anticipated profits and indirect losses) incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Borrowing for such Borrowing the applicable conditions set forth in Section 3.2, including any loss (excluding loss of anticipated profits and indirect losses), cost or expense incurred by reason of the liquidation or redeployment of deposits or other funds acquired by such Lender to fund the Loans to be made by such Lender as part of such Borrowing when such Loan, as a result of such failure, is not made on such date.

(C) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's ratable portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with clause (A) of this Section 2.1(a)(ii) and the Administrative Agent may, in its sole discretion and in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Administrative Agent, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such date of Borrowing until the date such amount is paid to the Administrative Agent, at the Base Rate. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent together with interest thereon, for each day from the date of such Borrowing until the date such amount is paid to the Administrative Agent, at the rate payable hereunder for Base Rate Loans.

(D) The failure of any Lender to make the Loans to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing. Nothing in this Section 2.1(a)(ii) shall prejudice any rights that the Borrower may have against a Defaulting Lender.

(b) Incremental Term Loan Facilities.

(i) The Borrower may, at its sole discretion, by written notice to the Administrative Agent, from time to time after the Closing Date, on one or more occasions, arrange or request from one or more Lenders, other banks or other entities an incremental facility for term loans ("**Incremental Term Loans**") in an aggregate principal amount not to exceed the Incremental Term Loan Cap at the time of incurrence (each new facility, an "**Incremental Term Loan Facility**") and/or an increase in the total Term Loan Commitments in an aggregate principal amount not to exceed the Incremental Term Loan Cap at the time of incurrence (each, an "**Incremental Term Loan Commitment**"), used solely for the purposes set forth in Section 5.1(b) or to make a distribution to the Sponsor. Upon the receipt of such notice by the Administrative Agent, the Administrative Agent shall deliver a copy thereof to each Lender. Each such Lender may, in its sole discretion, either agree to provide all or a portion of the offered amount of such Incremental Term Loan Facility or Incremental Term Loan Commitment, as applicable or decline to provide such Incremental Term Loan Facility or Incremental Term Loan Commitment (and any Lender that does not deliver a notice within a period of fifteen days after the date of notice by the Borrower shall be deemed to have declined to provide such Incremental Term Loan Facility or Incremental Term Loan Commitment, as applicable), it being acknowledged and agreed that no Lender is required to provide any such Incremental Term Loan Facility or Incremental Term Loan Commitment. Any Incremental Term Loan Facility or Incremental Term Loan Commitment may be incurred in an amount that is less than the amount set forth by the Borrower in its notice.

(ii) Notwithstanding the foregoing, no increase under clause (i) above shall become effective under this Section 2.1(b) unless the following the conditions have been satisfied:

(A) no Event of Default shall have occurred and be continuing or would result after giving effect to the incurrence of such Incremental Term Loans;

(B) such Incremental Term Loans, shall have a maturity date no earlier than the Term Maturity Date;

(C) the Borrower shall have delivered to the Administrative Agent an updated amortization schedule reasonably satisfactory to the Administrative Agent which amortization schedule shall replace the amortization then set forth in Schedule 2.1(b)(ii)(C) and shall provide that the Incremental Term Loans shall (1) amortize on the same dates as the Term Loans and (2) amortize at the same amortization percentage applicable to amortization on the Term Loans;

(D) the principal amount of the Incremental Term Loans remaining outstanding on the Maturity Date, taken together with the principal amount of the Term Loans outstanding on the Maturity Date, shall equal the (1) the payment on the Maturity Date in respect of the Term Loans under the amortization schedule set forth on Schedule 2.1(b)(ii)(C) as of the date of the incurrence of the applicable Incremental Term Loan Facility multiplied by (2) a fraction, (x) the numerator of which shall be the sum of the Term Loans and any Incremental Term Loans outstanding as of the date of incurrence of the Incremental Term Loan Facility plus the applicable Incremental Term Loan Facility incurred and (y) the denominator of which shall be the Term Loans and any Incremental Term Loans outstanding as of the date of incurrence of the applicable Incremental Term Loan Facility; provided that in no event shall the payment on the Term Maturity Date in respect of the Term Loans under the amortization schedule set forth on Schedule 2.1(b)(ii)(C) as of the date of the incurrence of any Incremental Term Loan Facility exceed $525,000,000;

(E) the representations, covenants, defaults and other provisions relating to such Incremental Term Loan Facility shall be no more favorable in any material respect to the Incremental Term Loan Lenders as the representations, covenants, defaults and other provisions applying in favor of the Term Loans (other than administrative provisions and conditions precedent relating to the incurrence thereof) (or this Agreement shall be amended by the Borrower and the Administrative Agent (without the consent of any Lender) to add such representations, covenants, defaults and other provisions applicable to such Incremental Term Loan Facility);

(F) the Administrative Agent shall have received a certificate of an authorized officer of the Borrower certifying that the conditions set forth in this clause (ii) have been satisfied; and

(G) all other terms and documentation in respect thereof, to the extent not materially consistent with the existing Term Loans shall otherwise be reasonably satisfactory to the Administrative Agent.

(iii) Any Indebtedness incurred pursuant to this Section 2.1(b) shall be effected pursuant to one or more joinder agreements (substantially in the form of Exhibit I hereto, a "**Lender Joinder Agreement**") executed and delivered by the Borrower, each entity providing such Indebtedness (or its representative) and the Administrative Agent, and each of which shall be recorded in the Register. Each Lender Joinder Agreement may, without the consent of any other Lenders, effect such amendments to this Agreement and the First Lien Collateral Documents as may be necessary or appropriate, to effect the provisions of this Section 2.1(b), including any amendments necessary to implement the increased Term Loan Commitment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Lender Joinder Agreement delivered pursuant to this Section 2.1(b), this Agreement and the First Lien Collateral Documents shall be deemed amended to the extent contemplated by the Lender Joinder Agreement (and to the extent not materially consistent with the then existing Term Loans in a manner reasonably satisfactory to the Administrative Agent) in order to reflect the existence of such Indebtedness.

(c) Provisions Relating to all Credit Facilities.

(i) Loan Interest. Subject to Section 2.4(c), Borrower shall pay interest on the unpaid principal amount of each Loan from the Closing Date until the repayment or prepayment thereof at one of the following rates per annum:

(A) With respect to the principal portion of a Term Loan which is, and during such periods as such Term Loan is, a Base Rate Term Loan, at a rate per annum equal to the Base Rate (such rate to change from time to time as the Base Rate shall change) *plus* the Applicable Margin.

(B) With respect to the principal portion of an LC Loan which is, and during such periods as such LC Loan is, a Base Rate LC Loan, at a rate per annum equal to the Base Rate (such rate to change from time to time as the Base Rate shall change) *plus* the Applicable Margin.

(C) With respect to the principal portion of such Term Loan which is, and during such periods as such Term Loan is, a LIBOR Term Loan, at a rate per annum during each Interest Period for such LIBOR Term Loan equal to the LIBO Rate *plus* the Applicable Margin.

(D) With respect to the principal portion of such LC Loan which is, and during such periods as such LC Loan is, a LIBOR LC Loan, at a rate per annum during each Interest Period for such LIBOR LC Loan equal to the LIBO Rate *plus* the Applicable Margin.

(d) Loan Principal Payment.

(i) On each Principal Repayment Date commencing on the Principal Repayment Date occurring on September 30, 2020, Borrower shall repay to Administrative Agent, for the account of each Term Lender, the aggregate unpaid principal amount of the Term Loan made by such Term Lender in installments in accordance with the amortization schedule set forth on Schedule 2.1(b)(ii)(C) (as updated from time to time in accordance with Section 2.1(b)(ii)(C)), with any remaining unpaid principal, interest, fees and costs due and payable on the Maturity Date.

(ii) The Borrower shall repay to the Administrative Agent for the ratable account of each of the LC Lenders on the LC Maturity Date the aggregate principal amount of the LC Loans then outstanding owing to such LC Lender, together with accrued and unpaid interest to the date of such repayment on the aggregate principal amount repaid.

(e) Interest Provisions Relating to All Loans.

(i) Applicable Interest Rate. The basis for determining the interest rate with respect to any Loan may be changed from time to time as specified in a Notice of Conversion of Loan Type delivered pursuant to Section 2.1(g). If on any day a Loan is outstanding with respect to which notice has not been delivered to Administrative Agent in accordance with the terms of this Agreement specifying the applicable basis for determining the rate of interest, then for that day such Loan shall bear interest determined by reference to the Base Rate. Borrower shall not request, and the Lenders shall not be obligated to make, LIBOR Loans at any time an Event of Default exists. Administrative Agent shall promptly notify each Lender of the contents of each Notice of Conversion of Loan Type.

(ii) Interest Payment Dates. Borrower shall pay accrued interest on the unpaid principal amount of each Loan (A) in the case of each Base Rate Loan, on each Quarterly Date, (B) in the case of each LIBOR Loan, on the last day of each Interest Period related to such LIBOR Loan and, with respect to Interest Periods longer than three months, the last Banking Day of each third month in which such LIBOR Loan is outstanding, and (C) in all cases, upon repayment or prepayment (to the extent thereof and including any Optional Prepayments or Mandatory Prepayments), upon conversion from one Type of Loan to another Type of Loan and at maturity (whether by acceleration or otherwise).

(iii) LIBOR Loan Interest Periods.

(A) Each Interest Period selected by Borrower for all LIBOR Loans shall be one, three or six months. Notwithstanding anything to the contrary in the preceding sentence, (1) any Interest Period which would otherwise end on a day which is not a Banking Day shall be extended to the next succeeding Banking Day unless such next Banking Day falls in another calendar month, in which case such Interest Period shall end on the immediately preceding Banking Day, (2) any Interest Period which begins on the last Banking Day of a calendar month (or on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period) shall end on the last Banking Day of a calendar month, (3) Borrower may not select Interest Periods which would leave a greater principal amount of Loans subject to Interest Periods ending after a date upon which Loans are or may be required to be repaid (including the Maturity Date and each Principal Repayment Date) than the principal amount of Loans scheduled to be outstanding after such date, (4) any Interest Period for a Term Loan which would otherwise end after the Maturity Date shall end on the Maturity Date, (5) LIBOR Loans for each Interest Period shall be in the minimum amount of $500,000 or an integral multiple of $100,000 in excess thereof, (6) Borrower may not at any time have outstanding more than six different Interest Periods relating to LIBOR Loans, (7) Borrower and the Administrative Agent (at the direction of the Incremental Term Loan Lenders) may mutually agree to have an initial non-standard Interest Period with respect to Incremental Term Loans solely to maintain fungibility with existing applicable Term Loans in connection with the enactment of an Incremental Term Loan Facility, and (8) the Interest Period applicable to the Loans borrowed on the Closing Date may have an initial non-standard Interest Period ending on June 30, 2020.

(B) Borrower may contact Administrative Agent at any time prior to the end of an Interest Period for a quotation of Interest Rates in effect at such time for given Interest Periods, and Administrative Agent shall promptly provide such quotation. Subject to Section 2.1(e)(iii)(A), Borrower may select an Interest Period telephonically within the time periods specified in Section 2.1(g), which selection shall be irrevocable on and after commencement of the applicable Minimum Notice Period. Borrower shall confirm such telephonic notice to Administrative Agent by hand delivery or facsimile or other electronic transmission on the day such notice is given by delivery to Administrative Agent of a notice in substantially the form of Exhibit C-2, appropriately completed (a "**Confirmation of Interest Period Selection**"). If Borrower fails to notify Administrative Agent of the next Interest Period for any LIBOR Loans in accordance with this Section 2.1(e)(iii)(B), such Loans shall automatically convert to Base Rate Loans on the last day of the current Interest Period therefor. Administrative Agent shall as soon as practicable (and, in any case, within two Banking Days after delivery of a Confirmation of Interest Period Selection) notify Borrower of each determination of the Interest Rate applicable to each Loan.

(iv) Interest Computations. All computations of interest on Base Rate Loans shall be based upon a year of 365 days or, in the case of a leap year, 366 days, shall be payable for the actual days elapsed (including the first day but excluding the last day), and shall be adjusted in accordance with any changes in the Base Rate to take effect on the beginning of the day of such change in the Base Rate. All computations of interest on LIBOR Loans shall be based upon a year of 360 days and shall be payable for the actual days elapsed (including the first day but excluding the last day). Borrower agrees that all computations by Administrative Agent of interest shall be conclusive and binding in the absence of manifest error.

(f) Promissory Notes. The obligation of Borrower to repay the Loans made by a Lender and to pay interest thereon at the rates provided herein shall, upon the written request of such Lender, be evidenced by promissory notes in the form of Exhibit B-1 (individually, a "**Term Note**" and, collectively, the "**Term Notes**"), Exhibit B-2 (individually, a "**Revolving LC Note**" and, collectively, the "**Revolving LC Notes**"), Exhibit B-3 (individually, a "**DSR LC Note**" and, collectively, the "**DSR LC Notes**"), and Exhibit B-4 (individually, a "**PPA LC Note**" and, collectively, the "**PPA LC Notes**") each payable to such requesting Lender (or its registered assigns) and in the principal amount of such Lender's Term Loan Commitment, Revolving LC Commitment, DSR LC Commitment or PPA LC Commitment, respectively. Borrower authorizes each such requesting Lender to record on the schedule annexed to such Lender's Note or Notes, the date and amount of each Loan made by such requesting Lender, and each payment or prepayment of principal thereunder and agrees that all such notations shall constitute prima facie evidence of the matters noted; provided, that in the event of any inconsistency between the records or books of Administrative Agent and any Lender's records or Notes, the records of Administrative Agent shall be conclusive and binding in the absence of manifest error. Borrower further authorizes each such requesting Lender to attach to and make a part of such requesting Lender's Note or Notes continuations of the schedule attached thereto as necessary. No failure to make any such notations, nor any errors in making any such notations, shall affect the validity of Borrower's obligations to repay the full unpaid principal amount of the Loans or the duties of Borrower hereunder or thereunder. Upon the payment in full in cash of the aggregate principal amount of, and all accrued and unpaid interest on, the Loans, the Lenders holding such Notes shall promptly mark the applicable Notes cancelled and return such cancelled Notes to Borrower.

(g) Conversion of Loans. Subject to Section 2.1(e)(e)(i), Borrower may convert Loans from one Type of Loan to another Type of Loan; provided, that (x) any conversion of LIBOR Loans into Base Rate Loans shall be effective on, and only on, the first day after expiration of an Interest Period for such LIBOR Loans, and (y) Loans shall be converted only in amounts of $500,000 and increments of $100,000 in excess thereof. Borrower shall request such a conversion by delivering to Administrative Agent a written notice in the form of Exhibit C-3, appropriately completed (a "**Notice of Conversion of Loan Type**"), which contains or specifies, among other things:

(i) the Loans, or portion thereof, which are to be converted;

(ii) the Type of Loans into which such Loans, or portion thereof, are to be converted;

(iii) if such Loans are to be converted into LIBOR Loans, the initial Interest Period selected by Borrower for such Loans (which Interest Period shall be selected in accordance with Section 2.1(e)(iii));

(iv) the proposed date of the requested conversion (which shall be a Banking Day and otherwise in accordance with this Section 2.1(g)); and

(v) if Base Rate Loans are to be converted to LIBOR Loans, a certification by Borrower that no Event of Default has occurred and is continuing.

Borrower shall so deliver each Notice of Conversion of Loan Type so as to provide at least the applicable Minimum Notice Period. Any Notice of Conversion of Loan Type may be modified or revoked by Borrower through the Banking Day prior to the Minimum Notice Period, and shall thereafter be irrevocable. Each Notice of Conversion of Loan Type shall be delivered in the manner provided in Section 11.1. Administrative Agent shall promptly notify each Lender of the contents of each Notice of Conversion of Loan Type.

(h) Prepayments.

(i) Terms of All Prepayments.

(A) Upon the prepayment of any Loan (whether such prepayment is an Optional Prepayment or a Mandatory Prepayment), Borrower shall pay to Administrative Agent for the account of the Lender which made such Loan or Hedge Bank, as applicable, (1) all accrued interest to the date of such prepayment on the amount of such Loan prepaid, (2) all accrued fees to the date of such prepayment relating to the amount of such Loan being prepaid, (3) to the extent required by the terms of the applicable Interest Rate Agreement, all Hedge Breaking Fees owed by Borrower to such Hedge Bank as a result of such prepayment, and (4) if such prepayment is the prepayment of a LIBOR Loan on a day other than the last day of an Interest Period for such LIBOR Loan, all Liquidation Costs incurred by such Lender as a result of such prepayment (pursuant to the terms of Section 2.7).

(B) Notwithstanding the foregoing, but only in respect of any Mandatory Prepayment, Borrower shall have the right, by giving five Banking Days' notice to Administrative Agent, in lieu of prepaying a LIBOR Loan on a day other than the last day of an Interest Period for such LIBOR Loan, to deposit or cause Administrative Agent to deposit into an account to be held by Depositary Agent (which account shall be subjected to the Lien of the First Lien Collateral Documents) an amount equal to the LIBOR Loans to be prepaid. Such funds shall be held in such account until the expiration of the Interest Period applicable to the LIBOR Loan to be prepaid at which time the amount deposited in such account shall be used to prepay such LIBOR Loan and any interest accrued on such amount shall be deposited into the Revenue Account. The deposit of amounts into such account shall not constitute a prepayment of Loans and all Loans to be prepaid using the proceeds from such account shall continue to accrue interest at the then applicable interest rate for such Loans until actually prepaid. All amounts in such account shall only be invested in Permitted Investments as directed by and at the expense and risk of Borrower.

(C) Except as otherwise specifically set forth herein (including Section 2.5(a)), (1) all prepayments of Term Loans shall be applied to reduce the remaining payments required under Section 2.1(d)(i) (I) with respect to Mandatory Prepayments, on a pro rata basis to remaining amortization payments and the payments at the final maturity thereof and (II) with respect to Optional Prepayments, as directed by the Borrower, (2) any prepayment of Term Loans or LC Loans of any class or tranche, respectively, shall be applied first to any Term Loans or LC Loans of any class or tranche, as applicable, that are Base Rate Loans and then to any Term Loans or LC Loans of any class or tranche, as applicable, that are LIBOR Loans.

(ii) Optional Prepayments.

(A) Borrower may, at its option and without premium or penalty, upon three Banking Days' notice to Administrative Agent (which notice may state that it is conditioned upon the effectiveness of another credit facility or facilities or other agreement(s) providing the source of funds for such Optional Prepayment, in which case such notice may be revoked by Borrower by providing written notice to Administrative Agent at least one Banking Day prior to the proposed date of the Optional Prepayment if one or more of such conditions is not satisfied), prepay (1) any Term Loans in whole or from time to time in part in minimum amounts of $1,000,000 or an incremental multiple of $1,000,000 in excess thereof (provided, that such minimum amounts shall not apply to a prepayment of all outstanding Term Loans) or (2) any LC Loans of any class or tranche in whole or from time to time in part in minimum amounts of $500,000 or an incremental multiple of $100,000 in excess thereof (provided, that such minimum amounts shall not apply to a prepayment of all LC Loans of any class or tranche or except to the extent that such LC Loan of any class or tranche is being repaid pursuant to clause Twelfth of Section 3.1(b) (*Revenue Account Waterfall*) of the Depositary Agreement) (each, an "**Optional Prepayment**").

(B) Any Optional Prepayments shall be applied (1) *first*, ratably to any outstanding LC Loans, if any, until all LC Loans have been repaid in full; and (2) *second*, subject to Section 2.1(h)(i) and Section 2.1(h) (ii)(A), as Borrower may elect in its sole discretion.

(iii) Mandatory Prepayments. Borrower shall make the following mandatory prepayments (each, a "**Mandatory Prepayment"):**

(A) as and when contemplated by (1) Section 3.4(d) of the Depositary Agreement, within thirty days after the date on which the balance on deposit in the Excess LP Prepayment Sub-Account (as defined in the Depositary Agreement) equals or exceeds $10,000,000, (2) Section 3.5(d) of the Depositary Agreement, within thirty days after the date on which the balance on deposit in the Excess ADP Prepayment Sub-Account (as defined in the Depositary Agreement) equals or exceeds $10,000,000, and (3) Section 3.6(b) of the Depositary Agreement, within thirty days after receipt of Excess Contract Termination Proceeds (as defined in the Depositary Agreement); and

(B) in the event of any termination of all the LC Commitments in accordance with this Agreement, Borrower shall, on the date of such termination, terminate any outstanding Revolving Letter of Credit, PPA Letter of Credit or DSR Letter of Credit, as applicable, and/or cash collateralize any outstanding Revolving Letter of Credit, PPA Letter of Credit or DSR Letter of Credit, as applicable, in the amount of the applicable LC Exposure. If, as a result of any partial reduction of the LC Commitments, the aggregate Revolving LC Exposure, DSR LC Exposure or PPA LC Exposure, as applicable, would exceed the aggregate Revolving LC Commitments, DSR LC Commitments or PPA LC Commitments, as applicable, after giving effect thereto, then Borrower shall, on the date of such reduction, cash collateralize the applicable Letters of Credit in an amount equal to the amount of such excess.

Any Mandatory Prepayments shall be applied (x) *first*, to outstanding Term Loans and Incremental Term Loans and outstanding LC Loans and outstanding Drawing Payments, pro rata, until all Term Loans, LC Loans and Drawing Payments have been repaid in full, (y) *second,* to the Cash Collateralization of any outstanding Letters of Credit and (z) *third*, to all other First Lien Obligations due and payable under the Credit Documents.

(iv) Reduction of Commitments.

(A) Borrower may at any time permanently terminate, or from time to time permanently reduce, the LC Commitments; provided, that (1) each reduction of the LC Commitments shall be in an amount that is an integral multiple of $100,000 and not less than $1,000,000 (or, if less, the remaining amount of the LC Commitments) and (2) Borrower shall not voluntarily terminate or reduce the LC Commitments, if, after giving effect to any concurrent prepayment of LC Loans in accordance with this Section 2.1(h), the Revolving LC Exposure, DSR LC Exposure or PPA LC Exposure would exceed the Total Revolving LC Commitments, Total DSR LC Commitments or Total PPA LC Commitments.

(B) Borrower shall notify Administrative Agent in writing of any election to terminate or reduce Commitments under the foregoing clauses (A) at least three Banking Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by Borrower pursuant to this clause (B) shall be irrevocable. Any termination or reduction of Commitments shall be permanent; provided, that a notice of termination of Commitments delivered by Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by Borrower (by notice to Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Each reduction of Commitments shall be made ratably among the Lenders participating in the applicable Loan facility in accordance with their respective Proportionate Shares.

(i) Register. Administrative Agent on behalf of Borrower shall maintain, at its address referred to in Section 11.1, a register for the recordation of the names and addresses of the Lenders, the Commitments and Loans of each Lender from time to time and the name of each Lender which holds a Note (the "**Register**"). The Register shall be available for inspection by Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice. Administrative Agent shall record in the Register (i) the Commitments and the Loans from time to time of each Lender, (ii) the interest rates applicable to all Loans and the effective dates of all changes thereto, (iii) the Interest Period for each LIBOR Loan, (iv) the date and amount of any principal or interest due and payable or to become due and payable from Borrower to each Lender hereunder, (v) each repayment or prepayment in respect of the principal amount of the Loans of each Lender, (vi) the amount of any sum received by Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof, and (vii) such other information as Administrative Agent may determine is necessary for the administering of the Loans and this Agreement. Any such recording shall be conclusive and binding in the absence of manifest error; provided, that neither the failure to make any such recordation, nor any error in such recordation, shall affect Borrower's First Lien Obligations in respect of any applicable Loans or otherwise; and provided, further, that in the event of any inconsistency between the Register and any Lender's records, the Register shall govern absent manifest error.

(j) Re-Borrowing. Borrower may not re-borrow the principal amount of any Term Loan repaid or prepaid pursuant to this Agreement. Any prepaid LC Loans may be re-borrowed. The LC Commitments shall not be reduced as a result of any prepayment. To the extent that any LC Commitment was reduced as a result of any issuance of LC Loans, and so long as the Borrower shall have satisfied the requirements of for LC Loans, Section 3.2 and Section 2.2(c)(ii), (b)(ii) or (c)(ii), such LC Commitment shall be reinstated as a result of any prepayment of such LC Loans made in accordance with Section 2.1(h)(ii).

2.2 Letter of Credit Facilities

(a) Revolving LC Commitments; Issuance of Revolving Letters of Credit. The initial Dollar amount of each Lender's Revolving LC Commitment on the Closing Date is set forth under the caption "Revolving LC Commitments" on Schedule 2.2(a). The aggregate amount of the Revolving LC Commitments on the Closing Date is $130,622,000 (the "**Total Revolving LC Commitment**", and each Lender holding such Revolving LC Commitments, a "**Revolving LC Lender**"). All of the Revolving LC Commitments shall be available for the issuance of standby letters of credit. Subject to the terms and conditions set forth in this Agreement, Borrower may request the issuance of an irrevocable standby letter of credit substantially in the forms set forth in Exhibit B-5 or otherwise reasonably satisfactory to such Revolving Issuing Bank (a "**Revolving Letter of Credit**") for its own account, at any time and from time to time prior to the applicable Maturity Date.

(i) Notice of Issuance of Revolving Letter of Credit, Amendment, Renewal, Extension; Certain Conditions.

(A) To request the issuance of a Revolving Letter of Credit (or the amendment, renewal (other than an automatic renewal in accordance with clause (B) below) or extension of an outstanding Revolving Letter of Credit), Borrower shall hand deliver or transmit by telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Revolving Issuing Bank) to such Revolving Issuing Bank and Administrative Agent (three Banking Days in advance of the requested date of issuance, amendment, renewal or extension or, with respect to any issuance to take place on the Closing Date, one Banking Day in advance of the Closing Date) a Notice of LC Activity requesting the issuance of a Revolving Letter of Credit, or identifying the Revolving Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Banking Day at least three Banking Days after the form of such Revolving Letter of Credit or amendment, renewal or extension has been agreed by Borrower, the applicable Revolving Issuing Bank and Administrative Agent or, with respect to any issuance, amendment, renewal or extension to take place on the Closing Date, one Banking Day in advance of the Closing Date), the date on which such Revolving Letter of Credit is to expire and such other information as shall be necessary to issue, amend, renew or extend such Revolving Letter of Credit. If requested by a Revolving Issuing Bank, Borrower also shall submit a letter of credit application on such Revolving Issuing Bank's standard form in connection with any request for a Revolving Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by Borrower to, or entered into by Borrower with, the applicable Revolving Issuing Bank relating to a Revolving Letter of Credit, the terms and conditions of this Agreement shall control.

(B) Each Revolving Letter of Credit shall expire at or prior to the close of business on the earlier of (1) the date one year after the date of the issuance of such Revolving Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) or such other date as the Revolving Issuing Bank may agree, and (2) five Banking Days prior to the Revolving Maturity Date; provided, that any Revolving Letter of Credit with a one-year tenor shall provide for the automatic renewal thereof for additional one-year periods (which, in no event, shall extend beyond the date referred to in clause (2) of this clause (B)), and provided, further, that a Revolving Letter of Credit may expire after the Revolving Maturity Date to the extent that such Revolving Letter of Credit is Cash Collateralized to a mutually agreed level as between the Borrower and such Revolving Issuing Bank or back-stopped pursuant to arrangements acceptable to the relevant Revolving Issuing Bank during the period commencing on such Revolving Maturity Date until such later stated expiry date occurring after such Revolving Maturity Date. For the avoidance of doubt, the obligation of the Revolving LC Lenders to make Revolving LC Loans shall terminate on the Revolving Maturity Date.

(ii) Revolving LC Loans.

(A) If a Revolving Issuing Bank makes any Drawing Payment, Borrower shall reimburse such Drawing Payment by paying to Administrative Agent an amount equal to such Drawing Payment in Dollars, not later than 12:00 p.m., New York City time, on the second Banking Day following the date Borrower receives notice of such Drawing Payment; provided, that so long as no Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement has occurred and is continuing, to the extent Borrower does not so reimburse the Drawing Payment within one Banking Day, the Revolving LC Lenders shall be irrevocably and unconditionally obligated to fund participations in the Revolving LC Reimbursement Obligations on a pro rata basis based on their respective Revolving LC Commitments. Such amount shall be reduced, if necessary, such that the aggregate amount of applicable Revolving LC Exposure does not exceed the aggregate applicable Total Revolving LC Commitments of such Revolving LC Lender, with the amount of such Drawing Payment that is not covered by Revolving LC Loans becoming due and payable on demand. With respect to any Revolving LC Reimbursement Obligation that is not financed with a Revolving LC Loan because an Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement (with respect to Borrower) has occurred and is continuing, such Revolving LC Reimbursement Obligation shall be due and payable on demand (together with interest) and shall bear interest as provided in Section 2.4(c). The Revolving LC Loans made pursuant to this Section 2.2(a)(ii)(A) shall initially be Base Rate Loans.

(B) If Borrower fails to reimburse any Drawing Payment not covered or financed by Revolving LC Loans as contemplated by clause (A), then Administrative Agent shall promptly notify the applicable Revolving Issuing Bank(s) of the applicable Drawing Payment and the payment then due from Borrower. Promptly following receipt by Administrative Agent of any payment from Borrower pursuant to this paragraph, Administrative Agent shall distribute such payment to the applicable Revolving Issuing Bank(s).

(C) On the Revolving Maturity Date, the Borrower shall repay to Administrative Agent, for the account of each applicable Revolving LC Lender, the aggregate unpaid principal amount of the Revolving LC Loans (including all fees, interest and other amounts accrued in connection therewith).

(b) DSR LC Commitments; Issuance of DSR Letters of Credit. The initial Dollar amount of each Lender's DSR LC Commitment on the Closing Date is set forth under the caption "**DSR LC Commitments**" on Schedule 2.2(a). The aggregate amount of the DSR LC Commitments on the Closing Date is $53,000,000 (the "**Total DSR LC Commitment**", and each Lender holding such DSR LC Commitments, a "**DSR LC Lender**"). Subject to the terms and conditions set forth in this Agreement, Borrower may request the issuance of an irrevocable letter of credit substantially in the form of Exhibit B-6 (the "**DSR Letter of Credit**") for its own account, at any time and from time to time prior to the applicable DSR Maturity Date. The Stated Amount of the DSR Letters of Credit shall never exceed the Total DSR LC Commitment.

(i) Notice of Issuance of DSR Letter of Credit, Amendment, Renewal, Extension; Certain Conditions.

(A) To request the issuance of a DSR Letter of Credit (or the amendment, renewal (other than an automatic renewal in accordance with clause (B) below) or extension of an outstanding DSR Letter of Credit), Borrower shall hand deliver or transmit by telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable DSR Issuing Bank) to such DSR Issuing Bank and Administrative Agent (three Banking Days in advance of the requested date of issuance, amendment, renewal or extension or, with respect to any issuance to take place on the Closing Date, one Banking Day in advance of the Closing Date) a Notice of LC Activity requesting the issuance of a DSR Letter of Credit, or identifying the DSR Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Banking Day at least three Banking Days after the form of such DSR Letter of Credit or amendment, renewal or extension has been agreed by Borrower, the applicable DSR Issuing Bank and Administrative Agent or, with respect to any issuance to take place on the Closing Date, one Banking Day in advance of the Closing Date), the date on which such DSR Letter of Credit is to expire and such other information as shall be necessary to issue, amend, renew or extend such DSR Letter of Credit. If requested by a DSR Issuing Bank, Borrower also shall submit a DSR Letter of Credit application on such DSR Issuing Bank's standard form in connection with any request for a DSR Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by Borrower to, or entered into by Borrower with, the applicable DSR Issuing Bank relating to a DSR Letter of Credit, the terms and conditions of this Agreement shall control.

(B) A DSR Letter of Credit shall be issued, amended, renewed or extended only if, after giving effect to such issuance, amendment, renewal or extension, the total DSR LC Exposure shall not exceed the Total DSR LC Commitment and the DSR LC Exposure of such DSR Issuing Bank shall not exceed the DSR LC Commitments of such DSR Issuing Bank.

(C) Each DSR Letter of Credit shall expire at or prior to the close of business on the earlier of (x) the date one year after the date of the issuance of such DSR Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension), and (y) the applicable DSR Maturity Date; provided that any DSR Letter of Credit with a one-year tenor may provide for the automatic renewal thereof for additional one-year periods (which, in no event, shall extend beyond the date referred to in clause (y) of this clause (C)); provided, further, that upon the date of such expiry (taking into account the preceding proviso), each such DSR Letter of Credit shall be surrendered by the beneficiary or transferee of such DSR Letter of Credit to the applicable DSR Issuing Bank for cancellation, all DSR LC Loans (including all fees, interest and other amounts accrued in connection therewith) made or deemed to have been made with respect to such DSR Letter of Credit shall be repaid in full, and all DSR LC Commitments of such DSR Issuing Bank shall be terminated.

(ii) DSR LC Loans

(A) If a DSR Issuing Bank makes any Drawing Payment, Borrower shall reimburse such Drawing Payment by paying to Administrative Agent an amount equal to such Drawing Payment in Dollars, not later than 12:00 p.m., New York City time, on the Banking Day immediately following the date Borrower receives notice of such Drawing Payment; provided, that so long as no Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement has occurred and is continuing any Drawing Payment shall be deemed to be a request by Borrower for a Borrowing in an aggregate amount equal to the amount of DSR LC Reimbursement Obligations with respect to the DSR Letters of Credit (a "**DSR LC Loan**") and, to the extent so financed, such DSR LC Reimbursement Obligations shall be discharged and replaced by the resulting DSR LC Loan owing to the DSR LC Lender which issued the Letter of Credit giving rise to such DSR LC Reimbursement Obligation in its capacity as the DSR Issuing Bank. Such requested amount shall be reduced, if necessary, such that the aggregate amount of applicable DSR LC Exposure does not exceed the aggregate applicable Total DSR LC Commitments of such DSR Issuing Bank, with the amount of such Drawing Payment that is not covered by DSR LC Loans becoming due and payable on demand. With respect to any DSR LC Reimbursement Obligation that is not financed with a DSR LC Loan because an Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement has occurred and is continuing, such DSR LC Reimbursement Obligation shall be due and payable on demand (together with interest) and shall bear interest as provided in Section 2.4(c). The DSR LC Loans made pursuant to this Section 2.2(b)(ii)(A) shall initially be Base Rate Loans.

(B) If Borrower fails to reimburse any Drawing Payment not covered or financed by DSR LC Loans as contemplated by Section 2.2(b)(ii)(A), then Administrative Agent shall promptly notify the applicable DSR Issuing Bank(s) of the applicable Drawing Payment and the payment then due from Borrower. Promptly following receipt by Administrative Agent of any payment from Borrower pursuant to this paragraph, Administrative Agent shall distribute such payment to the applicable DSR Issuing Bank(s).

(C) In the event that multiple DSR Issuing Banks have issued DSR Letters of Credit, Administrative Agent shall allocate any DSR LC Loan in respect of the DSR Letters of Credit among the DSR Letters of Credit such that such DSR LC Loan is borne pro rata among the DSR Issuing Banks based on the relative Stated Amount (immediately prior to the making of such DSR LC Loan) of DSR Letters of Credit held by each such DSR Issuing Bank.

(D) On the Maturity Date, the Borrower shall repay to Administrative Agent, for the account of each applicable DSR LC Lender, the aggregate unpaid principal amount of the DSR LC Loans (including all fees, interest and other amounts accrued in connection therewith).

(c) PPA LC Commitments; Issuance of PPA Letters of Credit. The initial Dollar amount of each Lender's PPA LC Commitment on the Closing Date is set forth under the caption "PPA LC Commitments" on Schedule 2.2(a). The aggregate amount of the PPA LC Commitments on the Closing Date is $16,378,000 (the "**Total PPA LC Commitment**", and each Lender holding such PPA LC Commitments, a "**PPA LC Lender**", and together with the Revolving LC Lenders and the DSR LC Lenders, the "**LC Lenders**"). Subject to the terms and conditions set forth in this Agreement, Borrower may request the issuance of an irrevocable letter of credit substantially in the form of Exhibit B-5 or otherwise reasonably satisfactory to such PPA Issuing Bank (the "**PPA Letter of Credit**", and together with the Revolving Letters of Credit and the DSR Letters of the Credit, the "**Letters of Credit**") for its own account, at any time and from time to time prior to the applicable PPA Maturity Date.

(i) Notice of Issuance of PPA Letter of Credit, Amendment, Renewal, Extension; Certain Conditions.

(A) To request the issuance of a PPA Letter of Credit (or the amendment, renewal (other than an automatic renewal in accordance with clause (B) below) or extension of an outstanding PPA Letter of Credit), Borrower shall hand deliver or transmit by telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable PPA Issuing Bank) to the PPA Issuing Bank and Administrative Agent (three Banking Days in advance of the requested date of issuance, amendment, renewal or extension or, with respect to any issuance to take place on the Closing Date, one Banking Day in advance of the Closing Date) a Notice of LC Activity requesting the issuance of a PPA Letter of Credit, or identifying the PPA Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Banking Day at least three Banking Days after the form of such PPA Letter of Credit or amendment, renewal or extension has been agreed by Borrower, the PPA Issuing Bank and Administrative Agent or, with respect to any issuance to take place on the Closing Date, one Banking Day in advance of the Closing Date), the date on which such PPA Letter of Credit is to expire and such other information as shall be necessary to issue, amend, renew or extend such PPA Letter of Credit. If requested by the PPA Issuing Bank, Borrower also shall submit a PPA Letter of Credit application on the PPA Issuing Bank's standard form in connection with any request for a PPA Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by Borrower to, or entered into by Borrower with, the PPA Issuing Bank relating to a PPA Letter of Credit, the terms and conditions of this Agreement shall control.

(B) A PPA Letter of Credit shall be issued, amended, renewed or extended only if, after giving effect to such issuance, amendment, renewal or extension, the PPA LC Exposure shall not exceed the Total PPA LC Commitment and the PPA LC Exposure of the PPA Issuing Bank shall not exceed the PPA LC Commitments of the PPA Issuing Bank.

(C) Each PPA Letter of Credit shall expire at or prior to the close of business on the earlier of (1) the date one year after the date of the issuance of such PPA Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) or such other date as the PPA Issuing Bank may agree, and (2) the applicable PPA Maturity Date; provided that any PPA Letter of Credit with a one-year tenor may provide for the automatic renewal thereof for additional one-year periods (which, in no event, shall extend beyond the date referred to in clause (2) of this clause (C)); provided, further, that a PPA Letter of Credit may expire after the PPA Maturity Date to the extent that such PPA Letter of Credit is Cash Collateralized to a mutually agreed level as between the Borrower and such PPA Issuing Bank or back-stopped pursuant to arrangements acceptable to the relevant PPA Issuing Bank during the period commencing on such PPA Maturity Date until such later stated expiry date occurring after such PPA Maturity Date.

(ii) PPA LC Loans

(A) If the PPA Issuing Bank makes any Drawing Payment, Borrower shall reimburse such Drawing Payment by paying to Administrative Agent an amount equal to such Drawing Payment in Dollars, not later than 12:00 p.m., New York City time, on the second Banking Day following the date Borrower receives notice of such Drawing Payment; provided, that so long as no Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement has occurred and is continuing, any Drawing Payment shall be deemed to be a request by Borrower for a Borrowing in an aggregate amount equal to the amount of PPA LC Reimbursement Obligations with respect to the PPA Letters of Credit (a "**PPA LC Loan**") and, to the extent so financed, such PPA LC Reimbursement Obligations shall be discharged and replaced by the resulting PPA LC Loan owing to the PPA LC Lender which issued the Letter of Credit giving rise to such PPA LC Reimbursement Obligation in its capacity as the PPA Issuing Bank. Such requested amount shall be reduced, if necessary, such that the aggregate amount of applicable PPA LC Exposure does not exceed the aggregate applicable Total PPA LC Commitments of the PPA Issuing Bank, with the amount of such Drawing Payment that is not covered by PPA LC Loans becoming due and payable on demand. With respect to any PPA LC Reimbursement Obligation that is not financed with a PPA LC Loan because an Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement has occurred and is continuing, such PPA LC Reimbursement Obligation shall be due and payable on demand (together with interest) and shall bear interest as provided in Section 2.4(c). The PPA LC Loans made pursuant to this Section 2.2(c)(ii)(A) shall initially be Base Rate Loans.

(B) If Borrower fails to reimburse any Drawing Payment not covered or financed by PPA LC Loans as contemplated by Section 2.2(c)(ii)(A), then Administrative Agent shall promptly notify the PPA Issuing Bank of the applicable Drawing Payment and the payment then due from Borrower. Promptly following receipt by Administrative Agent of any payment from Borrower pursuant to this paragraph, Administrative Agent shall distribute such payment to the PPA Issuing Bank.

(C) On the Maturity Date, the Borrower shall repay to Administrative Agent, for the account of the PPA LC Lender, the aggregate unpaid principal amount of the PPA LC Loans (including all fees, interest and other amounts accrued in connection therewith).

(d) Reimbursement Obligations Absolute. The obligation of Borrower to reimburse any Drawing Payment as provided in Section 2.2 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) any amendment or waiver of or any consent to departure from all or any terms of any of the Credit Documents, (v) the existence of any claim, setoff, defense or other right which Borrower may have at any time against the beneficiary of such Letter of Credit (or any Persons for whom such beneficiary may be acting), the applicable Issuing Bank, Administrative Agent, any Lender or any other Person, whether in connection with this Agreement, the transactions contemplated hereby, by any other Credit Document or by any unrelated transaction, (vi) any breach of contract or dispute among or between Borrower, an Issuing Bank, Administrative Agent, any Lender or any other Person, (vii) any non-application or misapplication by the beneficiary of a Letter of Credit of the proceeds of any Drawing Payment or any other act or omission of such beneficiary in connection with such Letter of Credit, (viii) any failure to preserve or protect any Collateral, any failure to perfect or preserve the perfection of any Lien thereon, or the release of any of the Collateral securing the performance or observance of the terms of this Agreement or any of the other Credit Documents, or (ix) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.2(d), constitute a legal or equitable discharge of, or provide a right of setoff against, Borrower's obligations hereunder; provided, that in each case, payment by an Issuing Bank shall not have constituted gross negligence or willful misconduct. Neither Administrative Agent, the Lenders nor the applicable Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of an Issuing Bank; provided, that nothing contained herein shall be construed to excuse an Issuing Bank from liability to Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by Borrower to the extent permitted by applicable law) suffered by Borrower that are determined by a court having jurisdiction to have been caused by (x) such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof, or (y) such Issuing Bank's refusal to issue a Letter of Credit in accordance with the terms of this Agreement. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank, such Issuing Bank shall be deemed to have exercised care in each such determination and each refusal to issue a Letter of Credit. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(e) Disbursement Procedures. An Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify Administrative Agent and Borrower by telephone (confirmed by telecopy or other electronic transmission) of such demand for payment and whether such Issuing Bank has made or shall make a Drawing Payment thereunder; provided, that any failure to give or delay in giving such notice shall not relieve Borrower of its obligation to reimburse the applicable Issuing Bank with respect to any such Drawing Payment.

(f) Interim Interest. If an Issuing Bank shall make any Drawing Payment, then, unless Borrower shall reimburse such Drawing Payment in full by 4:00 p.m. (New York time) on the second Banking Day after the date such Drawing Payment is made, the unpaid amount thereof shall bear interest, for each day from and including the date such Drawing Payment is made to but excluding the date that Borrower reimburses such Drawing Payment (including by the making of a Borrowing), at the rate per annum then applicable to Base Rate LC Loans or LIBOR LC Loans, at the election of Borrower, for Drawing Payments under a Letter of Credit; provided, that if such Drawing Payment is not reimbursed by Borrower when due or otherwise discharged pursuant to Section 2.22.2(c)(a)(ii), (b)(ii) or (c)(ii), then Section 2.4(c) shall apply. Interest accrued pursuant to this Section 2.2(f) shall be for the account of the applicable Issuing Bank.

(g) Additional Issuing Banks. From time to time, Borrower may by notice to Administrative Agent designate one or more other Lenders or other financial institutions (in addition to the Issuing Banks and their respective Affiliates) that agree (in their sole discretion) to act in such capacity and is reasonably satisfactory to Administrative Agent as a Revolving Issuing Bank, DSR Issuing Bank or PPA Issuing Bank, as applicable. Each such additional Issuing Bank shall execute a counterpart of this Agreement in such capacity upon the approval of Administrative Agent (which approval shall not be unreasonably withheld or delayed) and shall thereafter be a Revolving Issuing Bank, DSR Issuing Bank or PPA Issuing Bank, as applicable, hereunder for all purposes. The Register shall be updated following such execution.

(h) Reporting. Unless otherwise requested by Administrative Agent, each Issuing Bank shall (i) provide to Administrative Agent copies of any notice received from Borrower pursuant to Section 2.2 no later than the next Banking Day after receipt thereof, and (ii) report in writing to Administrative Agent (A) on or prior to each Banking Day on which such Issuing Bank expects to issue, amend, renew or extend any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the aggregate face amount of the Letters of Credit to be issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension occurred (and whether the amount thereof changed), and such Issuing Bank shall be permitted to issue, amend, renew or extend such Letter of Credit if Administrative Agent shall not have advised such Issuing Bank that such issuance, amendment renewal or extension would not be in conformity with the requirements of this Agreement, (B) on each Banking Day on which such Issuing Bank makes any Drawing Payment, the date of such Drawing Payment and the amount of such Drawing Payment, and (C) on any other Banking Day, such other information as Administrative Agent shall reasonably request, including but not limited to prompt verification of such information as may be requested by Administrative Agent.

(i) Replacement of an Issuing Bank. An Issuing Bank may be replaced at any time by written agreement among Borrower, Administrative Agent and the successor Issuing Bank. Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.3(c), (f) or (h), as applicable, and any unreimbursed obligations and other First Lien Obligations owed to such Issuing Bank in its capacity as such. From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter by such successor Issuing Bank, and (ii) references herein to the term "Issuing Bank", and, as applicable, "Revolving Issuing Bank," "DSR Issuing Bank" or "PPA Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. Upon the replacement of an Issuing Bank hereunder, (x) all outstanding Letters of Credit issued by the replaced Issuing Bank shall be cancelled and returned to the replaced Issuing Bank and (y) any Cash Collateral pledged to the First Lien Collateral Agent for the account of any such Issuing Bank shall be released by the First Lien Collateral Agent upon written confirmation from the Issuing Bank of the Issuing Bank's receipt of originals of all Letters of Credit and any and all amendments thereto issued by such Issuing Bank and payment by the Borrower of all First Lien Obligations owing to such Issuing Bank as contemplated by this Section 2.2(i).

(j) Non-Fronted Obligations. For certainty, each of the PPA Letters of Credit and the DSR Letters of Credit are intended to be non-fronted letters of credit, such that the PPA LC Lender or the DSR LC Lender, as applicable, with respect to any PPA Letter of Credit or DSR Letter of Credit, as applicable, is the same entity as, or an Affiliate of, the PPA Issuing Bank or DSR Issuing Bank, as applicable, that has issued such PPA Letter of Credit or such DSR Letter of Credit.

2.3 Fees

(a) Agents' and Arranger's Fees. Borrower shall pay to Administrative Agent, First Lien Collateral Agent, and Depositary Agent, as applicable, solely for (i) Administrative Agent's account the fees and other amounts described in the Agency Fee Letter, and (ii) Depositary Agent's and First Lien Collateral Agent's account the fees and other amounts described in the schedule of fees agreed among Borrower, First Lien Collateral Agent and Depositary Agent (the "**Depositary and Collateral Agency Fee Letter**").

(b) Revolving LC Commitment Fees. On each Quarterly Date, Borrower shall pay to Administrative Agent the following commitment fees, in each case, payable quarterly in arrears, and for the benefit of the Revolving LC Lenders, accruing from the Closing Date or the first day of the Payment Period, as the case may be, a commitment fee for such quarter (or portion thereof) then ending equal to 0.50% per annum on the average daily balance of the aggregate undrawn Revolving LC Commitments (calculated on an actual/360-day basis).

(c) Revolving LC Fees. On each Quarterly Date, Borrower shall pay to Administrative Agent, for the benefit of the Revolving LC Lenders, accruing from the Closing Date or the first day of the Payment Period, as the case may be, a letter of credit participation fee on all outstanding Revolving Letters of Credit (the "**Revolving LC Fee**") for such quarter (or portion thereof) then ending at a per annum rate equal to the Applicable Margin then in effect with respect to LIBOR Loans under the Revolving LC Commitments, on the face amount of each such Revolving Letter of Credit. Such fee shall be shared ratably among the Revolving LC Lenders holding Revolving LC Commitments (other than Defaulting Lenders) and calculated on an actual/360-day basis, payable quarterly in arrears.

(d) Revolving Letter of Credit Fronting Fee. The Borrower shall pay to the Administrative Agent for the account of each Issuing Bank a fronting fee (the "**Revolving Letter of Credit Fronting Fee**") until the Revolving Maturity Date, payable quarterly in arrears on each Quarterly Date occurring after the Closing Date, and the Revolving Maturity Date at the rate per annum on the difference between the average daily Stated Amount of all undrawn Revolving Letters of Credit issued by such Issuing Bank for such quarter (or portion thereof), minus such Issuing Bank's pro rata portion of such Stated Amount that corresponds to its pro rata portion of the Revolving LC Commitments, as agreed to between the Borrower and such Issuing Bank.

(e) DSR LC Commitment Fees. On each Quarterly Date, Borrower shall pay to Administrative Agent the following commitment fees, in each case, payable quarterly in arrears, and for the benefit of the DSR LC Lenders, accruing from the Closing Date or the first day of the Payment Period, as the case may be, a commitment fee for such quarter (or portion thereof) then ending equal to 0.50% per annum on the average daily balance of the aggregate undrawn DSR LC Commitments (calculated on an actual/360-day basis).

(f) DSR LC Fees. On each Quarterly Date, Borrower shall pay to Administrative Agent, for the benefit of the DSR LC Lenders, accruing from the Closing Date or the first day of the Payment Period, as the case may be, a letter of credit participation fee on all outstanding DSR Letters of Credit (the "**DSR LC Fee**") for such quarter (or portion thereof) then ending at a per annum rate equal to the Applicable Margin then in effect with respect to LIBOR Loans under the DSR LC Commitments, on the face amount of each such DSR Letter of Credit. Such fee shall be shared ratably among the DSR LC Lenders holding DSR LC Commitments (other than Defaulting Lenders) and calculated on an actual/360-day basis, payable quarterly in arrears.

(g) PPA LC Commitment Fees. On each Quarterly Date, Borrower shall pay to Administrative Agent the following commitment fees, in each case, payable quarterly in arrears, and for the benefit of the PPA LC Lenders, accruing from the Closing Date or the first day of the Payment Period, as the case may be, a commitment fee for such quarter (or portion thereof) then ending equal to 0.50% per annum on the average daily balance of the aggregate undrawn PPA LC Commitments (calculated on an actual/360-day basis).

(h) PPA LC Fees. On each Quarterly Date, Borrower shall pay to Administrative Agent, for the benefit of the PPA LC Lender, accruing from the Closing Date or the first day of the Payment Period, as the case may be, a letter of credit participation fee on all outstanding PPA Letters of Credit (the " **PPA LC Fee**") for such quarter (or portion thereof) then ending at a per annum rate equal to the Applicable Margin then in effect with respect to LIBOR Loans under the PPA LC Commitments, on the face amount of each such PPA Letter of Credit. Such fee shall be shared ratably among the PPA LC Lenders holding PPA LC Commitments (other than Defaulting Lenders) and calculated on an actual/360-day basis, payable quarterly in arrears.

2.4 Other Payment Terms

(a) Place and Manner. Except as otherwise provided in the Agency Fee Letter, Depositary and Collateral Agency Fee Letter or any other provision contained in any of the Credit Documents, Borrower shall make all payments due to any Lender, any Issuing Bank, First Lien Collateral Agent, Depositary Agent or Administrative Agent hereunder to Administrative Agent, for the account of such Lender, such Issuing Bank, First Lien Collateral Agent, Depositary Agent or Administrative Agent (as the case may be), to the account in the name of MUFG Bank, Ltd., Bank Name: MUFG Bank, Ltd., ABA No. 026-009-632, Account No: 9777-0191, Account Name: Loan Operations Department, Attention: Agency Desk, Reference: Geysers or such other account as Administrative Agent shall notify Borrower from time to time, in Dollars and in immediately available funds not later than 12:00 p.m., New York City time, on the date on which such payment is due. Any payment made after such time on any day shall be deemed received on the Banking Day after such payment is received. Administrative Agent shall disburse to each Lender, each Issuing Bank, First Lien Collateral Agent or Depositary Agent (as the case may be) each such payment received by Administrative Agent for such Lender, such Issuing Bank or First Lien Collateral Agent (as the case may be), such disbursement to occur on the day such payment is received if received by 12:00 p.m., New York City time, or if otherwise reasonably possible, or otherwise on the next Banking Day.

(b) Date. Whenever any payment due hereunder shall fall due on a day other than a Banking Day, such payment shall be made on the next succeeding Banking Day, and such extension of time shall be included in the computation of interest or fees, as the case may be, without duplication of any interest or fees so paid in the next subsequent calculation of interest or fees payable.

(c) Default Interest. Notwithstanding anything to the contrary herein, upon the occurrence and during the continuation of any Event of Default, the outstanding principal amount of overdue Loans and amounts due under outstanding Letters of Credit (without duplication) and, to the extent permitted by applicable Legal Requirements, any accrued and overdue but unpaid interest payments thereon and any accrued and overdue but unpaid fees, and other overdue amounts hereunder, shall thereafter bear interest (including post-petition interest in any proceeding under applicable Bankruptcy Laws) payable upon demand, and the LC Fees shall be increased, at a rate that is (i) 2% per annum in excess of the interest rate or LC Fee, as applicable, then otherwise payable under this Agreement with respect to the LC Loans, or (ii) in the case of any such fees and other amounts, at a rate that is 2% per annum in excess of the interest rate then otherwise payable under this Agreement for Base Rate Loans (the "**Default Rate**"); provided, that in the case of LIBOR Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective, such LIBOR Loans shall thereupon become Base Rate Loans and shall thereafter bear interest payable upon demand at a rate that is 2% per annum in excess of the interest rate then otherwise payable under this Agreement for Base Rate Loans, (it being understood that from and after the date on which all continuing Events of Default have been waived by the Lenders pursuant to Section 9.9, the Default Rate shall no longer apply).

(d) Net of Taxes, Etc.

(i) Taxes. Any and all payments to or for the benefit of any Lender Party by or on behalf of any Obligor hereunder or under any other Credit Document shall be made free and clear of and without deduction or withholding, setoff or counterclaim of any kind whatsoever, except as required by applicable law. If any Taxes are required to be deducted or withheld from or in respect of any sum payable by or on behalf of any Obligor hereunder or under any other Credit Document to any Lender Party, (A) if such Tax is an Indemnified Tax, the sum payable shall be increased as may be necessary so that after all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 2.4(d)), such Lender Party receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (B) the relevant Obligor shall make (or cause to be made) such deductions or withholdings, and (C) the relevant Obligor shall pay (or cause to be paid) the full amount deducted or withheld to the relevant taxation authority or other authority in accordance with applicable Legal Requirements. In addition, Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(ii) Tax Indemnity. Borrower shall indemnify each Lender Party for and hold it harmless against the full amount of Indemnified Taxes and Other Taxes (including any Indemnified Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.4(d)) paid by any Lender Party or its Affiliates, or any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally asserted. Payments by Borrower pursuant to this indemnification shall be made within thirty days from the date such Lender Party makes written demand therefor (submitted through Administrative Agent), which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof.

(iii) Notice. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by or on behalf of Borrower pursuant to this Section 2.4(d), Borrower shall furnish to Administrative Agent, at its address referred to in Section 11.1, the original or a certified copy of a receipt evidencing payment thereof or, if such receipt is not obtainable, other evidence of such payment reasonably satisfactory to Administrative Agent.

(iv) Conduit Financing. Notwithstanding anything to the contrary contained in this Section 2.4(d), if a Lender Party is a conduit entity participating in a conduit financing arrangement (as defined in Section 7701(l) of the Code and the Treasury Regulations issued thereunder) with respect to any payments made by Borrower under this Agreement and under any Note, Borrower shall not be obligated to pay additional amounts to such Lender Party pursuant to this Section 2.4(d) to the extent that the amount of Indemnified Taxes exceeds the amount that would have otherwise been payable were such Lender Party not a conduit entity participating in a conduit financing arrangement.

(v) Reimbursement by Lender Parties. If any Lender Party receives an indemnification payment pursuant to Section 2.4(d)(ii) and if such Lender Party is able, in its sole discretion exercised in good faith, to apply or otherwise take advantage of any refund or tax credit arising out of or in conjunction with any Indemnified Taxes or Other Taxes which give rise to such indemnification, such Lender Party shall, to the extent that in its sole discretion exercised in good faith, it can do so without prejudice to the retention of the amount of such refund or credit and without any other adverse tax consequences for such Lender Party, reimburse to Borrower at such time as such tax refund or credit shall have actually been received by such Lender Party such amount as the Lender Party shall, in its sole discretion exercised in good faith, have determined to be attributable to the relevant Taxes or Other Taxes and as will leave such Lender Party in no better or worse position than it would have been in if the payment of such Taxes or Other Taxes had not been required; provided, that if the Lender Party is required to repay all or any portion of any refund or any interest thereon to such Governmental Authority or to forfeit all or any portion of such credit, then, upon the request of such Lender Party, Borrower agrees to repay such Lender Party, as soon as reasonably practicable, the amount of the refund required to be paid to such Governmental Authority by such Lender Party or the amount of such credit that is required to be forfeited, in each case *plus* any penalties, interest or other charges imposed by such Governmental Authority with respect to such refund or credit, as the case may be. Nothing in this Section 2.4(d)(v) shall oblige any Lender Party to disclose to Borrower or any other Person any information regarding its tax affairs or tax computations, or shall interfere with Lender Party's absolute discretion to arrange its tax affairs in whatever manner it thinks fit. In particular, no Lender Party shall be under any obligation to claim relief from its corporate profits or similar tax liability in credits or deductions available to it and, if it does claim, the extent, order and manner in which it does so shall be at its absolute discretion.

(vi) Survival of Obligations. The obligations of Obligors under this Section 2.4(d) shall survive the termination of this Agreement and the repayment of Borrower's First Lien Obligations hereunder.

(e) Application of Payments. Except as otherwise expressly provided herein or in the other Credit Documents, payments made under this Agreement or the other Credit Documents and other amounts received by Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Issuing Banks or the Lenders under this Agreement or the other Credit Documents shall first be applied to any fees, costs, charges or expenses payable to Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Issuing Banks or the Lenders hereunder or under the other Credit Documents, next to any accrued but unpaid interest then due and owing, then to outstanding principal then due and owing or otherwise to be prepaid, and to all ordinary course settlement payments and termination payments then due and payable under any Interest Rate Agreement and Cash Collateralize outstanding LC Exposure (in each case, such application to be made on a pro rata basis among such applicable Persons), and any surplus then remaining shall be paid to Borrower or its successors or assigns or to whomsoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

(f) Withholding Exemption Certificates.

(i) Any Lender Party that is entitled to an exemption from or reduction of withholding tax with respect to payments made under any Credit Document shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender Party, if reasonably requested by Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Legal Requirements or reasonably requested by Borrower or the Administrative Agent as will enable Borrower or the Administrative Agent to determine whether or not such Lender Party is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.4(f)(ii)(A), 2.4(f)(ii)(B), and 2.4(f)(ii)(D) below) shall not be required if in the Lender Party's reasonable judgment such completion, execution or submission would subject such Lender Party to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender Party that is a U.S. Person shall deliver to Borrower and the Administrative Agent on or prior to the date on which such Lender Party becomes a Lender Party under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender Party is exempt from U.S. federal backup withholding tax;

(B) any Non-U.S. Lender Party shall, to the extent it is legally entitled to do so, deliver to Borrower and the Administrative Agent (in such number of copies as shall be requested by the Recipient) on or prior to the date on which such Non-U.S. Lender Party becomes a Lender Party under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Non-U.S. Lender Party claiming the benefits of an income tax treaty to which the United States is a party (I) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding tax pursuant to the "interest" article of such tax treaty, and (II) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender Party claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (I) a certificate substantially in the form of Exhibit H-1 to the effect that such Non-U.S. Lender Party is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of Borrower (or if the Borrower is an entity that is disregarded as separate from its regarded owner for U.S. federal income tax purposes, such regarded owner) within the meaning of Section 881(c)(3) (B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**"), and (II) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Non-U.S. Lender Party is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that if the Non-U.S. Lender Party is a partnership and one or more direct or indirect partners of such Non-U.S. Lender Party are claiming the portfolio interest exemption, such Non-U.S. Lender Party may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Lender Party shall, to the extent it is legally entitled to do so, deliver to Borrower and the Administrative Agent (in such number of copies as shall be requested by the Recipient) on or prior to the date on which such Lender Party becomes a Lender Party under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender Party under any Credit Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender Party were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender Party shall deliver to Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower or the Administrative Agent as may be necessary for Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender Party has complied with such Lender Party's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender Party agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Defaulting Lender. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 7 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.2 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to Cash Collateralize each Issuing Bank's LC Exposure (if any) with respect to such Defaulting Lender in accordance with Section 2.4(g)(iii); *third*, as Borrower may request (so long as no Default or Event of Default exists), to the funding of any Term Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fourth*, if so determined by the Administrative Agent and Borrower, to be held in a deposit account and released pro rata in order to (A) satisfy such Defaulting Lender's potential future funding obligations with respect to Term Loans under this Agreement and (B) Cash Collateralize any Issuing Bank's future LC Exposure (if any) with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement; *fifth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *sixth*, to the payment of any amounts owing to Borrower as a result of any judgment of a court of competent jurisdiction obtained by Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *seventh*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that if such payment is a payment of the principal amount of any Term Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, such payment shall be applied solely to pay the Term Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Term Loans are held by the Lenders pro rata in accordance with the Term Loan Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Cash Collateral. At any time that there shall exist a Defaulting Lender, within one Banking Day following the written request of the Administrative Agent or a Issuing Bank (with a copy to the Administrative Agent) the Borrower shall Cash Collateralize each Issuing Bank's LC Exposure (other than the LC Exposure of any Issuing Bank that is the Defaulting Lender or its Affiliate) with respect to such Defaulting Lender (determined after giving effect to Section 2.4(g)(iii)(B) and any Cash Collateral provided by such Defaulting Lender).

(A) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the First Lien Collateral Agent, for the benefit of the applicable Issuing Bank, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (B) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the First Lien Collateral Agent and an Issuing Bank as herein provided, or that the total amount of such Cash Collateral is less than 102.5% of the Stated Amount of such Letters of Credit, the Borrower shall, promptly upon demand by the Administrative Agent, pay or provide to the First Lien Collateral Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(B) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.4(g) in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(C) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the applicable Issuing Bank's LC Exposure shall not be held as Cash Collateral pursuant to this Section 2.4(g) following (1) the elimination of the LC Exposure (including by the termination of Defaulting Lender status of the applicable Lender) or (2) the determination by the Administrative Agent and the applicable Issuing Bank that there exists excess Cash Collateral; provided, that, subject to the other provisions of this Section 2.4(g), the Person providing Cash Collateral and the applicable Issuing Bank may agree that Cash Collateral shall be held to support future anticipated LC Exposure or other obligations; provided, further, that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Credit Documents.

(iv) Certain Fees. Notwithstanding anything herein to the contrary, no Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender (and Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(v) Termination or Transfer of Interest Rate Agreements. During the period that any Lender is a Defaulting Lender, such Lender (or any of its Affiliates) shall, at Borrower's option, not be permitted to be a Hedge Bank with respect to any Permitted Interest Rate Agreement, and to the extent such Lender (or its Affiliate) is a Hedge Bank, Borrower may, at its sole option, require such Hedge Bank to terminate or transfer its Permitted Interest Rate Agreements to an existing Lender (or its Affiliate). Any transfer of a Permitted Interest Rate Agreement, if required by the Borrower, shall be subject to the following conditions: (A) the Lender (or its Affiliate) as Hedge Bank and as transferor (the "**Transferor Hedge Provider**") and the transferee (the "**Transferee Hedge Provider**") shall enter into a novation agreement (based on the ISDA standard form novation agreement); (B) the calculation of the pricing of such novation (including any payment to be made between the Transferor Hedge Provider and the Transferee Hedge Provider) shall be acceptable to the Transferor Hedge Provider (unless it, or its Affiliates is a Defaulting Lender) and Transferee Hedge Provider in their reasonable discretion; and (C) the Transferor Hedge Provider shall bear all costs and expenses (including legal costs and expenses) in relation to any such transfer.

(vi) Defaulting Lender Cure. If Borrower, the Administrative Agent and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Term Loans to be held pro rata by the Lenders in accordance with the Term Loan Commitments, whereupon such Lender will cease to be a Defaulting Lender; provided, that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

2.5 Pro Rata Treatment

(a) Borrowings, Commitment Reductions, Etc. Except as otherwise provided herein, (i) each Borrowing consisting of Loans or each Drawing Payment under any Letters of Credit or each reduction of Commitments shall be made or allocated among the Lenders pro rata according to their respective Proportionate Shares of such Loans or Commitments, as the case may be, (ii) each payment of principal of and interest on Term Loans and LC Loans shall be made or shared among the Lenders holding such Loans pro rata according to their respective unpaid principal amounts of such Loans held by such Lenders, (iii) each payment of commitment fees shall be shared among the Lenders pro rata according to (A) their respective Proportionate Shares of the Commitments held by such Lenders to which such fees apply, and (B) in respect of each Lender which becomes a party to this Agreement hereunder after the Closing Date, the date upon which such Lender so became a party hereunder, and (iv) each payment of LC Fees shall be made or shared among the Lenders holding such Loans pro rata according to their respective Proportionate Shares of the Commitments held by such Lenders to which such fees apply.

(b) Sharing of Payments, Etc. If any Lender or Issuing Bank shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) on account of its Loans or participations in Drawing Payments resulting in such Lender or Issuing Bank receiving payment of a greater proportion of the aggregate amount of its Loans or participations in Drawing Payments and accrued interest thereon under the applicable facility than the proportion received by any other Lender or Issuing Bank with respect to such facility (other than the application of funds arising from the existence of a Defaulting Lender), then the Lender or Issuing Bank receiving such greater proportion shall forthwith purchase from the other Lenders or Issuing Bank such participations in the Loans or Drawing Payments, as the case may be, as shall be necessary to cause such purchasing Lender or Issuing Bank to share the excess payment ratably with each of them; provided, that (i) the foregoing shall not apply to any assignments by a Lender or Issuing Bank in accordance with Section 9.14, (ii) the foregoing shall not apply to any upfront fees, arranging fees or agency fees and (iii) if all or any portion of such excess payment is thereafter recovered from such purchasing Lender or Issuing Bank, such purchase from such Lender or Issuing Bank shall be rescinded and each other Lender or Issuing Bank shall repay to the purchasing Lender of Issuing Bank the purchase price to the extent of such recovery together with an amount equal to such other Lender's or Issuing Bank's proportionate share of the applicable facility (according to the proportion of (A) the amount of such other Lender's or Issuing Bank's required repayment to (B) the total amount so recovered from the purchasing Lender or Issuing Bank) of any interest or other amount paid or payable by the purchasing Lender or Issuing Bank in respect of the total amount so recovered. Borrower agrees that any Lender or Issuing Bank so purchasing a participation from another Lender or Issuing Bank pursuant to this Section 2.5(b) may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of setoff) with respect to such participation as fully as if such Lender or Issuing Bank was the direct creditor of Borrower in the amount of such participation.

2.6 Change of Circumstances

(a) Inability to Determine Rates; Effect of Benchmark Transition Event.

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Credit Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may, by mutual agreement, amend this Agreement by replacing the LIBO Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth Banking Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of the LIBO Rate with a Benchmark Replacement pursuant to this Section 2.6(a) will occur prior to the applicable Benchmark Transition Start Date.

(ii) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Administrative Agent, with the written consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed), will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (A) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (B) the implementation of any Benchmark Replacement, (C) the effectiveness of any Benchmark Replacement Conforming Changes and (D) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 2.6(a), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their commercially reasonable discretion, except, in each case, as expressly required pursuant to this Section 2.6(a).

(iv) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a LIBOR Loan of, conversion to or continuation of LIBOR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During any Benchmark Unavailability Period, the component of Base Rate based upon the LIBO Rate will not be used in any determination of Base Rate.

(b) Illegality. If any Lender reasonably determines that, after the Closing Date, the adoption of any Governmental Rule, any change in any Governmental Rule or the application or requirements thereof (whether such change occurs in accordance with the terms of such Governmental Rule as enacted, as a result of amendment, or otherwise), any change in the interpretation or administration of any Governmental Rule by any Governmental Authority, or compliance by any Lender or Borrower with any request or directive (whether or not having the force of law, but if not having the force of law, being of a type with which a Lender customarily complies) of any Governmental Authority; provided, that notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith, and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "Change in Law", (regardless of the date enacted, adopted or issued, a "**Change in Law**") shall make it unlawful or impossible for any Lender to make or maintain any LIBOR Loan, or results in a Governmental Authority imposing material restrictions on the authority of the Lenders to purchase, sell or take deposits of Dollars in the pursuant to the preceding sentence prior to the notice thereof by such Lender to Borrower through Administrative Agent, (1) Borrower's right to request the making of or conversion to, and the Lender's obligations to make or convert to, LIBOR Loans shall be suspended until such Lender notifies Borrower and Administrative Agent that the circumstances giving rise to such determination no longer exist, and (2) Borrower shall, upon demand from such Lender (with a copy to Administrative Agent), either (I) pursuant to Section 2.1(g) convert any then outstanding LIBOR Loans into Base Rate Loans at the end of the current Interest Periods for such Loans, or (II) immediately repay LIBOR Loans pursuant to Section 2.1(h) or convert LIBOR Loans into Base Rate Loans if such Lender shall notify Borrower that such Lender may not lawfully continue to fund and maintain such Loans. Upon any such conversion, Borrower shall also pay accrued interest on the amount so converted. Any conversion or prepayment of LIBOR Loans made pursuant to the preceding sentence prior to the last day of an Interest Period for such Loans shall be deemed a prepayment thereof for purposes of Section 2.7.

(c) Increased Costs. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement) or any Issuing Bank; or

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letters of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost (other than any cost relating to any Taxes) to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letters of Credit (or of maintaining its obligation to participate in or to issue any Letters of Credit), or to reduce the amount of any sum received or receivable by such Lender, Issuing Bank or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, Issuing Bank or other Recipient, Borrower shall pay to such Lender, Issuing Bank or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, Issuing Bank or other Recipient, as the case may be, for such additional costs incurred or reduction suffered (without duplication and after netting out the effect of any benefits resulting therefrom).

(d) Capital Requirements.

(i) If any Lender or Issuing Bank reasonably determines that any Change in Law affecting such Lender or Issuing Bank or any Lending Office of such Lender or such Lender's or Issuing Bank's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by any Issuing Bank, to a level below that which such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy), then from time to time Borrower shall pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction suffered (without duplication and after netting out the effect of any benefits resulting therefrom).

(ii) Borrower shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including eurocurrency funds or deposits (currently known as "Eurocurrency Liabilities" in Regulation D), additional interest on the unpaid principal amount of each LIBOR Loan equal to the actual costs of such reserves allocated to such Loan by such Lender; provided, that such costs shall be applied consistently across all other similar loans of such Lender, as determined by such Lender in good faith, which determination shall be conclusive absent manifest error. Such additional interest shall be due upon the occurrence of event giving rise to, or the imposition of, as applicable, the reserve requirement, and payable on each date on which interest is payable on such Loan; provided, that such Lender shall provide Borrower at least ten days' prior notice (with a copy to the Administrative Agent) of such additional interest. If a Lender fails to give notice ten days prior to the relevant interest payment date, such failure shall not excuse Borrower's obligation to pay such additional interest, however, such additional interest shall be only payable ten days from receipt of such notice.

(e) Notice; Participating Lenders' Rights. Each Lender shall notify Borrower of any event occurring after the date of this Agreement that will entitle such Lender to compensation pursuant to this Section 2.6(e), promptly, and in no event later than 180 days after the principal officer of such Lender responsible for administering this Agreement obtains knowledge thereof; provided, that any Lender's failure to notify Borrower within such 180 day period shall not relieve Borrower of its obligation under this Section 2.6(e) with respect to claims arising prior to the end of such period, but shall relieve Borrower of its obligations under this Section 2.6(e) with respect to the time between the end of such period and such time as Borrower receives notice from the applicable Lender as provided herein; and provided, further, that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof. No Person purchasing from a Lender a participation in any Commitment (as opposed to an assignment) shall be entitled to any payment from or on behalf of Borrower pursuant to Section 2.6(c) or Section 2.6(d) which would be in excess of the applicable proportionate amount (based on the portion of the Commitment in which such Person is participating) which would then be payable to such Lender if such Lender had not sold a participation in that portion of the Commitment.

2.7 Funding Losses

If Borrower shall (a) repay or prepay any LIBOR Loans on any day other than the last day of an Interest Period for such Loans (whether an Optional Prepayment or a Mandatory Prepayment), (b) fail to convert any Loans into LIBOR Loans in accordance with a Notice of Conversion of Loan Type delivered to Administrative Agent (whether as a result of the failure to satisfy any applicable conditions or otherwise) after such Notice of Conversion of Loan Type has become irrevocable, (c) fail to continue a LIBOR Loan in accordance with a Confirmation of Interest Period Selection delivered to Administrative Agent, or (d) fail to make any prepayment in accordance with any notice of prepayment delivered to Administrative Agent, then Borrower shall, within ten days after demand by any Lender, reimburse such Lender for all reasonable costs and losses incurred by such Lender as a result of such repayment, prepayment or failure ("**Liquidation Costs**"). Borrower understands that such costs and losses may include losses incurred by a Lender as a result of funding and other contracts entered into by such Lender to fund LIBOR Loans (other than non-receipt of the margin applicable to such LIBOR Loans). Each Lender demanding payment under this Section 2.7 shall deliver to Borrower a certificate setting forth in reasonable detail the basis for and the amount of costs and losses for which demand is made. Such a certificate so delivered to Borrower shall, in the absence of manifest error, be conclusive and binding as to the amount of such loss for purposes of this Agreement.

2.8 Alternate Office; Minimization of Costs; Replacement of Lenders

(a) To the extent reasonably possible, each Lender shall designate an alternative Lending Office with respect to its LIBOR Loans and otherwise take any reasonable actions to reduce any liability of Borrower to any Lender under Sections 2.4(d), 2.6(c), 2.6(d) or Section 2.7, or to avoid the unavailability of any Type of Loans under Section 2.6(b) so long as (in the case of the designation of an alternative Lending Office) such Lender, in the reasonable judgment of such Lender, determines that (i) such designation would not subject the Lender to any unreimbursed cost or otherwise be disadvantageous to such Lender in any material respect, and (ii) such actions would eliminate or reduce liability to such Lender; provided, that no Lender shall be required to designate an alternative Lending Office if such designation requires internal credit approval until such time as such Lender receives such internal credit approval. Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or actions within ten Banking Days of demand thereof to Borrower.

(b) If and with respect to each occasion that any Lender has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.9 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, a Lender either makes a demand for compensation pursuant to Sections 2.4(d), 2.6(c) or 2.6(d) or is unable to fund LIBOR Loans pursuant to Section 2.6(b) or is a Defaulting Lender, then Borrower may, upon at least five Banking Days' prior irrevocable written notice to each of such Lender and Administrative Agent, in whole permanently replace the Loans and Commitments of such Lender. Such replacement Lender shall upon the effective date of replacement purchase Borrower's First Lien Obligations hereunder owed to such replaced Lender for the aggregate amount thereof and shall thereupon for all purposes become a "Lender" hereunder. Such notice from Borrower shall specify an effective date for the replacement of such Lender's Loans and Commitments, which date shall not be later than the fourteenth day after the day such notice is given. On the effective date of any replacement of such Lender's Loans and Commitments pursuant to this Section 2.8(b), Borrower shall pay to Administrative Agent for the account of such Lender (i) any fees due to such Lender to the date of such replacement, (ii) the principal of and accrued interest on the principal amount of outstanding Loans held by such Lender to the date of such replacement (such amount to be represented by the purchase of Borrower's First Lien Obligations hereunder of such replaced Lender by the replacing Lender and not as a prepayment of such Loans), and (iii) the amount or amounts due to such Lender pursuant to each of Sections 2.4(c), 2.6(c) or 2.6(d), as applicable, and any other amount then payable hereunder to such Lender. Borrower shall remain liable to such replaced Lender for any Liquidation Costs that such Lender sustains or incurs as a consequence of the purchase of such Lender's Loans (unless such Lender has defaulted on its obligation to fund a Loan hereunder). Upon the effective date of the purchase of any Lender's Loans owed to such Lender and termination of such Lender's Commitments pursuant to this Section 2.8(b), such Lender shall cease to be a Lender hereunder. No such termination of any such Lender's Commitments and the purchase of such Lender's Loans pursuant to this Section 2.8(b) shall affect (x) any liability or obligation of Borrower or any other Lender to such terminated Lender, or any liability or obligation of such terminated Lender to Borrower or any other Lender, which accrued on or prior to the date of such termination, or (y) such terminated Lender's rights hereunder in respect of any such liability or obligation. Nothing in this Section 2.8(b) shall be deemed to prejudice any rights that Borrower may have against any Lender that is a Defaulting Lender.

(c) Upon written notice to Administrative Agent, any Lender may designate a Lending Office other than the Lending Office most recently designated to Administrative Agent and may assign all of its interests under the Credit Documents and its Notes (if any) to such Lending Office; provided, that, such designation and assignment do not at the time of such designation and assignment increase the reasonably foreseeable liability of Borrower under Sections 2.4(d), 2.6(c) or 2.6(d) or make an Interest Rate option unavailable pursuant to Section 2.6(b).

The Lenders hereby acknowledge that no Agent shall be under any duty to take any discretionary action permitted to be taken by it pursuant to the provisions of this Agreement unless it shall be requested in writing to do so by the Required Lenders. The Lenders further acknowledge and agree that so long as an Agent shall make any determination to be made by it hereunder or under any other Credit Document in good faith, such Agent shall have no liability in respect of such determination to any Person.

(c) No Agent shall have, by reason hereof or of any of the other Credit Documents, a fiduciary relationship in respect of any Lender; and nothing herein or in any of the other Credit Documents, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect hereof or of any of the other Credit Documents except as expressly set forth herein or therein. (d) Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees, and may consult with the applicable Independent Consultants in the exercise of such powers, rights and remedies and the performance of such duties. First Lien Collateral Agent, Administrative Agent, Coordinating Lead Arrangers, and Joint Lead Arrangers shall in all cases be fully protected in acting, or refraining from acting, in accordance with written instructions signed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided herein or under the other Credit Documents) or otherwise, and, except as otherwise specifically provided herein, such instructions and any action or inaction pursuant thereto shall be binding on all the Lenders. As to any other matters not expressly provided for by this Agreement, neither First Lien Collateral Agent nor Administrative Agent shall be required to take any action or exercise any discretion, but shall be required to act or to refrain from acting upon instructions of the Required Lenders or, where expressly provided, all Lenders (except that neither First Lien Collateral Agent nor Administrative Agent shall be required to take any action which exposes First Lien Collateral Agent or Administrative Agent (as the case may be) to personal liability or which is contrary to this Agreement, any other Credit Document or any Legal Requirement). Each of First Lien Collateral Agent and Administrative Agent shall in all cases (including when any action by First Lien Collateral Agent or Administrative Agent (as the case may be) alone is authorized hereunder, if First Lien Collateral Agent or Administrative Agent (as the case may be) elects in its sole discretion to obtain instructions from the Required Lenders) be fully protected in acting, or in refraining from acting, hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders (or, where so expressly stated, all Lenders), and such instructions of the Required Lenders (or all Lenders, where applicable) and any action taken or failure to act pursuant thereto shall be binding on all of the Lender Parties.

9.3 Non-Reliance

Each Lender represents that it has, independently and without reliance on the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of the financial condition and affairs of the Obligors and its own decision to enter into this Agreement and agrees that it shall, independently and without reliance upon the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own appraisals and decisions in taking or not taking action under this Agreement. Each of Administrative Agent, Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent and any Lender shall not be required to keep informed as to the performance or observance by any Obligor or its Affiliates under this Agreement or any other document referred to or provided for herein or to make inquiry of, or to inspect the properties or books of any Obligor or its Affiliates.

9.4 Defaults; Material Adverse Effect

None of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent and Administrative Agent shall be deemed to have knowledge or notice of the occurrence of any Default, Event of Default or Material Adverse Effect, unless such Person has received a notice from a Lender or Borrower, referring to this Agreement, describing such Default, Event of Default or Material Adverse Effect and indicating that such notice is a notice of the occurrence of such Default, Event of Default or Material Adverse Effect (as the case may be). If Administrative Agent receives such a notice of the occurrence of a Default, Event of Default or Material Adverse Effect, Administrative Agent shall give notice thereof to the Lenders. Each of First Lien Collateral Agent and Administrative Agent shall take such action with respect to such Default, Event of Default or Material Adverse Effect as is provided in Article 3, Article 7 or the terms of the Credit Documents, including but not limited to the Intercreditor Agreement, or if not provided for in Article 3, Article 7 or such Credit Documents, as the Administrative Agent or First Lien Collateral Agent shall be reasonably directed by the Required First Lien Secured Parties; provided, that unless and until Administrative Agent or First Lien Collateral Agent shall have received such directions, each of Administrative Agent and First Lien Collateral Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default, Event of Default or Material Adverse Effect as it shall deem advisable in the best interest of the First Lien Secured Parties.

9.5 Indemnification

Without limiting the First Lien Obligations of Borrower hereunder, each Lender severally agrees to indemnify the Coordinating Lead Arrangers, Joint Lead Arrangers, each Agent and their respective officers, directors, shareholders, controlling Persons, employees, agents and servants, ratably in accordance with their Proportionate Shares for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against such Agent, the Coordinating Lead Arrangers, Joint Lead Arrangers, or such Person in any way relating to or arising out of this Agreement or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or the enforcement of any of the terms hereof or thereof or of any such other documents, or any action taken or omitted by it or any of them under this Agreement or any other Credit Document, to the extent the same shall not have been reimbursed by Borrower; provided, that no Lender shall be liable to an Agent the Syndication Agent, Bookrunners, Coordinating Lead Arrangers, or Joint Lead Arrangers for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements found in a final non-appealable judgment by a court of competent jurisdiction to have resulted primarily from the gross negligence or willful misconduct of such Agent, such Coordinating Lead Arrangers, Joint Lead Arrangers or any of their Related Parties. The obligations of the Lenders under this Section 9.5 shall survive payment of all First Lien Obligations and the resignation or replacement of any Agent. An Agent or any such Person shall be fully justified in refusing to take or to continue to take any action hereunder or under any other Credit Document unless it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Without limitation of the foregoing, each Lender agrees to reimburse each Agent, the Coordinating Lead Arrangers, Joint Lead Arrangers, or any such Person promptly upon demand for its Proportionate Share of any out-of-pocket expenses (including reasonable counsel fees and compensation of agents and employees paid for services rendered on behalf of the Lenders, but limited in the case of legal expenses, to the actual and reasonable and documented expenses of one counsel for the Agents, and, if necessary, one firm of local counsel in each appropriate jurisdiction where any action to realize upon any part of the Collateral is necessary, in each case for the Agents (and, in the case of an actual or perceived conflict of interest where the Agents affected by such conflict informs the Borrower of such conflict, of another firm of counsel for such affected Agent) incurred by such Agent, Coordinating Lead Arrangers, Joint Lead Arrangers, or any such Person in connection with the preparation, execution, administration or enforcement of, or legal advice in respect of rights or responsibilities under, the Credit Documents, to the extent that such Agent, Coordinating Lead Arrangers, Joint Lead Arrangers, or any such Person is not reimbursed for such expenses by Borrower).

9.6 Successor Agent

Any Agent may resign at any time by notifying the Lenders and Borrower, in accordance with this Section 9.6 or the provisions of the Intercreditor Agreement, as applicable. Upon any such resignation of either Administrative Agent or First Lien Collateral Agent, the Required Lenders shall have the right, with the consent of Borrower (such consent not to be unreasonably withheld or delayed) to appoint a successor Administrative Agent or First Lien Collateral Agent (as the case may be). Subject to the provisions of the Intercreditor Agreement, if no successor Administrative Agent or First Lien Collateral Agent (as the case may be) shall have been so appointed by the Required Lenders and shall have accepted such appointment, within fifteen days after the retiring Administrative Agent's or First Lien Collateral Agent's (as the case may be) giving of notice of resignation or the Lenders' removal of the retiring Administrative Agent or First Lien Collateral Agent (as the case may be), the retiring Administrative Agent and First Lien Collateral Agent (as the case may be) may, on behalf of the Lender Parties, with the consent of Borrower (such consent not to be unreasonably withheld or delayed), appoint a successor Administrative Agent or First Lien Collateral Agent (as the case may be) hereunder, which shall be a Lender, if any Lender shall be willing to serve, and otherwise shall be a commercial bank having a combined capital and surplus of at least $500,000,000 or an Affiliate of any such bank. Upon the acceptance of any appointment as Administrative Agent or First Lien Collateral Agent (as the case may be) under the Credit Documents by a successor Administrative Agent or First Lien Collateral Agent (as the case may be), such successor Administrative Agent or First Lien Collateral Agent (as the case may be) shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent or First Lien Collateral Agent (as the case may be), and the retiring Administrative Agent or First Lien Collateral Agent (as the case may be) shall be discharged from its duties and obligations as Administrative Agent or First Lien Collateral Agent (as the case may be) only under the Credit Documents. After any retiring Administrative Agent's or First Lien Collateral Agent's resignation hereunder as Administrative Agent or First Lien Collateral Agent (as the case may be), the provisions of this Article 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent or First Lien Collateral Agent (as the case may be) under the Credit Documents. In addition to the foregoing, if a Lender becomes, and during the period it remains, a Defaulting Lender, an Issuing Bank may, upon prior written notice to Borrower and Administrative Agent, resign as an Issuing Bank effective at the close of business New York time on a date specified in such notice (which date may not be less than twenty Banking Days after the date of such notice); provided, that such resignation by the applicable Issuing Bank shall have no effect on the validity or enforceability of any Letter of Credit then outstanding or on the obligations of Borrower or any Lender under this Agreement with respect to any such outstanding Letter of Credit or otherwise to such Issuing Bank. Anything herein to the contrary notwithstanding, if at any time the Required Lenders determine that the Person serving as Administrative Agent is a Defaulting Lender, the Required Lenders (determined after giving effect to Section 9.9) may by notice to Borrower and such Person remove such Person as Administrative Agent and appoint a replacement Administrative Agent hereunder. Such removal shall, to the fullest extent permitted by applicable law, be effective on the earlier of (a) the date a replacement Administrative Agent is appointed, and (b) the date which is five Banking Days after the giving of such notice by the Required Lenders (regardless of whether a replacement Administrative Agent has been appointed).

9.7 Authorization

Each of the Lenders and each assignee of any such Lender hereby irrevocably authorizes each of Administrative Agent, First Lien Collateral Agent, the Coordinating Lead Arrangers, Joint Lead Arrangers, and Issuing Banks to take such actions on behalf of such Lender or assignee and to exercise such powers as are specifically delegated to such Person in such capacity by the terms and provisions hereof and of the other Credit Documents, together with such actions and powers as are reasonably incidental thereto, and each Lender and each assignee or any such Lender hereby agrees to be bound by any such actions. Without limiting the generality of the foregoing, Administrative Agent is hereby expressly authorized by the Lenders and Issuing Banks, without hereby limiting any implied authority, (a) to receive on behalf of the Lenders and the Issuing Banks all payments of principal of and interest on the Loans, all payments in respect of Drawing Payments and all other amounts due to the Lenders and the Issuing Banks hereunder, and promptly to distribute to each Lender or Issuing Bank its proper share of each payment so received (and any such payments not so distributed by Administrative Agent within one Banking Day of receipt thereof shall bear interest (at Administrative Agent's expense) at a rate equal to the greater of (i) the Federal Funds Rate, and (ii) a rate reasonably determined by Administrative Agent in accordance with banking industry rules on interbank compensation); (b) to give notice on behalf of each of the Lenders of any Event of Default specified in this Agreement of which Administrative Agent has actual knowledge acquired in connection with the performance of its duties as Administrative Agent hereunder; (c) to distribute to each Lender copies of all notices, financial statements and other materials delivered by Borrower pursuant to this Agreement as received by Administrative Agent; and (d) to enter into (and each of the Lenders, Issuing Banks, Coordinating Lead Arrangers, and Joint Lead Arrangers hereby agree to be bound by the terms of and direct the Administrative Agent to enter into) a use of work product agreement in the form of Exhibit J on behalf of each Lender, Issuing Banks, Coordinating Lead Arrangers, and Joint Lead Arrangers. Each of Administrative Agent and First Lien Collateral Agent is further authorized by the Lender Parties to release Liens on property that the Obligors are permitted to sell or transfer pursuant to the terms of this Agreement or the other Credit Documents and to enter into agreements supplemental hereto for the purpose of curing any formal defect, inconsistency, omission or ambiguity in this Agreement or any Credit Document to which it is a party.

9.8 Other Roles

With respect to its Commitment, the Loans made by it and any Note issued to it, each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent and Issuing Banks in its individual capacity shall have the same rights and powers under the Credit Documents as any other Lender and may exercise the same as though it were not a Coordinating Lead Arranger, Joint Lead Arranger, First Lien Collateral Agent, Administrative Agent or Issuing Bank. The term "Lender" or "Lenders" shall, unless otherwise expressly indicated, include each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent and Issuing Banks in its individual capacity. Each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, Issuing Banks and their respective Affiliates may accept deposits from, lend money to, and generally engage in any kind of business with Borrower or any other Person, without any duty to account therefor to the Lenders. For the avoidance of doubt, MUFG Union Bank, N.A. may act as both First Lien Collateral Agent and as Depositary Agent, notwithstanding any potential or actual conflict of interest presented by the foregoing. Each of the Lenders hereby waives any claim against each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, Issuing Banks, Borrower and any of their respective Affiliates based upon any conflict of interest that such Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, Issuing Bank or any of their respective Affiliates may have with regard to acting as an agent, arranger or Issuing Bank hereunder and acting in such other roles.

9.9 Amendments; Waivers

(a) Unanimous Consent. Subject to the provisions of this Section 9.9, unless otherwise specified in this Agreement or another Credit Document, the Required Lenders (or Administrative Agent or First Lien Collateral Agent upon written direction or consent of the Required Lenders) and the Obligors may enter into agreements, waivers or supplements hereto for the purpose of adding, modifying or waiving any provisions to the Credit Documents or changing in any manner the rights of the Lenders or the Obligors hereunder or thereunder or waiving any Default or Event of Default; provided, that notwithstanding anything to the contrary set forth herein, any amendment modification, termination or consent to, of or under any First Lien Collateral Document permitted pursuant to this Section 9.9 shall be subject to the applicable terms of the Intercreditor Agreement and no such supplemental agreement shall, without the consent of all of the Lenders affected thereby or, with respect to clauses (i) and (iii), all of the Lenders affected thereby and all of the Hedge Banks affected thereby:

(iv) extend the Maturity Dates or reduce the principal amount of any outstanding Loans or Notes or reduce the rate or change the time of payment of interest due on any Loan; provided, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" contained in Section 2.4(c) or to waive any obligation of Borrower to pay interest at the Default Rate;

(viii) modify the order of application of any prepayment of Term Loans or LC Loans from the application thereof set forth in the applicable provisions of Section 2.1(h) of this Agreement or Section 4.1 (*Applications of Proceeds*) of the Intercreditor Agreement; provided, that the Required Lenders may waive, in whole or in part, any prepayment so long as the application as between Loans, of any portion of such prepayment which is still required to be made is not altered.

(b) Affected Party Consent. Notwithstanding anything to the contrary herein, no agreement, waiver or supplement hereto shall add, modify or waive any provisions to the Credit Documents, or change in any manner the rights of the Lenders, Hedge Banks or the Obligors hereunder or thereunder, so as to:

(i) amend or modify any provision set forth in Sections 2.1(h)(i), 2.1(h)(ii), 2.1(h)(iii), 2.4(d)(i), 2.4(e), 2.5(a) or 2.5(b) in a manner that would alter the pro rata sharing of payments with respect to the applicable Loan facility without the prior written consent of each Lender adversely affected thereby;

(ii) change the order of priority of payments set forth in Section 4.1 (*Applications of Proceeds*) of the Intercreditor Agreement or Section 3.1(b) (*Revenue Account Waterfall*) of the Depositary Agreement, without the prior written consent of each Lender adversely affected thereby;

(iv) amend the definition of "Lenders" or reduce the percentage specified in the definition "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby;

(v) change the relative priority or the extent of the security interest granted in favor of any Lender or Hedge Bank as compared to the priority or the extent of the security interest granted in favor of any other Lender or Hedge Bank, without the prior written consent of each Lender or Hedge Bank adversely affected thereby; or

(vi) otherwise subordinate the First Lien Obligations of Borrower in respect of the Interest Rate Agreements to any other First Lien Obligations of Borrower hereunder, without the prior written consent of each Hedge Bank adversely affected thereby.

Notwithstanding the foregoing, without the consent of any Lender or Issuing Bank, the Administrative Agent may enter into amendments in connection with Incremental Term Loan Facilities as set forth in Section 2.1(b).

(c) Defaulting Lenders. Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender shall not be entitled to vote in respect of amendments and waivers hereunder and the Commitment and the outstanding Loans or other extensions of credit of such Lender hereunder shall not be taken into account in determining whether the Required Lenders or all of the Lenders, as required, have approved any such amendment or waiver (and the definition of "Required Lenders" shall automatically be deemed modified accordingly for the duration of such period), except that (i) without the consent of such Defaulting Lender (A) the Commitment of any Defaulting Lender may not be increased or extended, (B) any amount due to any Defaulting Lender, whether principal or interest, may not be reduced, and (C) the payment date for any amount due to such Defaulting Lender, whether principal or interest, may not be extended, and (ii) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(d) Minor Defects. 9.10 Withholding Tax

Each Lender Party shall severally indemnify the Administrative Agent, within ten days after demand therefor, for (a) any taxes (including any interest, additions to tax or penalties applicable thereto) attributable to such Lender Party for whatever reason (but, if such taxes are Indemnified Taxes and Other Taxes, only to the extent that Borrower has not already indemnified the Administrative Agent for such taxes and without limiting the obligation of Borrower to do so), and (b) any taxes (including any interest, additions to tax or penalties applicable thereto) attributable to such Lender Party's failure to comply with the provisions of Section 9.13 relating to the maintenance of a Participant Register (as defined in Section 9.13 below), in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender Party by the Administrative Agent shall be conclusive absent manifest error. Each Lender Party hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender Party under any Credit Document or otherwise payable by the Administrative Agent to the Lender Party from any other source against any amount due to the Administrative Agent under this Section 9.10. The obligations of the Lender Parties under this Section 9.10 shall survive the payment of all First Lien Obligations and the resignation or replacement of Administrative Agent.

If any Lender or Issuing Bank sells, assigns, grants participation in, or otherwise transfers its rights under this Agreement, the purchaser, assignee, Participant or transferee, as applicable, shall comply and be bound by the terms of Section 2.4(f) and this Section 9.10 as though it were such Lender or Issuing Bank.

9.11 General Provisions as to Payments

Administrative Agent shall promptly distribute to each Lender, subject to the terms of any separate agreement between Administrative Agent and such Lender, its pro rata share of each payment of principal and interest payable to the Lenders on the Loans and of fees hereunder received by Administrative Agent for the account of the Lenders and of any other amounts owing under the Loans. The payments made for the account of each Lender shall be made, and distributed to it, for the account of (a) its domestic Lending Office in the case of payments of principal of, and interest on, its Base Rate Loans, (b) its domestic or foreign Lending Office, as each Lender may designate in writing to Administrative Agent, in the case of LIBOR Loans, and (c) its domestic Lending Office, or such other Lending Office as it may designate for the purpose from time to time, in the case of payments of fees and other amounts payable hereunder.

9.12 Substitution of Lender

Should any Lender fail to make a Loan in violation of its obligations under this Agreement (a "**Non-Advancing Bank**"), Administrative Agent shall (a) in its sole discretion fund the Loan on behalf of the Non-Advancing Bank, or (b) cooperate and consult with Borrower or any other Lender to find another Person that shall be acceptable to Administrative Agent and that shall be willing to assume the Non-Advancing Bank's obligations under this Agreement (including the obligation to make the Loan which the Non-Advancing Bank failed to make but without assuming any liability for damages for failing to have made such Loan or any previously required Loan). Subject to the provisions of the next following sentence, such Person shall be substituted for the Non-Advancing Bank hereunder upon execution and delivery to Administrative Agent of an agreement acceptable to Administrative Agent by such Person assuming the Non-Advancing Bank's obligations (including its Commitments) under this Agreement, and all interest and fees which would otherwise have been payable to the Non-Advancing Bank shall thereafter be payable to such Person. Nothing in (and no action taken pursuant to) this Section 9.12 shall relieve the Non-Advancing Bank from any liability it might have to Borrower or to the other Lenders as a result of its failure to make any Loan.

9.13 Participation.

Any Lender may, without the consent of Borrower, Administrative Agent or any Issuing Bank, sell participations to one or more banks or other entities (a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans and Drawing Payments owing to it); provided, that (a) no such sale of a participation shall alter such Lender's or Borrower's obligations hereunder, (b) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (c) Borrower and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and (d) any agreement or instrument (oral or written) pursuant to which any Lender may grant a participation in its rights with respect to its Commitment (or Loans made hereunder) shall provide that, with respect to such Commitment (or Loans made hereunder), subject to the following proviso, such Lender shall retain the sole right and responsibility to exercise the rights of such Lender, and enforce the obligations of Borrower relating to such Commitment (or Loans made hereunder), including the right to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document and the right to take action to have the First Lien Obligations hereunder (or any portion thereof) declared due and payable pursuant to Article 7; provided, that (e) such agreement may provide that the participant may have rights to approve or disapprove decreases in Loans, interest rates or fees, lengthening of maturity of any Loans, extending the payment date for any amount due under Article 2 or releasing all or a material portion of the Collateral (other than (i) pursuant to Section 5.9 (*Limitation on Asset Dispositions*) of the First Lien Common Terms Agreement, (ii) in respect of any Casualty Event or Event of Eminent Domain, or (iii) as otherwise expressly permitted hereby or under any other Credit Document), and (w) no other agreement (oral or written) with respect to such Participant may exist between such Lender and such Participant. Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.6, 2.7, and 2.4(d) (subject to the requirements and limitations therein, including the requirements under Section 2.4(f) (it being understood that the documentation required under Section 2.4(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.14; provided, that such Participant (x) agrees to be subject to the provisions of Section 2.8 as if it were an assignee under this Section 9.13; and (y) shall not be entitled to receive any greater payment under Sections 2.6, 2.7 and 2.4(d), with respect to any participation, than its participating Lender would have been entitled to receive. No recipient of a participation in any Commitment or Loans of any Lender shall have any rights under this Agreement or shall be entitled to any reimbursement for Indemnified Taxes, Other Taxes, increased costs or reserve requirements under Sections 2.6 or 2.7 or any other indemnity or payment rights against Borrower (but shall be permitted to receive from the Lender granting such participation a proportionate amount which would have been payable to the Lender from whom such Person acquired its participation as provided in this Section 9.13). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "**Participant Register**"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the United States Proposed Treasury Regulations (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

9.14 Transfer of Commitment

(a) Notwithstanding anything else herein to the contrary, any Lender, after receiving Administrative Agent's prior written consent (such consent not to be unreasonably withheld) and (so long as no Event of Default has occurred and is continuing) after receiving Borrower's prior written consent (such consent not to be unreasonably withheld solely with respect to a sale, assignment, transfer, negotiation or disposal to a commercial bank, financial institution or an insurance company but such consent may be withheld in Borrower's sole discretion with respect to a sale, assignment, transfer, negotiation or disposal to any other Eligible Assignee), may from time to time, at its option, sell, assign, transfer, negotiate or otherwise dispose of a portion of one or more of its Commitments (including, for purposes of this Section 9.14, Loans made hereunder) (including the Lender's interest in this Agreement and the other Credit Documents) to one or more banks, financial institutions, or Eligible Assignees; provided, that (i) no Lender (including any assignee of any Lender) may assign any portion of its Commitment (including Loans) (A) in an amount less than $5,000,000 (unless to another Lender), or (B) in an amount which leaves the assigning Lender with a Commitment (including Loans) of less than $5,000,000 (in each case based on the original principal amount of the Commitment assigned) after giving effect to such assignment and all previous assignments (except that a Lender may be left with no Commitment or Loans if it assigns its entire Commitment); (ii) without the consent of the Borrower or any other Party, any Lender may assign all or any portion of its Commitments to another Lender, an Affiliate of a Lender; (iii) no consent of the Borrower shall be required in the case of primary syndication of the Loans and Commitments within sixty days after the Closing Date, to institutions that have been identified by the Syndication Agent and accepted by the Borrower (in its reasonable discretion) prior to the Closing Date and (iv) Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten Banking Days after having received notice thereof. An assignee shall not be entitled to receive any greater payment under any of Sections 2.4(d), 2.6 and 2.7.

(b) No such assignment shall be made to (i) Borrower or any of Borrower's Affiliates or Subsidiaries, or (ii) any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary thereof. In the event of any such assignment, (A) the assigning Lender's Proportionate Share shall be reduced and its obligations hereunder released by the amount of the Proportionate Share assigned to the new Lender, (B) the parties to such assignment shall execute and deliver an appropriate agreement evidencing such sale, assignment, transfer or other disposition, in form and substance reasonably satisfactory to Administrative Agent and Borrower, (C) the parties to the sale, assignment, transfer or other disposition, excluding Borrower, shall collectively pay to Administrative Agent an administrative fee of $3,500; provided, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment, (D) at the assigning Lender's option, Borrower shall execute and deliver, to such new Lender, Notes in the forms attached hereto as Exhibit B-1, as requested, in a principal amount equal to such new Lender's Commitment, but only if it shall also be executing and exchanging with the assigning Lender a replacement note for any Note in an amount equal to the Commitment retained by the assigning Lender, if any; provided, that Borrower shall have received for cancellation the existing Note held by such assigning Lender, and (E) Administrative Agent shall amend Schedule 2.2(a) to reflect the Proportionate Shares of the Lenders following such assignment. Thereafter, such new Lender shall be deemed to be a Lender and shall have all of the rights and duties of a Lender (except as otherwise provided in this Article 9), in accordance with its Proportionate Share, under each of the Credit Documents. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in Section 2.1(i).

(c) Disqualified Institution. Any assignments and participations to Disqualified Institutions are void ab initio unless such assignment or participation, as the case may be, has been approved by the Borrower, in which case such assignee or participant shall not be considered a Disqualified Institutions solely for such particular assignment or participation, as the case may be. In case of such assignments not approved by the Borrower, the assignee who is a Disqualified Institutions shall be deleted from the Register upon written notification from the Borrower. Except for notifying the Lenders with a list of Disqualified Institutions, Administrative Agent shall have no responsibility or liability to monitor or enforce such list of Disqualified Institutions.

9.15 Laws

Notwithstanding the foregoing provisions of this Article 9, no sale, assignment, transfer, negotiation or other disposition of the interests of any Lender hereunder or under the other Credit Documents shall be allowed if it would require registration under the federal Securities Act of 1933, as then amended, any other federal securities laws or regulations or the securities laws or regulations of any applicable jurisdiction. Borrower shall, from time to time at the request and expense of Administrative Agent, execute and deliver to Administrative Agent, or to such party or parties as Administrative Agent may designate, any and all further instruments as may in the opinion of Administrative Agent be reasonably necessary or advisable to give full force and effect to such sale, assignment, transfer, negotiation or disposition which would not require any such registration.

9.16 Assignability as Collateral

Notwithstanding any other provision contained in this Agreement or any other Credit Document to the contrary, any Lender may assign all or any portion of the Loans or Notes held by it to the Federal Reserve Bank, any other central banking authorities in accordance with applicable law and the United States Treasury as collateral security; provided, that any payment in respect of such assigned Loans or Notes made by Borrower to or for the account of the assigning or pledging Lender in accordance with the terms of this Agreement shall satisfy Borrower's obligations hereunder in respect of such assigned Loans or Notes to the extent of such payment. No such assignment shall release the assigning Lender from its obligations hereunder and in no event shall the Federal Reserve Bank, any other central banking authorities in accordance with applicable law or the United States Treasury be considered a "Lender" hereunder.

9.17 Notices to Lenders

Administrative Agent promptly shall deliver all material documents, instruments and notices that it receives hereunder and under the other Credit Documents to each Lender. Except as expressly provided in this Agreement or the other Credit Documents, Borrower shall not be required to deliver any documents, instruments or notices directly to the Lenders.

9.18 First Lien Collateral Agent

First Lien Collateral Agent shall: (a) forward promptly to Administrative Agent any notice delivered to First Lien Collateral Agent pursuant to any Consent; (b) have the right, but not the obligation, to (i) refuse any item for credit to any Depositary Account except as required by the terms of the Credit Documents, (ii) refuse to honor any request for transfer in relation to any Depositary Account that is not consistent with the Credit Documents, (iii) charge to any Depositary Account all applicable charges related to maintaining such Depositary Accounts, and (iv) pay fees, interest and other charges owing by the Obligors as provided herein and in the other Credit Documents; (c) except as otherwise provided herein and in the Depositary Agreement (including by the provision of standing instructions therein), take all actions and make all determinations with respect to the Collateral, the First Lien Collateral Documents (including as to the advisability of taking additional steps to perfect, or cause the perfection of, any security interest) and the other Credit Documents to which it is a party as directed in writing by Administrative Agent (acting in accordance with Section 9.7); and (d) have the right at any time to seek clarification and instructions concerning the administration of the Credit Documents from Administrative Agent, legal counsel selected by it in good faith with reasonable care or any court of competent jurisdiction and shall be fully protected in relying upon such instructions.

9.19 Right to Realize on Collateral

Notwithstanding anything contained in any of the Credit Documents to the contrary notwithstanding, the Obligors, the Administrative Agent, the First Lien Collateral Agent and each Lender hereby agree that: (a) no Lender or Agent shall have any right individually to realize upon any of the Collateral, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of Lenders, in accordance with the terms hereof, and all powers, rights and remedies under the First Lien Collateral Documents may be exercised solely by the First Lien Collateral Agent, on behalf of the First Lien Secured Parties and (b) in the event of a foreclosure by the First Lien Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the First Lien Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the First Lien Collateral Agent, as agent for and representative of the First Lien Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the First Lien Obligations as a credit on account of the purchase price for any Collateral payable by the First Lien Collateral Agent at such sale or other disposition.

9.20 Depositary Agent The Depositary Agent is an intended third party beneficiary of, and entitled to enforce on its respective behalf and for its own benefit and, if applicable, the benefit of the other First Lien Secured Parties, the provisions of this Agreement that purport to grant the Depositary Agent rights, privileges and benefits, entitlements, immunities, indemnities and/or benefits. Each Lender hereby (a) acknowledges that it has received and reviewed a copy of the Depositary Agreement and agrees to be bound by the terms thereof, and (b) authorizes and directs (i) the appointment of MUFG Union Bank, N.A. to act as the initial depositary agent under the Credit Documents, and (ii) the Depositary Agent to execute the Depositary Agreement and to take such actions as are contemplated by the terms of the Depositary Agreement. The Depositary Agent has, and shall have, no obligations under this Agreement.

Notice of any replacement such Independent Consultant shall be given by Administrative Agent to Borrower, the Lenders and to the Independent Consultant being replaced. All reasonable fees and expenses of the Independent Consultants (whether the original ones or replacements) shall be paid by Borrower pursuant to agreements reasonably acceptable to Borrower; provided, that no such acceptance shall be required at any time an Event of Default shall have occurred and be continuing.

11.2 Right to Set-Off

If an Event of Default shall have occurred and be continuing, subject to the Intercreditor Agreement (which may limit the rights specified in this Section 11.2), each Lender Party is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Lender Party to or for the credit or the account of Borrower, against any and all obligations of Borrower, now or hereafter existing under this Agreement or any other Credit Document held by such Lender Party, irrespective of whether or not such Lender Party shall have made any demand under this Agreement or such other Credit Document and although the obligations may be unmatured; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.4(g) and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the First Lien Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender Party under this Section 11.2 are in addition to other rights and remedies (including other rights of set-off) that such Lender Party may have.

11.3 Delay and Waiver

No delay or omission to exercise any right, power or remedy accruing to the Lender Parties upon the occurrence of any Default, Event of Default or Material Adverse Effect or any breach or Default of Borrower or any other Obligor or unsatisfied condition precedent under this Agreement or any other Credit Document shall impair any such right, power or remedy of the Lender Parties, nor shall it be construed to be a waiver of any such breach or Default or unsatisfied condition precedent, or an acquiescence therein, or of or in any similar breach or Default or unsatisfied condition precedent thereafter occurring, nor shall any waiver of any single Default, Event of Default, Material Adverse Effect or other breach or Default or unsatisfied condition precedent be deemed a waiver of any other Default, Event of Default, Material Adverse Effect or other breach or Default or unsatisfied condition precedent theretofore or thereafter occurring. Borrower shall pay to each of the Agents, Coordinating Lead Arrangers, and Joint Lead Arrangers all of their respective actual, reasonable and documented out-of-pocket costs and expenses (net of any costs and expenses paid prior to the Closing Date), in connection with the preparation, negotiation, closing and administering of this Agreement and the documents contemplated hereby but limited, in the case of legal expenses, to the actual, reasonable and documented expenses of Latham & Watkins LLP (or in the case of an actual or perceived conflict of interest, such other counsel reasonably acceptable to the Required Lenders and, prior to the delivery of a notice of a Trigger Event that has not been withdrawn, reasonably acceptable to the Borrower) for all Agents, Coordinating Lead Arrangers, and Joint Lead Arrangers taken as a whole and, if necessary, one firm in the State of California for all Agents, Coordinating Lead Arrangers, and Joint Lead Arrangers taken as a whole (and, in the case of an actual or perceived conflict of interest where the Agent, Coordinating Lead Arranger, or Joint Lead Arranger affected by such conflict informs the Borrower of such conflict, of another firm of counsel for such affected Agent, Coordinating Lead Arranger, or Joint Lead Arranger); provided, that Borrower shall not be required to pay the fees of the other attorneys of the Agents, Coordinating Lead Arrangers, and Joint Lead Arrangers). Borrower shall reimburse the Agents for all costs and expenses, including actual, reasonable and documented attorneys' fees and actual, reasonable and documented expert, consultant and advisor fees and expenses, expended or incurred by the Agents for their actual, reasonable and documented out-of-pocket expenses, but limited, in the case of legal expenses, to the actual, reasonable and documented expenses of Latham & Watkins LLP (or in the case of an actual or perceived conflict of interest, such other counsel reasonably acceptable to the Required Lenders and, prior to the delivery of a notice of a Trigger Event that has not been withdrawn, reasonably acceptable to the Borrower) for all Agents taken as a whole and, if necessary, one firm of local counsel in the State of California, in each case for all Agents taken as a whole (and, in the case of an actual or perceived conflict of interest where the Agent affected by such conflict informs the Borrower of such conflict, of another firm of counsel for such affected Agent), in enforcing this Agreement or the other Credit Documents in connection with a Default or Event of Default, in actions for declaratory relief in any way related to this Agreement, protecting its rights and interests under any First Lien Collateral Document, in collecting any sum which becomes due on the Notes or under the Credit Documents, in any restructuring of the Loans or otherwise relating to the occurrence of any Default or Event of Default.

11.5 Entire Agreement

This Agreement and any agreement, document or instrument attached hereto or referred to herein integrate all the terms and conditions mentioned herein or incidental hereto and supersede all oral negotiations and prior writings in respect to the subject matter hereof. Except as otherwise expressly provided, in the event of any conflict between the terms, conditions and provisions of this Agreement and any such agreement, document or instrument, the terms, conditions and provisions of this Agreement shall prevail.

11.6 Governing Law

THIS AGREEMENT AND ANY OTHER CREDIT DOCUMENT (UNLESS OTHERWISE EXPRESSLY PROVIDED FOR THEREIN), SHALL BE GOVERNED BY, AND CONSTRUED UNDER, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO CONFLICTS OF LAWS (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW).

11.7 Severability

In case any one or more of the provisions contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

11.8 Headings

Article, Section and Paragraph headings have been inserted in this Agreement as a matter of convenience for reference only and it is agreed that such headings are not a part of this Agreement and shall not be used in the interpretation of any provision of this Agreement.

11.9 Accounting Terms

All accounting terms not specifically defined herein shall be construed in accordance with GAAP and practices consistent with those applied in the preparation of the financial statements submitted by Borrower to Administrative Agent, and all financial data submitted pursuant to this Agreement shall be prepared in accordance with such principles and practices.

11.10 No Partnership, Etc.

Neither the Administrative Agent nor any Lender has any fiduciary relationship with or duty to any Obligor arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between Administrative Agent and Lenders, on one hand, and Borrower, on the other hand, in connection herewith or therewith shall be solely that of creditor and debtor. Nothing contained in this Agreement, the Notes or in any of the other Credit Documents shall be deemed or construed to create a partnership, tenancy-in-common, joint tenancy, joint venture or co-ownership by or between the Lenders and Borrower or any other Person. None of the Coordinating Lead Arrangers, Joint Lead Arrangers, Administrative Agent, First Lien Collateral Agent or the Lenders shall be in any way responsible or liable for the debts, losses, obligations or duties of Borrower or any other Person with respect to the Projects or otherwise. All obligations to pay real property or other taxes, assessments, insurance premiums, and all other fees and charges arising from the ownership, operation or occupancy of the Projects (if any) and to perform all obligations and other agreements and contracts relating to the Projects shall be the sole responsibility of the Obligors.

11.11 Mortgage/Collateral Documents

Certain guaranties of the Loans shall be secured in part by the Mortgages encumbering certain properties in the State of California solely to the extent provided therein. Reference is hereby made to the Mortgages and the other First Lien Collateral Documents for the provisions, among others, relating to the nature and extent of the security provided thereunder, the rights, duties and obligations of the Obligors and the rights of Administrative Agent, First Lien Collateral Agent and the other Lender Parties with respect to such security.

11.12 Limitation on Liability

No claim shall be made by any Obligor against the Coordinating Lead Arrangers, Joint Lead Arrangers, Green Loan Coordinators, Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Lenders, Issuing Banks or any of their respective Affiliates, directors, employees, attorneys or agents for any loss of profits, business or anticipated savings, special or punitive damages or any indirect or consequential loss whatsoever in respect of any breach or wrongful conduct (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Agreement or the other Credit Documents or any act or omission or event occurring in connection therewith, and each Obligor hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor, in each case, except to the extent such claim is based on gross negligence or willful misconduct of such Person. No claim shall be made by any Syndication Agent, Bookrunners, Green Loan Coordinator, Coordinating Lead Arranger, Joint Lead Arranger, Administrative Agent, First Lien Collateral Agent, Depositary Agent, Lender or Issuing Bank against any Obligor or any of their respective Affiliates, directors, employees, attorneys or agents for any loss of profits, business or anticipated savings, special or punitive damages or any indirect or consequential loss whatsoever in respect of any breach or wrongful conduct (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Agreement or the other Credit Documents or any act or omission or event occurring in connection therewith, and each of the Syndication Agent, Bookrunner, Green Loan Coordinator, Coordinating Lead Arranger, Joint Lead Arranger, Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Lenders and Issuing Banks hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor, in each case, except to the extent such claim is based on gross negligence or willful misconduct of such Person.

11.13 Indemnity

Borrower agrees to indemnify the Coordinating Lead Arrangers, Joint Lead Arrangers, and the Agents, the Lenders, Issuing Banks and each of their respective directors, trustees, officers, employees, Affiliates, and agents (each such Person being called an "**Indemnitee**") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (other than Taxes), including reasonable and documented counsel fees, charges and disbursements, but limited, in the case of legal expenses, to the actual, reasonable and documented expenses of one counsel for the Indemnitees taken as a whole, and, if necessary, one firm of local counsel in each material jurisdiction, in each case for the Indemnitees taken as a whole (and in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict, of another firm of counsel for such affected Indemnitee), incurred by or asserted against any Indemnitee (collectively, "**Subject Claims**") arising out of, in any way connected with, or as a result of (a) the execution or delivery of this Agreement or any other Credit Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations hereunder or thereunder or the consummation of the other transactions contemplated hereby, (b) the use of the proceeds of the Loans or the use of any Letter of Credit, or (c) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (other than claims solely as between the Indemnitees); provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that (i) the applicable Subject Claim results from the gross negligence or willful misconduct of such Indemnitee, as determined by the final judgment of a court of competent jurisdiction, or (ii) such Subject Claims arise out of any dispute solely among Indemnitees (other than claims against any Indemnitee in its capacity or in fulfilling its role as Agent under this Agreement and the other Credit Documents, and other than any claims involving any act or omission on the part of the Borrower or any Guarantor). Subject to and without limiting the generality of the foregoing sentence, Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all Subject Claims arising out of, in any way connected with, or as a result of (x) any claim or enforcement action under Environmental Laws alleging a violation of Environmental Laws issued to or against Obligors or the Projects, or (y) any Release or threatened Release of Hazardous Substances at, under, on or from the Projects, or, to the extent related in any way to any Project, any property to which any Obligor has sent Hazardous Substances for treatment, storage or disposal; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that the applicable Subject Claim results from (i) the gross negligence or willful misconduct of such Indemnitee or any of its Affiliates employees, or agents, as determined by the final judgment of a court of competent jurisdiction or (ii) any act or omission by any Indemnitee or any of its Affiliates, employees, or agents, occurring on or after the date of foreclosure on any Collateral. The provisions of this Section 11.13 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the First Lien Obligations under this Agreement or any other Credit Document, the invalidity or unenforceability of any term or provision of this Agreement or any other Credit Document, or any investigation made by or on behalf of any Indemnitee. All amounts due under this Section 11.13 shall be payable within thirty days at the written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested. This Section 11.13 shall not apply to Taxes. Each of the Indemnitees, on behalf of itself and its respective directors, trustees, officers, employees, Affiliates, and agents, agrees to provide Borrower with written notice of a proposed compromise or settlement of any Subject Claim specifying in detail the nature and amount of such proposed settlement or compromise. Each such Indemnitee shall consult with Borrower before compromising or settling such Subject Claim for at least thirty days after Borrower receives such notice of intended compromise or settlement and shall take into consideration any views or issues communicated by Borrower in connection with such compromise or settlement. Such Indemnitee shall act in good faith and reasonably, taking into account the interests of Borrower, in agreeing to any compromise or settlement.

In addition, each party hereto acknowledges that it has no proprietary or exclusive rights to any tax concept, tax matter or tax idea related to the Loan Transactions. (ii) Administrative Agent agrees that receipt of the Communications by Administrative Agent at the email address referenced in Section 11.1 shall constitute effective delivery of the Communications to Administrative Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform (as defined below) shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. 11.31 Climate Loan Disclaimer

The certification of the Loans by the Climate Bonds Initiative is based solely on the Climate Bond Standard and Certification and does not, and is not intended to, make any representation or give any assurance with respect to any other matter relating to the Loans or any Project. The certification of the Loans by the Climate Bonds Initiative was addressed solely to the board of directors of the Borrower and is not a recommendation to any person to purchase, hold or sell the Loans and such certification does not address the market price or suitability of the Loans for a particular investor. The certification also does not address the merits of the decision by the Borrower or any third party to participate in any Project and does not express and should not be deemed to be an expression of an opinion as to the Borrower or any aspect of any Project (including but not limited to the financial viability of any Project). The Climate Bonds Initiative does not assume or accept any responsibility to any person for independently verifying (and it has not verified) any information received by it or to undertake (and it has not undertaken) any independent evaluation of any Project or the Borrower. In addition, the Climate Bonds Initiative does not assume any obligation to conduct (and it has not conducted) any physical inspection of any Project. The certification does not and is not in any way intended to address the likelihood of timely payment of interest when due on the Loans and/or the payment of principal at maturity or any other date. The certification may be withdrawn at any time in the Climate Bonds Initiative's sole and absolute discretion and there can be no assurance that such certification will not be withdrawn. References to Loans certified by the Climate Bonds Initiatives do not imply that the Loans and First Lien Obligations hereunder are a "security" and it is the intent of the parties to treat Loans hereunder as loans.

1. DEFINITIONS

1.1 Definitions

Unless otherwise defined in Exhibit A or otherwise expressly provided in this Agreement, capitalized terms used herein shall have the meanings provided in the First Lien Common Terms Agreement or, if not in the First Lien Common Terms Agreement, in the Intercreditor Agreement.

1.2 Rules of Interpretation

Except as otherwise expressly provided, the rules of interpretation set forth in Exhibit A shall apply to this Agreement and the other Credit Documents.

2. THE CREDIT FACILITIES

2.1 Term Loan Facility

(a) Term Loans; Term Loan Commitments.

(i) The aggregate amount of the Term Loan Commitments on the Closing Date ~~is~~**was** $900,000,000 **which amount increased as of the Omnibus Amendment Date to an amount equal to $1,500,000,000** (the "**Total Term Loan Commitment**"). ~~Each~~**On the Closing Date, each** Lender holding a Term Loan Commitment (a "**Term Lender**") **made a Loan to the Borrower in the amount of its respective Term Loan Commitment as of such date. Each Lender holding a 2021 Term Loan Commitment** severally agrees, on the terms and conditions hereinafter set forth, to make a Loan to the Borrower on the ~~Closing~~**Omnibus Amendment** Date in an amount not to exceed such Lender's **2021** Term Loan Commitment at such time. Amounts borrowed under this Section 2.1(a), when repaid or prepaid, may not be reborrowed.

(ii) Notice of Borrowing. Borrower shall request any Loans to be funded on the Closing Date or Borrowing Date, as applicable, by delivering to Administrative Agent a written notice in the form of Exhibit C-1, appropriately completed (a "**Notice of Borrowing**"), at or before 1:00 p.m. (New York City time) at least one Banking Day prior to the Closing Date or Borrowing Date, as applicable.

(A) Each Lender shall, before 12:00 noon (New York City time) on the date of such Borrowing, make available by wire transfer for the account of its Lending Office to the account of the Administrative Agent, in same day funds, such Lender's ratable portion of such Borrowing, in accordance with the respective Commitments of such Lender. After the Administrative Agent's receipt of such funds and upon fulfillment or waiver of the applicable conditions set forth in Section 3.2, the Administrative Agent shall make such funds available to the Borrower (1) in the case of a Borrowing of Term Loans to be made on the Closing Date, as directed by the Borrower pursuant to the terms of, and in accordance with, the Funds Flow Memorandum and (2) in the case of a Borrowing of ~~Incremental~~**the 2021** Term Loans **to be made on the Omnibus Amendment Date**, as directed by the Borrower pursuant to the terms and in accordance with, ~~**the funds flow memorandum relating to the Incremental Term Loans**~~**directed by the Borrower pursuant to the terms of, and in accordance with, the Omnibus Amendment Date Funds Flow Memorandum**.

(B) Each Notice of Borrowing shall be irrevocable and binding on the Borrower from and after the Banking Day prior to the Borrowing. In the case of any Borrowing that the related Notice of Borrowing specifies is to be comprised of LIBOR Loans, the Borrower shall indemnify each applicable Lender against any actual and documented out-of-pocket loss, cost or expense (excluding loss of anticipated profits and indirect losses) incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Borrowing for such Borrowing the applicable conditions set forth in Section 3.2, including any loss (excluding loss of anticipated profits and indirect losses), cost or expense incurred by reason of the liquidation or redeployment of deposits or other funds acquired by such Lender to fund the Loans to be made by such Lender as part of such Borrowing when such Loan, as a result of such failure, is not made on such date.

(C) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's ratable portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with clause (A) of this Section 2.1(a)(ii) and the Administrative Agent may, in its sole discretion and in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Administrative Agent, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such date of Borrowing until the date such amount is paid to the Administrative Agent, at the Base Rate. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent together with interest thereon, for each day from the date of such Borrowing until the date such amount is paid to the Administrative Agent, at the rate payable hereunder for Base Rate Loans.

(D) The failure of any Lender to make the Loans to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing. Nothing in this Section 2.1(a)(ii) shall prejudice any rights that the Borrower may have against a Defaulting Lender.

(b) ~~Incremental Term Loan Facilities~~[Reserved].

~~(i) The Borrower may, at its sole discretion, by written notice to the Administrative Agent, from time to time after the Closing Date, on one or more occasions, arrange or request from one or more Lenders, other banks or other entities an incremental facility for term loans ("Incremental Term Loans") in an aggregate principal amount not to exceed the Incremental Term Loan Cap at the time of incurrence (each new facility, an "Incremental Term Loan Facility") and/or an increase in the total Term Loan Commitments in an aggregate principal amount not to exceed the Incremental Term Loan Cap at the time of incurrence (each, an "Incremental Term Loan Commitment"), used solely for the purposes set forth in Section 5.1(b) or to make a distribution to the Sponsor. Upon the receipt of such notice by the Administrative Agent, the Administrative Agent shall deliver a copy thereof to each Lender. Each such Lender may, in its sole discretion, either agree to provide all or a portion of the offered amount of such Incremental Term Loan Facility or Incremental Term Loan Commitment, as applicable or decline to provide such Incremental Term Loan Facility or Incremental Term Loan Commitment (and any Lender that does not deliver a notice within a period of fifteen days after the date of notice by the Borrower shall be deemed to have declined to provide such Incremental Term Loan Facility or Incremental Term Loan Commitment, as applicable), it being acknowledged and agreed that no Lender is required to provide any such Incremental Term Loan Facility or Incremental Term Loan Commitment. Any Incremental Term Loan Facility or Incremental Term Loan Commitment may be incurred in an amount that is less than the amount set forth by the Borrower in its notice.~~

(ii) Notwithstanding the foregoing, no increase under clause (i) above shall become effective under this Section 2.1(b) unless the following the conditions have been satisfied:

(A) no Event of Default shall have occurred and be continuing or would result after giving effect to the incurrence of such Incremental Term Loans;

(B) such Incremental Term Loans, shall have a maturity date no earlier than the Term Maturity Date;

(C) the Borrower shall have delivered to the Administrative Agent an updated amortization schedule reasonably satisfactory to the Administrative Agent which amortization schedule shall replace the amortization then set forth in Schedule 2.1(b)(ii)(C) and shall provide that the Incremental Term Loans shall (1) amortize on the same dates as the Term Loans and (2) amortize at the same amortization percentage applicable to amortization on the Term Loans;

(D) the principal amount of the Incremental Term Loans remaining outstanding on the Maturity Date, taken together with the principal amount of the Term Loans outstanding on the Maturity Date, shall equal the (1) the payment on the Maturity Date in respect of the Term Loans under the amortization schedule set forth on Schedule 2.1(b)(ii)(C) as of the date of the incurrence of the applicable Incremental Term Loan Facility multiplied by (2) a fraction, (x) the numerator of which shall be the sum of the Term Loans and any Incremental Term Loans outstanding as of the date of incurrence of the Incremental Term Loan Facility plus the applicable Incremental Term Loan Facility incurred and (y) the denominator of which shall be the Term Loans and any Incremental Term Loans outstanding as of the date of incurrence of the applicable Incremental Term Loan Facility; provided that in no event shall the payment on the Term Maturity Date in respect of the Term Loans under the amortization schedule set forth on Schedule 2.1(b)(ii)(C) as of the date of the incurrence of any Incremental Term Loan Facility exceed $525,000,000;

(E) the representations, covenants, defaults and other provisions relating to such Incremental Term Loan Facility shall be no more favorable in any material respect to the Incremental Term Loan Lenders as the representations, covenants, defaults and other provisions applying in favor of the Term Loans (other than administrative provisions and conditions precedent relating to the incurrence thereof) (or this Agreement shall be amended by the Borrower and the Administrative Agent (without the consent of any Lender) to add such representations, covenants, defaults and other provisions applicable to such Incremental Term Loan Facility);

(F) the Administrative Agent shall have received a certificate of an authorized officer of the Borrower certifying that the conditions set forth in this clause (ii) have been satisfied; and

~~(G) all other terms and documentation in respect thereof, to the extent not materially consistent with the existing Term Loans shall otherwise be reasonably satisfactory to the Administrative Agent.~~

~~(iii) Any Indebtedness incurred pursuant to this Section 2.1(b) shall be effected pursuant to one or more joinder agreements (substantially in the form of Exhibit I hereto, a "Lender Joinder Agreement") executed and delivered by the Borrower, each entity providing such Indebtedness (or its representative) and the Administrative Agent, and each of which shall be recorded in the Register. Each Lender Joinder Agreement may, without the consent of any other Lenders, effect such amendments to this Agreement and the First Lien Collateral Documents as may be necessary or appropriate, to effect the provisions of this Section 2.1(b), including any amendments necessary to implement the increased Term Loan Commitment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Lender Joinder Agreement delivered pursuant to this Section 2.1(b), this Agreement and the First Lien Collateral Documents shall be deemed amended to the extent contemplated by the Lender Joinder Agreement (and to the extent not materially consistent with the then existing Term Loans in a manner reasonably satisfactory to the Administrative Agent) in order to reflect the existence of such Indebtedness.~~

(c) Provisions Relating to all Credit Facilities.

(i) Loan Interest. Subject to Section 2.4(c), Borrower shall pay interest on the unpaid principal amount of each Loan from the Closing Date until the repayment or prepayment thereof at one of the following rates per annum:

(A) With respect to the principal portion of a Term Loan which is, and during such periods as such Term Loan is, a Base Rate Term Loan, at a rate per annum equal to the Base Rate (such rate to change from time to time as the Base Rate shall change) *plus* the Applicable Margin.

(B) With respect to the principal portion of an LC Loan which is, and during such periods as such LC Loan is, a Base Rate LC Loan, at a rate per annum equal to the Base Rate (such rate to change from time to time as the Base Rate shall change) *plus* the Applicable Margin.

(C) With respect to the principal portion of such Term Loan which is, and during such periods as such Term Loan is, a LIBOR Term Loan, at a rate per annum during each Interest Period for such LIBOR Term Loan equal to the LIBO Rate *plus* the Applicable Margin.

(D) With respect to the principal portion of such LC Loan which is, and during such periods as such LC Loan is, a LIBOR LC Loan, at a rate per annum during each Interest Period for such LIBOR LC Loan equal to the LIBO Rate *plus* the Applicable Margin.

(d) Loan Principal Payment.

(i) On each Principal Repayment Date commencing on the Principal Repayment Date occurring on ~~September 30, 2020~~**December 31, 2021**, Borrower shall repay to Administrative Agent, for the account of each Term Lender, the aggregate unpaid principal amount of the Term Loan made by such Term Lender in installments in accordance with the amortization schedule set forth on Schedule 2.1(b)(ii)(C) (as updated from time to time in accordance with Section 2.1(b)(ii)(C)), with any remaining unpaid principal, interest, fees and costs due and payable on the Maturity Date.

(ii) The Borrower shall repay to the Administrative Agent for the ratable account of each of the LC Lenders on the LC Maturity Date the aggregate principal amount of the LC Loans then outstanding owing to such LC Lender, together with accrued and unpaid interest to the date of such repayment on the aggregate principal amount repaid.

(e) Interest Provisions Relating to All Loans.

(i) Applicable Interest Rate. The basis for determining the interest rate with respect to any Loan may be changed from time to time as specified in a Notice of Conversion of Loan Type delivered pursuant to Section 2.1(g). If on any day a Loan is outstanding with respect to which notice has not been delivered to Administrative Agent in accordance with the terms of this Agreement specifying the applicable basis for determining the rate of interest, then for that day such Loan shall bear interest determined by reference to the Base Rate. Borrower shall not request, and the Lenders shall not be obligated to make, LIBOR Loans at any time an Event of Default exists. Administrative Agent shall promptly notify each Lender of the contents of each Notice of Conversion of Loan Type.

(ii) Interest Payment Dates. Borrower shall pay accrued interest on the unpaid principal amount of each Loan (A) in the case of each Base Rate Loan, on each Quarterly Date, (B) in the case of each LIBOR Loan, on the last day of each Interest Period related to such LIBOR Loan and, with respect to Interest Periods longer than three months, the last Banking Day of each third month in which such LIBOR Loan is outstanding, and (C) in all cases, upon repayment or prepayment (to the extent thereof and including any Optional Prepayments or Mandatory Prepayments), upon conversion from one Type of Loan to another Type of Loan and at maturity (whether by acceleration or otherwise).

(iii) LIBOR Loan Interest Periods.

(A) Each Interest Period selected by Borrower for all LIBOR Loans shall be one, three or six months. Notwithstanding anything to the contrary in the preceding sentence, (1) any Interest Period which would otherwise end on a day which is not a Banking Day shall be extended to the next succeeding Banking Day unless such next Banking Day falls in another calendar month, in which case such Interest Period shall end on the immediately preceding Banking Day, (2) any Interest Period which begins on the last Banking Day of a calendar month (or on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period) shall end on the last Banking Day of a calendar month, (3) Borrower may not select Interest Periods which would leave a greater principal amount of Loans subject to Interest Periods ending after a date upon which Loans are or may be required to be repaid (including the Maturity Date and each Principal Repayment Date) than the principal amount of Loans scheduled to be outstanding after such date, (4) any Interest Period for a Term Loan which would otherwise end after the Maturity Date shall end on the Maturity Date, (5) LIBOR Loans for each Interest Period shall be in the minimum amount of $500,000 or an integral multiple of $100,000 in excess thereof, (6) Borrower may not at any time have outstanding more than six different Interest Periods relating to LIBOR Loans, (7) ~~Borrower and the Administrative Agent (at the direction of the Incremental Term Loan Lenders) may mutually agree to have an initial non-standard Interest Period with respect to Incremental Term Loans solely to maintain fungibility with existing applicable Term Loans in connection with the enactment of an Incremental Term Loan Facility~~**the Borrower may select an initial Interest Period after the Omnibus Amendment Date applicable to the Term Loans borrowed on the Omnibus Amendment Date that ends on November 30, 2021,** and (8) the Interest Period applicable to the Loans borrowed on the Closing Date may have an initial non-standard Interest Period ending on June 30, 2020.

(B) Borrower may contact Administrative Agent at any time prior to the end of an Interest Period for a quotation of Interest Rates in effect at such time for given Interest Periods, and Administrative Agent shall promptly provide such quotation. Subject to Section 2.1(e)(iii)(A), Borrower may select an Interest Period telephonically within the time periods specified in Section 2.1(g), which selection shall be irrevocable on and after commencement of the applicable Minimum Notice Period. Borrower shall confirm such telephonic notice to Administrative Agent by hand delivery or facsimile or other electronic transmission on the day such notice is given by delivery to Administrative Agent of a notice in substantially the form of Exhibit C-2, appropriately completed (a "**Confirmation of Interest Period Selection**"). If Borrower fails to notify Administrative Agent of the next Interest Period for any LIBOR Loans in accordance with this Section 2.1(e)(iii)(B), such Loans shall automatically convert to Base Rate Loans on the last day of the current Interest Period therefor. Administrative Agent shall as soon as practicable (and, in any case, within two Banking Days after delivery of a Confirmation of Interest Period Selection) notify Borrower of each determination of the Interest Rate applicable to each Loan.

(iv) Interest Computations. All computations of interest on Base Rate Loans shall be based upon a year of 365 days or, in the case of a leap year, 366 days, shall be payable for the actual days elapsed (including the first day but excluding the last day), and shall be adjusted in accordance with any changes in the Base Rate to take effect on the beginning of the day of such change in the Base Rate. All computations of interest on LIBOR Loans shall be based upon a year of 360 days and shall be payable for the actual days elapsed (including the first day but excluding the last day). Borrower agrees that all computations by Administrative Agent of interest shall be conclusive and binding in the absence of manifest error.

(f) Promissory Notes. The obligation of Borrower to repay the Loans made by a Lender and to pay interest thereon at the rates provided herein shall, upon the written request of such Lender, be evidenced by promissory notes in the form of Exhibit B-1 (individually, a "**Term Note**" and, collectively, the "**Term Notes**")~~,~~ **and** Exhibit B-2 (individually, ~~a~~**an** "~~**Revolving** **LC Note**~~" and, collectively, the "~~**Revolving LC Notes"), Exhibit B-3 (individually, a "DSR LC Note" and, collectively, the "DSR LC Notes"), and Exhibit B-4 (individually, a "PPA LC Note" and, collectively, the "PPA** **LC Notes**") each payable to such requesting Lender (or its registered assigns) and in the principal amount of such Lender's Term Loan Commitment~~, Revolving LC Commitment, DSR LC Commitment~~ or ~~PPA~~ LC Commitment, respectively. Borrower authorizes each such requesting Lender to record on the schedule annexed to such Lender's Note or Notes, the date and amount of each Loan made by such requesting Lender, and each payment or prepayment of principal thereunder and agrees that all such notations shall constitute prima facie evidence of the matters noted; provided, that in the event of any inconsistency between the records or books of Administrative Agent and any Lender's records or Notes, the records of Administrative Agent shall be conclusive and binding in the absence of manifest error. Borrower further authorizes each such requesting Lender to attach to and make a part of such requesting Lender's Note or Notes continuations of the schedule attached thereto as necessary. No failure to make any such notations, nor any errors in making any such notations, shall affect the validity of Borrower's obligations to repay the full unpaid principal amount of the Loans or the duties of Borrower hereunder or thereunder. Upon the payment in full in cash of the aggregate principal amount of, and all accrued and unpaid interest on, the **applicable** Loans **or upon exchange of any Notes**, the Lenders holding such Notes shall promptly mark the applicable Notes cancelled and return such cancelled Notes to Borrower.

(g) Conversion of Loans. Subject to Section 2.1(e)(i), Borrower may convert Loans from one Type of Loan to another Type of Loan; provided, that (x) any conversion of LIBOR Loans into Base Rate Loans shall be effective on, and only on, the first day after expiration of an Interest Period for such LIBOR Loans, and (y) Loans shall be converted only in amounts of $500,000 and increments of $100,000 in excess thereof. Borrower shall request such a conversion by delivering to Administrative Agent a written notice in the form of Exhibit C-3, appropriately completed (a "**Notice of Conversion of Loan Type**"), which contains or specifies, among other things:

(i) the Loans, or portion thereof, which are to be converted;

(ii) the Type of Loans into which such Loans, or portion thereof, are to be converted;

(iii) if such Loans are to be converted into LIBOR Loans, the initial Interest Period selected by Borrower for such Loans (which Interest Period shall be selected in accordance with Section 2.1(e)(iii));

(iv) the proposed date of the requested conversion (which shall be a Banking Day and otherwise in accordance with this Section 2.1(g)); and

(v) if Base Rate Loans are to be converted to LIBOR Loans, a certification by Borrower that no Event of Default has occurred and is continuing.

Borrower shall so deliver each Notice of Conversion of Loan Type so as to provide at least the applicable Minimum Notice Period. Any Notice of Conversion of Loan Type may be modified or revoked by Borrower through the Banking Day prior to the Minimum Notice Period, and shall thereafter be irrevocable. Each Notice of Conversion of Loan Type shall be delivered in the manner provided in Section 11.1. Administrative Agent shall promptly notify each Lender of the contents of each Notice of Conversion of Loan Type.

(h) Prepayments.

(i) Terms of All Prepayments.

(A) Upon the prepayment of any Loan (whether such prepayment is an Optional Prepayment or a Mandatory Prepayment), Borrower shall pay to Administrative Agent for the account of the Lender which made such Loan or Hedge Bank, as applicable, (1) all accrued interest to the date of such prepayment on the amount of such Loan prepaid, (2) all accrued fees to the date of such prepayment relating to the amount of such Loan being prepaid, (3) to the extent required by the terms of the applicable Interest Rate Agreement, all Hedge Breaking Fees owed by Borrower to such Hedge Bank as a result of such prepayment, and (4) if such prepayment is the prepayment of a LIBOR Loan on a day other than the last day of an Interest Period for such LIBOR Loan, all Liquidation Costs incurred by such Lender as a result of such prepayment (pursuant to the terms of Section 2.7).

(B) Notwithstanding the foregoing, but only in respect of any Mandatory Prepayment, Borrower shall have the right, by giving five Banking Days' notice to Administrative Agent, in lieu of prepaying a LIBOR Loan on a day other than the last day of an Interest Period for such LIBOR Loan, to deposit or cause Administrative Agent to deposit into an account to be held by Depositary Agent (which account shall be subjected to the Lien of the First Lien Collateral Documents) an amount equal to the LIBOR Loans to be prepaid. Such funds shall be held in such account until the expiration of the Interest Period applicable to the LIBOR Loan to be prepaid at which time the amount deposited in such account shall be used to prepay such LIBOR Loan and any interest accrued on such amount shall be deposited into the Revenue Account. The deposit of amounts into such account shall not constitute a prepayment of Loans and all Loans to be prepaid using the proceeds from such account shall continue to accrue interest at the then applicable interest rate for such Loans until actually prepaid. All amounts in such account shall only be invested in Permitted Investments as directed by and at the expense and risk of Borrower.

(C) Except as otherwise specifically set forth herein (including Section 2.5(a)), (1) all prepayments of Term Loans shall be applied to reduce the remaining payments required under Section 2.1(d)(i) (I) with respect to Mandatory Prepayments, on a pro rata basis to remaining amortization payments and the payments at the final maturity thereof and (II) with respect to Optional Prepayments, as directed by the Borrower, (2) any prepayment of Term Loans or LC Loans of any class or tranche, respectively, shall be applied first to any Term Loans or LC Loans of any class or tranche, as applicable, that are Base Rate Loans and then to any Term Loans or LC Loans of any class or tranche, as applicable, that are LIBOR Loans.

(ii) Optional Prepayments.

(A) Borrower may, at its option and without premium or penalty, upon three Banking Days' notice to Administrative Agent (which notice may state that it is conditioned upon the effectiveness of another credit facility or facilities or other agreement(s) providing the source of funds for such Optional Prepayment, in which case such notice may be revoked by Borrower by providing written notice to Administrative Agent at least one Banking Day prior to the proposed date of the Optional Prepayment if one or more of such conditions is not satisfied), prepay (1) any Term Loans in whole or from time to time in part in minimum amounts of $1,000,000 or an incremental multiple of $1,000,000 in excess thereof (provided, that such minimum amounts shall not apply to a prepayment of all outstanding Term Loans) or (2) any LC Loans of any class or tranche in whole or from time to time in part in minimum amounts of $500,000 or an incremental multiple of $100,000 in excess thereof (provided, that such minimum amounts shall not apply to a prepayment of all LC Loans of any class or tranche or except to the extent that such LC Loan of any class or tranche is being repaid pursuant to clause ~~**Twelfth**~~**Thirteenth** of Section 3.1(b) (*Revenue Account Waterfall*) of the Depositary Agreement) (each, an "**Optional Prepayment**").

(B) Any Optional Prepayments shall be applied (1) *first*, ratably to any outstanding LC Loans, if any, until all LC Loans have been repaid in full; and (2) *second*, subject to Section 2.1(h)(i) and Section 2.1(h)(ii)(A), as Borrower may elect in its sole discretion.

(iii) Mandatory Prepayments. Borrower shall make the following mandatory prepayments (each, a "**Mandatory Prepayment**"):

(A) as and when contemplated by (1) Section 3.4(d) of the Depositary Agreement, within thirty days after the date on which the balance on deposit in the Excess LP Prepayment Sub-Account (as defined in the Depositary Agreement) equals or exceeds $10,000,000, (2) Section 3.5(d) of the Depositary Agreement, within thirty days after the date on which the balance on deposit in the Excess ADP Prepayment Sub-Account (as defined in the Depositary Agreement) equals or exceeds $10,000,000, and (3) Section 3.6(b) of the Depositary Agreement, within thirty days after receipt of Excess Contract Termination Proceeds (as defined in the Depositary Agreement); and

(B) in the event of any termination of all the LC Commitments in accordance with this Agreement, Borrower shall, on the date of such termination, terminate any outstanding Revolving Letter of Credit~~, PPA Letter of Credit~~ or DSR Letter of Credit, as applicable, and/or cash collateralize any outstanding Revolving Letter of Credit~~, PPA Letter of Credit~~ or DSR Letter of Credit, as applicable, in the amount of the applicable LC Exposure. If, as a result of any partial reduction of the LC Commitments, the aggregate ~~Revolving~~ LC Exposure~~, DSR LC Exposure or PPA LC Exposure, as applicable,~~ would exceed the aggregate ~~Revolving~~ LC Commitments~~, DSR LC Commitments or PPA LC Commitments, as applicable,~~ after giving effect thereto, then Borrower shall, on the date of such reduction, cash collateralize the applicable Letters of Credit in an amount equal to the amount of such excess.

Any Mandatory Prepayments shall be applied (x) *first*, to outstanding ~~Term Loans and Incremental~~ Term Loans and outstanding LC Loans and outstanding Drawing Payments, pro rata, until all Term Loans, LC Loans and Drawing Payments have been repaid in full, (y) *second,* to the Cash Collateralization of any outstanding Letters of Credit and (z) *third*, to all other First Lien Obligations due and payable under the Credit Documents.

(iv) Reduction of Commitments.

(A) Borrower may at any time permanently terminate, or from time to time permanently reduce, the LC Commitments; provided, that (1) each reduction of the LC Commitments shall be in an amount that is an integral multiple of $100,000 and not less than $1,000,000 (or, if less, the remaining amount of the LC Commitments) and (2) Borrower shall not voluntarily terminate or reduce the LC Commitments, if, after giving effect to any concurrent prepayment of LC Loans in accordance with this Section 2.1(h), the ~~Revolving LC Exposure, DSR LC Exposure or PPA~~ LC Exposure would exceed the Total ~~Revolving LC Commitments, Total DSR LC Commitments or Total PPA~~ LC Commitments.

(B) Borrower shall notify Administrative Agent in writing of any election to terminate or reduce Commitments under the foregoing clauses (A) at least three Banking Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by Borrower pursuant to this clause (B) shall be irrevocable. Any termination or reduction of Commitments shall be permanent; provided, that a notice of termination of Commitments delivered by Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by Borrower (by notice to Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Each reduction of Commitments shall be made ratably among the Lenders participating in the applicable Loan facility in accordance with their respective Proportionate Shares.

(i) Register. Administrative Agent on behalf of Borrower shall maintain, at its address referred to in Section 11.1, a register for the recordation of the names and addresses of the Lenders, the Commitments and Loans of each Lender from time to time and the name of each Lender which holds a Note (the "**Register**"). The Register shall be available for inspection by Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice. Administrative Agent shall record in the Register (i) the Commitments and the Loans from time to time of each Lender, (ii) the interest rates applicable to all Loans and the effective dates of all changes thereto, (iii) the Interest Period for each LIBOR Loan, (iv) the date and amount of any principal or interest due and payable or to become due and payable from Borrower to each Lender hereunder, (v) each repayment or prepayment in respect of the principal amount of the Loans of each Lender, (vi) the amount of any sum received by Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof, and (vii) such other information as Administrative Agent may determine is necessary for the administering of the Loans and this Agreement. Any such recording shall be conclusive and binding in the absence of manifest error; provided, that neither the failure to make any such recordation, nor any error in such recordation, shall affect Borrower's First Lien Obligations in respect of any applicable Loans or otherwise; and provided, further, that in the event of any inconsistency between the Register and any Lender's records, the Register shall govern absent manifest error.

(j) Re-Borrowing. Borrower may not re-borrow the principal amount of any Term Loan repaid or prepaid pursuant to this Agreement. Any prepaid LC Loans may be re-borrowed. The LC Commitments shall not be reduced as a result of any prepayment. To the extent that any LC Commitment was reduced as a result of any issuance of LC Loans, and so long as the Borrower shall have satisfied the requirements of for LC Loans, Section 3.2 and Section ~~2.2(c)(ii), (b)(ii) or (c~~2.2(a)(ii), such LC Commitment shall be reinstated as a result of any prepayment of such LC Loans made in accordance with Section 2.1(h)(ii).

(a) ~~Revolving~~ LC Commitments; Issuance of ~~Revolving~~ Letters of Credit. The initial Dollar amount of ~~each Lender's Revolving LC Commitment on the Closing Date is set forth under the caption "Revolving LC Commitments" on Schedule 2.2(a). The aggregate amount of the LC Commitments on the Omnibus Amendment Date is $250,000,000 (the "**Total ~~Revolving~~ LC Commitment**", and each Lender holding such ~~Revolving~~ LC Commitments, a "~~Revolving~~ **LC Lender**"). All of the ~~Revolving~~ LC Commitments shall be available for the issuance of standby letters of credit; provided that the LC Exposure of any Issuing Bank shall not exceed its Issuing Bank Limit. Subject to the terms and conditions set forth in this Agreement, Borrower may request the issuance of (x) an irrevocable standby letter of credit substantially in the forms set forth in Exhibit B-~~5~~3 or otherwise reasonably satisfactory to such ~~Revolving~~ Issuing Bank issuing such Letter of Credit (a "**Revolving Letter of Credit**") or (y) an irrevocable standby letter of credit substantially in the forms set forth in Exhibit B-4 or otherwise reasonably satisfactory to the applicable Issuing Bank issuing such Letter of Credit (a "DSR Letter of Credit"), in any case, for its own account, at any time and from time to time prior to the applicable Maturity Date.

(i) Notice of Issuance of ~~Revolving~~ Letter of Credit, Amendment, Renewal, Extension; Certain Conditions.

(A) To request the issuance of a ~~Revolving~~ Letter of Credit (or the amendment, renewal (other than an automatic renewal in accordance with clause (B) below) or extension of an outstanding ~~Revolving~~ Letter of Credit), Borrower shall hand deliver or transmit by telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable ~~Revolving~~ Issuing Bank) to ~~such~~**the Administrative Agent and (1) the** Revolving Issuing Bank ~~and Administrative Agent~~**with respect to any such Revolving Letter of Credit or, as applicable, (2) each DSR Issuing Bank with respect to DSR Letters of Credit** (three Banking Days in advance of the requested date of issuance, amendment, renewal or extension or, with respect to any issuance to take place on the ~~Closing~~**Omnibus Amendment** Date, one Banking Day in advance of the ~~Closing~~**Omnibus Amendment** Date) a Notice of LC Activity requesting the issuance of a ~~Revolving~~ Letter of Credit, or identifying the ~~Revolving~~ Letter of Credit to be amended, renewed or extended, and specifying **whether such Letter of Credit is a Revolving Letter of Credit or DSR Letter of Credit,** the date of issuance, amendment, renewal or extension (which shall be a Banking Day at least three Banking Days after the form of such ~~Revolving~~ Letter of Credit or amendment, renewal or extension has been agreed by Borrower, the applicable ~~Revolving~~ Issuing Bank and Administrative Agent or, with respect to any issuance, amendment, renewal or extension to take place on the Closing Date, one Banking Day in advance of the Closing Date), the date on which such ~~Revolving~~ Letter of Credit is to expire and such other information as shall be necessary to issue, amend, renew or extend such ~~Revolving~~ Letter of Credit. If requested by a ~~Revolving~~ Issuing Bank, Borrower also shall submit a letter of credit application on such ~~Revolving~~ Issuing Bank's standard form in connection with any request for a ~~Revolving~~ Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by Borrower to, or entered into by Borrower with, the applicable ~~Revolving~~ Issuing Bank relating to a ~~Revolving~~ Letter of Credit, the terms and conditions of this Agreement shall control. **Notwithstanding anything to contrary, the Borrower shall make any request for issuance, amendment, renewal or extension for any DSR Letter of Credit simultaneously to all the DSR Issuing Banks under this Agreement such that the stated amount of the DSR Letter of Credit of each individual DSR Issuing Bank is equal to its Proportionate Share of the Stated Amount of all DSR Letters of Credit.**

(B) Each ~~Revolving~~ Letter of Credit shall expire at or prior to the close of business on the earlier of (1) the date one year after the date of the issuance of such ~~Revolving~~ Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) or such other date as ~~the Revolving~~**applicable** Issuing Bank may agree, and (2) five Banking Days prior to the ~~Revolving~~**LC** Maturity Date; provided, that any ~~Revolving~~ Letter of Credit with a one-year tenor shall provide for the automatic renewal thereof for additional one-year periods (which, in no event, shall extend beyond the date referred to in clause (2) of this clause (B)), and provided, further, that a Revolving Letter of Credit may expire after the ~~Revolving~~**LC** Maturity Date to the extent that such Revolving Letter of Credit is Cash Collateralized to a mutually agreed level as between the Borrower and such Revolving Issuing Bank or back-stopped pursuant to arrangements acceptable to the relevant Revolving Issuing Bank during the period commencing on such ~~Revolving~~**LC** Maturity Date until such later stated expiry date occurring after such ~~Revolving~~**LC** Maturity Date. For the avoidance of doubt, the obligation of the ~~Revolving~~ LC Lenders to make ~~Revolving~~ LC Loans shall terminate on the ~~Revolving~~**LC** Maturity Date.

(ii) ~~Revolving~~ LC Loans.

(A) If a Revolving Issuing Bank makes any Drawing Payment, Borrower shall reimburse such Drawing Payment by paying to Administrative Agent an amount equal to such Drawing Payment in Dollars, not later than 12:00 p.m., New York City time, on the **date that is the** second Banking Day following the date Borrower receives notice of such Drawing Payment; provided, that ~~so long as no Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement has occurred and is continuing~~, to the extent Borrower does not so reimburse the Drawing Payment ~~within one Banking Day~~**by such date**, the ~~Revolving~~ LC Lenders shall be irrevocably and unconditionally obligated to fund participations in the Revolving LC Reimbursement Obligations on a pro rata basis based on their ~~respective Revolving~~**Proportionate Share of the** LC Commitments. Such amount shall be reduced, if necessary, such that the aggregate amount of applicable ~~Revolving~~ LC Exposure does not exceed the aggregate applicable Total ~~Revolving~~ LC Commitments of such ~~Revolving~~ LC Lender, with the amount of such Drawing Payment that is not covered by ~~Revolving~~ LC Loans becoming due and payable on demand. With respect to any Revolving LC Reimbursement Obligation that is not financed with a ~~Revolving~~ LC Loan because ~~an Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement (with respect to Borrower) has occurred and is continuing~~**it was not reimbursed in accordance with this clause (A),** such Revolving LC Reimbursement Obligation shall be due and payable on demand (together with interest) and shall bear interest as provided in Section 2.4(c). The ~~Revolving~~ LC Loans made pursuant to this Section 2.2(a)(ii)(A) shall initially be Base Rate Loans.

(B) If Borrower fails to reimburse any Drawing Payment not covered or financed by Revolving LC Loans as contemplated by clause (A), then Administrative Agent shall promptly notify the applicable Revolving Issuing Bank(s) of the applicable Drawing Payment and the payment then due from Borrower. Promptly following receipt by Administrative Agent of any payment from Borrower pursuant to this paragraph, Administrative Agent shall distribute such payment to the applicable Revolving Issuing Bank(s).

(C) On the Revolving Maturity Date, the Borrower shall repay to Administrative Agent, for the account of each applicable Revolving LC Lender, the aggregate unpaid principal amount of the Revolving LC Loans (including all fees, interest and other amounts accrued in connection therewith).

(b) DSR LC Commitments; Issuance of DSR Letters of Credit. The initial Dollar amount of each Lender's DSR LC Commitment on the Closing Date is set forth under the caption "DSR LC Commitments" on Schedule 2.2(a). The aggregate amount of the DSR LC Commitments on the Closing Date is $53,000,000 (the "Total DSR LC Commitment", and each Lender holding such DSR LC Commitments, a "DSR LC Lender"). Subject to the terms and conditions set forth in this Agreement, Borrower may request the issuance of an irrevocable letter of credit substantially in the form of Exhibit B-6 (the "DSR Letter of Credit") for its own account, at any time and from time to time prior to the applicable DSR Maturity Date. The Stated Amount of the DSR Letters of Credit shall never exceed the Total DSR LC Commitment.

(i) Notice of Issuance of DSR Letter of Credit; Amendment, Renewal, Extension; Certain Conditions.

(A) To request the issuance of a DSR Letter of Credit (or the amendment, renewal (other than an automatic renewal in accordance with clause (B) below) or extension of an outstanding DSR Letter of Credit), Borrower shall hand deliver or transmit by telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable DSR Issuing Bank) to such DSR Issuing Bank and Administrative Agent (three Banking Days in advance of the requested date of issuance, amendment, renewal or extension or, with respect to any issuance to take place on the Closing Date, one Banking Day in advance of the Closing Date) a Notice of LC Activity requesting the issuance of a DSR Letter of Credit, or identifying the DSR Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Banking Day at least three Banking Days after the form of such DSR Letter of Credit or amendment, renewal or extension has been agreed by Borrower, the applicable DSR Issuing Bank and Administrative Agent or, with respect to any issuance to take place on the Closing Date, one Banking Day in advance of the Closing Date), the date on which such DSR Letter of Credit is to expire and such other information as shall be necessary to issue, amend, renew or extend such DSR Letter of Credit. If requested by a DSR Issuing Bank, Borrower also shall submit a DSR Letter of Credit application on such DSR Issuing Bank's standard form in connection with any request for a DSR Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by Borrower to, or entered into by Borrower with, the applicable DSR Issuing Bank relating to a DSR Letter of Credit, the terms and conditions of this Agreement shall control.

~~(B) A DSR Letter of Credit shall be issued, amended, renewed or extended only if, after giving effect to such issuance, amendment, renewal or extension, the total DSR LC Exposure shall not exceed the Total DSR LC Commitment and the DSR LC Exposure of such DSR Issuing Bank shall not exceed the DSR LC Commitments of such DSR Issuing Bank.~~

~~(C) Each DSR Letter of Credit shall expire at or prior to the close of business on the earlier of (x) the date one year after the date of the issuance of such DSR Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension), and (y) the applicable DSR Maturity Date; provided that any DSR Letter of Credit with a one-year tenor may provide for the automatic renewal thereof for additional one-year periods (which, in no event, shall extend beyond the date referred to in clause (y) of this clause (C)); provided, further, that upon the date of such expiry (taking into account the preceding proviso), each such DSR Letter of Credit shall be surrendered by the beneficiary or transferee of such DSR Letter of Credit to the applicable DSR Issuing Bank for cancellation, all DSR LC Loans (including all fees, interest and other amounts accrued in connection therewith) made or deemed to have been made with respect to such DSR Letter of Credit shall be repaid in full, and all DSR LC Commitments of such DSR Issuing Bank shall be terminated.~~

~~(ii) DSR LC Loans~~

(B) ~~(A)~~ If a DSR Issuing Bank makes any Drawing Payment, Borrower shall reimburse such Drawing Payment by paying to Administrative Agent an amount equal to such Drawing Payment in Dollars, not later than 12:00 p.m., New York City time, on the **date that is the second** Banking Day immediately following the date Borrower receives notice of such Drawing Payment; provided, that ~~so long as no Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement has occurred and is continuing~~ any Drawing Payment shall be deemed to be a request by Borrower for a Borrowing in an aggregate amount equal to the amount of DSR LC Reimbursement Obligations with respect to the DSR Letters of Credit ~~(a "DSR LC Loan")~~ and~~, to the extent so financed,~~ such DSR LC Reimbursement Obligations shall be discharged and replaced by the resulting ~~DSR~~ LC Loan owing to the ~~DSR~~ LC Lender which issued the 22 Letter of Credit giving rise to such DSR LC Reimbursement Obligation in its capacity as the DSR Issuing Bank. Such requested amount shall be reduced, if necessary, such that the aggregate amount of applicable ~~DSR~~ LC Exposure does not exceed the aggregate applicable Total ~~DSR~~ LC Commitments **or Issuing Bank Limit** of such DSR Issuing Bank, with the amount of such Drawing Payment that is not covered by ~~DSR~~ LC Loans becoming due and payable on demand. ~~With respect to any DSR LC Reimbursement Obligation that is not financed with a DSR LC Loan because an Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement has occurred and is continuing, such DSR LC Reimbursement Obligation shall be due and payable on demand (together with interest) and shall bear interest as provided in Section 2.4(c)~~ **Notwithstanding anything to the contrary, Borrower may not elect to reimburse a Drawing Payment for some but not all the DSR Issuing Banks**. The ~~DSR~~ LC Loans made pursuant to this Section ~~2.2(b)(ii)(A)~~**2.2(a)(ii)(B)** shall initially be Base Rate Loans.

(C) ~~(B)~~ If Borrower fails to reimburse any Drawing Payment not covered or financed by ~~DSR~~ LC Loans as contemplated by ~~Section 2.2(b)(ii)(A),~~clause (A) or (B) then Administrative Agent shall promptly notify the applicable ~~DSR~~ Issuing Bank(s) of the applicable Drawing Payment and the payment then due from Borrower. Promptly following receipt by Administrative Agent of any payment from Borrower pursuant to this paragraph, Administrative Agent shall distribute such payment to the applicable ~~DSR~~ Issuing Bank(s).

~~(C) In the event that multiple DSR Issuing Banks have issued DSR Letters of Credit, Administrative Agent shall allocate any DSR LC Loan in respect of the DSR Letters of Credit among the DSR Letters of Credit such that such DSR LC Loan is borne pro rata among the DSR Issuing Banks based on the relative Stated Amount (immediately prior to the making of such DSR LC Loan) of DSR Letters of Credit held by each such DSR Issuing Bank.~~

(D) On the Revolving Maturity Date, the Borrower shall repay to Administrative Agent, for the account of each applicable ~~DSR~~ LC Lender, the aggregate unpaid principal amount of the ~~DSR~~ LC Loans (including all fees, interest and other amounts accrued in connection therewith).

(b) **Existing Letters of Credit. Each party hereto hereby acknowledges and agrees that certain letters of credit have been issued under the Credit Agreement prior to the Omnibus Amendment Date and remain outstanding hereunder as of the Omnibus Amendment Date, which letters of credit are set forth on Schedule 2.2(b) (as may be updated from time to time with the consent of the applicable Issuing Bank, the Administrative Agent and the Borrower, and each letter of credit set forth therein, an "Existing Letter of Credit"). The Borrower hereby instructs the Administrative Agent to reflect the transfer of each such Existing Letter of Credit to the facility contemplated by this Agreement. Each Existing Letter of Credit shall constitute a Letter of Credit for all purposes of this Agreement and the other Credit Documents; provided, that, with respect to an Existing Letter of Credit, the Borrower shall not have to comply with the requirements of Section 2.2(a)(i)(A) and Section 3.2 with respect to the initial issuance of a Letter of Credit. Subject to the occurrence of the Omnibus Amendment Date, the applicable Issuing Banks shall maintain each Existing Letter of Credit in accordance with its terms until the expiration date applicable to such Existing Letter of Credit.**

(c) PPA LC Commitments; Issuance of PPA Letters of Credit. The initial Dollar amount of each Lender's PPA LC Commitment on the Closing Date is set forth under the caption "PPA LC Commitments" on Schedule 2.2(a). The aggregate amount of the PPA LC Commitments on the Closing Date is $16,378,000 (the "Total PPA LC Commitment", and each Lender holding such PPA LC Commitments, a "PPA LC Lender", and together with the Revolving LC Lenders and the DSR LC Lenders, the "LC Lenders"). Subject to the terms and conditions set forth in this Agreement, Borrower may request the issuance of an irrevocable letter of credit substantially in the form of Exhibit B-5 or otherwise reasonably satisfactory to such PPA Issuing Bank (the "PPA Letter of Credit", and together with the Revolving Letters of Credit and the DSR Letters of the Credit, the "Letters of Credit") for its own account, at any time and from time to time prior to the applicable PPA Maturity Date.

(i) Notice of Issuance of PPA Letter of Credit, Amendment, Renewal, Extension; Certain Conditions.

(A) To request the issuance of a PPA Letter of Credit (or the amendment, renewal (other than an automatic renewal in accordance with clause (B) below) or extension of an outstanding PPA Letter of Credit), Borrower shall hand deliver or transmit by telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable PPA Issuing Bank) to the PPA Issuing Bank and Administrative Agent (three Banking Days in advance of the requested date of issuance, amendment, renewal or extension or, with respect to any issuance to take place on the Closing Date, one Banking Day in advance of the Closing Date) a Notice of LC Activity requesting the issuance of a PPA Letter of Credit, or identifying the PPA Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Banking Day at least three Banking Days after the form of such PPA Letter of Credit or amendment, renewal or extension has been agreed by Borrower, the PPA Issuing Bank and Administrative Agent or, with respect to any issuance to take place on the Closing Date, one Banking Day in advance of the Closing Date), the date on which such PPA Letter of Credit is to expire and such other information as shall be necessary to issue, amend, renew or extend such PPA Letter of Credit. If requested by the PPA Issuing Bank, Borrower also shall submit a PPA Letter of Credit application on the PPA Issuing Bank's standard form in connection with any request for a PPA Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by Borrower to, or entered into by Borrower with, the PPA Issuing Bank relating to a PPA Letter of Credit, the terms and conditions of this Agreement shall control.

~~(B) A PPA Letter of Credit shall be issued, amended, renewed or extended only if, after giving effect to such issuance, amendment, renewal or extension, the PPA LC Exposure shall not exceed the Total PPA LC Commitment and the PPA LC Exposure of the PPA Issuing Bank shall not exceed the PPA LC Commitments of the PPA Issuing Bank.~~

~~(C) Each PPA Letter of Credit shall expire at or prior to the close of business on the earlier of (1) the date one year after the date of the issuance of such PPA Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) or such other date as the PPA Issuing Bank may agree, and (2) the applicable PPA Maturity Date; provided that any PPA Letter of Credit with a one-year tenor may provide for the automatic renewal thereof for additional one-year periods (which, in no event, shall extend beyond the date referred to in clause (2) of this clause (C)); provided, further, that a PPA Letter of Credit may expire after the PPA Maturity Date to the extent that such PPA Letter of Credit is Cash Collateralized to a mutually agreed level as between the Borrower and such PPA Issuing Bank or back-stopped pursuant to arrangements acceptable to the relevant PPA Issuing Bank during the period commencing on such PPA Maturity Date until such later stated expiry date occurring after such PPA Maturity Date.~~

(c) ~~(ii) PPA LC Loans~~[Reserved].

~~(A) If the PPA Issuing Bank makes any Drawing Payment, Borrower shall reimburse such Drawing Payment by paying to Administrative Agent an amount equal to such Drawing Payment in Dollars, not later than 12:00 p.m., New York City time, on the second Banking Day following the date Borrower receives notice of such Drawing Payment; provided, that so long as no Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement has occurred and is continuing, any Drawing Payment shall be deemed to be a request by Borrower for a Borrowing in an aggregate amount equal to the amount of PPA LC Reimbursement Obligations with respect to the PPA Letters of Credit (a "PPA LC Loan") and, to the extent so financed, such PPA LC Reimbursement Obligations shall be discharged and replaced by the resulting PPA LC Loan owing to the PPA LC Lender which issued the Letter of Credit giving rise to such PPA LC Reimbursement Obligation in its capacity as the PPA Issuing Bank. Such requested amount shall be reduced, if necessary, such that the aggregate amount of applicable PPA LC Exposure does not exceed the aggregate applicable Total PPA LC Commitments of the PPA Issuing Bank, with the amount of such Drawing Payment that is not covered by PPA LC Loans becoming due and payable on demand. With respect to any PPA LC Reimbursement Obligation that is not financed with a PPA LC Loan because an Event of Default under Section 7.1(a) or Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement has occurred and is continuing, such PPA LC Reimbursement Obligation shall be due and payable on demand (together with interest) and shall bear interest as provided in Section 2.4(c). The PPA LC Loans made pursuant to this Section 2.2(c)(ii)(A) shall initially be Base Rate Loans.~~

~~(B) If Borrower fails to reimburse any Drawing Payment not covered or financed by PPA LC Loans as contemplated by Section 2.2(c)(ii)(A), then Administrative Agent shall promptly notify the PPA Issuing Bank of the applicable Drawing Payment and the payment then due from Borrower. Promptly following receipt by Administrative Agent of any payment from Borrower pursuant to this paragraph, Administrative Agent shall distribute such payment to the PPA Issuing Bank.~~

~~(C) On the Maturity Date, the Borrower shall repay to Administrative Agent, for the account of the PPA LC Lender, the aggregate unpaid principal amount of the PPA LC Loans (including all fees, interest and other amounts accrued in connection therewith).~~

(d) Reimbursement Obligations Absolute. The obligation of Borrower to reimburse any Drawing Payment as provided in Section 2.2 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) any amendment or waiver of or any consent to departure from all or any terms of any of the Credit Documents, (v) the existence of any claim, setoff, defense or other right which Borrower may have at any time against the beneficiary of such Letter of Credit (or any Persons for whom such beneficiary may be acting), the applicable Issuing Bank, Administrative Agent, any Lender or any other Person, whether in connection with this Agreement, the transactions contemplated hereby, by any other Credit Document or by any unrelated transaction, (vi) any breach of contract or dispute among or between Borrower, an Issuing Bank, Administrative Agent, any Lender or any other Person, (vii) any non-application or misapplication by the beneficiary of a Letter of Credit of the proceeds of any Drawing Payment or any other act or omission of such beneficiary in connection with such Letter of Credit, (viii) any failure to preserve or protect any Collateral, any failure to perfect or preserve the perfection of any Lien thereon, or the release of any of the Collateral securing the performance or observance of the terms of this Agreement or any of the other Credit Documents, or (ix) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.2(d), constitute a legal or equitable discharge of, or provide a right of setoff against, Borrower's obligations hereunder; provided, that in each case, payment by an Issuing Bank shall not have constituted gross negligence or willful misconduct. Neither Administrative Agent, the Lenders nor the applicable Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of an Issuing Bank; provided, that nothing contained herein shall be construed to excuse an Issuing Bank from liability to Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by Borrower to the extent permitted by applicable law) suffered by Borrower that are determined by a court having jurisdiction to have been caused by (x) such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof, or (y) such Issuing Bank's refusal to issue a Letter of Credit in accordance with the terms of this Agreement. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank, such Issuing Bank shall be deemed to have exercised care in each such determination and each refusal to issue a Letter of Credit. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(e) Disbursement Procedures. An Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify Administrative Agent and Borrower by telephone (confirmed by telecopy or other electronic transmission) of such demand for payment and whether such Issuing Bank has made or shall make a Drawing Payment thereunder; provided, that any failure to give or delay in giving such notice shall not relieve Borrower of its obligation to reimburse the applicable Issuing Bank with respect to any such Drawing Payment.

(f) Interim Interest. If an Issuing Bank shall make any Drawing Payment, then, unless Borrower shall reimburse such Drawing Payment in full by 4:00 p.m. (New York time) on the second Banking Day after the date such Drawing Payment is made, the unpaid amount thereof shall bear interest, for each day from and including the date such Drawing Payment is made to but excluding the date that Borrower reimburses such Drawing Payment (including by the making of a Borrowing), at the rate per annum then applicable to Base Rate LC Loans or LIBOR LC Loans, at the election of Borrower, for Drawing Payments under a Letter of Credit; provided, that if such Drawing Payment is not reimbursed by Borrower when due or otherwise discharged pursuant to Section 2.22.2(c)(a)(ii), (b)(ii) or (c)(ii), then Section 2.4(c) shall apply. Interest accrued pursuant to this Section 2.2(f) shall be for the account of the applicable Issuing Bank.

(g) Additional Issuing Banks. From time to time, Borrower may by notice to Administrative Agent designate one or more other Lenders or other financial institutions (in addition to the Issuing Banks and their respective Affiliates) that agree (in their sole discretion) to act in such capacity and is reasonably satisfactory to Administrative Agent as a Revolving Issuing Bank~~,~~ or DSR ~~Issuing Bank or PPA~~ Issuing Bank, as applicable. Each such additional Issuing Bank shall execute a counterpart of this Agreement in such capacity upon the approval of Administrative Agent (which approval shall not be unreasonably withheld or delayed) and shall thereafter be a Revolving Issuing Bank~~,~~ or DSR ~~Issuing Bank or PPA~~ Issuing Bank, as applicable, hereunder for all purposes. The Register shall be updated following such execution.

(h) Reporting. Unless otherwise requested by Administrative Agent, each Issuing Bank shall (i) provide to Administrative Agent copies of any notice received from Borrower pursuant to Section 2.2 no later than the next Banking Day after receipt thereof, and (ii) report in writing to Administrative Agent (A) on or prior to each Banking Day on which such Issuing Bank expects to issue, amend, renew or extend any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the aggregate face amount of the Letters of Credit to be issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension occurred (and whether the amount thereof changed), and such Issuing Bank shall be permitted to issue, amend, renew or extend such Letter of Credit if Administrative Agent shall not have advised such Issuing Bank that such issuance, amendment renewal or extension would not be in conformity with the requirements of this Agreement, (B) on each Banking Day on which such Issuing Bank makes any Drawing Payment, the date of such Drawing Payment and the amount of such Drawing Payment, and (C) on any other Banking Day, such other information as Administrative Agent shall reasonably request, including but not limited to prompt verification of such information as may be requested by Administrative Agent.

(i) Replacement of an Issuing Bank. An Issuing Bank may be replaced at any time by written agreement among Borrower, Administrative Agent and the successor Issuing Bank. Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.3(c), (f) or (h), as applicable, and any unreimbursed obligations and other First Lien Obligations owed to such Issuing Bank in its capacity as such. From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter by such successor Issuing Bank, and (ii) references herein to the term "Issuing Bank", and~~,~~ as applicable, "Revolving Issuing Bank~~,~~" or "DSR Issuing Bank~~" or "PPA Issuing Bank~~" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. Upon the replacement of an Issuing Bank hereunder, (x) all outstanding Letters of Credit issued by the replaced Issuing Bank shall be cancelled and returned to the replaced Issuing Bank and (y) any Cash Collateral pledged to the First Lien Collateral Agent for the account of any such Issuing Bank shall be released by the First Lien Collateral Agent upon written confirmation from the Issuing Bank of the Issuing Bank's receipt of originals of all Letters of Credit and any and all amendments thereto issued by such Issuing Bank and payment by the Borrower of all First Lien Obligations owing to such Issuing Bank as contemplated by this Section 2.2(i).

(j) Non-Fronted Obligations. For certainty, ~~each of~~ the ~~PPA Letters of Credit and the~~ DSR Letters of Credit are intended to be non-fronted letters of credit, such that the ~~PPA~~ LC Lender ~~or the DSR LC Lender, as applicable,~~ with respect to any ~~PPA Letter of Credit or~~ DSR Letter of Credit~~, as applicable,~~ is the same entity as, or an Affiliate of~~, the PPA~~ Issuing Bank ~~or DSR Issuing Bank, as applicable,~~ that has issued such ~~PPA Letter of Credit or such~~ DSR Letter of Credit. **Each of the Administrative Agent and Borrower agree that in the event that Borrower has provided any DSR Letters of Credit to support the Debt Service Reserve Requirement, it shall instruct the First Lien Collateral Agent to draw on such DSR Letters of Credit *pro rata* among all DSR Letters of Credit. To the extent that any DSR Letter of Credit is drawn on a non-pro rata basis, each other DSR Issuing Bank shall be irrevocably and unconditionally obligated to fund participations in the overdrawn DSR LC Reimbursement Obligations on a pro rata basis based on their Proportionate Share of the LC Commitments. The First Lien Collateral Agent hereby agrees to draw on such DSR Letter of Credit only on a pro rata basis as notified by the Administrative Agent or the Borrower to the First Lien Collateral Agent.**

2.3 Fees

(a) Agents' and Arranger's Fees. 2.4 Other Payment Terms

(a) Place and Manner. Except as otherwise provided in the Agency Fee Letter, Depositary and Collateral Agency Fee Letter or any other provision contained in any of the Credit Documents, Borrower shall make all payments due to any Lender, any Issuing Bank, First Lien Collateral Agent, Depositary Agent or Administrative Agent hereunder to Administrative Agent, for the account of such Lender, such Issuing Bank, First Lien Collateral Agent, Depositary Agent or Administrative Agent (as the case may be), to the account in the name of MUFG Bank, Ltd., Bank Name: MUFG Bank, Ltd., ABA No. 026-009-632, Account No: 9777-0191, Account Name: Loan Operations Department, Attention: Agency Desk, Reference: Geysers or such other account as Administrative Agent shall notify Borrower from time to time, in Dollars and in immediately available funds not later than 12:00 p.m., New York City time, on the date on which such payment is due. Any payment made after such time on any day shall be deemed received on the Banking Day after such payment is received. Administrative Agent shall disburse to each Lender, each Issuing Bank, First Lien Collateral Agent or Depositary Agent (as the case may be) each such payment received by Administrative Agent for such Lender, such Issuing Bank or First Lien Collateral Agent (as the case may be), such disbursement to occur on the day such payment is received if received by 12:00 p.m., New York City time, or if otherwise reasonably possible, or otherwise on the next Banking Day.

(b) Date. Whenever any payment due hereunder shall fall due on a day other than a Banking Day, such payment shall be made on the next succeeding Banking Day, and such extension of time shall be included in the computation of interest or fees, as the case may be, without duplication of any interest or fees so paid in the next subsequent calculation of interest or fees payable.

(c) Default Interest. Notwithstanding anything to the contrary herein, upon the occurrence and during the continuation of any Event of Default, the outstanding principal amount of overdue Loans and amounts due under outstanding Letters of Credit (without duplication) and, to the extent permitted by applicable Legal Requirements, any accrued and overdue but unpaid interest payments thereon and any accrued and overdue but unpaid fees, and other overdue amounts hereunder, shall thereafter bear interest 31 (including post-petition interest in any proceeding under applicable Bankruptcy Laws) payable upon demand, and the LC Fees shall be increased, at a rate that is (i) 2% per annum in excess of the interest rate or LC Fee, as applicable, then otherwise payable under this Agreement with respect to the LC Loans, or (ii) in the case of any such fees and other amounts, at a rate that is 2% per annum in excess of the interest rate then otherwise payable under this Agreement for Base Rate Loans (the "**Default Rate**"); provided, that in the case of LIBOR Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective, such LIBOR Loans shall thereupon become Base Rate Loans and shall thereafter bear interest payable upon demand at a rate that is 2% per annum in excess of the interest rate then otherwise payable under this Agreement for Base Rate Loans, (it being understood that from and after the date on which all continuing Events of Default have been waived by the Lenders pursuant to Section 9.9, the Default Rate shall no longer apply).

(d) Net of Taxes, Etc.

(i) Taxes. Any and all payments to or for the benefit of any Lender Party by or on behalf of any Obligor hereunder or under any other Credit Document shall be made free and clear of and without deduction or withholding, setoff or counterclaim of any kind whatsoever, except as required by applicable law. If any Taxes are required to be deducted or withheld from or in respect of any sum payable by or on behalf of any Obligor hereunder or under any other Credit Document to any Lender Party, (A) if such Tax is an Indemnified Tax, the sum payable shall be increased as may be necessary so that after all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 2.4(d)), such Lender Party receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (B) the relevant Obligor shall make (or cause to be made) such deductions or withholdings, and (C) the relevant Obligor shall pay (or cause to be paid) the full amount deducted or withheld to the relevant taxation authority or other authority in accordance with applicable Legal Requirements. In addition, Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

Payments by Borrower pursuant to this indemnification shall be made within thirty days from the date such Lender Party makes written demand therefor (submitted through Administrative Agent), which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof.

(iii) Notice. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by or on behalf of Borrower pursuant to this Section 2.4(d), Borrower shall furnish to Administrative Agent, at its address referred to in Section 11.1, the original or a certified copy of a receipt evidencing payment thereof or, if such receipt is not obtainable, other evidence of such payment reasonably satisfactory to Administrative Agent.

(iv) Conduit Financing. Notwithstanding anything to the contrary contained in this Section 2.4(d), if a Lender Party is a conduit entity participating in a conduit financing arrangement (as defined in Section 7701(l) of the Code and the Treasury Regulations issued thereunder) with respect to any payments made by Borrower under this Agreement and under any Note, Borrower shall not be obligated to pay additional amounts to such Lender Party pursuant to this Section 2.4(d) to the extent that the amount of Indemnified Taxes exceeds the amount that would have otherwise been payable were such Lender Party not a conduit entity participating in a conduit financing arrangement.

(v) Reimbursement by Lender Parties. If any Lender Party receives an indemnification payment pursuant to Section 2.4(d)(ii) and if such Lender Party is able, in its sole discretion exercised in good faith, to apply or otherwise take advantage of any refund or tax credit arising out of or in conjunction with any Indemnified Taxes or Other Taxes which give rise to such indemnification, such Lender Party shall, to the extent that in its sole discretion exercised in good faith, it can do so without prejudice to the retention of the amount of such refund or credit and without any other adverse tax consequences for such Lender Party, reimburse to Borrower at such time as such tax refund or credit shall have actually been received by such Lender Party such amount as the Lender Party shall, in its sole discretion exercised in good faith, have determined to be attributable to the relevant Taxes or Other Taxes and as will leave such Lender Party in no better or worse position than it would have been in if the payment of such Taxes or Other Taxes had not been required; provided, that if the Lender Party is required to repay all or any portion of any refund or any interest thereon to such Governmental Authority or to forfeit all or any portion of such credit, then, upon the request of such Lender Party, Borrower agrees to repay such Lender Party, as soon as reasonably practicable, the amount of the refund required to be paid to such Governmental Authority by such Lender Party or the amount of such credit that is required to be forfeited, in each case *plus* any penalties, interest or other charges imposed by such Governmental Authority with respect to such refund or credit, as the case may be. Nothing in this Section 2.4(d)(v) shall oblige any Lender Party to disclose to Borrower or any other Person any information regarding its tax affairs or tax computations, or shall interfere with Lender Party's absolute discretion to arrange its tax affairs in whatever manner it thinks fit. In particular, no Lender Party shall be under any obligation to claim relief from its corporate profits or similar tax liability in credits or deductions available to it and, if it does claim, the extent, order and manner in which it does so shall be at its absolute discretion.

(vi) Survival of Obligations. The obligations of Obligors under this Section 2.4(d) shall survive the termination of this Agreement and the repayment of Borrower's First Lien Obligations hereunder.

(e) Application of Payments. Except as otherwise expressly provided herein or in the other Credit Documents, payments made under this Agreement or the other Credit Documents and other amounts received by Administrative Agent, First Lien Collateral Agent, 33 Depositary Agent, the Issuing Banks or the Lenders under this Agreement or the other Credit Documents shall first be applied to any fees, costs, charges or expenses payable to Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Issuing Banks or the Lenders hereunder or under the other Credit Documents, next to any accrued but unpaid interest then due and owing, then to outstanding principal then due and owing or otherwise to be prepaid, and to all ordinary course settlement payments and termination payments then due and payable under any Interest Rate Agreement and Cash Collateralize outstanding LC Exposure (in each case, such application to be made on a pro rata basis among such applicable Persons), and any surplus then remaining shall be paid to Borrower or its successors or assigns or to whomsoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

(f) Withholding Exemption Certificates.

(i) Any Lender Party that is entitled to an exemption from or reduction of withholding tax with respect to payments made under any Credit Document shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender Party, if reasonably requested by Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Legal Requirements or reasonably requested by Borrower or the Administrative Agent as will enable Borrower or the Administrative Agent to determine whether or not such Lender Party is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.4(f)(ii)(A), 2.4(f)(ii)(B), and 2.4(f)(ii)(D) below) shall not be required if in the Lender Party's reasonable judgment such completion, execution or submission would subject such Lender Party to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender Party that is a U.S. Person shall deliver to Borrower and the Administrative Agent on or prior to the date on which such Lender Party becomes a Lender Party under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender Party is exempt from U.S. federal backup withholding tax;

(B) any Non-U.S. Lender Party shall, to the extent it is legally entitled to do so, deliver to Borrower and the Administrative Agent (in such number of copies as shall be requested by the Recipient) on or prior to the date on which such Non-U.S. Lender Party becomes a Lender Party under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Non-U.S. Lender Party claiming the benefits of an income tax treaty to which the United States is a party (I) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding tax pursuant to the "interest" article of such tax treaty, and (II) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender Party claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (I) a certificate substantially in the form of Exhibit H-1 to the effect that such Non-U.S. Lender Party is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of Borrower (or if the Borrower is an entity that is disregarded as separate from its regarded owner for U.S. federal income tax purposes, such regarded owner) within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**"), and (II) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Non-U.S. Lender Party is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that if the Non-U.S. Lender Party is a partnership and one or more direct or indirect partners of such Non-U.S. Lender Party are claiming the portfolio interest exemption, such Non-U.S. Lender Party may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Lender Party shall, to the extent it is legally entitled to do so, deliver to Borrower and the Administrative Agent (in such number of copies as shall be requested by the Recipient) on or prior to the date on which such Lender Party becomes a Lender Party under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender Party under any Credit Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender Party were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender Party shall deliver to Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower or the Administrative Agent as may be necessary for Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender Party has complied with such Lender Party's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender Party agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Defaulting Lender. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 7 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.2 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to Cash Collateralize each Issuing Bank's LC Exposure (if any) with respect to such Defaulting Lender in accordance with Section 2.4(g)(iii); *third*, as Borrower may request (so long as no Default or Event of Default exists), to the funding of any Term Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fourth*, if so determined by the Administrative Agent and Borrower, to be held in a deposit account and released pro rata in order to (A) satisfy such Defaulting Lender's potential future funding obligations with respect to Term Loans under this Agreement and (B) Cash Collateralize any Issuing Bank's future LC Exposure (if any) with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement; *fifth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *sixth*, to the payment of any amounts owing to Borrower as a result of any judgment of a court of competent jurisdiction obtained by Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *seventh*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that if such payment is a payment of the principal amount of any Term Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, such payment shall be applied solely to pay the Term Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Term Loans are held by the Lenders pro rata in accordance with the Term Loan Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Cash Collateral. At any time that there shall exist a Defaulting Lender, within one Banking Day following the written request of the Administrative Agent or a Issuing Bank (with a copy to the Administrative Agent) the Borrower shall Cash Collateralize each Issuing Bank's LC Exposure (other than the LC Exposure of any Issuing Bank that is the Defaulting Lender or its Affiliate) with respect to such Defaulting Lender (determined after giving effect to Section 2.4(g)(iii)(B) and any Cash Collateral provided by such Defaulting Lender).

(A) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the First Lien Collateral Agent, for the benefit of the applicable Issuing Bank, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (B) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the First Lien Collateral Agent and an Issuing Bank as herein provided, or that the total amount of such Cash Collateral is less than 102.5% of the Stated Amount of such Letters of Credit, the Borrower shall, promptly upon demand by the Administrative Agent, pay or provide to the First Lien Collateral Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(B) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.4(g) in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(C) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the applicable Issuing Bank's LC Exposure shall not be held as Cash Collateral pursuant to this Section 2.4(g) following (1) the elimination of the LC Exposure (including by the termination of Defaulting Lender status of the applicable Lender) or (2) the determination by the Administrative Agent and the applicable Issuing Bank that there exists excess Cash Collateral; provided, that, subject to the other provisions of this Section 2.4(g), the Person providing Cash Collateral and the applicable Issuing Bank may agree that Cash Collateral shall be held to support future anticipated LC Exposure or other obligations; provided, further, that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Credit Documents.

(iv) Certain Fees. Notwithstanding anything herein to the contrary, no Defaulting Lender shall be entitled to receive any ~~**Commitment Fee**~~**commitment fee** for any period during which that Lender is a Defaulting Lender (and Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(v) Termination or Transfer of Interest Rate Agreements. During the period that any Lender is a Defaulting Lender, such Lender (or any of its Affiliates) shall, at Borrower's option, not be permitted to be a Hedge Bank with respect to any Permitted Interest Rate Agreement, and to the extent such Lender (or its Affiliate) is a Hedge Bank, Borrower may, at its sole option, require such Hedge Bank to terminate or transfer its Permitted Interest Rate Agreements to an existing Lender (or its Affiliate). Any transfer of a Permitted Interest Rate Agreement, if required by the Borrower, shall be subject to the following conditions: (A) the Lender (or its Affiliate) as Hedge Bank and as transferor (the "**Transferor Hedge Provider**") and the transferee (the "**Transferee Hedge Provider**") shall enter into a novation agreement (based on the ISDA standard form novation agreement); (B) the calculation of the pricing of such novation (including any payment to be made between the Transferor Hedge Provider and the Transferee Hedge Provider) shall be acceptable to the Transferor Hedge Provider (unless it, or its Affiliates is a Defaulting Lender) and Transferee Hedge Provider in their reasonable discretion; and (C) the Transferor Hedge Provider shall bear all costs and expenses (including legal costs and expenses) in relation to any such transfer.

(vi) Defaulting Lender Cure. If Borrower, the Administrative Agent and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Term Loans to be held pro rata by the Lenders in accordance with the Term Loan Commitments, whereupon such Lender will cease to be a Defaulting Lender; provided, that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

2.5 Pro Rata Treatment

(a) Borrowings, Commitment Reductions, Etc. Except as otherwise provided herein, (i) each Borrowing consisting of Loans or each Drawing Payment under any Letters of Credit or each reduction of Commitments shall be made or allocated among the Lenders pro rata according to their respective Proportionate Shares of such Loans or Commitments, as the case may be, (ii) each payment of principal of and interest on Term Loans and LC Loans shall be made or shared among the Lenders holding such Loans pro rata according to their respective unpaid principal amounts of such Loans held by such Lenders, (iii) each payment of commitment fees shall be shared among the Lenders pro rata according to (A) their respective Proportionate Shares of the Commitments held by such Lenders to which such fees apply, and (B) in respect of each Lender which becomes a party to this Agreement hereunder after the Closing Date, the date upon which such Lender so became a party hereunder, and (iv) each payment of **Revolving** LC Fees shall be made or shared among the Lenders holding such Loans pro rata according to their respective Proportionate Shares of ~~the Commitments held by such Lenders to which such fees apply~~**Stated Amounts of all Revolving Letters of Credit**.

(b) Sharing of Payments, Etc. If any Lender or Issuing Bank shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) on account of its Loans or participations in Drawing Payments **of Revolving Letters of Credit** resulting in such Lender or Issuing Bank receiving payment of a greater proportion of the aggregate amount of its Loans or participations in Drawing Payments **of Revolving Letters of Credit** and accrued interest thereon under the applicable facility than the proportion received by any other Lender or Issuing Bank with respect to such facility (other than the application of funds arising from the existence of a Defaulting Lender), then the Lender or Issuing Bank receiving such greater proportion shall forthwith purchase from the other Lenders or Issuing Bank such participations in the Loans or Drawing Payments, as the case may be, as shall be necessary to cause such purchasing Lender or Issuing Bank to share the excess payment ratably with each of them; provided, that (i) the foregoing shall not apply to any assignments by a Lender or Issuing Bank in accordance with Section 9.14, (ii) the foregoing shall not apply to any upfront fees, arranging fees or agency fees and (iii) if all or any portion of such excess payment is thereafter recovered from such purchasing Lender or Issuing Bank, such purchase from such Lender or Issuing Bank shall be rescinded and each other Lender or Issuing Bank shall repay to the purchasing Lender of Issuing Bank the purchase price to the extent of such recovery together with an amount equal to such other Lender's or Issuing Bank's proportionate share of the applicable facility (according to the proportion of (A) the amount of such other Lender's or Issuing Bank's required repayment to (B) the total amount so recovered from the purchasing Lender or Issuing Bank) of any interest or other amount paid or payable by the purchasing Lender or Issuing Bank in respect of the total amount so recovered. Borrower agrees that any Lender or Issuing Bank so purchasing a participation from another Lender or Issuing Bank pursuant to this Section 2.5(b) may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of setoff) with respect to such participation as fully as if such Lender or Issuing Bank was the direct creditor of Borrower in the amount of such participation.

2.6 Change of Circumstances

(a) Inability to Determine Rates; Effect of Benchmark Transition Event.

~~**Benchmark Replacement.**~~ Notwithstanding anything to the contrary herein or in any other Credit Document~~, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may, by mutual agreement, amend this Agreement by replacing the LIBO Rate with a Benchmark Replacement. Any such amendment with respect to a~~:

(i) Replacing LIBOR. On March 5, 2021 the Financial Conduct Authority ("FCA"), the regulatory supervisor of LIBOR's administrator ("IBA"), announced in a public statement the future cessation or loss of representativeness of overnight/Spot Next, 1-month, 3-month, 6-month and 12-month LIBOR tenor settings. On the earlier of (A) the date that all Available Tenors of LIBOR have either permanently or indefinitely ceased to be provided by IBA or have been announced by the FCA pursuant to public statement or publication of information to be no longer representative and (B) the Early Opt-in Effective Date, if the then-current Benchmark is LIBOR, the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Credit Document. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

~~(i)~~ **Replacing Future Benchmarks. Upon the occurrence of a** Benchmark Transition Event ~~will become effective at~~ **, the Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after** 5:00 p.m. on the fifth ~~Banking~~**(5th) Business** Day after the ~~Administrative Agent has posted such proposed amendment to all Lenders and the Borrower~~**date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document (other than any Benchmark Replacement Conforming Changes made pursuant to Section 2.6(a)(iii) below)** so long as the Administrative Agent has not received, by such time, written notice of objection to such ~~amendment~~**Benchmark Replacement** from Lenders comprising the Required Lenders. ~~Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to~~ **At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, the Borrower may revoke any request for a borrowing of, conversion to or continuation of Loans to be made, converted or continued that would bear interest by reference to such Benchmark until the Borrower's receipt of notice from** the Administrative Agent ~~written notice that such Required Lenders accept such amendment. No replacement of the LIBO Rate with~~**that** a Benchmark Replacement ~~pursuant to this Section 2.6(a) will occur prior to the applicable Benchmark Transition Start Date.~~**has replaced such Benchmark, and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans . During the period referenced in the foregoing sentence, the component of the Base Rate based upon the Benchmark will not be used in any determination of the Base Rate.**

(ii) Benchmark Replacement Conforming Changes. In connection with the implementation **and administration** of a Benchmark Replacement, the Administrative Agent~~, with the written consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed),~~ will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (A) ~~any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (B)~~ the implementation of any Benchmark Replacement~~,~~ **and** (~~C~~**B**) the effectiveness of any Benchmark Replacement Conforming Changes ~~and (D) the commencement or conclusion of any Benchmark Unavailability Period~~. Any determination, decision or election that may be made by the Administrative Agent or**, if applicable, any Lender (or group of** Lenders**)** pursuant to this Section ~~2.6(a)~~, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their ~~commercially reasonable~~**sole** discretion **and without consent from any other party hereto**, except, in each case, as expressly required pursuant to this Section ~~2.6(a)~~.

(iv) ~~Benchmark~~ Unavailability ~~Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a LIBOR Loan of, conversion to or continuation of LIBOR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During any Benchmark Unavailability Period, the component of Base Rate based upon the LIBO Rate will not be used in any determination of Base Rate.~~**of Tenor of Benchmark. At any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including Term SOFR or LIBOR), then the Administrative Agent may remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (B) the Administrative Agent may reinstate any such previously removed tenor for Benchmark (including Benchmark Replacement) settings.**

(b) Illegality. If any Lender reasonably determines that, after the Closing Date, the adoption of any Governmental Rule, any change in any Governmental Rule or the application or requirements thereof (whether such change occurs in accordance with the terms of such Governmental Rule as enacted, as a result of amendment, or otherwise), any change in the interpretation or administration of any Governmental Rule by any Governmental Authority, or compliance by any Lender or Borrower with any request or directive (whether or not having the force of law, but if not having the force of law, being of a type with which a Lender customarily complies) of any Governmental Authority; provided, that notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith, and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "Change in Law", (regardless of the date enacted, adopted or issued, a "**Change in Law**") shall make it unlawful or impossible for any Lender to make or maintain any LIBOR Loan, or results in a Governmental Authority imposing material restrictions on the authority of the Lenders to purchase, sell or take deposits of Dollars in the pursuant to the preceding sentence prior to the notice thereof by such Lender to Borrower through Administrative Agent, (1) Borrower's right to request the making of or conversion to, and the Lender's obligations to make or convert to, LIBOR Loans shall be suspended until such Lender notifies Borrower and Administrative Agent that the circumstances giving rise to such determination no longer exist, and (2) Borrower shall, upon demand from such Lender (with a copy to Administrative Agent), either (I) pursuant to Section 2.1(g) convert any then outstanding LIBOR Loans into Base Rate Loans at the end of the current Interest Periods for such Loans, or (II) immediately repay LIBOR Loans pursuant to Section 2.1(h) or convert LIBOR Loans into Base Rate Loans if such Lender shall notify Borrower that such Lender may not lawfully continue to fund and maintain such Loans. Upon any such conversion, Borrower shall also pay accrued interest on the amount so converted. Any conversion or prepayment of LIBOR Loans made pursuant to the preceding sentence prior to the last day of an Interest Period for such Loans shall be deemed a prepayment thereof for purposes of Section 2.7.

(c) Increased Costs. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement) or any Issuing Bank; or

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letters of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost (other than any cost relating to any Taxes) to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letters of Credit (or of maintaining its obligation to participate in or to issue any Letters of Credit), or to reduce the amount of any sum received or receivable by such Lender, Issuing Bank or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, Issuing Bank or other Recipient, Borrower shall pay to such Lender, Issuing Bank or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, Issuing Bank or other Recipient, as the case may be, for such additional costs incurred or reduction suffered (without duplication and after netting out the effect of any benefits resulting therefrom).

(d) Capital Requirements.

(i) If any Lender or Issuing Bank reasonably determines that any Change in Law affecting such Lender or Issuing Bank or any Lending Office of such Lender or such Lender's or Issuing Bank's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by any Issuing Bank, to a level below that which such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy), then from time to time Borrower shall pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction suffered (without duplication and after netting out the effect of any benefits resulting therefrom).

(ii) Borrower shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including eurocurrency funds or deposits (currently known as "Eurocurrency Liabilities" in Regulation D), additional interest on the unpaid principal amount of each LIBOR Loan equal to the actual costs of such reserves allocated to such Loan by such Lender; provided, that such costs shall be applied consistently across all other similar loans of such Lender, as determined by such Lender in good faith, which determination shall be conclusive absent manifest error. Such additional interest shall be due upon the occurrence of event giving rise to, or the imposition of, as applicable, the reserve requirement, and payable on each date on which interest is payable on such Loan; provided, that such Lender shall provide Borrower at least ten days' prior notice (with a copy to the Administrative Agent) of such additional interest. If a Lender fails to give notice ten days prior to the relevant interest payment date, such failure shall not excuse Borrower's obligation to pay such additional interest, however, such additional interest shall be only payable ten days from receipt of such notice.

(e) Notice; Participating Lenders' Rights. Each Lender shall notify Borrower of any event occurring after the date of this Agreement that will entitle such Lender to compensation pursuant to this Section 2.6(e), promptly, and in no event later than 180 days after the principal officer of such Lender responsible for administering this Agreement obtains knowledge thereof; provided, that any Lender's failure to notify Borrower within such 180 day period shall not relieve Borrower of its obligation under this Section 2.6(e) with respect to claims arising prior to the end of such period, but shall relieve Borrower of its obligations under this Section 2.6(e) with respect to the time between the end of such period and such time as Borrower receives notice from the applicable Lender as provided herein; and provided, further, that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof. No Person purchasing from a Lender a participation in any Commitment (as opposed to an assignment) shall be entitled to any payment from or on behalf of Borrower pursuant to Section 2.6(c) or Section 2.6(d) which would be in excess of the applicable proportionate amount (based on the portion of the Commitment in which such Person is participating) which would then be payable to such Lender if such Lender had not sold a participation in that portion of the Commitment.

2.7 Funding Losses

If Borrower shall (a) repay or prepay any LIBOR Loans on any day other than the last day of an Interest Period for such Loans (whether an Optional Prepayment or a Mandatory Prepayment), (b) fail to convert any Loans into LIBOR Loans in accordance with a Notice of Conversion of Loan Type delivered to Administrative Agent (whether as a result of the failure to satisfy any applicable conditions or otherwise) after such Notice of Conversion of Loan Type has become irrevocable, (c) fail to continue a LIBOR Loan in accordance with a Confirmation of Interest Period Selection delivered to Administrative Agent, or (d) fail to make any prepayment in accordance with any notice of prepayment delivered to Administrative Agent, then Borrower shall, within ten days after demand by any Lender, reimburse such Lender for all reasonable costs and losses incurred by such Lender as a result of such repayment, prepayment or failure ("**Liquidation Costs**"). Borrower understands that such costs and losses may include losses incurred by a Lender as a result of funding and other contracts entered into by such Lender to fund LIBOR Loans (other than non-receipt of the margin applicable to such LIBOR Loans). Each Lender demanding payment under this Section 2.7 shall deliver to Borrower a certificate setting forth in reasonable detail the basis for and the amount of costs and losses for which demand is made. Such a certificate so delivered to Borrower shall, in the absence of manifest error, be conclusive and binding as to the amount of such loss for purposes of this Agreement.

2.8 Alternate Office; Minimization of Costs; Replacement of Lenders

(a) To the extent reasonably possible, each Lender shall designate an alternative Lending Office with respect to its LIBOR Loans and otherwise take any reasonable actions to reduce any liability of Borrower to any Lender under Sections 2.4(d), 2.6(c), 2.6(d) or Section 2.7, or to avoid the unavailability of any Type of Loans under Section 2.6(b) so long as (in the case of the designation of an alternative Lending Office) such Lender, in the reasonable judgment of such Lender, determines that (i) such designation would not subject the Lender to any unreimbursed cost or otherwise be disadvantageous to such Lender in any material respect, and (ii) such actions would eliminate or reduce liability to such Lender; provided, that no Lender shall be required to designate an alternative Lending Office if such designation requires internal credit approval until such time as such Lender receives such internal credit approval. Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or actions within ten Banking Days of demand thereof to Borrower.

(b) If and with respect to each occasion that any Lender has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.9 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, a Lender either makes a demand for compensation pursuant to Sections 2.4(d), 2.6(c) or 2.6(d) or is unable to fund LIBOR Loans pursuant to Section 2.6(b) or is a Defaulting Lender, then Borrower may, upon at least five Banking Days' prior irrevocable written notice to each of such Lender and Administrative Agent, in whole permanently replace the Loans and Commitments of such Lender. Such replacement Lender shall upon the effective date of replacement purchase Borrower's First Lien Obligations hereunder owed to such replaced Lender for the aggregate amount thereof and shall thereupon for all purposes become a "Lender" hereunder. Such notice from Borrower shall specify an effective date for the replacement of such Lender's Loans and Commitments, which date shall not be later than the fourteenth day after the day such notice is given. On the effective date of any replacement of such Lender's Loans and Commitments pursuant to this Section 2.8(b), Borrower shall pay to Administrative Agent for the account of such Lender (i) any fees due to such Lender to the date of such replacement, (ii) the principal of and accrued interest on the principal amount of outstanding Loans held by such Lender to the date of such replacement (such amount to be represented by the purchase of Borrower's First Lien Obligations hereunder of such replaced Lender by the replacing Lender and not as a prepayment of such Loans), and (iii) the amount or amounts due to such Lender pursuant to each of Sections 2.4(c), 2.6(c) or 2.6(d), as applicable, and any other amount then payable hereunder to such Lender. Borrower shall remain liable to such replaced Lender for any Liquidation Costs that such Lender sustains or incurs as a consequence of the purchase of such Lender's Loans (unless such Lender has defaulted on its obligation to fund a Loan hereunder). Upon the effective date of the purchase of any Lender's Loans owed to such Lender and termination of such Lender's Commitments pursuant to this Section 2.8(b), such Lender shall cease to be a Lender hereunder. No such termination of any such Lender's Commitments and the purchase of such Lender's Loans pursuant to this Section 2.8(b) shall affect (x) any liability or obligation of Borrower or any other Lender to such terminated Lender, or any liability or obligation of such terminated Lender to Borrower or any other Lender, which accrued on or prior to the date of such termination, or (y) such terminated Lender's rights hereunder in respect of any such liability or obligation. Nothing in this Section 2.8(b) shall be deemed to prejudice any rights that Borrower may have against any Lender that is a Defaulting Lender.

(c) Upon written notice to Administrative Agent, any Lender may designate a Lending Office other than the Lending Office most recently designated to Administrative Agent and may assign all of its interests under the Credit Documents and its Notes (if any) to such Lending Office; provided, that, such designation and assignment do not at the time of such designation and assignment increase the reasonably foreseeable liability of Borrower under Sections 2.4(d), 2.6(c) or 2.6(d) or make an Interest Rate option unavailable pursuant to Section 2.6(b).

(i) An event of default (howsoever defined) shall occur with respect to any Obligor under any Indebtedness for borrowed money of such Obligor, having drawn principal amounts in excess of $50,000,000 in the aggregate and shall have continued beyond the applicable grace period, the effect of which has been to cause the entire amount of such Indebtedness to become due and such Indebtedness remains unpaid or the acceleration of its stated maturity unrescinded.

(ii) An event of default (howsoever defined) shall occur with respect to Any Permitted Commodity Hedge Agreement or Permitted Interest Rate Agreement and, after giving effect to any applicable notice requirement or grace period, such default results in a liquidation of, an acceleration of obligations under, or an early termination of, such Permitted Commodity Hedge Agreement or Permitted Interest Rate Agreement, and, in addition, the early termination amount (howsoever defined in such Permitted Commodity Hedge Agreement or Permitted Interest Rate Agreement) resulting from the occurrence of such liquidation, acceleration or early termination that is due and payable by Obligor (if any) is in excess of $50,000,000.

(d) ERISA Event. One or more ERISA Events shall have occurred that, when taken together with any other ERISA Events that have occurred, would reasonably be expected to have a Material Adverse Effect;

(e) Breach of Terms of Agreement.

(i) Defaults without Cure Periods. Any Obligor shall fail to perform or observe any of the covenants set forth in Sections 5.1, 5.10(c) (but excluding any obligation thereunder in respect of any Default or CTA Default) or Article 6.

(ii) Defaults with Cure Periods. Any Obligor shall fail to perform or observe any of the covenants set forth in (A) Section 5.9 and such failure shall continue unremedied for a period of fifteen Banking Days after Borrower receives written notice thereof from Administrative Agent or (B) Section 5.2 and such failure shall continue unremedied for a period of thirty days after Borrower receives written notice thereof from Administrative Agent.

(iii) Other Defaults. Any Obligor shall fail to perform or observe any of its covenants set forth hereunder not otherwise specifically provided for in Section 7.1(e)(i), Section 7.1(e)(ii) or elsewhere in this Article 7, and such failure shall continue unremedied for a period of thirty days after such Obligor receives written notice thereof from Administrative Agent; provided, that if (A) such failure cannot be cured within such thirty-day period, (B) such failure is susceptible of cure within ninety days, (C) such Obligor is proceeding with diligence and in good faith to cure such failure, (D) the existence of such failure has not had and could not, after considering the nature of the cure, be reasonably expected to have a Material Adverse Effect, and (E) Administrative Agent shall have received an officer's certificate signed by a Responsible Officer to the effect of clauses (i), (ii), (iii), and (F) above and stating what action such Obligor is taking to cure such failure, then such thirty-day cure period shall be extended to such date, not to exceed a total of ninety days, as shall be necessary for such Obligor diligently to cure such failure.

(f) Regulatory Status.

(i) Any Obligor shall become a public utility under the laws of the State of California as presently constituted and as construed by the courts of California, and in each case, such event could reasonably be expected to have a Material Adverse Effect.

(ii) FERC has issued an order determining that any Obligor that is a "public utility" under the FPA is no longer entitled to make sales at wholesale of electric energy, capacity and certain ancillary services at market-based rates and/or is no longer entitled to associated waivers and blanket authorizations under FERC regulations, including blanket authorization to issue securities and assume liabilities pursuant to Section 204 of the FPA, if loss of such Obligor's authorization from FERC under the FPA to make sales at wholesale of electric energy, capacity and certain ancillary services at market-based rates and/or associated waivers and blanket authorizations under FERC regulations, including blanket authorization to issue securities and assume liabilities pursuant to Section 204 of the FPA, could reasonably be expected to have a Material Adverse Effect.

(g) Change of Control. A Change of Control shall have occurred.

(h) Unenforceability. At any time after the execution and delivery thereof, any material provision of this Agreement shall cease to be in full force and effect (other than by reason of the satisfaction in full or release of Borrower's First Lien Obligations hereunder or any other termination of this Agreement in accordance with the terms hereof) or this Agreement shall be declared null and void by a Governmental Authority of competent jurisdiction.

(i) Misstatements; Omissions. Any representation or warranty made or deemed made by any Obligor in any Credit Document to which it is a party or in any separate written statement or certificate required to be delivered to Administrative Agent, Depositary Agent, First Lien Collateral Agent, or any Lender hereunder or under any other Credit Document to which it is a party, shall be untrue in any material respect as of the time made; provided, that misrepresentations which are capable of being remedied, are made or deemed made after the Closing Date, the untruth of which could not reasonably be expected to have a Material Adverse Effect, shall not be deemed to be an Event of Default if such misrepresentation is cured, corrected or otherwise remedied within thirty days (or if such incorrect representation, warranty, written statement or certificate is not susceptible to cure within thirty days, and such Obligor is proceeding with diligence and in good faith to cure such default and such default is susceptible to cure, such thirty day cure period shall be extended as may be necessary to cure such incorrect representation, warranty, written statement or certificate, such extended period not to exceed ninety days in the aggregate (inclusive of the original thirty-day period)) from the date a Responsible Officer of Borrower acquires knowledge thereof such that such representation or warranty (as cured, corrected or remedied) has not resulted in a Material Adverse Effect, then such false or incorrect representation, warranty, written statement or certification shall not constitute a Default or an Event of Default for purposes of the Credit Documents.

(j) Specified Major Project Contract Defaults. (i) Any Specified Major Project Contract shall terminate or shall be declared null and void (except (a) upon fulfillment of the parties' obligations thereunder or (b) upon the scheduled expiration of the term of such Specified Major Project Contract) and such termination is reasonably expected to have a Material Adverse Effect, (ii) any provision in any Specified Major Project Contract shall for any reason cease to be valid and binding on any party thereto (other than Borrower), other than any such failure to be valid and binding which could not reasonably be expected to have a Material Adverse Effect or (iii) performance shall be breached under any Specified Major Project Contract and such breach is reasonably expected to have a Material Adverse Effect except, in the case of the foregoing clauses (i) , (ii), or (iii) to the extent that (x) such provision is restored or replaced by a replacement provision in form and substance reasonably acceptable to Administrative Agent within a 120-day period thereafter, or (y) Borrower enters into a Replacement Major Project Contract within 120 days thereafter.

7.2 Remedies

Subject to the terms and conditions of the Intercreditor Agreement, upon the occurrence and during the continuation of an Event of Default, Administrative Agent shall, upon the direction of the Required Lenders, without further notice of default, presentment or demand for payment, protest or notice of non-payment or dishonor, or other notices or demands of any kind, all such notices and demands (other than notices expressly required by the Credit Documents) being waived, exercise any or all of the following rights and remedies, in any combination or order that the Required Lenders may elect, in addition to such other rights or remedies as the First Lien Secured Parties may have hereunder, under the First Lien Collateral Documents or at law or in equity:

(a) No Further Loans or Letters of Credit. Cancel all Commitments, refuse, and Administrative Agent, the Issuing Banks and the Lenders shall not be obligated, to continue any Loans, make any additional Loans, or make any payments, or permit the making of payments, from any Depositary Account or any Loan proceeds or other funds held by Administrative Agent or First Lien Collateral Agent under the Credit Documents or on behalf of Borrower; provided, that in the case of an Event of Default occurring under Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement, all such Commitments shall be cancelled and terminated without further act of Administrative Agent, First Lien Collateral Agent, or any First Lien Secured Party.

(b) Cure by Agents. Without any obligation to do so, make disbursements or Loans to or on behalf of Borrower or disburse amounts from any Depositary Account to cure (i) any Default or Event of Default hereunder, and (ii) any default and render any performance under any Major Project Contract as the Required Lenders in their sole discretion may consider necessary or appropriate, whether to preserve and protect the Collateral or the First Lien Secured Parties' interests therein or for any other reason. All sums so expended, together with interest on such total amount at the Default Rate (but in no event shall the rate exceed the maximum lawful rate), shall be repaid by Borrower to Administrative Agent or First Lien Collateral Agent, as the case may be, on demand and shall be secured by the Credit Documents, notwithstanding that such expenditures may, together with amounts advanced under this Agreement, exceed the aggregate amount of the Total Term Loan Commitment.

(c) Acceleration. Declare and make all or a portion of the sums of accrued and outstanding principal and accrued but unpaid interest remaining under this Agreement, together with all unpaid fees, costs (including Liquidation Costs and Hedge Breaking Fees) and charges due hereunder or under any other Credit Document, immediately due and payable and require Borrower immediately, without presentment, demand, protest or other notice of any kind, all of which Borrower hereby expressly waives, to pay Administrative Agent or the First Lien Secured Parties an amount in immediately available funds equal to the aggregate amount of any outstanding First Lien Obligations of Borrower under this Agreement and the other Credit Documents; provided, that in the event of an Event of Default occurring under Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement, all such amounts shall become immediately due and payable without further act of Administrative Agent, the Issuing Banks, First Lien Collateral Agent, or the First Lien Secured Parties.

(d) Cash Collateral; Letters of Credit.

(i) Pursuant to the terms of the First Lien Common Terms Agreement and the Collateral and Intercreditor Agreement, vote in favor of the First Lien Collateral Agent taking action to declare, apply or execute upon any amounts on deposit in any Depositary Account, or any proceeds or any other moneys of Borrower on deposit with Administrative Agent, First Lien Collateral Agent, Depositary Agent or any First Lien Secured Party in the manner provided in the UCC and other relevant statutes and decisions and interpretations thereunder with respect to Cash Collateral; or draw upon any letter of credit held by First Lien Collateral Agent as security. Without limiting the foregoing, each of Administrative Agent, First Lien Collateral Agent and Depositary Agent shall have all rights and powers with respect to the Loan proceeds, draws upon any Letter of Credit, the Depositary Accounts and the contents of the Depositary Accounts as it has with respect to any other Collateral and may apply, or cause the application of, such amounts to the payment of interest, principal, fees, costs, charges or other amounts due or payable to Administrative Agent, First Lien Collateral Agent, Depositary Agent or the First Lien Secured Parties with respect to the Loans in such order as the Required Lenders may elect in their sole discretion. Borrower shall not have any rights or powers with respect to such amounts.

(ii) Make demand upon the Borrower to, and forthwith upon such demand the Borrower shall, pay to the Administrative Agent on behalf of the Lenders in same day funds at the Administrative Agent's account, to the extent not already funded, an amount equal to 102.5% of the aggregate LC Exposure; provided, that upon the occurrence of any Default or Event of Default under Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement, the Borrower shall be obligated to pay to the Administrative Agent on behalf of the Lenders in same day funds at the Administrative Agent's account, to the extent not already funded, an amount equal to 102.5% of the aggregate LC Exposure, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by the Borrower.

(e) Possession of Projects. Pursuant to the terms of the First Lien Common Terms Agreement and the Collateral and Intercreditor Agreement, vote in favor of the First Lien Collateral Agent taking action to enter into possession of the Projects or operate and maintain the Projects, and all sums expended by Administrative Agent, First Lien Collateral Agent or Depositary Agent in so doing, together with interest on such total amount at the Default Rate, shall be repaid by Borrower to Administrative Agent, First Lien Collateral Agent or Depositary Agent, as the case may be, upon demand and shall be secured by the Credit Documents, notwithstanding that such expenditures may, together with amounts advanced under this Agreement, exceed the aggregate amount of the Total Term Loan Commitment.

(f) Remedies under Credit Documents. Take (or vote in favor of the taking) other action at law or in equity as may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Agreement and the other Credit Documents.

8. SCOPE OF LIABILITY

The limitations on recourse set forth in this Article 8 shall survive the termination of this Agreement, the termination of all Commitments and the Interest Rate Agreements to which any Lender Party is a party and the indefeasible payment in full in cash and performance in full of Borrower's First Lien Obligations hereunder and under the other Credit Documents.

The Lenders hereby acknowledge that no Agent shall be under any duty to take any discretionary action permitted to be taken by it pursuant to the provisions of this Agreement unless it shall be requested in writing to do so by the Required Lenders. (d) Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees, and may consult with the applicable Independent Consultants in the exercise of such powers, rights and remedies and the performance of such duties. (e) Any Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Credit Document by or through any one or more sub-agents appointed by such Agent. Any such Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of this Section 9.1(e) and of Section 9.5 shall apply to any of the Affiliates of each Agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as an Agent. All of the rights, benefits, and privileges (including the exculpatory and indemnification provisions) of this Section 9.1(e) and of Section 9.5 shall apply to any such sub-agent and to the Affiliates of any such sub-agent and shall apply to their respective activities as sub-agent as if such sub-agent and Affiliates were named herein. 9.2 Reliance

Each of Administrative Agent, First Lien Collateral Agent, Coordinating Lead Arranger, and Joint Lead Arranger, shall be entitled to rely upon any certificate, notice or other document (including any cable, telegram, facsimile, electronic mail or telex) believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by it. First Lien Collateral Agent, Administrative Agent, Coordinating Lead Arrangers, and Joint Lead Arrangers shall in all cases be fully protected in acting, or refraining from acting, in accordance with written instructions signed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided herein or under the other Credit Documents) or otherwise, and, except as otherwise specifically provided herein, such instructions and any action or inaction pursuant thereto shall be binding on all the Lenders. As to any other matters not expressly provided for by this Agreement, neither First Lien Collateral Agent nor Administrative Agent shall be required to take any action or exercise any discretion, but shall be required to act or to refrain from acting upon instructions of the Required Lenders or, where expressly provided, all Lenders (except that neither First Lien Collateral Agent nor Administrative Agent shall be required to take any action which exposes First Lien Collateral Agent or Administrative Agent (as the case may be) to personal liability or which is contrary to this Agreement, any other Credit Document or any Legal Requirement). Each of First Lien Collateral Agent and Administrative Agent shall in all cases (including when any action by First Lien Collateral Agent or Administrative Agent (as the case may be) alone is authorized hereunder, if First Lien Collateral Agent or Administrative Agent (as the case may be) elects in its sole discretion to obtain instructions from the Required Lenders) be fully protected in acting, or in refraining from acting, hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders (or, where so expressly stated, all Lenders), and such instructions of the Required Lenders (or all Lenders, where applicable) and any action taken or failure to act pursuant thereto shall be binding on all of the Lender Parties.

9.3 Non-Reliance

Each Lender represents that it has, independently and without reliance on the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of the financial condition and affairs of the Obligors and its own decision to enter into this Agreement and agrees that it shall, independently and without reliance upon the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own appraisals and decisions in taking or not taking action under this Agreement. Each of Administrative Agent, Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent and any Lender shall not be required to keep informed as to the performance or observance by any Obligor or its Affiliates under this Agreement or any other document referred to or provided for herein or to make inquiry of, or to inspect the properties or books of any Obligor or its Affiliates.

9.4 Defaults; Material Adverse Effect

None of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent and Administrative Agent shall be deemed to have knowledge or notice of the occurrence of any Default, Event of Default or Material Adverse Effect, unless such Person has received a notice from a Lender or Borrower, referring to this Agreement, describing such Default, Event of Default or Material Adverse Effect and indicating that such notice is a notice of the occurrence of such Default, Event of Default or Material Adverse Effect (as the case may be). If Administrative Agent receives such a notice of the occurrence of a Default, Event of Default or Material Adverse Effect, Administrative Agent shall give notice thereof to the Lenders. Each of First Lien Collateral Agent and Administrative Agent shall take such action with respect to such Default, Event of Default or Material Adverse Effect as is provided in Article 3, Article 7 or the terms of the Credit Documents, including but not limited to the Intercreditor Agreement, or if not provided for in Article 3, Article 7 or such Credit Documents, as the Administrative Agent or First Lien Collateral Agent shall be reasonably directed by the Required First Lien Secured Parties; provided, that unless and until Administrative Agent or First Lien Collateral Agent shall have received such directions, each of Administrative Agent and First Lien Collateral Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default, Event of Default or Material Adverse Effect as it shall deem advisable in the best interest of the First Lien Secured Parties.

9.5 Indemnification

Without limiting the First Lien Obligations of Borrower hereunder, each Lender severally agrees to indemnify the Coordinating Lead Arrangers, Joint Lead Arrangers, each Agent and their respective officers, directors, shareholders, controlling Persons, employees, agents and servants, ratably in accordance with their Proportionate Shares for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against such Agent, the Coordinating Lead Arrangers, Joint Lead Arrangers, or such Person in any way relating to or arising out of this Agreement or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or the enforcement of any of the terms hereof or thereof or of any such other documents, or any action taken or omitted by it or any of them under this Agreement or any other Credit Document, to the extent the same shall not have been reimbursed by Borrower; provided, that no Lender shall be liable to an Agent the Syndication Agent, Bookrunners, Coordinating Lead Arrangers, or Joint Lead Arrangers for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements found in a final non-appealable judgment by a court of competent jurisdiction to have resulted primarily from the gross negligence or willful misconduct of such Agent, such Coordinating Lead Arrangers, Joint Lead Arrangers or any of their Related Parties. The obligations of the Lenders under this Section 9.5 shall survive payment of all First Lien Obligations and the resignation or replacement of any Agent. An Agent or any such Person shall be fully justified in refusing to take or to continue to take any action hereunder or under any other Credit Document unless it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Without limitation of the foregoing, each Lender agrees to reimburse each Agent, the Coordinating Lead Arrangers, Joint Lead Arrangers, or any such Person promptly upon demand for its Proportionate Share of any out-of-pocket expenses (including reasonable counsel fees and compensation of agents and employees paid for services rendered on behalf of the Lenders, but limited in the case of legal expenses, to the actual and reasonable and documented expenses of one counsel for the Agents, and, if necessary, one firm of local counsel in each appropriate jurisdiction where any action to realize upon any part of the Collateral is necessary, in each case for the Agents (and, in the case of an actual or perceived conflict of interest where the Agents affected by such conflict informs the Borrower of such conflict, of another firm of counsel for such affected Agent) incurred by such Agent, Coordinating Lead Arrangers, Joint Lead Arrangers, or any such Person in connection with the preparation, execution, administration or enforcement of, or legal advice in respect of rights or responsibilities under, the Credit Documents, to the extent that such Agent, Coordinating Lead Arrangers, Joint Lead Arrangers, or any such Person is not reimbursed for such expenses by Borrower).

9.6 Successor Agent

Any Agent may resign at any time by notifying the Lenders and Borrower, in accordance with this Section 9.6 or the provisions of the Intercreditor Agreement, as applicable. Upon any such resignation of either Administrative Agent or First Lien Collateral Agent, the Required Lenders shall have the right, with the consent of Borrower (such consent not to be unreasonably withheld or delayed) to appoint a successor Administrative Agent or First Lien Collateral Agent (as the case may be). Subject to the provisions of the Intercreditor Agreement, if no successor Administrative Agent or First Lien Collateral Agent (as the case may be) shall have been so appointed by the Required Lenders and shall have accepted such appointment, within fifteen days after the retiring Administrative Agent's or First Lien Collateral Agent's (as the case may be) giving of notice of resignation or the Lenders' removal of the retiring Administrative Agent or First Lien Collateral Agent (as the case may be), the retiring Administrative Agent and First Lien Collateral Agent (as the case may be) may, on behalf of the Lender Parties, with the consent of Borrower (such consent not to be unreasonably withheld or delayed), appoint a successor Administrative Agent or First Lien Collateral Agent (as the case may be) hereunder, which shall be a Lender, if any Lender shall be willing to serve, and otherwise shall be a commercial bank having a combined capital and surplus of at least $500,000,000 or an Affiliate of any such bank. Upon the acceptance of any appointment as Administrative Agent or First Lien Collateral Agent (as the case may be) under the Credit Documents by a successor Administrative Agent or First Lien Collateral Agent (as the case may be), such successor Administrative Agent or First Lien Collateral Agent (as the case may be) shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent or First Lien Collateral Agent (as the case may be), and the retiring Administrative Agent or First Lien Collateral Agent (as the case may be) shall be discharged from its duties and obligations as Administrative Agent or First Lien Collateral Agent (as the case may be) only under the Credit Documents. After any retiring Administrative Agent's or First Lien Collateral Agent's resignation hereunder as Administrative Agent or First Lien Collateral Agent (as the case may be), the provisions of this Article 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent or First Lien Collateral Agent (as the case may be) under the Credit Documents. In addition to the foregoing, if a Lender becomes, and during the period it remains, a Defaulting Lender, an Issuing Bank may, upon prior written notice to Borrower and Administrative Agent, resign as an Issuing Bank effective at the close of business New York time on a date specified in such notice (which date may not be less than twenty Banking Days after the date of such notice); provided, that such resignation by the applicable Issuing Bank shall have no effect on the validity or enforceability of any Letter of Credit then outstanding or on the obligations of Borrower or any Lender under this Agreement with respect to any such outstanding Letter of Credit or otherwise to such Issuing Bank. Anything herein to the contrary notwithstanding, if at any time the Required Lenders determine that the Person serving as Administrative Agent is a Defaulting Lender, the Required Lenders (determined after giving effect to Section 9.9) may by notice to Borrower and such Person remove such Person as Administrative Agent and appoint a replacement Administrative Agent hereunder. Such removal shall, to the fullest extent permitted by applicable law, be effective on the earlier of (a) the date a replacement Administrative Agent is appointed, and (b) the date which is five Banking Days after the giving of such notice by the Required Lenders (regardless of whether a replacement Administrative Agent has been appointed).

9.7 Authorization

Each of the Lenders and each assignee of any such Lender hereby irrevocably authorizes each of Administrative Agent, First Lien Collateral Agent, the Coordinating Lead Arrangers, Joint Lead Arrangers, and Issuing Banks to take such actions on behalf of such Lender or assignee and to exercise such powers as are specifically delegated to such Person in such capacity by the terms and provisions hereof and of the other Credit Documents, together with such actions and powers as are reasonably incidental thereto, and each Lender and each assignee or any such Lender hereby agrees to be bound by any such actions. Without limiting the generality of the foregoing, Administrative Agent is hereby expressly authorized by the Lenders and Issuing Banks, without hereby limiting any implied authority, (a) to receive on behalf of the Lenders and the Issuing Banks all payments of principal of and interest on the Loans, all payments in respect of Drawing Payments and all other amounts due to the Lenders and the Issuing Banks hereunder, and promptly to distribute to each Lender or Issuing Bank its proper share of each payment so received (and any such payments not so distributed by Administrative Agent within one Banking Day of receipt thereof shall bear interest (at Administrative Agent's expense) at a rate equal to the greater of (i) the Federal Funds Rate, and (ii) a rate reasonably determined by Administrative Agent in accordance with banking industry rules on interbank compensation); (b) to give notice on behalf of each of the Lenders of any Event of Default specified in this Agreement of which Administrative Agent has actual knowledge acquired in connection with the performance of its duties as Administrative Agent hereunder; (c) to distribute to each Lender copies of all notices, financial statements and other materials delivered by Borrower pursuant to this Agreement as received by Administrative Agent; and (d) to enter into (and each of the Lenders, Issuing Banks, Coordinating Lead Arrangers, and Joint Lead Arrangers hereby agree to be bound by the terms of and direct the Administrative Agent to enter into) a use of work product agreement in the form of Exhibit J on behalf of each Lender, Issuing Banks, Coordinating Lead Arrangers, and Joint Lead Arrangers. Each of Administrative Agent and First Lien Collateral Agent is further authorized by the Lender Parties to release Liens on property that the Obligors are permitted to sell or transfer pursuant to the terms of this Agreement or the other Credit Documents and to enter into agreements supplemental hereto for the purpose of curing any formal defect, inconsistency, omission or ambiguity in this Agreement or any Credit Document to which it is a party.

9.8 Other Roles

With respect to its Commitment, the Loans made by it and any Note issued to it, each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent and Issuing Banks in its individual capacity shall have the same rights and powers under the Credit Documents as any other Lender and may exercise the same as though it were not a Coordinating Lead Arranger, Joint Lead Arranger, First Lien Collateral Agent, Administrative Agent or Issuing Bank. The term "Lender" or "Lenders" shall, unless otherwise expressly indicated, include each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent and Issuing Banks in its individual capacity. Each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, Issuing Banks and their respective Affiliates may accept deposits from, lend money to, and generally engage in any kind of business with Borrower or any other Person, without any duty to account therefor to the Lenders. For the avoidance of doubt, MUFG Union Bank, N.A. may act as both First Lien Collateral Agent and as Depositary Agent, notwithstanding any potential or actual conflict of interest presented by the foregoing. Each of the Lenders hereby waives any claim against each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, Issuing Banks, Borrower and any of their respective Affiliates based upon any conflict of interest that such Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, Issuing Bank or any of their respective Affiliates may have with regard to acting as an agent, arranger or Issuing Bank hereunder and acting in such other roles.

9.9 Amendments; Waivers

(a) Unanimous Consent. Subject to the provisions of this Section 9.9, unless otherwise specified in this Agreement or another Credit Document, the Required Lenders (or Administrative Agent or First Lien Collateral Agent upon written direction or consent of the Required Lenders) and the Obligors may enter into agreements, waivers or supplements hereto for the purpose of adding, modifying or waiving any provisions to the Credit Documents or changing in any manner the rights of the Lenders or the Obligors hereunder or thereunder or waiving any Default or Event of Default; provided, that notwithstanding anything to the contrary set forth herein, any amendment modification, termination or consent to, of or under any First Lien Collateral Document permitted pursuant to this Section 9.9 shall be subject to the applicable terms of the Intercreditor Agreement and no such supplemental agreement shall, without the consent of all of the Lenders affected thereby or, with respect to clauses (~~i~~ii) and (iii), all of the Lenders affected thereby and all of the Hedge Banks affected thereby:

(iv) extend the Maturity Dates or reduce the principal amount of any outstanding Loans or Notes or reduce the rate or change the time of payment of interest due on any Loan; provided, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" contained in Section 2.4(c) or to waive any obligation of Borrower to pay interest at the Default Rate;

(vi) add, modify or waive any provisions to the Credit Documents so as to subordinate the Loans to any other Indebtedness;

(viii) modify the order of application of any prepayment of Term Loans or LC Loans from the application thereof set forth in the applicable provisions of Section 2.1(h) of this Agreement or Section 4.1 (*Applications of Proceeds*) of the Intercreditor Agreement; provided, that the Required Lenders may waive, in whole or in part, any prepayment so long as the application as between Loans, of any portion of such prepayment which is still required to be made is not altered.

(b) Affected Party Consent. Notwithstanding anything to the contrary herein, no agreement, waiver or supplement hereto shall add, modify or waive any provisions to the Credit Documents, or change in any manner the rights of the Lenders, Hedge Banks or the Obligors hereunder or thereunder, so as to:

(i) amend or modify any provision set forth in Sections 2.1(h)(i), 2.1(h)(ii), 2.1(h)(iii), 2.4(d)(i), 2.4(e), 2.5(a) or 2.5(b) in a manner that would alter the pro rata sharing of payments with respect to the applicable Loan facility without the prior written consent of each Lender adversely affected thereby;

(iv) amend the definition of "Lenders" or reduce the percentage specified in the definition "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby;

(v) change the relative priority or the extent of the security interest granted in favor of any Lender or Hedge Bank as compared to the priority or the extent of the security interest granted in favor of any other Lender or Hedge Bank, without the prior written consent of each Lender or Hedge Bank adversely affected thereby; or

(vi) otherwise subordinate the First Lien Obligations of Borrower in respect of the Interest Rate Agreements to any other First Lien Obligations of Borrower hereunder, without the prior written consent of each Hedge Bank adversely affected thereby.

~~Notwithstanding the foregoing, without the consent of any Lender or Issuing Bank, the Administrative Agent may enter into amendments in connection with Incremental Term Loan Facilities as set forth in Section 2.1(b).~~

(c) Defaulting Lenders. Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender shall not be entitled to vote in respect of amendments and waivers hereunder and the Commitment and the outstanding Loans or other extensions of credit of such Lender hereunder shall not be taken into account in determining whether the Required Lenders or all of the Lenders, as required, have approved any such amendment or waiver (and the definition of "Required Lenders" shall automatically be deemed modified accordingly for the duration of such period), except that (i) without the consent of such Defaulting Lender (A) the Commitment of any Defaulting Lender may not be increased or extended, (B) any amount due to any Defaulting Lender, whether principal or interest, may not be reduced, and (C) the payment date for any amount due to such Defaulting Lender, whether principal or interest, may not be extended, and (ii) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(d) Minor Defects. Notwithstanding the other provisions of this Section 9.9, Borrower, Administrative Agent and First Lien Collateral Agent may (but shall have no obligation to) amend or supplement the Credit Documents without the consent of any other Lender Party for the purpose of (i) curing any ambiguity, defect or inconsistency, (ii) making any change that would provide any additional rights or benefits to the Lender Parties or that does not adversely affect the legal rights hereunder of any Lender Party, and (iii) making, completing or confirming any grant of Collateral permitted or required by this Agreement, any of the Credit Documents or the Intercreditor Agreement or any release of any Collateral that is otherwise permitted under the terms of this Agreement and the Credit Documents.

9.10 Withholding Tax

Each Lender Party shall severally indemnify the Administrative Agent, within ten days after demand therefor, for (a) any taxes (including any interest, additions to tax or penalties applicable thereto) attributable to such Lender Party for whatever reason (but, if such taxes are Indemnified Taxes and Other Taxes, only to the extent that Borrower has not already indemnified the Administrative Agent for such taxes and without limiting the obligation of Borrower to do so), and (b) any taxes (including any interest, additions to tax or penalties applicable thereto) attributable to such Lender Party's failure to comply with the provisions of Section 9.13 relating to the maintenance of a Participant Register (as defined in Section 9.13 below), in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender Party by the Administrative Agent shall be conclusive absent manifest error. Each Lender Party hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender Party under any Credit Document or otherwise payable by the Administrative Agent to the Lender Party from any other source against any amount due to the Administrative Agent under this Section 9.10. The obligations of the Lender Parties under this Section 9.10 shall survive the payment of all First Lien Obligations and the resignation or replacement of Administrative Agent.

If any Lender or Issuing Bank sells, assigns, grants participation in, or otherwise transfers its rights under this Agreement, the purchaser, assignee, Participant or transferee, as applicable, shall comply and be bound by the terms of Section 2.4(f) and this Section 9.10 as though it were such Lender or Issuing Bank.

9.11 General Provisions as to Payments

Administrative Agent shall promptly distribute to each Lender, subject to the terms of any separate agreement between Administrative Agent and such Lender, its pro rata share of each payment of principal and interest payable to the Lenders on the Loans and of fees hereunder received by Administrative Agent for the account of the Lenders and of any other amounts owing under the Loans. The payments made for the account of each Lender shall be made, and distributed to it, for the account of (a) its domestic Lending Office in the case of payments of principal of, and interest on, its Base Rate Loans, (b) its domestic or foreign Lending Office, as each Lender may designate in writing to Administrative Agent, in the case of LIBOR Loans, and (c) its domestic Lending Office, or such other Lending Office as it may designate for the purpose from time to time, in the case of payments of fees and other amounts payable hereunder.

9.12 Substitution of Lender

Should any Lender fail to make a Loan in violation of its obligations under this Agreement (a "**Non-Advancing Bank**"), Administrative Agent shall (a) in its sole discretion fund the Loan on behalf of the Non-Advancing Bank, or (b) cooperate and consult with Borrower or any other Lender to find another Person that shall be acceptable to Administrative Agent and that shall be willing to assume the Non-Advancing Bank's obligations under this Agreement (including the obligation to make the Loan which the Non-Advancing Bank failed to make but without assuming any liability for damages for failing to have made such Loan or any previously required Loan). Subject to the provisions of the next following sentence, such Person shall be substituted for the Non-Advancing Bank hereunder upon execution and delivery to Administrative Agent of an agreement acceptable to Administrative Agent by such Person assuming the Non-Advancing Bank's obligations (including its Commitments) under this Agreement, and all interest and fees which would otherwise have been payable to the Non-Advancing Bank shall thereafter be payable to such Person. Nothing in (and no action taken pursuant to) this Section 9.12 shall relieve the Non-Advancing Bank from any liability it might have to Borrower or to the other Lenders as a result of its failure to make any Loan.

9.13 Participation.

Any Lender may, without the consent of Borrower, Administrative Agent or any Issuing Bank, sell participations to one or more banks or other entities (a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans and Drawing Payments owing to it); provided, that (a) no such sale of a participation shall alter such Lender's or Borrower's obligations hereunder, (b) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (c) Borrower and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and (d) any agreement or instrument (oral or written) pursuant to which any Lender may grant a participation in its rights with respect to its Commitment (or Loans made hereunder) shall provide that, with respect to such Commitment (or Loans made hereunder), subject to the following proviso, such Lender shall retain the sole right and responsibility to exercise the rights of such Lender, and enforce the obligations of Borrower relating to such Commitment (or Loans made hereunder), including the right to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document and the right to take action to have the First Lien Obligations hereunder (or any portion thereof) declared due and payable pursuant to Article 7; provided, that (e) such agreement may provide that the participant may have rights to approve or disapprove decreases in Loans, interest rates or fees, lengthening of maturity of any Loans, extending the payment date for any amount due under Article 2 or releasing all or a material portion of the Collateral (other than (i) pursuant to Section 5.9 (*Limitation on Asset Dispositions*) of the First Lien Common Terms Agreement, (ii) in respect of any Casualty Event or Event of Eminent Domain, or (iii) as otherwise expressly permitted hereby or under any other Credit Document), and (w) no other agreement (oral or written) with respect to such Participant may exist between such Lender and such Participant. Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.6, 2.7, and 2.4(d) (subject to the requirements and limitations therein, including the requirements under Section 2.4(f) (it being understood that the documentation required under Section 2.4(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.14; provided, that such Participant (x) agrees to be subject to the provisions of Section 2.8 as if it were an assignee under this Section 9.13; and (y) shall not be entitled to receive any greater payment under Sections 2.6, 2.7 and 2.4(d), with respect to any participation, than its participating Lender would have been entitled to receive. No recipient of a participation in any Commitment or Loans of any Lender shall have any rights under this Agreement or shall be entitled to any reimbursement for Indemnified Taxes, Other Taxes, increased costs or reserve requirements under Sections 2.6 or 2.7 or any other indemnity or payment rights against Borrower (but shall be permitted to receive from the Lender granting such participation a proportionate amount which would have been payable to the Lender from whom such Person acquired its participation as provided in this Section 9.13). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "**Participant Register**"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the United States Proposed Treasury Regulations (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

9.14 Transfer of Commitment

(a) Notwithstanding anything else herein to the contrary, any Lender, after receiving Administrative Agent's prior written consent (such consent not to be unreasonably withheld) and (so long as no Event of Default has occurred and is continuing) after receiving Borrower's prior written consent (such consent not to be unreasonably withheld solely with respect to a sale, assignment, transfer, negotiation or disposal to a commercial bank, financial institution or an insurance company but such consent may be withheld in Borrower's sole discretion with respect to a sale, assignment, transfer, negotiation or disposal to any other Eligible Assignee), may from time to time, at its option, sell, assign, transfer, negotiate or otherwise dispose of a portion of one or more of its Commitments (including, for purposes of this Section 9.14, Loans made hereunder) (including the Lender's interest in this Agreement and the other Credit Documents) to one or more banks, financial institutions, or Eligible Assignees; provided, that (i) no Lender (including any assignee of any Lender) may assign any portion of its Commitment (including Loans) (A) in an amount less than $5,000,000 (unless to another Lender), or (B) in an amount which leaves the assigning Lender with a Commitment (including Loans) of less than $5,000,000 (in each case based on the original principal amount of the Commitment assigned) after giving effect to such assignment and all previous assignments (except that a Lender may be left with no Commitment or Loans if it assigns its entire Commitment); (ii) without the consent of the Borrower or any other Party, any Lender may assign all or any portion of its Commitments to another Lender, an Affiliate of a Lender; (iii) no consent of the Borrower shall be required in the case of primary syndication of the Loans and Commitments within sixty days after the Closing Date, to institutions that have been identified by the Syndication Agent and accepted by the Borrower (in its reasonable discretion) prior to the Closing Date and (iv) Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten Banking Days after having received notice thereof. An assignee shall not be entitled to receive any greater payment under any of Sections 2.4(d), 2.6 and 2.7.

(b) No such assignment shall be made to (i) Borrower or any of Borrower's Affiliates or Subsidiaries, or (ii) any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary thereof. In the event of any such assignment, (A) the assigning Lender's Proportionate Share shall be reduced and its obligations hereunder released by the amount of the Proportionate Share assigned to the new Lender, (B) the parties to such assignment shall execute and deliver an appropriate agreement evidencing such sale, assignment, transfer or other disposition, in form and substance reasonably satisfactory to Administrative Agent and Borrower, (C) the parties to the sale, assignment, transfer or other disposition, excluding Borrower, shall collectively pay to Administrative Agent an administrative fee of $3,500; provided, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment, (D) at the assigning Lender's option, Borrower shall execute and deliver, to such new Lender, Notes in the forms attached hereto as Exhibit B-1, as requested, in a principal amount equal to such new Lender's Commitment, but only if it shall also be executing and exchanging with the assigning Lender a replacement note for any Note in an amount equal to the Commitment retained by the assigning Lender, if any; provided, that Borrower shall have received for cancellation the existing Note held by such assigning Lender, and (E) Administrative Agent shall amend Schedule 2.2(a) to reflect the Proportionate Shares of the Lenders following such assignment. Thereafter, such new Lender shall be deemed to be a Lender and shall have all of the rights and duties of a Lender (except as otherwise provided in this Article 9), in accordance with its Proportionate Share, under each of the Credit Documents. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in Section 2.1(i).

(c) Disqualified Institution. Any assignments and participations to Disqualified Institutions are void ab initio unless such assignment or participation, as the case may be, has been approved by the Borrower, in which case such assignee or participant shall not be considered a Disqualified Institutions solely for such particular assignment or participation, as the case may be. In case of such assignments not approved by the Borrower, the assignee who is a Disqualified Institutions shall be deleted from the Register upon written notification from the Borrower. Except for notifying the Lenders with a list of Disqualified Institutions, Administrative Agent shall have no responsibility or liability to monitor or enforce such list of Disqualified Institutions.

9.15 Laws

Notwithstanding the foregoing provisions of this Article 9, no sale, assignment, transfer, negotiation or other disposition of the interests of any Lender hereunder or under the other Credit Documents shall be allowed if it would require registration under the federal Securities Act of 1933, as then amended, any other federal securities laws or regulations or the securities laws or regulations of any applicable jurisdiction. Borrower shall, from time to time at the request and expense of Administrative Agent, execute and deliver to Administrative Agent, or to such party or parties as Administrative Agent may designate, any and all further instruments as may in the opinion of Administrative Agent be reasonably necessary or advisable to give full force and effect to such sale, assignment, transfer, negotiation or disposition which would not require any such registration.

9.16 Assignability as Collateral

Notwithstanding any other provision contained in this Agreement or any other Credit Document to the contrary, any Lender may assign all or any portion of the Loans or Notes held by it to the Federal Reserve Bank, any other central banking authorities in accordance with applicable law and the United States Treasury as collateral security; provided, that any payment in respect of such assigned Loans or Notes made by Borrower to or for the account of the assigning or pledging Lender in accordance with the terms of this Agreement shall satisfy Borrower's obligations hereunder in respect of such assigned Loans or Notes to the extent of such payment. No such assignment shall release the assigning Lender from its obligations hereunder and in no event shall the Federal Reserve Bank, any other central banking authorities in accordance with applicable law or the United States Treasury be considered a "Lender" hereunder.

9.17 Notices to Lenders

Administrative Agent promptly shall deliver all material documents, instruments and notices that it receives hereunder and under the other Credit Documents to each Lender. Except as expressly provided in this Agreement or the other Credit Documents, Borrower shall not be required to deliver any documents, instruments or notices directly to the Lenders.

9.18 First Lien Collateral Agent

First Lien Collateral Agent shall: (a) forward promptly to Administrative Agent any notice delivered to First Lien Collateral Agent pursuant to any Consent; (b) have the right, but not the obligation, to (i) refuse any item for credit to any Depositary Account except as required by the terms of the Credit Documents, (ii) refuse to honor any request for transfer in relation to any Depositary Account that is not consistent with the Credit Documents, (iii) charge to any Depositary Account all applicable charges related to maintaining such Depositary Accounts, and (iv) pay fees, interest and other charges owing by the Obligors as provided herein and in the other Credit Documents; (c) except as otherwise provided herein and in the Depositary Agreement (including by the provision of standing instructions therein), take all actions and make all determinations with respect to the Collateral, the First Lien Collateral Documents (including as to the advisability of taking additional steps to perfect, or cause the perfection of, any security interest) and the other Credit Documents to which it is a party as directed in writing by Administrative Agent (acting in accordance with Section 9.7); and (d) have the right at any time to seek clarification and instructions concerning the administration of the Credit Documents from Administrative Agent, legal counsel selected by it in good faith with reasonable care or any court of competent jurisdiction and shall be fully protected in relying upon such instructions.

9.19 Right to Realize on Collateral

Notwithstanding anything contained in any of the Credit Documents to the contrary notwithstanding, the Obligors, the Administrative Agent, the First Lien Collateral Agent and each Lender hereby agree that: (a) no Lender or Agent shall have any right individually to realize upon any of the Collateral, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of Lenders, in accordance with the terms hereof, and all powers, rights and remedies under the First Lien Collateral Documents may be exercised solely by the First Lien Collateral Agent, on behalf of the First Lien Secured Parties and (b) in the event of a foreclosure by the First Lien Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the First Lien Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the First Lien Collateral Agent, as agent for and representative of the First Lien Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the First Lien Obligations as a credit on account of the purchase price for any Collateral payable by the First Lien Collateral Agent at such sale or other disposition.

9.20 Depositary Agent The Depositary Agent is an intended third party beneficiary of, and entitled to enforce on its respective behalf and for its own benefit and, if applicable, the benefit of the other First Lien Secured Parties, the provisions of this Agreement that purport to grant the Depositary Agent rights, privileges and benefits, entitlements, immunities, indemnities and/or benefits. Each Lender hereby (a) acknowledges that it has received and reviewed a copy of the Depositary Agreement and agrees to be bound by the terms thereof, and (b) authorizes and directs (i) the appointment of MUFG Union Bank, N.A. to act as the initial depositary agent under the Credit Documents, and (ii) the Depositary Agent to execute the Depositary Agreement and to take such actions as are contemplated by the terms of the Depositary Agreement. The Depositary Agent has, and shall have, no obligations under this Agreement.

9.21 Erroneous Payments

(a) If the Administrative Agent (x) notifies a Lender or Issuing Bank, or any Person who has received funds on behalf of a Lender or Issuing Bank (any such Lender, Issuing Bank or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its reasonable discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof) (provided, that, without limiting any other rights or remedies (whether at law or in equity), the Administrative Agent may not make any such demand under this clause (a) with respect to an Erroneous Payment unless such demand is made within 30 days of the date of receipt of such Erroneous Payment by the applicable Payment Recipient), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 9.21 and held in trust for the benefit of the Administrative Agent, and such Lender or Issuing Bank shall use commercially reasonable efforts to (or, with respect to any Payment Recipient who received such funds on its behalf, shall use commercially reasonable efforts to cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank or any Person who has received funds on behalf of a Lender or Issuing Bank (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or Issuing Bank, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender or Issuing Bank shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.21(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 9.21(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.21(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender and Issuing Bank hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Issuing Bank under any Credit Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Issuing Bank under any Credit Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d)

(i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans (but not its Commitments) with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance)), and is hereby (together with the Borrower) deemed to execute and deliver an assignment and assumption agreement (or, to the extent applicable, an agreement incorporating an assignment and assumption agreement by reference pursuant to the Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender, (D) the Administrative Agent and the Borrower shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 11.17 (but excluding, in all events, any assignment consent or approval requirements (whether from the Borrower or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender or Issuing Bank, to the rights and interests of such Lender or Issuing Bank, as the case may be) under the Credit Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") (provided that the Loan Parties' First Lien Obligations under the Credit Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such First Lien Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any First Lien Obligations owed by the Borrower or any other Loan Party; provided that this Section 9.21 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the First Lien Obligations of the Borrower relative to the amount (and/or timing for payment) of the First Lien Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for the purpose of making such Erroneous Payment.

(f) **To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on "discharge for value" or any similar doctrine.**

(g) **Each party's obligations, agreements and waivers under this Section 9.21 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all First Lien Obligations (or any portion thereof) under any Credit Document.**

Notice of any replacement such Independent Consultant shall be given by Administrative Agent to Borrower, the Lenders and to the Independent Consultant being replaced. 11.2 Right to Set-Off

If an Event of Default shall have occurred and be continuing, subject to the Intercreditor Agreement (which may limit the rights specified in this Section 11.2), each Lender Party is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Lender Party to or for the credit or the account of Borrower, against any and all obligations of Borrower, now or hereafter existing under this Agreement or any other Credit Document held by such Lender Party, irrespective of whether or not such Lender Party shall have made any demand under this Agreement or such other Credit Document and although the obligations may be unmatured; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.4(g) and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the First Lien Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender Party under this Section 11.2 are in addition to other rights and remedies (including other rights of set-off) that such Lender Party may have.

11.3 Delay and Waiver

No delay or omission to exercise any right, power or remedy accruing to the Lender Parties upon the occurrence of any Default, Event of Default or Material Adverse Effect or any breach or Default of Borrower or any other Obligor or unsatisfied condition precedent under this Agreement or any other Credit Document shall impair any such right, power or remedy of the Lender Parties, nor shall it be construed to be a waiver of any such breach or Default or unsatisfied condition precedent, or an acquiescence therein, or of or in any similar breach or Default or unsatisfied condition precedent thereafter occurring, nor shall any waiver of any single Default, Event of Default, Material Adverse Effect or other breach or Default or unsatisfied condition precedent be deemed a waiver of any other Default, Event of Default, Material Adverse Effect or other breach or Default or unsatisfied condition precedent theretofore or thereafter occurring. Borrower shall reimburse the Agents for all costs and expenses, including actual, reasonable and documented attorneys' fees and actual, reasonable and documented expert, consultant and advisor fees and expenses, expended or incurred by the Agents for their actual, reasonable and documented out-of-pocket expenses, but limited, in the case of legal expenses, to the actual, reasonable and documented expenses of Latham & Watkins LLP (or in the case of an actual or perceived conflict of interest, such other counsel reasonably acceptable to the Required Lenders and, prior to the delivery of a notice of a Trigger Event that has not been withdrawn, reasonably acceptable to the Borrower) for all Agents taken as a whole and, if necessary, one firm of local counsel in the State of California, in each case for all Agents taken as a whole (and, in the case of an actual or perceived conflict of interest where the Agent affected by such conflict informs the Borrower of such conflict, of another firm of counsel for such affected Agent), in enforcing this Agreement or the other Credit Documents in connection with a Default or Event of Default, in actions for declaratory relief in any way related to this Agreement, protecting its rights and interests under any First Lien Collateral Document, in collecting any sum which becomes due on the Notes or under the Credit Documents, in any restructuring of the Loans or otherwise relating to the occurrence of any Default or Event of Default.

11.5 Entire Agreement

This Agreement and any agreement, document or instrument attached hereto or referred to herein integrate all the terms and conditions mentioned herein or incidental hereto and supersede all oral negotiations and prior writings in respect to the subject matter hereof. Except as otherwise expressly provided, in the event of any conflict between the terms, conditions and provisions of this Agreement and any such agreement, document or instrument, the terms, conditions and provisions of this Agreement shall prevail.

11.6 Governing Law

THIS AGREEMENT AND ANY OTHER CREDIT DOCUMENT (UNLESS OTHERWISE EXPRESSLY PROVIDED FOR THEREIN), SHALL BE GOVERNED BY, AND CONSTRUED UNDER, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO CONFLICTS OF LAWS (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW).

11.7 Severability

In case any one or more of the provisions contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

11.8 Headings

Article, Section and Paragraph headings have been inserted in this Agreement as a matter of convenience for reference only and it is agreed that such headings are not a part of this Agreement and shall not be used in the interpretation of any provision of this Agreement.

11.9 Accounting Terms

11.10 No Partnership, Etc.

Neither the Administrative Agent nor any Lender has any fiduciary relationship with or duty to any Obligor arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between Administrative Agent and Lenders, on one hand, and Borrower, on the other hand, in connection herewith or therewith shall be solely that of creditor and debtor. Nothing contained in this Agreement, the Notes or in any of the other Credit Documents shall be deemed or construed to create a partnership, tenancy-in-common, joint tenancy, joint venture or co-ownership by or between the Lenders and Borrower or any other Person. None of the Coordinating Lead Arrangers, Joint Lead Arrangers, Administrative Agent, First Lien Collateral Agent or the Lenders shall be in any way responsible or liable for the debts, losses, obligations or duties of Borrower or any other Person with respect to the Projects or otherwise. All obligations to pay real property or other taxes, assessments, insurance premiums, and all other fees and charges arising from the ownership, operation or occupancy of the Projects (if any) and to perform all obligations and other agreements and contracts relating to the Projects shall be the sole responsibility of the Obligors.

11.11 Mortgage/Collateral Documents

Certain guaranties of the Loans shall be secured in part by the Mortgages encumbering certain properties in the State of California solely to the extent provided therein. Reference is hereby made to the Mortgages and the other First Lien Collateral Documents for the provisions, among others, relating to the nature and extent of the security provided thereunder, the rights, duties and obligations of the Obligors and the rights of Administrative Agent, First Lien Collateral Agent and the other Lender Parties with respect to such security.

11.12 Limitation on Liability

No claim shall be made by any Obligor against the Coordinating Lead Arrangers, Joint Lead Arrangers, Green Loan Coordinators, **Senior Managing Agents,** Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Lenders, Issuing Banks or any of their respective Affiliates, directors, employees, attorneys or agents for any loss of profits, business or anticipated savings, special or punitive damages or any indirect or consequential loss whatsoever in respect of any breach or wrongful conduct (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Agreement or the other Credit Documents or any act or omission or event occurring in connection therewith, and each Obligor hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor, in each case, except to the extent such claim is based on gross negligence or willful misconduct of such Person. No claim shall be made by any Syndication Agent, Bookrunners, Green Loan Coordinator, Coordinating Lead Arranger, Joint Lead Arranger, **Senior Managing Agent,** Administrative Agent, First Lien Collateral Agent, Depositary Agent, Lender or Issuing Bank against any Obligor or any of their respective Affiliates, directors, employees, attorneys or agents for any loss of profits, business or anticipated savings, special or punitive damages or any indirect or consequential loss whatsoever in respect of any breach or wrongful conduct (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Agreement or the other Credit Documents or any act or omission or event occurring in connection therewith, and each of the Syndication Agent, Bookrunner, Green Loan Coordinator, Coordinating Lead Arranger, Joint Lead Arranger, **Senior Managing Agent,** Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Lenders and Issuing Banks hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor, in each case, except to the extent such claim is based on gross negligence or willful misconduct of such Person.

11.13 Indemnity

Borrower agrees to indemnify the Coordinating Lead Arrangers, Joint Lead Arrangers, and the Agents, the Lenders, Issuing Banks and each of their respective directors, trustees, officers, employees, Affiliates, and agents (each such Person being called an "**Indemnitee**") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (other than Taxes), including reasonable and documented counsel fees, charges and disbursements, but limited, in the case of legal expenses, to the actual, reasonable and documented expenses of one counsel for the Indemnitees taken as a whole, and, if necessary, one firm of local counsel in each material jurisdiction, in each case for the Indemnitees taken as a whole (and in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict, of another firm of counsel for such affected Indemnitee), incurred by or asserted against any Indemnitee (collectively, "**Subject Claims**") arising out of, in any way connected with, or as a result of (a) the execution or delivery of this Agreement or any other Credit Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations hereunder or thereunder or the consummation of the other transactions contemplated hereby, (b) the use of the proceeds of the Loans or the use of any Letter of Credit, or (c) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (other than claims solely as between the Indemnitees); provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that (i) the applicable Subject Claim results from the gross negligence or willful misconduct of such Indemnitee, as determined by the final judgment of a court of competent jurisdiction, or (ii) such Subject Claims arise out of any dispute solely among Indemnitees (other than claims against any Indemnitee in its capacity or in fulfilling its role as Agent under this Agreement and the other Credit Documents, and other than any claims involving any act or omission on the part of the Borrower or any Guarantor). Subject to and without limiting the generality of the foregoing sentence, Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all Subject Claims arising out of, in any way connected with, or as a result of (x) any claim or enforcement action under Environmental Laws alleging a violation of Environmental Laws issued to or against Obligors or the Projects, or (y) any Release or threatened Release of Hazardous Substances at, under, on or from the Projects, or, to the extent related in any way to any Project, any property to which any Obligor has sent Hazardous Substances for treatment, storage or disposal; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that the applicable Subject Claim results from (i) the gross negligence or willful misconduct of such Indemnitee or any of its Affiliates employees, or agents, as determined by the final judgment of a court of competent jurisdiction or (ii) any act or omission by any Indemnitee or any of its Affiliates, employees, or agents, occurring on or after the date of foreclosure on any Collateral. The provisions of this Section 11.13 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the First Lien Obligations under this Agreement or any other Credit Document, the invalidity or unenforceability of any term or provision of this Agreement or any other Credit Document, or any investigation made by or on behalf of any Indemnitee. All amounts due under this Section 11.13 shall be payable within thirty days at the written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested. This Section 11.13 shall not apply to Taxes. Each of the Indemnitees, on behalf of itself and its respective directors, trustees, officers, employees, Affiliates, and agents, agrees to provide Borrower with written notice of a proposed compromise or settlement of any Subject Claim specifying in detail the nature and amount of such proposed settlement or compromise. Each such Indemnitee shall consult with Borrower before compromising or settling such Subject Claim for at least thirty days after Borrower receives such notice of intended compromise or settlement and shall take into consideration any views or issues communicated by Borrower in connection with such compromise or settlement. Such Indemnitee shall act in good faith and reasonably, taking into account the interests of Borrower, in agreeing to any compromise or settlement.

11.14 Waiver of Jury Trial

ADMINISTRATIVE AGENT, FIRST LIEN COLLATERAL AGENT, THE LENDERS, THE HEDGE BANKS, THE ISSUING BANKS AND THE OBLIGORS HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVE ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN), OR ACTIONS OF ADMINISTRATIVE AGENT, FIRST LIEN COLLATERAL AGENT, THE LENDERS, THE HEDGE BANKS, THE ISSUING BANKS, OR THE OBLIGORS. 11.15 Consent to Jurisdiction

Administrative Agent, First Lien Collateral Agent, the Lenders, the Hedge Banks, the Issuing Banks and the Obligors agree that any legal action or proceeding by or against any Obligor or with respect to or arising out of this Agreement, the Notes, or any other Credit Document may be brought in or removed to the courts of the State of New York, in and for the County of New York, or of the United States of America for the Southern District of New York, as Administrative Agent may elect. By execution and delivery of this Agreement, the Lenders, the Hedge Banks, the Issuing Banks, Administrative Agent, First Lien Collateral Agent and the Obligors accept, for themselves and in respect of their property, generally and unconditionally, the jurisdiction of the aforesaid courts. Administrative Agent, First Lien Collateral Agent, the Lenders, the Hedge Banks, the Issuing Banks and the Obligors irrevocably consent to the service of process out of any of the aforementioned courts in any manner permitted by law. Nothing herein shall affect the right of Administrative Agent to bring legal action or proceedings in any other competent jurisdiction, including judicial or non-judicial foreclosure of the Mortgages. Administrative Agent, First Lien Collateral Agent, the Lenders, the Hedge Banks, the Issuing Banks and the Obligors further agree that the aforesaid courts of the State of New York and of the United States of America shall have exclusive jurisdiction with respect to any claim or counterclaim of any Obligor based upon the assertion that the rate of interest charged by the Lenders on or under this Agreement, the Loans or the other Credit Documents is usurious. Administrative Agent, First Lien Collateral Agent, the Lenders, the Hedge Banks, the Issuing Banks and the Obligors hereby waive any right to stay or dismiss any action or proceeding under or in connection with the Projects, this Agreement or any other Credit Document brought before the foregoing courts on the basis of *forum non-conveniens*.

(b) Each Obligor has all requisite limited liability company power and authority to execute, deliver, and perform its obligations under this Agreement.

3.2 Authorization; No Conflict

Each Obligor has duly authorized, executed and delivered this Agreement and neither any Obligor's execution and delivery hereof, nor its consummation of the transactions contemplated hereby, nor its compliance with the terms hereof, shall:

4. AFFIRMATIVE COVENANTS

Each of the Obligors covenants and agrees that until the Discharge of First Lien Obligations, it shall perform or observe or cause to be performed or observed (as applicable) the obligations set forth in this Article 4.

4.1 Maintenance of Existence

Except as otherwise permitted by this Agreement, the Obligors shall operate, manage, and maintain (or cause to be operated, managed, and maintained) (ordinary wear and tear excepted) each Project in a manner consistent with Prudent Industry Practices, except where the failure to so operate, manage, or maintain such Project would not reasonably be expected to result in a Material Adverse Effect.

4.5 Maintenance of Rights in Project Property

Except as otherwise permitted by this Agreement, each of the Obligors shall preserve and maintain good and valid title or valid leasehold or other rights to all of its respective properties and assets related to the Projects (subject, in all cases, to Permitted Liens), unless failure to preserve or maintain such title or rights would not reasonably be expected to result in a Material Adverse Effect.

4.6 Compliance with Laws

Each of the Obligors shall comply with all applicable laws and regulations (including any Environmental Laws) of any Governmental Authority having jurisdiction over such Obligor or its business and the operation of the Projects, except where the failure to comply would not reasonably be expected to result in a Material Adverse Effect.

4.7 Taxes, Other Government Charges and Utility Charges

Each Obligor shall:

(a) timely file all tax returns; and

(b) pay, or cause to be paid, prior to delinquency (after giving effect to any applicable extensions) all taxes, assessments and governmental charges of any kind that may at any time be lawfully assessed or levied against or with respect the Obligors or the Projects, including material sales and use taxes and real estate taxes, all material utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Projects, and all material assessments and charges lawfully made by any Governmental Authority for public improvements that may be secured by a Lien on the Projects,

except, in each case, (x) to the extent any such amounts payable are contested in good faith by appropriate proceedings commenced or to be commenced within the applicable time period provided under applicable Legal Requirements or (y) where the failure to file or effect such payment would not reasonably be expected to have a Material Adverse Effect.

4.8 Exercise of Rights

To the extent commercially reasonable under the circumstances in accordance with Prudent Industry Practices, each Obligor shall diligently pursue all rights and remedies under any insurance policy or Project Contract to which it is a party with respect to the receipt of Loss Proceeds or other compensation available to such Obligor upon the occurrence of a Casualty Event or Event of Eminent Domain, except, in each case, where any failure would not reasonably be expected to result in Material Adverse Effect.

4.9 Additional Guarantors

4.10 Covenant to Give Security over Additional Guarantors

Upon the formation or acquisition of any new Subsidiary by an Obligor (other than any Excluded Subsidiary) and the joinder of such Subsidiary pursuant to Section 4.9, such Obligor shall, at its expense:

(a) within 45 Business Days (or ninety days in the case of After-Acquired Real Property) after such joinder, furnish to the First Lien Collateral Agent and the First Lien Collateral Agent a description of the After-Acquired Real Property and personal properties of such Subsidiary, in reasonable detail necessary for the First Lien Collateral Agent to perfect a Lien on such properties;

(b) within 45 Business Days (or ninety days in the case of mortgages or deeds of trust) after such joinder, duly execute and deliver and cause such Subsidiary and any Obligor acquiring Capital Stock in such Subsidiary to duly execute and deliver to the First Lien Collateral Agent guaranties, guaranty supplements, pledges, assignments, security agreement supplements, intellectual property security agreement supplements and other security agreements as reasonably specified by the First Lien Collateral Agent (acting at the direction of the Directing Agent) over the applicable property (other than Excluded Assets) and mortgages or deeds of trust on any After-Acquired Real Property (as reasonably determined by the Borrower and its counsel), securing payment of all of the obligations of such Obligor or Subsidiary, respectively, under the First Lien Documents;

(c) within 45 Business Days (or ninety days in the case of mortgages or deeds of trust) after such joinder, take, and cause the Obligors and each such Subsidiary to take, whatever action (including the recording of mortgages, the filing of UCC financing statements, the giving of notices and the endorsement of notices on title documents) may be reasonably necessary to vest in the First Lien Collateral Agent (or any representative of the First Lien Collateral Agent designated by it) valid and subsisting Liens on the properties (other than Excluded Assets) purported to be subject to the mortgages, deeds of trust, pledges, assignments, security agreement supplements, intellectual property security agreements, intellectual property security agreement supplements and security agreements delivered pursuant to this paragraph, enforceable against all third parties in accordance with their terms; and

(d) within 45 Business Days (or ninety days in the case of mortgages or deeds of trust) (or such longer period as may be agreed by the First Lien Collateral Agent (acting at the direction of the Directing Agent, acting reasonably)) after such joinder, deliver to the First Lien Collateral Agent an opinion of counsel (containing customary exceptions and limitations) addressed to the First Lien Collateral Agent and the Directing Agent, as to, with respect to such mortgages or deeds of trust and otherwise (i) the matters contained in clause (b) above, with respect to due authorization, execution and delivery, (ii) such guaranties, guaranty supplements, mortgages, deeds of trust, pledges, assignments, security agreement supplements, intellectual property security agreements, intellectual property security agreement supplements and security agreements being legal, valid and binding obligations of the Obligor(s) party thereto enforceable in accordance with their terms, as to the matters contained in clause (c) above, (iii) such recordings, filings, notices, endorsements and other actions being sufficient to create valid perfected Liens on such properties, (iv) corporate formalities, and (v) such other matters as the First Lien Collateral Agent or the Directing Agent may reasonably request.

4.11 Maintenance of Insurance

The Obligors shall maintain insurance policies (or self-insurance) on their respective properties in at least such amounts and against at least such risks as are usually insured against by companies of a similar size engaged in the same or a similar business (in each case as determined by the Borrower) or otherwise in accordance with Prudent Industry Practices. The First Lien Collateral Agent shall be named as an additional insured and loss payee as its interests may appear, to the extent required by the First Lien Collateral Documents. Upon the request of the First Lien Collateral Agent, the Obligors shall furnish to the First Lien Collateral Agent all relevant information as to their property and liability insurance carriers.

4.12 Preservation of Rights; After-Acquired Real Property

(a) Each Obligor shall do or cause to be done all acts and things that may be required, or that the First Lien Collateral Agent from time to time may reasonably request, to assure and confirm that the First Lien Collateral Agent holds, for the benefit of the First Lien Secured Parties, duly created and enforceable and perfected Liens upon the Collateral (including with respect to any property or assets that are acquired or otherwise become Collateral after the Closing Date), in each case, as contemplated by, and with the Lien priority required under, this Agreement and the First Lien Collateral Documents.

(b) Upon the reasonable request of the First Lien Collateral Agent (acting at the direction of the Directing Agent) at any time and from time to time, each Obligor shall promptly execute, acknowledge and deliver such security documents, instruments, certificates, notices and other documents, and take such other actions the First Lien Collateral Agent (acting at the direction of the Directing Agent) may reasonably request, to create, perfect, protect, assure or enforce the Liens and benefits intended to be conferred, in each case as contemplated by this Agreement for the benefit of the First Lien Secured Parties and as otherwise consistent with the First Lien Collateral Documents.

(c) If, after the Closing Date, any Obligor acquires any real property or leasehold or other interest in real property that is not an Excluded Asset and is a Project Site or geothermal mineral lease, in each case, which is necessary or material to the operation of the Projects or that has a purchase price in excess of $10,000,000 (other than licenses, easements and similar types of property that are expressly excluded from any Mortgage by its terms) and is not covered by any Mortgage (any such Project Site and/or geothermal mineral lease, "**After-Acquired Real Property**"), then within ninety days after such acquisition, such Obligor shall, at its expense, execute, deliver and record a supplement to any Mortgage, reasonably satisfactory in form and substance to the First Lien Collateral Agent (acting at the direction of the Directing Agent, acting reasonably) and the Borrower, subjecting the After-Acquired Real Property to the Lien and security interest created by any Mortgage in favor of the First Lien Collateral Agent. If reasonably requested by the First Lien Collateral Agent (acting at the direction of the Directing Agent) and if such property is a Project Site, the Borrower shall, within ninety days after such acquisition, obtain surveys (only to the extent such surveys were obtained at the time the property was acquired) and an A.L.T.A. lender's extended coverage title insurance policy (or a customary marked, unconditional, binding title commitment to issue such policy) with respect to such Project Site, insuring the Lien of the First Lien Secured Parties in such Project Site in an amount equal to the lesser of the amount paid for such After- Acquired Real Property or the insured value of such After-Acquired Real Property, in each case subject only to Permitted Liens and other exceptions to title approved by the First Lien Collateral Agent (acting at the direction of the Directing Agent, acting reasonably) and with such changes as may be necessary or advisable (as reasonably determined by the Borrower and its counsel) to account for local law matters and (with respect to the additional title policy) in amounts determined in a manner consistent with the amount of the Title Policy and to the extent reasonably requested by the First Lien Collateral Agent (acting at the direction of the Directing Agent, acting reasonably), an engineering report and a non-invasive environmental assessment report (provided, that an invasive environmental assessment report shall only be provided if requested by the TLA Administrative Agent after such has been recommended by a non-invasive environmental assessment report), each in scope, form and substance reasonably satisfactory to the First Lien Collateral Agent (acting at the direction of the Directing Agent, acting reasonably); provided, that to the extent that any Obligor has otherwise received any of the foregoing items with respect to such property, such items shall, promptly after the receipt thereof, be delivered to the First Lien Collateral Agent.

4.13 Post-Closing Covenant

(a) The Borrower shall deliver to the First Lien Collateral Agent, within ninety days after the ~~Closing~~**Omnibus Amendment** Date, in connection with the Obligors' real property on the ~~Closing~~**Omnibus Amendment** Date (in each case, to the extent not constituting Excluded Assets):

(ii) ~~A~~**date-down and modification endorsements to** lender's **existing** A.L.T.A. extended coverage policy of title insurance (**together with such date-down and modification endorsements,** the "**Title Policy**") with respect to the land upon which each Project Site is located including all real property improvements of the applicable Obligor, thereon ~~**with any standard coverage exception acceptable to the First Lien Collateral Agent (at the direction of the Directing Agent, acting reasonably), together with such endorsements thereto as are requested by the First Lien Collateral Agent (acting at the direction of the Directing Agent, acting reasonably) and otherwise available in the applicable state, or the unconditional and irrevocable commitment of the Title Insurer to issue such policy, in**~~**amending the insurance amount to** an amount equal to 50% of the aggregate principal amount of the Term Loans (as defined in the TLA Credit Agreement) **on the Omnibus Amendment Date**, for the Project Sites (with such reinsurance as is requested by the First Lien Collateral Agent (acting at the direction of the Directing Agent, acting reasonably)) issued by the applicable Title Insurer in form and substance satisfactory to the TLA Administrative Agent, insuring (or agreeing to insure), among other things, that the Mortgages**, as amended,** shall constitute a valid first lien on Borrower's interest in the Project Sites, free and clear of all Liens and exceptions to title whatsoever, other than (A) the Title Exceptions and other Permitted Liens, and (B) such Liens or other exceptions to title as are reasonably satisfactory to the TLA Administrative Agent~~;~~ **.**

~~(iii) a local counsel opinion relating to perfection of the deeds of trust and other customary real estate matters addressed to the First Lien Secured Parties; and~~

~~(iv) an A.L.T.A. survey of the Project Sites (which survey shall be sufficient to remove all standard survey exceptions from the Title Policies and issue the endorsements required in Section 4.13(a)(ii) and in form and substance reasonably satisfactory to the TLA Administrative Agent and the Title Insurer).~~

~~(b) In respect of the real property interest of any Obligor consisting of leasehold interests in geothermal mineral rights that require consent of the lessor or owner to provide a mortgage, the Borrower shall use commercially reasonable efforts for 120 days after the Closing Date to obtain consent to the granting of a first-priority security interest in favor of the First Lien Collateral Agent in the applicable Obligor's interest in the leasehold interests in geothermal mineral rights relating to the Projects;~~ provided~~, that no such Obligor shall be required to (i) incur external legal expenses in excess of a reasonable amount (as determined in good faith by the Borrower), (ii) pay any fees, agree to any modification of the terms of such leases or agree to any conditions in connection with any such efforts, in each case as set forth in this Agreement, or (iii) otherwise take any action to overcome circumstances existing due to the COVID-19 pandemic, solely to the extent such circumstances detract from the Borrower's ability, after exercising commercially reasonable efforts, to comply with this Section 4.13.~~

(b) ~~(c)~~ Notwithstanding anything in this Agreement or the TLA Credit Agreement to the contrary, at least twenty days prior to the execution of any Mortgage in respect of any After-Acquired **Real** Property with a "Building" (as defined in the Flood Laws) located on it and owned by an Obligor, Borrower shall deliver to the First Lien Collateral Agent and to the TLA Administrative Agent (who shall post such documents for the TLA Lenders) (i) a completed "Life-of-Loan" Federal Emergency Management Agency Standard Flood Hazard Determination for such real property subject to such Mortgage and (ii) if any such After-Acquired Real Property is in a Flood Zone with respect to which flood insurance has been made available under the Flood Laws, a policy of flood insurance in compliance with the Flood Laws and a Borrower notice regarding flood insurance, provided, that, each Obligor's obligation to grant a Mortgage in respect of such After-Acquired **Real** Property within the applicable period specified under this Agreement shall be automatically extended for so long as is required to ensure compliance with the requirements of this clause.

5. NEGATIVE COVENANTS

Each of the Obligors covenants and agrees that until the Discharge of First Lien Obligations, it shall perform or observe or cause to be performed or observed (as applicable) the obligations set forth in this Article 5.

1.3 Rates

The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to the Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR, Term SOFR or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. 2. THE CREDIT FACILITIES

2.1 Term Loan Facility

(a) Term Loans; Term Loan Commitments.

(i) The aggregate amount of the Term Loan Commitments on the **Initial** Closing Date was $900,000,000 which amount increased as of the Omnibus Amendment Date to an amount equal to $1,500,000,000 **and further increased as of the Second Omnibus Amendment Date to an amount equal to $1,770,850,000** (the "**Total Term Loan Commitment**"). On the **Initial** Closing Date, each Lender holding a Term Loan Commitment (a "**Term Lender**") made a Loan to the Borrower in the amount of its respective Term Loan Commitment as of such date. ~~Each~~**On the Omnibus Amendment Date, each** Lender holding a 2021 **Term Loan Commitment, made a Loan to the Borrower in an amount of its respective Term Loan Commitment at such time. To the extent not previously funded on the Initial closing Date or Omnibus Amendment Date, each Lender holding a 2022** Term Loan Commitment severally agrees, on the terms and conditions hereinafter set forth, to make a Loan to the Borrower on the **Second** Omnibus Amendment Date in an amount not to exceed such Lender's ~~2021~~**2022** Term Loan Commitment at such time. Amounts borrowed under this Section 2.1(a), when repaid or prepaid, may not be reborrowed.

(ii) Notice of Borrowing. Borrower shall request any **Term** Loans to be funded on the ~~Closing~~**Second Omnibus Amendment** Date ~~**or Borrowing Date, as applicable,**~~ by delivering to Administrative Agent a written notice in the form of Exhibit C-1, appropriately completed (a "**Term Loan Notice of Borrowing**"), at or before 1:00 p.m. (New York City time) at least one Banking Day prior to the ~~**Closing Date or Borrowing Date, as applicable**~~**Second Omnibus Amendment Date in the case of Base Rate Loans and at least two U.S. Government Securities Business Days in the case of SOFR Loans**.

(A) Each Lender shall, before 12:00 noon (New York City time) on the date of such Borrowing, make available by wire transfer for the account of its Lending Office to the account of the Administrative Agent, in same day funds, such Lender's ratable portion of such Borrowing, in accordance with the respective Commitments of such Lender. After the Administrative Agent's receipt of such funds and upon fulfillment or waiver of the applicable conditions set forth in Section 3.2, the Administrative Agent shall make such funds available to the Borrower (1) in the case of a Borrowing of Term Loans to be made on the **Initial** Closing Date, as directed by the Borrower pursuant to the terms of, and in accordance with, the Funds Flow Memorandum **and,** (2) in the case of a Borrowing of the 2021 Term Loans to be made on the Omnibus Amendment Date, as directed by the Borrower pursuant to the terms and in accordance with, directed by the Borrower pursuant to the terms of, and in accordance with, the Omnibus Amendment Date Funds Flow Memorandum **and (3) in the case of a Borrowing of the 2022 Term Loans to be made on the Second Omnibus Amendment Date, as directed by the Borrower pursuant to the terms and in accordance with, the Second Omnibus Amendment Date Funds Flow Memorandum**.

In the case of any Borrowing that the related Notice of Borrowing specifies is to be comprised of ~~LIBOR~~**SOFR** Loans, the Borrower shall indemnify each applicable Lender against any actual and documented out-of-pocket loss, cost or expense (excluding loss of anticipated profits and indirect losses) incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Borrowing for such Borrowing the applicable conditions set forth in Section 3.2, including any loss (excluding loss of anticipated profits and indirect losses), cost or expense incurred by reason of the liquidation or redeployment of deposits or other funds acquired by such Lender to fund the **Term** Loans to be made by such Lender as part of such Borrowing when such **Term** Loan, as a result of such failure, is not made on such date.

(C) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's ratable portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with clause (A) of this Section 2.1(a)(ii) and the Administrative Agent may, in its sole discretion and in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Administrative Agent, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such date of Borrowing until the date such amount is paid to the Administrative Agent, at the Base Rate. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent together with interest thereon, for each day from the date of such Borrowing until the date such amount is paid to the Administrative Agent, at the rate payable hereunder for Base Rate Loans.

(D) The failure of any Lender to make the **Term** Loans to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its **Term** Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the **Term** Loan to be made by such other Lender on the date of any Borrowing. Nothing in this Section 2.1(a)(ii) shall prejudice any rights that the Borrower may have against a Defaulting Lender.

(e) Interest Provisions Relating to All Loans.

(i) Applicable Interest Rate. The basis for determining the interest rate with respect to any Loan may be changed from time to time as specified in a Notice of Conversion of Loan Type delivered pursuant to Section 2.1(g). If on any day a Loan is outstanding with respect to which notice has not been delivered to Administrative Agent in accordance with the terms of this Agreement specifying the applicable basis for determining the rate of interest, then for that day such Loan shall bear interest determined by reference to the Base Rate. Borrower shall not request, and the Lenders shall not be obligated to make, ~~LIBOR~~**SOFR** Loans at any time an Event of Default exists. Administrative Agent shall promptly notify each Lender of the contents of each Notice of Conversion of Loan Type.

(ii) Interest Payment Dates. Borrower shall pay accrued interest on the unpaid principal amount of each Loan (A) in the case of each Base Rate Loan, on each Quarterly Date, (B) in the case of each ~~LIBOR~~**SOFR** Loan, on the last day of each Interest Period related to such ~~LIBOR~~**SOFR** Loan and, with respect to Interest Periods longer than three months, the last Banking Day of each third month in which such ~~LIBOR~~**SOFR** Loan is outstanding, and (C) in all cases, upon repayment or prepayment (to the extent thereof and including any Optional Prepayments or Mandatory Prepayments), upon conversion from one Type of Loan to another Type of Loan and at maturity (whether by acceleration or otherwise).

(iii) ~~LIBOR~~**SOFR** Loan Interest Periods.

(A) Each Interest Period selected by Borrower for all ~~LIBOR~~**SOFR** Loans shall be one, three or six months. Notwithstanding anything to the contrary in the preceding sentence, (1) any Interest Period which would otherwise end on a day which is not a Banking Day shall be extended to the next succeeding Banking Day unless such next Banking Day falls in another calendar month, in which case such Interest Period shall end on the immediately preceding Banking Day, (2) any Interest Period which begins on the last Banking Day of a calendar month (or on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period) shall end on the last Banking Day of a calendar month, (3) Borrower may not select Interest Periods which would leave a greater principal amount of Loans subject to Interest Periods ending after a date upon which Loans are or may be required to be repaid (including the Maturity Date and each Principal Repayment Date) than the principal amount of Loans scheduled to be outstanding after such date, (4) any Interest Period for a Term Loan which would otherwise end after the Maturity Date shall end on the Maturity Date, (5) ~~LIBOR~~**SOFR** Loans for each Interest Period shall be in the minimum amount of $500,000 or an integral multiple of $100,000 in excess thereof, (6) Borrower may not at any time have outstanding more than six different Interest Periods relating to ~~LIBOR~~**SOFR** Loans, (7) the Borrower may select an initial Interest Period after the Omnibus Amendment Date applicable to the Term Loans borrowed on the Omnibus Amendment Date that ends on November 30, 2021, ~~and~~ (8**) the Borrower may select an initial Interest Period after the Second Omnibus Amendment Date applicable to the Term Loans borrowed on the Second Omnibus Amendment Date that ends on June 30, 2022 and (9**) the Interest Period applicable to the Loans borrowed on the **Initial** Closing Date may have an initial non-standard Interest Period ending on June 30, 2020.

(B) Borrower may contact Administrative Agent at any time prior to the end of an Interest Period for a quotation of Interest Rates in effect at such time for given Interest Periods, and Administrative Agent shall promptly provide such quotation. Subject to Section 2.1(e)(iii)(A), Borrower may select an Interest Period telephonically within the time periods specified in Section 2.1(g), which selection shall be irrevocable on and after commencement of the applicable Minimum Notice Period. Borrower shall confirm such telephonic notice to Administrative Agent by hand delivery or facsimile or other electronic transmission on the day such notice is given by delivery to Administrative Agent of a notice in substantially the form of Exhibit C-2, appropriately completed (a "**Confirmation of Interest Period Selection**"). If Borrower fails to notify Administrative Agent of the next Interest Period for any ~~LIBOR~~**SOFR** Loans in accordance with this Section 2.1(e)(iii)(B), such Loans shall automatically convert to Base Rate Loans on the last day of the current Interest Period therefor. Administrative Agent shall as soon as practicable (and, in any case, within two Banking Days after delivery of a Confirmation of Interest Period Selection) notify Borrower of each determination of the Interest Rate applicable to each Loan.

(iv) Interest Computations. All computations of interest on Base Rate Loans shall be based upon a year of 365 days or, in the case of a leap year, 366 days, shall be payable for the actual days elapsed (including the first day but excluding the last day), and shall be adjusted in accordance with any changes in the Base Rate to take effect on the beginning of the day of such change in the Base Rate. All computations of interest on ~~LIBOR~~SOFR Loans shall be based upon a year of 360 days and shall be payable for the actual days elapsed (including the first day but excluding the last day). Borrower agrees that all computations by Administrative Agent of interest shall be conclusive and binding in the absence of manifest error. **(v) Term SOFR Conforming Changes. In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.**

(f) Promissory Notes. The obligation of Borrower to repay the Loans made by a Lender and to pay interest thereon at the rates provided herein shall, upon the written request of such Lender, be evidenced by promissory notes in the form of Exhibit B-1 (individually, a "**Term Note**" and, collectively, the "**Term Notes**") and Exhibit B-2 (individually, an "~~LC~~**Multi-Draw Note**" and, collectively, the "~~LC~~**Multi-Draw Notes**") each payable to such requesting Lender (or its registered assigns) and in the principal amount of such Lender's Term Loan Commitment or ~~LC~~**Multi-Draw Facility** Commitment, respectively. Borrower authorizes each such requesting Lender to record on the schedule annexed to such Lender's Note or Notes, the date and amount of each Loan made by such requesting Lender, and each payment or prepayment of principal thereunder and agrees that all such notations shall constitute prima facie evidence of the matters noted; provided, that in the event of any inconsistency between the records or books of Administrative Agent and any Lender's records or Notes, the records of Administrative Agent shall be conclusive and binding in the absence of manifest error. Borrower further authorizes each such requesting Lender to attach to and make a part of such requesting Lender's Note or Notes continuations of the schedule attached thereto as necessary. No failure to make any such notations, nor any errors in making any such notations, shall affect the validity of Borrower's obligations to repay the full unpaid principal amount of the Loans or the duties of Borrower hereunder or thereunder. Upon the payment in full in cash of the aggregate principal amount of, and all accrued and unpaid interest on, the applicable Loans or upon exchange of any Notes, the Lenders holding such Notes shall promptly mark the applicable Notes cancelled and return such cancelled Notes to Borrower.

(g) Conversion of Loans. Subject to Section 2.1(e)(i), Borrower may convert Loans from one Type of Loan to another Type of Loan; provided, that (x) any conversion of ~~LIBOR~~SOFR Loans into Base Rate Loans shall be effective on, and only on, the first day after expiration of an Interest Period for such ~~LIBOR~~SOFR Loans, and (y) Loans shall be converted only in amounts of $500,000 and increments of $100,000 in excess thereof. Borrower shall request such a conversion by delivering to Administrative Agent a written notice in the form of Exhibit C-3, appropriately completed (a "**Notice of Conversion of Loan Type**"), which contains or specifies, among other things:

(i) the Loans, or portion thereof, which are to be converted;

(ii) the Type of Loans into which such Loans, or portion thereof, are to be converted;

(iii) if such Loans are to be converted into ~~LIBOR~~SOFR Loans, the initial Interest Period selected by Borrower for such Loans (which Interest Period shall be selected in accordance with Section 2.1(e)(iii));

(iv) the proposed date of the requested conversion (which shall be a Banking Day **in the case of a conversion into Base Rate Loans and U.S. Government Securities Business Day in the case of a conversion into SOFR Loans** and otherwise in accordance with this Section 2.1(g)); and

(v) if Base Rate Loans are to be converted to ~~LIBOR~~SOFR Loans, a certification by Borrower that no Event of Default has occurred and is continuing.

Borrower shall so deliver each Notice of Conversion of Loan Type so as to provide at least the applicable Minimum Notice Period. Any Notice of Conversion of Loan Type may be modified or revoked by Borrower through the Banking Day prior to the Minimum Notice Period, and shall thereafter be irrevocable. Each Notice of Conversion of Loan Type shall be delivered in the manner provided in Section 11.1. Administrative Agent shall promptly notify each Lender of the contents of each Notice of Conversion of Loan Type.

(h) Prepayments.

(i) Terms of All Prepayments.

(A) Upon the prepayment of any Loan (whether such prepayment is an Optional Prepayment or a Mandatory Prepayment), Borrower shall pay to Administrative Agent for the account of the Lender which made such Loan or Hedge Bank, as applicable, (1) all accrued interest to the date of such prepayment on the amount of such Loan prepaid, (2) all accrued fees to the date of such prepayment relating to the amount of such Loan being prepaid, (3) to the extent required by the terms of the applicable Interest Rate Agreement, all Hedge Breaking Fees owed by Borrower to such Hedge Bank as a result of such prepayment, and (4) if such prepayment is the prepayment of a ~~LIBOR~~SOFR Loan on a day other than the last day of an Interest Period for such ~~LIBOR~~SOFR Loan, all Liquidation Costs incurred by such Lender as a result of such prepayment (pursuant to the terms of Section 2.7).

(B) Notwithstanding the foregoing, but only in respect of any Mandatory Prepayment, Borrower shall have the right, by giving five Banking Days' notice to Administrative Agent, in lieu of prepaying a ~~LIBOR~~SOFR Loan on a day other than the last day of an Interest Period for such ~~LIBOR~~SOFR Loan, to deposit or cause Administrative Agent to deposit into an account to be held by Depositary Agent (which account shall be subjected to the Lien of the First Lien Collateral Documents) an amount equal to the ~~LIBOR~~SOFR Loans to be prepaid. Such funds shall be held in such account until the expiration of the Interest Period applicable to the ~~LIBOR~~SOFR Loan to be prepaid at which time the amount deposited in such account shall be used to prepay such ~~LIBOR~~SOFR Loan and any interest accrued on such amount shall be deposited into the Revenue Account. The deposit of amounts into such account shall not constitute a prepayment of Loans and all Loans to be prepaid using the proceeds from such account shall continue to accrue interest at the then applicable interest rate for such Loans until actually prepaid. All amounts in such account shall only be invested in Permitted Investments as directed by and at the expense and risk of Borrower.

(C) Except as otherwise specifically set forth herein (including Section 2.5(a)), (1) all prepayments of Term Loans shall be applied to reduce the remaining payments required under Section 2.1(d)(i) (I) with respect to Mandatory Prepayments, on a pro rata basis to remaining amortization payments and the payments at the final maturity thereof and (II) with respect to Optional Prepayments, as directed by the Borrower, (2) any prepayment of Term Loans or ~~LC~~**Multi-Draw Facility** Loans of any class or tranche, respectively, shall be applied first to any Term Loans or ~~LC~~**Multi-Draw Facility** Loans of any class or tranche, as applicable, that are Base Rate Loans and then to any Term Loans or ~~LC~~**Multi-Draw Facility** Loans of any class or tranche, as applicable, that are ~~LIBOR~~**SOFR** Loans.

(ii) Optional Prepayments.

(A) Borrower may, at its option and without premium or penalty, upon three Banking Days' notice to Administrative Agent ~~(~~**in the case of Base Rate Loans, or three (3) U.S. Government Securities Business Days prior notice to Administrative Agent, in the case of SOFR Loans (in each case,** which notice may state that it is conditioned upon the effectiveness of another credit facility or facilities or other agreement(s) providing the source of funds for such Optional Prepayment, in which case such notice may be revoked by Borrower by providing written notice to Administrative Agent at least one Banking Day prior to the proposed date of the Optional Prepayment if one or more of such conditions is not satisfied), prepay (1) any Term Loans in whole or from time to time in part in minimum amounts of $1,000,000 or an incremental multiple of $1,000,000 in excess thereof (provided, that such minimum amounts shall not apply to a prepayment of all outstanding Term Loans) or (2) any ~~LC~~**Multi-Draw Facility** Loans of any class or tranche in whole or from time to time in part in minimum amounts of $500,000 or an incremental multiple of $100,000 in excess thereof (provided, that such minimum amounts shall not apply to a prepayment of all ~~LC~~**Multi-Draw Facility** Loans of any class or tranche **or except to the extent ~~that such LC Loan of any class or tranche is being repaid pursuant to clause Thirteenth of Section 3.1(b) (*Revenue Account Waterfall*) of the Depositary Agreement~~**) (each, an "**Optional Prepayment**").

(B) Any Optional Prepayments shall be applied (1) *first*, ratably to any outstanding LC Loans, if any, until all LC Loans have been repaid in full; and (2) *second*, subject to Section 2.1(h)(i) and Section 2.1(h)(ii)(A), as Borrower may elect in its sole discretion.

(iii) Mandatory Prepayments. Borrower shall make the following mandatory prepayments (each, a "**Mandatory Prepayment**"):

(A) as and when contemplated by (1) Section 3.4(d) of the Depositary Agreement, within thirty days after the date on which the balance on deposit in the Excess LP Prepayment Sub-Account (as defined in the Depositary Agreement) equals or exceeds $10,000,000, (2) Section 3.5(d) of the Depositary Agreement, within thirty days after the date on which the balance on deposit in the Excess ADP Prepayment Sub-Account (as defined in the Depositary Agreement) equals or exceeds $10,000,000, and (3) Section 3.6(b) of the Depositary Agreement, within thirty days after receipt of Excess Contract Termination Proceeds (as defined in the Depositary Agreement); and

(B) in the event of any termination of all the ~~LC~~**Multi-Draw Facility** Commitments in accordance with this Agreement, Borrower shall, on the date of such termination, terminate any outstanding Revolving Letter of Credit or DSR Letter of Credit, as applicable, and/or cash collateralize any outstanding Revolving Letter of Credit or DSR Letter of Credit, as applicable, in the amount of the applicable LC Exposure. If, as a result of any partial reduction of the ~~LC~~**Multi-Draw Facility** Commitments, the aggregate LC Exposure would exceed the aggregate ~~LC~~**Multi-Draw Facility** Commitments after giving effect thereto, then Borrower shall, on the date of such reduction, cash collateralize the applicable Letters of Credit in an amount equal to the amount of such excess.

Any Mandatory Prepayments shall be applied (x) *first*, to outstanding Term Loans and outstanding ~~LC~~**Multi-Draw Facility** Loans and outstanding Drawing Payments, pro rata, until all Term Loans, ~~LC~~**Multi-Draw Facility** Loans and Drawing Payments have been repaid in full **(for the avoidance of doubt, all First Lien Obligations which are term loans, revolving loans, letter of credit loans or drawing payments similar to those specified above, such loans and payments shall be included in this clause (x) on a pro rata basis)**, (y) *second,* to the Cash Collateralization of any outstanding Letters of Credit and (z) *third*, to all other First Lien Obligations due and payable under the Credit Documents.

(iv) Reduction of Commitments.

(A) Borrower may at any time permanently terminate, or from time to time permanently reduce, the ~~LC~~**Multi-Draw Facility** Commitments; provided, that (1) each reduction of the ~~LC~~**Multi-Draw Facility** Commitments shall be in an amount that is an integral multiple of $100,000 and not less than $1,000,000 (or, if less, the remaining amount of the ~~LC~~**Multi-Draw Facility** Commitments)**;** and (2) Borrower shall not voluntarily terminate or reduce the ~~LC~~**Multi-Draw Facility** Commitments, if, after giving effect to any concurrent prepayment of ~~LC~~**Multi-Draw Facility** Loans in accordance with this Section 2.1(h), the LC Exposure would exceed the Total ~~LC~~**Multi-Draw Facility** Commitments **minus the aggregate principal amount of Sub-facility Revolving Loans and Sub-facility Term Loans outstanding at such time**.

(B) Borrower shall notify Administrative Agent in writing of any election to terminate or reduce Commitments under the foregoing clauses (A) at least three Banking Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by Borrower pursuant to this clause (B) shall be irrevocable. Any termination or reduction of Commitments shall be permanent; provided, that a notice of termination of Commitments delivered by Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by Borrower (by notice to Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by Borrower to, or entered into by Borrower with, the applicable Issuing Bank relating to a Letter of Credit, the terms and conditions of this Agreement shall control. Notwithstanding anything to contrary, the Borrower shall make any request for issuance, amendment, renewal or extension for any DSR Letter of Credit simultaneously to all the DSR Issuing Banks under this Agreement such that the stated amount of the DSR Letter of Credit of each individual DSR Issuing Bank is equal to its Proportionate Share of the Stated Amount of all DSR Letters of Credit.

Such amount shall be reduced, if necessary, such that the aggregate amount of applicable LC Exposure does not exceed the aggregate applicable Total ~~LC~~**Multi-Draw Facility** Commitments **of such LC Lender**, with the amount of such Drawing Payment that is not covered by LC Loans becoming due and payable on demand. With respect to any Revolving LC Reimbursement Obligation that is not financed with a LC Loan because it was not reimbursed in accordance with this clause (A), such Revolving LC Reimbursement Obligation shall be due and payable on demand (together with interest) and shall bear interest as provided in Section 2.4(c). The LC Loans made pursuant to this Section 2.2(a)(ii)(A) shall initially be Base Rate Loans.

Such requested amount shall be reduced, if necessary, such that the aggregate amount of applicable LC Exposure does not exceed the aggregate applicable Total ~~LC~~**Multi-Draw Facility** Commitments or Issuing Bank Limit of such DSR Issuing Bank, with the amount of such Drawing Payment that is not covered by LC Loans becoming due and payable on demand. Notwithstanding anything to the contrary, Borrower may not elect to reimburse a Drawing Payment for some but not all the DSR Issuing Banks. The LC Loans made pursuant to this Section 2.2(a)(ii)(B) shall initially be Base Rate Loans.

(C) If Borrower fails to reimburse any Drawing Payment not covered or financed by LC Loans as contemplated by clause (A) or (B) then Administrative Agent shall promptly notify the applicable Issuing Bank(s) of the applicable Drawing Payment and the payment then due from Borrower. The Borrower hereby instructs the Administrative Agent to reflect the transfer of each such Existing Letter of Credit to the facility contemplated by this Agreement. Each Existing Letter of Credit shall constitute a Letter of Credit for all purposes of this Agreement and the other Credit Documents; provided, that, with respect to an Existing Letter of Credit, the Borrower shall not have to comply with the requirements of Section 2.2(a)(i)(A) and Section 3.2 with respect to the initial issuance of a Letter of Credit. Subject to the occurrence of the **Second** Omnibus Amendment Date, the applicable Issuing Banks shall maintain each Existing Letter of Credit in accordance with its terms until the expiration date applicable to such Existing Letter of Credit.

(B) on the terms and subject to the conditions hereof, the Borrower may, from time to time, request such Sub-facility Loan as one or more Sub-facility Term Loans or as one or more Sub-facility Revolving Loans as designated by the Borrower in the respective Sub-facility Loan Notice of Borrowing delivered in accordance with Section 2.2(c)(ii);

(ii) On the terms and subject to the conditions hereof, the Borrower may from time to time borrow, repay, and reborrow Sub-facility Revolving Loans.

(iii) Amounts borrowed under Sub-facility Term Loans, when repaid or prepaid, may not be reborrowed.

(v) Each Sub-facility Revolving Loan shall automatically convert to a Sub-facility Term Loan on the earliest to occur of (x) the twenty-four (24) month anniversary of the Borrowing Date of such Sub-facility Revolving Loan, (y) the date of the achievement of commercial operation of the applicable Battery Project as evidenced by a notice provided to the Administrative Agent by the Borrower in respect of which such Sub-facility Revolving Loan was Borrowed and (z) the date of Abandonment of the applicable Battery Project in respect of which the such Sub-facility Revolving Loan was Borrowed.

(vi) Notice of Borrowing. Borrower shall request any Sub-facility Loans to be funded on any Borrowing Date, by delivering to Administrative Agent a written notice in the form of Exhibit C-5, appropriately completed (a "Sub-facility Loan Notice of Borrowing"), at or before 1:00 p.m. (New York City time) at least one Banking Day prior to such Borrowing Date in the case of Base Rate Loans and at least three U.S. Government Securities Business Days in the case of SOFR Loans. After the Administrative Agent's receipt of such funds and upon fulfillment or waiver of the applicable conditions set forth in Section 3.2, the Administrative Agent shall make such funds available to the Borrower.**

(B) **Each Sub-facility Notice of Borrowing shall be irrevocable and binding on the Borrower from and after the Banking Day prior to the Borrowing. (C) **Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's ratable portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with clause (A) of this Section 2.2(c)(ii) and the Administrative Agent may, in its sole discretion and in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Administrative Agent, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such date of Borrowing until the date such amount is paid to the Administrative Agent, at the Base Rate. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent together with interest thereon, for each day from the date of such Borrowing until the date such amount is paid to the Administrative Agent, at the rate payable hereunder for Base Rate Loans.**

(D) **The failure of any Lender to make the Loans to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing. Nothing in this Section 2.2(c)(ii) shall prejudice any rights that the Borrower may have against a Defaulting Lender.**

(d) Reimbursement Obligations Absolute. The obligation of Borrower to reimburse any Drawing Payment as provided in Section 2.2 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) any amendment or waiver of or any consent to departure from all or any terms of any of the Credit Documents, (v) the existence of any claim, setoff, defense or other right which Borrower may have at any time against the beneficiary of such Letter of Credit (or any Persons for whom such beneficiary may be acting), the applicable Issuing Bank, Administrative Agent, any Lender or any other Person, whether in connection with this Agreement, the transactions contemplated hereby, by any other Credit Document or by any unrelated transaction, (vi) any breach of contract or dispute among or between Borrower, an Issuing Bank, Administrative Agent, any Lender or any other Person, (vii) any non-application or misapplication by the beneficiary of a Letter of Credit of the proceeds of any Drawing Payment or any other act or omission of such beneficiary in connection with such Letter of Credit, (viii) any failure to preserve or protect any Collateral, any failure to perfect or preserve the perfection of any Lien thereon, or the release of any of the Collateral securing the performance or observance of the terms of this Agreement or any of the other Credit Documents, or (ix) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.2(d), constitute a legal or equitable discharge of, or provide a right of setoff against, Borrower's obligations hereunder; provided, that in each case, payment by an Issuing Bank shall not have constituted gross negligence or willful misconduct. Neither Administrative Agent, the Lenders nor the applicable Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of an Issuing Bank; provided, that nothing contained herein shall be construed to excuse an Issuing Bank from liability to Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by Borrower to the extent permitted by applicable law) suffered by Borrower that are determined by a court having jurisdiction to have been caused by (x) such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof, or (y) such Issuing Bank's refusal to issue a Letter of Credit in accordance with the terms of this Agreement. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank, such Issuing Bank shall be deemed to have exercised care in each such determination and each refusal to issue a Letter of Credit. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(e) Disbursement Procedures. An Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify Administrative Agent and Borrower by telephone (confirmed by telecopy or other electronic transmission) of such demand for payment and whether such Issuing Bank has made or shall make a Drawing Payment thereunder; provided, that any failure to give or delay in giving such notice shall not relieve Borrower of its obligation to reimburse the applicable Issuing Bank with respect to any such Drawing Payment.

(f) Interim Interest. If an Issuing Bank shall make any Drawing Payment, then, unless Borrower shall reimburse such Drawing Payment in full by 4:00 p.m. (New York time) on the second Banking Day after the date such Drawing Payment is made, the unpaid amount thereof shall bear interest, for each day from and including the date such Drawing Payment is made to but excluding the date that Borrower reimburses such Drawing Payment (including by the making of a Borrowing), at the rate per annum then applicable to Base Rate ~~LC~~Multi-Draw Facility Loans or ~~LIBOR LC~~SOFR Multi-Draw Facility Loans, at the election of Borrower, for Drawing Payments under a Letter of Credit; provided, that if such Drawing Payment is not reimbursed by Borrower when due or otherwise discharged pursuant to Section 2.2~~2.2(c)~~(a)(ii), ~~(b)(ii) or (c)(ii),~~ then Section 2.4(c) shall apply. Interest accrued pursuant to this Section 2.2(f) shall be for the account of the applicable Issuing Bank.

(g) Additional Issuing Banks. From time to time, Borrower may by notice to Administrative Agent designate one or more other Lenders or other financial institutions (in addition to the Issuing Banks and their respective Affiliates) that agree (in their sole discretion) to act in such capacity and is reasonably satisfactory to Administrative Agent as a Revolving Issuing Bank or DSR Issuing Bank, as applicable. Each such additional Issuing Bank shall execute a counterpart of this Agreement in such capacity upon the approval of Administrative Agent (which approval shall not be unreasonably withheld or delayed) and shall thereafter be a Revolving Issuing Bank or DSR Issuing Bank, as applicable, hereunder for all purposes. The Register shall be updated following such execution.

(h) Reporting. Unless otherwise requested by Administrative Agent, each Issuing Bank shall (i) provide to Administrative Agent copies of any notice received from Borrower pursuant to Section 2.2 no later than the next Banking Day after receipt thereof, and (ii) report in writing to Administrative Agent (A) on or prior to each Banking Day on which such Issuing Bank expects to issue, amend, renew or extend any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the aggregate face amount of the Letters of Credit to be issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension occurred (and whether the amount thereof changed), and such Issuing Bank shall be permitted to issue, amend, renew or extend such Letter of Credit if Administrative Agent shall not have advised such Issuing Bank that such issuance, amendment renewal or extension would not be in conformity with the requirements of this Agreement, (B) on each Banking Day on which such Issuing Bank makes any Drawing Payment, the date of such Drawing Payment and the amount of such Drawing Payment, and (C) on any other Banking Day, such other information as Administrative Agent shall reasonably request, including but not limited to prompt verification of such information as may be requested by Administrative Agent.

(i) Replacement of an Issuing Bank. An Issuing Bank may be replaced at any time by written agreement among Borrower, Administrative Agent and the successor Issuing Bank. Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.3(c), (f) or (h), as applicable, and any unreimbursed obligations and other First Lien Obligations owed to such Issuing Bank in its capacity as such. (j) Non-Fronted Obligations. For certainty, the DSR Letters of Credit are intended to be non-fronted letters of credit, such that the ~~LC~~**Multi-Draw Facility** Lender with respect to any DSR Letter of Credit is the same entity as, or an Affiliate of Issuing Bank that has issued such DSR Letter of Credit. Each of the Administrative Agent and Borrower agree that in the event that Borrower has provided any DSR Letters of Credit to support the Debt Service Reserve Requirement, it shall instruct the First Lien Collateral Agent to draw on such DSR Letters of Credit *pro rata* among all DSR Letters of Credit. To the extent that any DSR Letter of Credit is drawn on a non-pro rata basis, each other DSR Issuing Bank shall be irrevocably and unconditionally obligated to fund participations in the overdrawn DSR LC Reimbursement Obligations on a pro rata basis based on their Proportionate Share of the ~~LC~~**Multi-Draw Facility** Commitments. The First Lien Collateral Agent hereby agrees to draw on such DSR Letter of Credit only on a pro rata basis as notified by the Administrative Agent or the Borrower to the First Lien Collateral Agent.

Such fee shall be shared ratably among the ~~LC~~Multi-Draw Facility Lenders who have issued, or who have Affiliates who have issued, DSR Letters of Credit (other than Defaulting Lenders) and calculated on an actual/360-day basis, payable quarterly in arrears.

(d) Revolving Letter of Credit Fronting Fee. The Borrower shall pay to the Administrative Agent for the account of each Issuing Bank a fronting fee (the "**Revolving Letter of Credit Fronting Fee**") until the ~~LC~~Multi-Draw Facility Maturity Date, payable quarterly in arrears on each Quarterly Date occurring after the Initial Closing Date, and on the Revolving Maturity Date at the rate per annum on the difference between the average daily Stated Amount of all undrawn Revolving Letters of Credit issued by such Issuing Bank for such quarter (or portion thereof), minus such Issuing Bank's Proportionate Share of such Stated Amount, as agreed to between the Borrower and such Issuing Bank.

2.4 Other Payment Terms

(a) Place and Manner. Except as otherwise provided in the Agency Fee Letter, Depositary and Collateral Agency Fee Letter or any other provision contained in any of the Credit Documents, Borrower shall make all payments due to any Lender, any Issuing Bank, First Lien Collateral Agent, Depositary Agent or Administrative Agent hereunder to Administrative Agent, for the account of such Lender, such Issuing Bank, First Lien Collateral Agent, Depositary Agent or Administrative Agent (as the case may be), to the account in the name of MUFG Bank, Ltd., Bank Name: MUFG Bank, Ltd., ABA No. 026-009-632, Account No: 9777-0191, Account Name: Loan Operations Department, Attention: Agency Desk, Reference: Geysers or such other account as Administrative Agent shall notify Borrower from time to time, in Dollars and in immediately available funds not later than 12:00 p.m., New York City time, on the date on which such payment is due. Any payment made after such time on any day shall be deemed received on the Banking Day after such payment is received. Administrative Agent shall disburse to each Lender, each Issuing Bank, First Lien Collateral Agent or Depositary Agent (as the case may be) each such payment received by Administrative Agent for such Lender, such Issuing Bank or First Lien Collateral Agent (as the case may be), such disbursement to occur on the day such payment is received if received by 12:00 p.m., New York City time, or if otherwise reasonably possible, or otherwise on the next Banking Day.

(b) Date. Whenever any payment due hereunder shall fall due on a day other than a Banking Day, such payment shall be made on the next succeeding Banking Day, and such extension of time shall be included in the computation of interest or fees, as the case may be, without duplication of any interest or fees so paid in the next subsequent calculation of interest or fees payable.

(c) Default Interest. Notwithstanding anything to the contrary herein, upon the occurrence and during the continuation of any Event of Default, the outstanding principal amount of overdue Loans and amounts due under outstanding Letters of Credit (without duplication) and, to the extent permitted by applicable Legal Requirements, any accrued and overdue but unpaid interest payments thereon and any accrued and overdue but unpaid fees, and other overdue amounts hereunder, shall thereafter bear interest (including post-petition interest in any proceeding under applicable Bankruptcy Laws) payable upon demand, and the LC Fees shall be increased, at a rate that is (i) 2% per annum in excess of the interest rate or LC Fee, as applicable, then otherwise payable under this Agreement with respect to the LC Loans, or (ii) in the case of any such fees and other amounts, at a rate that is 2% per annum in excess of the interest rate then otherwise payable under this Agreement for Base Rate Loans (the "**Default Rate**"); provided, that in the case of ~~LIBOR~~SOFR Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective, such ~~LIBOR~~SOFR Loans shall thereupon become Base Rate Loans and shall thereafter bear interest payable upon demand at a rate that is 2% per annum in excess of the interest rate then otherwise payable under this Agreement for Base Rate Loans, (it being understood that from and after the date on which all continuing Events of Default have been waived by the Lenders pursuant to Section 9.9, the Default Rate shall no longer apply).

(d) Net of Taxes, Etc.

(i) Taxes. Any and all payments to or for the benefit of any Lender Party by or on behalf of any Obligor hereunder or under any other Credit Document shall be made free and clear of and without deduction or withholding, setoff or counterclaim of any kind whatsoever, except as required by applicable law. If any Taxes are required to be deducted or withheld from or in respect of any sum payable by or on behalf of any Obligor hereunder or under any other Credit Document to any Lender Party, (A) if such Tax is an Indemnified Tax, the sum payable shall be increased as may be necessary so that after all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 2.4(d)), such Lender Party receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (B) the relevant Obligor shall make (or cause to be made) such deductions or withholdings, and (C) the relevant Obligor shall pay (or cause to be paid) the full amount deducted or withheld to the relevant taxation authority or other authority in accordance with applicable Legal Requirements. In addition, Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(ii) Tax Indemnity. Borrower shall indemnify each Lender Party for and hold it harmless against the full amount of Indemnified Taxes and Other Taxes (including any Indemnified Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.4(d)) paid by any Lender Party or its Affiliates, or any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally asserted. Payments by Borrower pursuant to this indemnification shall be made within thirty days from the date such Lender Party makes written demand therefor (submitted through Administrative Agent), which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof.

(iii) Notice. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by or on behalf of Borrower pursuant to this Section 2.4(d), Borrower shall furnish to Administrative Agent, at its address referred to in Section 11.1, the original or a certified copy of a receipt evidencing payment thereof or, if such receipt is not obtainable, other evidence of such payment reasonably satisfactory to Administrative Agent.

(iv) Conduit Financing. Notwithstanding anything to the contrary contained in this Section 2.4(d), if a Lender Party is a conduit entity participating in a conduit financing arrangement (as defined in Section 7701(l) of the Code and the Treasury Regulations issued thereunder) with respect to any payments made by Borrower under this Agreement and under any Note, Borrower shall not be obligated to pay additional amounts to such Lender Party pursuant to this Section 2.4(d) to the extent that the amount of Indemnified Taxes exceeds the amount that would have otherwise been payable were such Lender Party not a conduit entity participating in a conduit financing arrangement.

(v) Reimbursement by Lender Parties. If any Lender Party receives an indemnification payment pursuant to Section 2.4(d)(ii) and if such Lender Party is able, in its sole discretion exercised in good faith, to apply or otherwise take advantage of any refund or tax credit arising out of or in conjunction with any Indemnified Taxes or Other Taxes which give rise to such indemnification, such Lender Party shall, to the extent that in its sole discretion exercised in good faith, it can do so without prejudice to the retention of the amount of such refund or credit and without any other adverse tax consequences for such Lender Party, reimburse to Borrower at such time as such tax refund or credit shall have actually been received by such Lender Party such amount as the Lender Party shall, in its sole discretion exercised in good faith, have determined to be attributable to the relevant Taxes or Other Taxes and as will leave such Lender Party in no better or worse position than it would have been in if the payment of such Taxes or Other Taxes had not been required; provided, that if the Lender Party is required to repay all or any portion of any refund or any interest thereon to such Governmental Authority or to forfeit all or any portion of such credit, then, upon the request of such Lender Party, Borrower agrees to repay such Lender Party, as soon as reasonably practicable, the amount of the refund required to be paid to such Governmental Authority by such Lender Party or the amount of such credit that is required to be forfeited, in each case *plus* any penalties, interest or other charges imposed by such Governmental Authority with respect to such refund or credit, as the case may be. Nothing in this Section 2.4(d)(v) shall oblige any Lender Party to disclose to Borrower or any other Person any information regarding its tax affairs or tax computations, or shall interfere with Lender Party's absolute discretion to arrange its tax affairs in whatever manner it thinks fit. In particular, no Lender Party shall be under any obligation to claim relief from its corporate profits or similar tax liability in credits or deductions available to it and, if it does claim, the extent, order and manner in which it does so shall be at its absolute discretion.

(vi) Survival of Obligations. The obligations of Obligors under this Section 2.4(d) shall survive the termination of this Agreement and the repayment of Borrower's First Lien Obligations hereunder.

(e) Application of Payments. Except as otherwise expressly provided herein or in the other Credit Documents, payments made under this Agreement or the other Credit Documents and other amounts received by Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Issuing Banks or the Lenders under this Agreement or the other Credit Documents shall first be applied to any fees, costs, charges or expenses payable to Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Issuing Banks or the Lenders hereunder or under the other Credit Documents, next to any accrued but unpaid interest then due and owing, then to outstanding principal then due and owing or otherwise to be prepaid, and to all ordinary course settlement payments and termination payments then due and payable under any Interest Rate Agreement and Cash Collateralize outstanding LC Exposure (in each case, such application to be made on a pro rata basis among such applicable Persons), and any surplus then remaining shall be paid to Borrower or its successors or assigns or to whomsoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

(f) Withholding Exemption Certificates.

(i) Any Lender Party that is entitled to an exemption from or reduction of withholding tax with respect to payments made under any Credit Document shall deliver to Borrower and the Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender Party, if reasonably requested by Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Legal Requirements or reasonably requested by Borrower or the Administrative Agent as will enable Borrower or the Administrative Agent to determine whether or not such Lender Party is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.4(f)(ii)(A), 2.4(f)(ii)(B), and 2.4(f)(ii)(D) below) shall not be required if in the Lender Party's reasonable judgment such completion, execution or submission would subject such Lender Party to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender Party that is a U.S. Person shall deliver to Borrower and the Administrative Agent on or prior to the date on which such Lender Party becomes a Lender Party under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender Party is exempt from U.S. federal backup withholding tax;

(B) any Non-U.S. Lender Party shall, to the extent it is legally entitled to do so, deliver to Borrower and the Administrative Agent (in such number of copies as shall be requested by the Recipient) on or prior to the date on which such Non-U.S. Lender Party becomes a Lender Party under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Non-U.S. Lender Party claiming the benefits of an income tax treaty to which the United States is a party (I) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding tax pursuant to the "interest" article of such tax treaty, and (II) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender Party claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (I) a certificate substantially in the form of Exhibit H-1 to the effect that such Non-U.S. Lender Party is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of Borrower (or if the Borrower is an entity that is disregarded as separate from its regarded owner for U.S. federal income tax purposes, such regarded owner) within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**"), and (II) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Non-U.S. Lender Party is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that if the Non-U.S. Lender Party is a partnership and one or more direct or indirect partners of such Non-U.S. Lender Party are claiming the portfolio interest exemption, such Non-U.S. Lender Party may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Lender Party shall, to the extent it is legally entitled to do so, deliver to Borrower and the Administrative Agent (in such number of copies as shall be requested by the Recipient) on or prior to the date on which such Lender Party becomes a Lender Party under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender Party under any Credit Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender Party were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender Party shall deliver to Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower or the Administrative Agent as may be necessary for Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender Party has complied with such Lender Party's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender Party agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Defaulting Lender. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 7 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.2 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to Cash Collateralize each Issuing Bank's LC Exposure (if any) with respect to such Defaulting Lender in accordance with Section 2.4(g)(iii); *third*, as Borrower may request (so long as no Default or Event of Default exists), to the funding of any Term Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fourth*, if so determined by the Administrative Agent and Borrower, to be held in a deposit account and released pro rata in order to (A) satisfy such Defaulting Lender's potential future funding obligations with respect to Term Loans under this Agreement and (B) Cash Collateralize any Issuing Bank's future LC Exposure (if any) with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement; *fifth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *sixth*, to the payment of any amounts owing to Borrower as a result of any judgment of a court of competent jurisdiction obtained by Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *seventh*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that if such payment is a payment of the principal amount of any Term Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, such payment shall be applied solely to pay the Term Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Term Loans are held by the Lenders pro rata in accordance with the Term Loan Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Cash Collateral. At any time that there shall exist a Defaulting Lender, within one Banking Day following the written request of the Administrative Agent or a Issuing Bank (with a copy to the Administrative Agent) the Borrower shall Cash Collateralize each Issuing Bank's LC Exposure (other than the LC Exposure of any Issuing Bank that is the Defaulting Lender or its Affiliate) with respect to such Defaulting Lender (determined after giving effect to Section 2.4(g)(iii)(B) and any Cash Collateral provided by such Defaulting Lender).

(A) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the First Lien Collateral Agent, for the benefit of the applicable Issuing Bank, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (B) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the First Lien Collateral Agent and an Issuing Bank as herein provided, or that the total amount of such Cash Collateral is less than 102.5% of the Stated Amount of such Letters of Credit, the Borrower shall, promptly upon demand by the Administrative Agent, pay or provide to the First Lien Collateral Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(B) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.4(g) in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(C) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the applicable Issuing Bank's LC Exposure shall not be held as Cash Collateral pursuant to this Section 2.4(g) following (1) the elimination of the LC Exposure (including by the termination of Defaulting Lender status of the applicable Lender) or (2) the determination by the Administrative Agent and the applicable Issuing Bank that there exists excess Cash Collateral; provided, that, subject to the other provisions of this Section 2.4(g), the Person providing Cash Collateral and the applicable Issuing Bank may agree that Cash Collateral shall be held to support future anticipated LC Exposure or other obligations; provided, further, that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Credit Documents.

(iv) Certain Fees. Notwithstanding anything herein to the contrary, no Defaulting Lender shall be entitled to receive any commitment fee for any period during which that Lender is a Defaulting Lender (and Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(v) Termination or Transfer of Interest Rate Agreements. During the period that any Lender is a Defaulting Lender, such Lender (or any of its Affiliates) shall, at Borrower's option, not be permitted to be a Hedge Bank with respect to any Permitted Interest Rate Agreement, and to the extent such Lender (or its Affiliate) is a Hedge Bank, Borrower may, at its sole option, require such Hedge Bank to terminate or transfer its Permitted Interest Rate Agreements to an existing Lender (or its Affiliate). Any transfer of a Permitted Interest Rate Agreement, if required by the Borrower, shall be subject to the following conditions: (A) the Lender (or its Affiliate) as Hedge Bank and as transferor (the "**Transferor Hedge Provider**") and the transferee (the "**Transferee Hedge Provider**") shall enter into a novation agreement (based on the ISDA standard form novation agreement); (B) the calculation of the pricing of such novation (including any payment to be made between the Transferor Hedge Provider and the Transferee Hedge Provider) shall be acceptable to the Transferor Hedge Provider (unless it, or its Affiliates is a Defaulting Lender) and Transferee Hedge Provider in their reasonable discretion; and (C) the Transferor Hedge Provider shall bear all costs and expenses (including legal costs and expenses) in relation to any such transfer.

(vi) Defaulting Lender Cure. If Borrower, the Administrative Agent and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Term Loans to be held pro rata by the Lenders in accordance with the Term Loan Commitments, whereupon such Lender will cease to be a Defaulting Lender; provided, that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

2.5 Pro Rata Treatment

(a) Borrowings, Commitment Reductions, Etc. Except as otherwise provided herein, (i) each Borrowing consisting of Loans or each Drawing Payment under any Letters of Credit or each reduction of Commitments shall be made or allocated among the Lenders pro rata according to their respective Proportionate Shares of such Loans or Commitments, as the case may be, (ii) each payment of principal of and interest on Term Loans and ~~LC~~**Multi-Draw Facility** Loans shall be made or shared among the Lenders holding such Loans pro rata according to their respective unpaid principal amounts of such Loans held by such Lenders, (iii) each payment of commitment fees shall be shared among the Lenders pro rata according to (A) their respective Proportionate Shares of the Commitments held by such Lenders to which such fees apply, and (B) in respect of each Lender which becomes a party to this Agreement hereunder after the **Initial** Closing Date, the date upon which such Lender so became a party hereunder, and (iv) each payment of Revolving LC Fees shall be made or shared among the Lenders holding such Loans pro rata according to their respective Proportionate Shares of Stated Amounts of all Revolving Letters of Credit.

(b) Sharing of Payments, Etc. If any Lender or Issuing Bank shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) on account of its Loans or participations in Drawing Payments of Revolving Letters of Credit resulting in such Lender or Issuing Bank receiving payment of a greater proportion of the aggregate amount of its Loans or participations in Drawing Payments of Revolving Letters of Credit and accrued interest thereon under the applicable facility than the proportion received by any other Lender or Issuing Bank with respect to such facility (other than the application of funds arising from the existence of a Defaulting Lender), then the Lender or Issuing Bank receiving such greater proportion shall forthwith purchase from the other Lenders or Issuing Bank such participations in the Loans or Drawing Payments, as the case may be, as shall be necessary to cause such purchasing Lender or Issuing Bank to share the excess payment ratably with each of them; provided, that (i) the foregoing shall not apply to any assignments by a Lender or Issuing Bank in accordance with Section 9.14, (ii) the foregoing shall not apply to any upfront fees, arranging fees or agency fees and (iii) if all or any portion of such excess payment is thereafter recovered from such purchasing Lender or Issuing Bank, such purchase from such Lender or Issuing Bank shall be rescinded and each other Lender or Issuing Bank shall repay to the purchasing Lender of Issuing Bank the purchase price to the extent of such recovery together with an amount equal to such other Lender's or Issuing Bank's proportionate share of the applicable facility (according to the proportion of (A) the amount of such other Lender's or Issuing Bank's required repayment to (B) the total amount so recovered from the purchasing Lender or Issuing Bank) of any interest or other amount paid or payable by the purchasing Lender or Issuing Bank in respect of the total amount so recovered. Borrower agrees that any Lender or Issuing Bank so purchasing a participation from another Lender or Issuing Bank pursuant to this Section 2.5(b) may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of setoff) with respect to such participation as fully as if such Lender or Issuing Bank was the direct creditor of Borrower in the amount of such participation.

2.6 Change of Circumstances

(a) Inability to Determine Rates; Benchmark Replacement Setting.

(i) Benchmark Replacement.

(A) ~~**(a) Inability to Determine Rates; Effect of Benchmark Transition Event.**~~ Notwithstanding anything to the contrary herein or in any other Credit Document~~:~~

~~**(i)**~~ **, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then a** ~~**Replacing LIBOR. On March 5, 2021 the Financial Conduct Authority ("FCA"), the regulatory supervisor of LIBOR's administrator ("IBA"), announced in a public statement the future cessation or loss of representativeness of overnight/Spot Next, 1-month, 3-month, 6-month and 12-month LIBOR tenor settings. On the earlier of (A) the date that all Available Tenors of LIBOR have either permanently or indefinitely ceased to be provided by IBA or have been announced by the FCA pursuant to public statement or publication of information to be no longer representative and (B) the Early Opt-in Effective Date, if the then-current Benchmark is LIBOR, the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Credit Document. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.**~~

~~(ii)~~ ~~Replacing Future Benchmarks. Upon the occurrence of a Benchmark Transition Event, the~~ Benchmark Replacement will replace ~~the then-current~~such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document ~~(other than any Benchmark Replacement Conforming Changes made pursuant to Section 2.6(a)(iii) below)~~ so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, the Borrower may revoke any request for a borrowing of, conversion to or continuation of Loans to be made, converted or continued that would bear interest by reference to such Benchmark until the Borrower's receipt of notice from the Administrative Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans. During the period referenced in the foregoing sentence, the component of the Base Rate based upon the Benchmark will not be used in any determination of the Base Rate.

(B) **No swap agreement shall be deemed to be a "Credit Document" for purposes of this Section 2.6(a).**

(ii) **(iii)** Benchmark Replacement Conforming Changes. In connection with the ~~implementation and~~use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make **Benchmark Replacement** Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such **Benchmark Replacement** Conforming Changes will become effective without any further action or consent of any other party to this Agreement **or any other Credit Document**.

(iii) ~~(iv)~~ Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any ~~Benchmark Replacement~~ Conforming Changes **in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.6(a)(iv) and (y) the commencement or conclusion of any Benchmark Unavailability Period**. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section **2.6(a)**, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action **or any selection**, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party ~~hereto~~**to this Agreement or any other Credit Document**, except, in each case, as expressly required pursuant to this Section **2.6(a)**.

(iv) ~~(v)~~ Unavailability of Tenor of Benchmark. ~~At~~**Notwithstanding anything to the contrary herein or in any other Credit Document, at** any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including **the** Term SOFR ~~or LIBOR)~~**Reference Rate) and either (x) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (y) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative**, then the Administrative Agent may ~~remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (B)~~**modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable, non-representative, non-compliant or non-aligned tenor and (B) if a tenor that was removed pursuant to clause (A) above either (x) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (y) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to** reinstate ~~any~~ such previously removed tenor ~~for Benchmark (including Benchmark Replacement) settings~~.

(v) **Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate.**

(b) Illegality. If any Lender reasonably determines that, after the **Initial** Closing Date, the adoption of any Governmental Rule, any change in any Governmental Rule or the application or requirements thereof (whether such change occurs in accordance with the terms of such Governmental Rule as enacted, as a result of amendment, or otherwise), any change in the interpretation or administration of any Governmental Rule by any Governmental Authority, or compliance by any Lender or Borrower with any request or directive (whether or not having the force of law, but if not having the force of law, being of a type with which a Lender customarily complies) of any Governmental Authority; provided, that notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith, and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "Change in Law", (regardless of the date enacted, adopted or issued, a "**Change in Law**") shall make it unlawful or impossible for any Lender to make or maintain any ~~LIBOR~~**SOFR** Loan, or results in a Governmental Authority imposing material restrictions on the authority of the Lenders to purchase, sell or take deposits of Dollars in the pursuant to the preceding sentence prior to the notice thereof by such Lender to Borrower through Administrative Agent, (1) Borrower's right to request the making of or conversion to, and the Lender's obligations to make or convert to, ~~LIBOR~~**SOFR** Loans shall be suspended until such Lender notifies Borrower and Administrative Agent that the circumstances giving rise to such determination no longer exist, and (2) Borrower shall, upon demand from such Lender (with a copy to Administrative Agent), either (I) pursuant to Section 2.1(g) convert any then outstanding ~~LIBOR~~**SOFR** Loans into Base Rate Loans at the end of the current Interest Periods for such Loans, or (II) immediately repay ~~LIBOR~~**SOFR** Loans pursuant to Section 2.1(h) or convert ~~LIBOR~~**SOFR** Loans into Base Rate Loans if such Lender shall notify Borrower that such Lender may not lawfully continue to fund and maintain such Loans. Upon any such conversion, Borrower shall also pay accrued interest on the amount so converted. Any conversion or prepayment of ~~LIBOR~~**SOFR** Loans made pursuant to the preceding sentence prior to the last day of an Interest Period for such Loans shall be deemed a prepayment thereof for purposes of Section 2.7.

(c) Increased Costs. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement) or any Issuing Bank; or

(ii) impose on any Lender or any Issuing Bank ~~or the London interbank market~~ any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letters of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost (other than any cost relating to any Taxes) to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letters of Credit (or of maintaining its obligation to participate in or to issue any Letters of Credit), or to reduce the amount of any sum received or receivable by such Lender, Issuing Bank or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, Issuing Bank or other Recipient, Borrower shall pay to such Lender, Issuing Bank or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, Issuing Bank or other Recipient, as the case may be, for such additional costs incurred or reduction suffered (without duplication and after netting out the effect of any benefits resulting therefrom).

(d) Capital Requirements.

(i) If any Lender or Issuing Bank reasonably determines that any Change in Law affecting such Lender or Issuing Bank or any Lending Office of such Lender or such Lender's or Issuing Bank's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by any Issuing Bank, to a level below that which such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy), then from time to time Borrower shall pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction suffered (without duplication and after netting out the effect of any benefits resulting therefrom).

(ii) Borrower shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including eurocurrency funds or deposits (currently known as "Eurocurrency Liabilities" in Regulation D), additional interest on the unpaid principal amount of each ~~LIBOR~~SOFR Loan equal to the actual costs of such reserves allocated to such Loan by such Lender; provided, that such costs shall be applied consistently across all other similar loans of such Lender, as determined by such Lender in good faith, which determination shall be conclusive absent manifest error. Such additional interest shall be due upon the occurrence of event giving rise to, or the imposition of, as applicable, the reserve requirement, and payable on each date on which interest is payable on such Loan; provided, that such Lender shall provide Borrower at least ten days' prior notice (with a copy to the Administrative Agent) of such additional interest. If a Lender fails to give notice ten days prior to the relevant interest payment date, such failure shall not excuse Borrower's obligation to pay such additional interest, however, such additional interest shall be only payable ten days from receipt of such notice.

(e) Notice; Participating Lenders' Rights. Each Lender shall notify Borrower of any event occurring after the date of this Agreement that will entitle such Lender to compensation pursuant to this Section 2.6(e), promptly, and in no event later than 180 days after the principal officer of such Lender responsible for administering this Agreement obtains knowledge thereof; provided, that any Lender's failure to notify Borrower within such 180 day period shall not relieve Borrower of its obligation under this Section 2.6(e) with respect to claims arising prior to the end of such period, but shall relieve Borrower of its obligations under this Section 2.6(e) with respect to the time between the end of such period and such time as Borrower receives notice from the applicable Lender as provided herein; and provided, further, that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof. No Person purchasing from a Lender a participation in any Commitment (as opposed to an assignment) shall be entitled to any payment from or on behalf of Borrower pursuant to Section 2.6(c) or Section 2.6(d) which would be in excess of the applicable proportionate amount (based on the portion of the Commitment in which such Person is participating) which would then be payable to such Lender if such Lender had not sold a participation in that portion of the Commitment.

2.7 Funding Losses

If Borrower shall (a) repay or prepay any ~~LIBOR~~SOFR Loans on any day other than the last day of an Interest Period for such Loans (whether an Optional Prepayment or a Mandatory Prepayment), (b) fail to convert any Loans into ~~LIBOR~~SOFR Loans in accordance with a Notice of Conversion of Loan Type delivered to Administrative Agent (whether as a result of the failure to satisfy any applicable conditions or otherwise) after such Notice of Conversion of Loan Type has become irrevocable, (c) fail to continue a ~~LIBOR~~SOFR Loan in accordance with a Confirmation of Interest Period Selection delivered to Administrative Agent, or (d) fail to make any prepayment in accordance with any notice of prepayment delivered to Administrative Agent, then Borrower shall, within ten days after demand by any Lender, reimburse such Lender for all reasonable costs and losses incurred by such Lender as a result of such repayment, prepayment or failure ("**Liquidation Costs**"). Borrower understands that such costs and losses may include losses incurred by a Lender as a result of funding and other contracts entered into by such Lender to fund ~~LIBOR~~SOFR Loans (other than non-receipt of the margin applicable to such ~~LIBOR~~SOFR Loans). Each Lender demanding payment under this Section 2.7 shall deliver to Borrower a certificate setting forth in reasonable detail the basis for and the amount of costs and losses for which demand is made. Such a certificate so delivered to Borrower shall, in the absence of manifest error, be conclusive and binding as to the amount of such loss for purposes of this Agreement.

2.8 Alternate Office; Minimization of Costs; Replacement of Lenders

(a) To the extent reasonably possible, each Lender shall designate an alternative Lending Office with respect to its ~~LIBOR~~SOFR Loans and otherwise take any reasonable actions to reduce any liability of Borrower to any Lender under Sections 2.4(d), 2.6(c), 2.6(d) or Section 2.7, or to avoid the unavailability of any Type of Loans under Section 2.6(b) so long as (in the case of the designation of an alternative Lending Office) such Lender, in the reasonable judgment of such Lender, determines that (i) such designation would not subject the Lender to any unreimbursed cost or otherwise be disadvantageous to such Lender in any material respect, and (ii) such actions would eliminate or reduce liability to such Lender; provided, that no Lender shall be required to designate an alternative Lending Office if such designation requires internal credit approval until such time as such Lender receives such internal credit approval. Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or actions within ten Banking Days of demand thereof to Borrower.

(b) If and with respect to each occasion that any Lender has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.9 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, a Lender either makes a demand for 42 compensation pursuant to Sections 2.4(d), 2.6(c) or 2.6(d) or is unable to fund ~~LIBOR~~SOFR Loans pursuant to Section 2.6(b) or is a Defaulting Lender, then Borrower may, upon at least five Banking Days' prior irrevocable written notice to each of such Lender and Administrative Agent, in whole permanently replace the Loans and Commitments of such Lender. Such replacement Lender shall upon the effective date of replacement purchase Borrower's First Lien Obligations hereunder owed to such replaced Lender for the aggregate amount thereof and shall thereupon for all purposes become a "Lender" hereunder. Such notice from Borrower shall specify an effective date for the replacement of such Lender's Loans and Commitments, which date shall not be later than the fourteenth day after the day such notice is given. On the effective date of any replacement of such Lender's Loans and Commitments pursuant to this Section 2.8(b), Borrower shall pay to Administrative Agent for the account of such Lender (i) any fees due to such Lender to the date of such replacement, (ii) the principal of and accrued interest on the principal amount of outstanding Loans held by such Lender to the date of such replacement (such amount to be represented by the purchase of Borrower's First Lien Obligations hereunder of such replaced Lender by the replacing Lender and not as a prepayment of such Loans), and (iii) the amount or amounts due to such Lender pursuant to each of Sections 2.4(c), 2.6(c) or 2.6(d), as applicable, and any other amount then payable hereunder to such Lender. Borrower shall remain liable to such replaced Lender for any Liquidation Costs that such Lender sustains or incurs as a consequence of the purchase of such Lender's Loans (unless such Lender has defaulted on its obligation to fund a Loan hereunder). Upon the effective date of the purchase of any Lender's Loans owed to such Lender and termination of such Lender's Commitments pursuant to this Section 2.8(b), such Lender shall cease to be a Lender hereunder. No such termination of any such Lender's Commitments and the purchase of such Lender's Loans pursuant to this Section 2.8(b) shall affect (x) any liability or obligation of Borrower or any other Lender to such terminated Lender, or any liability or obligation of such terminated Lender to Borrower or any other Lender, which accrued on or prior to the date of such termination, or (y) such terminated Lender's rights hereunder in respect of any such liability or obligation. Nothing in this Section 2.8(b) shall be deemed to prejudice any rights that Borrower may have against any Lender that is a Defaulting Lender.

(c) Upon written notice to Administrative Agent, any Lender may designate a Lending Office other than the Lending Office most recently designated to Administrative Agent and may assign all of its interests under the Credit Documents and its Notes (if any) to such Lending Office; provided, that, such designation and assignment do not at the time of such designation and assignment increase the reasonably foreseeable liability of Borrower under Sections 2.4(d), 2.6(c) or 2.6(d) or make an Interest Rate option unavailable pursuant to Section 2.6(b).

(b) Cross-Payment Default. An event of default (howsoever defined) shall occur with respect to an Obligor which is caused by a failure to pay principal or interest beyond the applicable grace period in respect of (i) any Indebtedness for borrowed money of such Obligor, which would entitle the lender(s) under such Indebtedness to cause the principal amounts in excess of $50,000,000 in the aggregate to become immediately due or (ii) any Permitted Commodity Hedge Agreement or Permitted Interest Rate Agreement of such Obligor and, in the case of this clause (ii), which would entitle the counterparty under such agreement to demand an early termination amount (howsoever defined in such Commodity Hedge Agreement or Interest Rate Agreement) and such early termination amount that would result from a liquidation, acceleration or early termination of such Permitted Commodity Hedge Agreement or Permitted Interest Rate Agreement is in excess of $50,000,000.

(c) Cross-Acceleration.

(i) An event of default (howsoever defined) shall occur with respect to any Obligor under any Indebtedness for borrowed money of such Obligor, having drawn principal amounts in excess of $50,000,000 in the aggregate and shall have continued beyond the applicable grace period, the effect of which has been to cause the entire amount of such Indebtedness to become due and such Indebtedness remains unpaid or the acceleration of its stated maturity unrescinded.

(ii) An event of default (howsoever defined) shall occur with respect to Any Permitted Commodity Hedge Agreement or Permitted Interest Rate Agreement and, after giving effect to any applicable notice requirement or grace period, such default results in a liquidation of, an acceleration of obligations under, or an early termination of, such Permitted Commodity Hedge Agreement or Permitted Interest Rate Agreement, and, in addition, the early termination amount (howsoever defined in such Permitted Commodity Hedge Agreement or Permitted Interest Rate Agreement) resulting from the occurrence of such liquidation, acceleration or early termination that is due and payable by Obligor (if any) is in excess of $50,000,000.

(d) ERISA Event. One or more ERISA Events shall have occurred that, when taken together with any other ERISA Events that have occurred, would reasonably be expected to have a Material Adverse Effect;

(e) Breach of Terms of Agreement.

(iii) Other Defaults. Any Obligor shall fail to perform or observe any of its covenants set forth hereunder not otherwise specifically provided for in Section 7.1(e)(i), Section 7.1(e)(ii) or elsewhere in this Article 7, and such failure shall continue unremedied for a period of thirty days after such Obligor receives written notice thereof from Administrative Agent; provided, that if (A) such failure cannot be cured within such thirty-day period, (B) such failure is susceptible of cure within ninety days, (C) such Obligor is proceeding with diligence and in good faith to cure such failure, (D) the existence of such failure has not had and could not, after considering the nature of the cure, be reasonably expected to have a Material Adverse Effect, and (E) Administrative Agent shall have received an officer's certificate signed by a Responsible Officer to the effect of clauses (i), (ii), (iii), and (F) above and stating what action such Obligor is taking to cure such failure, then such thirty-day cure period shall be extended to such date, not to exceed a total of ninety days, as shall be necessary for such Obligor diligently to cure such failure.

(f) Regulatory Status.

(i) Any Obligor shall become a public utility under the laws of the State of California as presently constituted and as construed by the courts of California, and in each case, such event could reasonably be expected to have a Material Adverse Effect.

(ii) FERC has issued an order determining that any Obligor that is a "public utility" under the FPA is no longer entitled to make sales at wholesale of electric energy, capacity and certain ancillary services at market-based rates and/or is no longer entitled to associated waivers and blanket authorizations under FERC regulations, including blanket authorization to issue securities and assume liabilities pursuant to Section 204 of the FPA, if loss of such Obligor's authorization from FERC under the FPA to make sales at wholesale of electric energy, capacity and certain ancillary services at market-based rates and/or associated waivers and blanket authorizations under FERC regulations, including blanket authorization to issue securities and assume liabilities pursuant to Section 204 of the FPA, could reasonably be expected to have a Material Adverse Effect.

(g) Change of Control. A Change of Control shall have occurred.

(i) Misstatements; Omissions. Any representation or warranty made or deemed made by any Obligor in any Credit Document to which it is a party or in any separate written statement or certificate required to be delivered to Administrative Agent, Depositary Agent, First Lien Collateral Agent, or any Lender hereunder or under any other Credit Document to which it is a party, shall be untrue in any material respect as of the time made; provided, that misrepresentations which are capable of being remedied, are made or deemed made after the **Initial** Closing Date, the untruth of which could not reasonably be expected to have a Material Adverse Effect, shall not be deemed to be an Event of Default if such misrepresentation is cured, corrected or otherwise remedied within thirty days (or if such incorrect representation, warranty, written statement or certificate is not susceptible to cure within thirty days, and such Obligor is proceeding with diligence and in good faith to cure such default and such default is susceptible to cure, such thirty day cure period shall be extended as may be necessary to cure such incorrect representation, warranty, written statement or certificate, such extended period not to exceed ninety days in the aggregate (inclusive of the original thirty-day period)) from the date a Responsible Officer of Borrower acquires knowledge thereof such that such representation or warranty (as cured, corrected or remedied) has not resulted in a Material Adverse Effect, then such false or incorrect representation, warranty, written statement or certification shall not constitute a Default or an Event of Default for purposes of the Credit Documents.

(j) Specified Major Project Contract Defaults. (i) Any Specified Major Project Contract shall terminate or shall be declared null and void (except (a) upon fulfillment of the parties' obligations thereunder or (b) upon the scheduled expiration of the term of such Specified Major Project Contract) and such termination is reasonably expected to have a Material Adverse Effect, (ii) any provision in any Specified Major Project Contract shall for any reason cease to be valid and binding on any party thereto (other than Borrower), other than any such failure to be valid and binding which could not reasonably be expected to have a Material Adverse Effect or (iii) performance shall be breached under any Specified Major Project Contract and such breach is reasonably expected to have a Material Adverse Effect except, in the case of the foregoing clauses (i), (ii), or (iii) to the extent that (x) such provision is restored or replaced by a replacement provision in form and substance reasonably acceptable to Administrative Agent within a 120-day period thereafter, or (y) Borrower enters into a Replacement Major Project Contract within 120 days thereafter.

7.2 Remedies

Subject to the terms and conditions of the Intercreditor Agreement, upon the occurrence and during the continuation of an Event of Default, Administrative Agent shall, upon the direction of the Required Lenders, without further notice of default, presentment or demand for payment, protest or notice of non-payment or dishonor, or other notices or demands of any kind, all such notices and demands (other than notices expressly required by the Credit Documents) being waived, exercise any or all of the following rights and remedies, in any combination or order that the Required Lenders may elect, in addition to such other rights or remedies as the First Lien Secured Parties may have hereunder, under the First Lien Collateral Documents or at law or in equity:

(a) No Further Loans or Letters of Credit. Cancel all Commitments, refuse, and Administrative Agent, the Issuing Banks and the Lenders shall not be obligated, to continue any Loans, make any additional Loans, or make any payments, or permit the making of payments, from any Depositary Account or any Loan proceeds or other funds held by Administrative Agent or First Lien Collateral Agent under the Credit Documents or on behalf of Borrower; provided, that in the case of an Event of Default occurring under Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement, all such Commitments shall be cancelled and terminated without further act of Administrative Agent, First Lien Collateral Agent, or any First Lien Secured Party.

All sums so expended, together with interest on such total amount at the Default Rate (but in no event shall the rate exceed the maximum lawful rate), shall be repaid by Borrower to Administrative Agent or First Lien Collateral Agent, as the case may be, on demand and shall be secured by the Credit Documents, notwithstanding that such expenditures may, together with amounts advanced under this Agreement, exceed the aggregate amount of the Total Term Loan Commitment.

(c) Acceleration. Declare and make all or a portion of the sums of accrued and outstanding principal and accrued but unpaid interest remaining under this Agreement, together with all unpaid fees, costs (including Liquidation Costs and Hedge Breaking Fees) and charges due hereunder or under any other Credit Document, immediately due and payable and require Borrower immediately, without presentment, demand, protest or other notice of any kind, all of which Borrower hereby expressly waives, to pay Administrative Agent or the First Lien Secured Parties an amount in immediately available funds equal to the aggregate amount of any outstanding First Lien Obligations of Borrower under this Agreement and the other Credit Documents; provided, that in the event of an Event of Default occurring under Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement, all such amounts shall become immediately due and payable without further act of Administrative Agent, the Issuing Banks, First Lien Collateral Agent, or the First Lien Secured Parties.

Borrower shall not have any rights or powers with respect to such amounts.

(ii) Make demand upon the Borrower to, and forthwith upon such demand the Borrower shall, pay to the Administrative Agent on behalf of the Lenders in same day funds at the Administrative Agent's account, to the extent not already funded, an amount equal to 102.5% of the aggregate LC Exposure; provided, that upon the occurrence of any Default or Event of Default under Section 6.1(i) (*Bankruptcy*) of the First Lien Common Terms Agreement, the Borrower shall be obligated to pay to the Administrative Agent on behalf of the Lenders in same day funds at the Administrative Agent's account, to the extent not already funded, an amount equal to 102.5% of the aggregate LC Exposure, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by the Borrower.

(e) Possession of Projects. Pursuant to the terms of the First Lien Common Terms Agreement and the Collateral and Intercreditor Agreement, vote in favor of the First Lien Collateral Agent taking action to enter into possession of the Projects or operate and maintain the Projects, and all sums expended by Administrative Agent, First Lien Collateral Agent or Depositary Agent in so doing, together with interest on such total amount at the Default Rate, shall be repaid by Borrower to Administrative Agent, First Lien Collateral Agent or Depositary Agent, as the case may be, upon demand and shall be secured by the Credit Documents, notwithstanding that such expenditures may, together with amounts advanced under this Agreement, exceed the aggregate amount of the Total Term Loan Commitment.

First Lien Collateral Agent, Administrative Agent, Coordinating Lead Arrangers, and Joint Lead Arrangers shall in all cases be fully protected in acting, or refraining from acting, in accordance with written instructions signed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided herein or under the other Credit Documents) or otherwise, and, except as otherwise specifically provided herein, such instructions and any action or inaction pursuant thereto shall be binding on all the Lenders. As to any other matters not expressly provided for by this Agreement, neither First Lien Collateral Agent nor Administrative Agent shall be required to take any action or exercise any discretion, but shall be required to act or to refrain from acting upon instructions of the Required Lenders or, where expressly provided, all Lenders (except that neither First Lien Collateral Agent nor Administrative Agent shall be required to take any action which exposes First Lien Collateral Agent or Administrative Agent (as the case may be) to personal liability or which is contrary to this Agreement, any other Credit Document or any Legal Requirement). Each of First Lien Collateral Agent and Administrative Agent shall in all cases (including when any action by First Lien Collateral Agent or Administrative Agent (as the case may be) alone is authorized hereunder, if First Lien Collateral Agent or Administrative Agent (as the case may be) elects in its sole discretion to obtain instructions from the Required Lenders) be fully protected in acting, or in refraining from acting, hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders (or, where so expressly stated, all Lenders), and such instructions of the Required Lenders (or all Lenders, where applicable) and any action taken or failure to act pursuant thereto shall be binding on all of the Lender Parties.

9.3 Non-Reliance

Each Lender represents that it has, independently and without reliance on the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of the financial condition and affairs of the Obligors and its own decision to enter into this Agreement and agrees that it shall, independently and without reliance upon the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own appraisals and decisions in taking or not taking action under this Agreement. Each of Administrative Agent, Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent and any Lender shall not be required to keep informed as to the performance or observance by any Obligor or its Affiliates under this Agreement or any other document referred to or provided for herein or to make inquiry of, or to inspect the properties or books of any Obligor or its Affiliates.

9.4 Defaults; Material Adverse Effect

None of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent and Administrative Agent shall be deemed to have knowledge or notice of the occurrence of any Default, Event of Default or Material Adverse Effect, unless such Person has received a notice from a Lender or Borrower, referring to this Agreement, describing such Default, Event of Default or Material Adverse Effect and indicating that such notice is a notice of the occurrence of such Default, Event of Default or Material Adverse Effect (as the case may be). If Administrative Agent receives such a notice of the occurrence of a Default, Event of Default or Material Adverse Effect, Administrative Agent shall give notice thereof to the Lenders. Each of First Lien Collateral Agent and Administrative Agent shall take such action with respect to such Default, Event of Default or Material Adverse Effect as is provided in Article 3, Article 7 or the terms of the Credit Documents, including but not limited to the Intercreditor Agreement, or if not provided for in Article 3, Article 7 or such Credit Documents, as the Administrative Agent or First Lien Collateral Agent shall be reasonably directed by the Required First Lien Secured Parties; provided, that unless and until Administrative Agent or First Lien Collateral Agent shall have received such directions, each of Administrative Agent and First Lien Collateral Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default, Event of Default or Material Adverse Effect as it shall deem advisable in the best interest of the First Lien Secured Parties.

9.5 Indemnification

Without limiting the First Lien Obligations of Borrower hereunder, each Lender severally agrees to indemnify the Coordinating Lead Arrangers, Joint Lead Arrangers, each Agent and their respective officers, directors, shareholders, controlling Persons, employees, agents and servants, ratably in accordance with their Proportionate Shares for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against such Agent, the Coordinating Lead Arrangers, Joint Lead Arrangers, or such Person in any way relating to or arising out of this Agreement or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or the enforcement of any of the terms hereof or thereof or of any such other documents, or any action taken or omitted by it or any of them under this Agreement or any other Credit Document, to the extent the same shall not have been reimbursed by Borrower; provided, that no Lender shall be liable to an Agent the Syndication Agent, Bookrunners, Coordinating Lead Arrangers, or Joint Lead Arrangers for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements found in a final non-appealable judgment by a court of competent jurisdiction to have resulted primarily from the gross negligence or willful misconduct of such Agent, such Coordinating Lead Arrangers, Joint Lead Arrangers or any of their Related Parties. The obligations of the Lenders under this Section 9.5 shall survive payment of all First Lien Obligations and the resignation or replacement of any Agent. An Agent or any such Person shall be fully justified in refusing to take or to continue to take any action hereunder or under any other Credit Document unless it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Without limitation of the foregoing, each Lender agrees to reimburse each Agent, the Coordinating Lead Arrangers, Joint Lead Arrangers, or any such Person promptly upon demand for its Proportionate Share of any out-of-pocket expenses (including reasonable counsel fees and compensation of agents and employees paid for services rendered on behalf of the Lenders, but limited in the case of legal expenses, to the actual and reasonable and documented expenses of one counsel for the Agents, and, if necessary, one firm of local counsel in each appropriate jurisdiction where any action to realize upon any part of the Collateral is necessary, in each case for the Agents (and, in the case of an actual or perceived conflict of interest where the Agents affected by such conflict informs the Borrower of such conflict, of another firm of counsel for such affected Agent) incurred by such Agent, Coordinating Lead Arrangers, Joint Lead Arrangers, or any such Person in connection with the preparation, execution, administration or enforcement of, or legal advice in respect of rights or responsibilities under, the Credit Documents, to the extent that such Agent, Coordinating Lead Arrangers, Joint Lead Arrangers, or any such Person is not reimbursed for such expenses by Borrower).

9.6 Successor Agent

Any Agent may resign at any time by notifying the Lenders and Borrower, in accordance with this Section 9.6 or the provisions of the Intercreditor Agreement, as applicable. Upon any such resignation of either Administrative Agent or First Lien Collateral Agent, the Required Lenders shall have the right, with the consent of Borrower (such consent not to be unreasonably withheld or delayed) to appoint a successor Administrative Agent or First Lien Collateral Agent (as the case may be). Subject to the provisions of the Intercreditor Agreement, if no successor Administrative Agent or First Lien Collateral Agent (as the case may be) shall have been so appointed by the Required Lenders and shall have accepted such appointment, within fifteen days after the retiring Administrative Agent's or First Lien Collateral Agent's (as the case may be) giving of notice of resignation or the Lenders' removal of the retiring Administrative Agent or First Lien Collateral Agent (as the case may be), the retiring Administrative Agent and First Lien Collateral Agent (as the case may be) may, on behalf of the Lender Parties, with the consent of Borrower (such consent not to be unreasonably withheld or delayed), appoint a successor Administrative Agent or First Lien Collateral Agent (as the case may be) hereunder, which shall be a Lender, if any Lender shall be willing to serve, and otherwise shall be a commercial bank having a combined capital and surplus of at least $500,000,000 or an Affiliate of any such bank. Upon the acceptance of any appointment as Administrative Agent or First Lien Collateral Agent (as the case may be) under the Credit Documents by a successor Administrative Agent or First Lien Collateral Agent (as the case may be), such successor Administrative Agent or First Lien Collateral Agent (as the case may be) shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent or First Lien Collateral Agent (as the case may be), and the retiring Administrative Agent or First Lien Collateral Agent (as the case may be) shall be discharged from its duties and obligations as Administrative Agent or First Lien Collateral Agent (as the case may be) only under the Credit Documents. After any retiring Administrative Agent's or First Lien Collateral Agent's resignation hereunder as Administrative Agent or First Lien Collateral Agent (as the case may be), the provisions of this Article 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent or First Lien Collateral Agent (as the case may be) under the Credit Documents. In addition to the foregoing, if a Lender becomes, and during the period it remains, a Defaulting Lender, an Issuing Bank may, upon prior written notice to Borrower and Administrative Agent, resign as an Issuing Bank effective at the close of business New York time on a date specified in such notice (which date may not be less than twenty Banking Days after the date of such notice); provided, that such resignation by the applicable Issuing Bank shall have no effect on the validity or enforceability of any Letter of Credit then outstanding or on the obligations of Borrower or any Lender under this Agreement with respect to any such outstanding Letter of Credit or otherwise to such Issuing Bank. Anything herein to the contrary notwithstanding, if at any time the Required Lenders determine that the Person serving as Administrative Agent is a Defaulting Lender, the Required Lenders (determined after giving effect to Section 9.9) may by notice to Borrower and such Person remove such Person as Administrative Agent and appoint a replacement Administrative Agent hereunder. Such removal shall, to the fullest extent permitted by applicable law, be effective on the earlier of (a) the date a replacement Administrative Agent is appointed, and (b) the date which is five Banking Days after the giving of such notice by the Required Lenders (regardless of whether a replacement Administrative Agent has been appointed).

9.7 Authorization

Each of the Lenders and each assignee of any such Lender hereby irrevocably authorizes each of Administrative Agent, First Lien Collateral Agent, the Coordinating Lead Arrangers, Joint Lead Arrangers, and Issuing Banks to take such actions on behalf of such Lender or assignee and to exercise such powers as are specifically delegated to such Person in such capacity by the terms and provisions hereof and of the other Credit Documents, together with such actions and powers as are reasonably incidental thereto, and each Lender and each assignee or any such Lender hereby agrees to be bound by any such actions. Without limiting the generality of the foregoing, Administrative Agent is hereby expressly authorized by the Lenders and Issuing Banks, without hereby limiting any implied authority, (a) to receive on behalf of the Lenders and the Issuing Banks all payments of principal of and interest on the Loans, all payments in respect of Drawing Payments and all other amounts due to the Lenders and the Issuing Banks hereunder, and promptly to distribute to each Lender or Issuing Bank its proper share of each payment so received (and any such payments not so distributed by Administrative Agent within one Banking Day of receipt thereof shall bear interest (at Administrative Agent's expense) at a rate equal to the greater of (i) the Federal Funds Rate, and (ii) a rate reasonably determined by Administrative Agent in accordance with banking industry rules on interbank compensation); (b) to give notice on behalf of each of the Lenders of any Event of Default specified in this Agreement of which Administrative Agent has actual knowledge acquired in connection with the performance of its duties as Administrative Agent hereunder; (c) to distribute to each Lender copies of all notices, financial statements and other materials delivered by Borrower pursuant to this Agreement as received by Administrative Agent; and (d) to enter into (and each of the Lenders, Issuing Banks, Coordinating Lead Arrangers, and Joint Lead Arrangers hereby agree to be bound by the terms of and direct the Administrative Agent to enter into) a use of work product agreement in the form of Exhibit J on behalf of each Lender, Issuing Banks, Coordinating Lead Arrangers, and Joint Lead Arrangers. Each of Administrative Agent and First Lien Collateral Agent is further authorized by the Lender Parties to release Liens on property that the Obligors are permitted to sell or transfer pursuant to the terms of this Agreement or the other Credit Documents and to enter into agreements supplemental hereto for the purpose of curing any formal defect, inconsistency, omission or ambiguity in this Agreement or any Credit Document to which it is a party.

9.8 Other Roles

With respect to its Commitment, the Loans made by it and any Note issued to it, each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent and Issuing Banks in its individual capacity shall have the same rights and powers under the Credit Documents as any other Lender and may exercise the same as though it were not a Coordinating Lead Arranger, Joint Lead Arranger, First Lien Collateral Agent, Administrative Agent or Issuing Bank. The term "Lender" or "Lenders" shall, unless otherwise expressly indicated, include each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent and Issuing Banks in its individual capacity. Each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, Issuing Banks and their respective Affiliates may accept deposits from, lend money to, and generally engage in any kind of business with Borrower or any other Person, without any duty to account therefor to the Lenders. For the avoidance of doubt, MUFG Union Bank, N.A. may act as both First Lien Collateral Agent and as Depositary Agent, notwithstanding any potential or actual conflict of interest presented by the foregoing. Each of the Lenders hereby waives any claim against each of the Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, Issuing Banks, Borrower and any of their respective Affiliates based upon any conflict of interest that such Coordinating Lead Arrangers, Joint Lead Arrangers, First Lien Collateral Agent, Administrative Agent, Issuing Bank or any of their respective Affiliates may have with regard to acting as an agent, arranger or Issuing Bank hereunder and acting in such other roles.

9.9 Amendments; Waivers

(a) Unanimous Consent. Subject to the provisions of this Section 9.9, unless otherwise specified in this Agreement or another Credit Document, the Required Lenders (or Administrative Agent or First Lien Collateral Agent upon written direction or consent of the Required Lenders) and the Obligors may enter into agreements, waivers or supplements hereto for the purpose of adding, modifying or waiving any provisions to the Credit Documents or changing in any manner the rights of the Lenders or the Obligors hereunder or thereunder or waiving any Default or Event of Default; provided, that notwithstanding anything to the contrary set forth herein, any amendment modification, termination or consent to, of or under any First Lien Collateral Document permitted pursuant to this Section 9.9 shall be subject to the applicable terms of the Intercreditor Agreement and no such supplemental agreement shall, without the consent of all of the Lenders affected thereby or, with respect to clauses (ii) and (iii), all of the Lenders affected thereby and all of the Hedge Banks affected thereby:

(i) increase the amount of the Commitment of any Lender hereunder;

(ii) amend any provision of this Section 9.9;

(iv) extend the Maturity Dates or reduce the principal amount of any outstanding Loans or Notes or reduce the rate or change the time of payment of interest due on any Loan; provided, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" contained in Section 2.4(c) or to waive any obligation of Borrower to pay interest at the Default Rate;

(v) reduce the amount or extend the payment date for any amount due, whether principal or interest (but not prepayment);

(vi) add, modify or waive any provisions to the Credit Documents so as to subordinate the Loans to any other Indebtedness;

(vii) amend or modify the definition of "Required First Lien Secured Parties" (as defined in the Intercreditor Agreement); provided, that, additional extensions of credit pursuant hereto shall be included in the definition of "Required First Lien Secured Parties" on substantially the same basis as the Loans and Commitments included on the **Initial** Closing Date; or

(viii) modify the order of application of any prepayment of Term Loans or ~~LC~~**Multi-Draw Facility** Loans from the application thereof set forth in the applicable provisions of Section 2.1(h) of this Agreement or Section 4.1 (*Applications of Proceeds*) of the Intercreditor Agreement; provided, that the Required Lenders may waive, in whole or in part, any prepayment so long as the application as between Loans, of any portion of such prepayment which is still required to be made is not altered.

(b) Affected Party Consent. Notwithstanding anything to the contrary herein, no agreement, waiver or supplement hereto shall add, modify or waive any provisions to the Credit Documents, or change in any manner the rights of the Lenders, Hedge Banks or the Obligors hereunder or thereunder, so as to:

(i) amend or modify any provision set forth in Sections 2.1(h)(i), 2.1(h)(ii), 2.1(h)(iii), 2.4(d)(i), 2.4(e), 2.5(a) or 2.5(b) in a manner that would alter the pro rata sharing of payments with respect to the applicable Loan facility without the prior written consent of each Lender adversely affected thereby;

(ii) change the order of priority of payments set forth in Section 4.1 (*Applications of Proceeds*) of the Intercreditor Agreement or Section 3.1(b) (*Revenue Account Waterfall*) of the Depositary Agreement, without the prior written consent of each Lender adversely affected thereby;

(iv) amend the definition of "Lenders" or reduce the percentage specified in the definition "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby;

(v) change the relative priority or the extent of the security interest granted in favor of any Lender or Hedge Bank as compared to the priority or the extent of the security interest granted in favor of any other Lender or Hedge Bank, without the prior written consent of each Lender or Hedge Bank adversely affected thereby; or

(vi) otherwise subordinate the First Lien Obligations of Borrower in respect of the Interest Rate Agreements to any other First Lien Obligations of Borrower hereunder, without the prior written consent of each Hedge Bank adversely affected thereby.

(c) Defaulting Lenders. Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender shall not be entitled to vote in respect of amendments and waivers hereunder and the Commitment and the outstanding Loans or other extensions of credit of such Lender hereunder shall not be taken into account in determining whether the Required Lenders or all of the Lenders, as required, have approved any such amendment or waiver (and the definition of "Required Lenders" shall automatically be deemed modified accordingly for the duration of such period), except that (i) without the consent of such Defaulting Lender (A) the Commitment of any Defaulting Lender may not be increased or extended, (B) any amount due to any Defaulting Lender, whether principal or interest, may not be reduced, and (C) the payment date for any amount due to such Defaulting Lender, whether principal or interest, may not be extended, and (ii) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(d) Minor Defects. Notwithstanding the other provisions of this Section 9.9, Borrower, Administrative Agent and First Lien Collateral Agent may (but shall have no obligation to) amend or supplement the Credit Documents without the consent of any other Lender Party for the purpose of (i) curing any ambiguity, defect or inconsistency, (ii) making any change that would provide any additional rights or benefits to the Lender Parties or that does not adversely affect the legal rights hereunder of any Lender Party, and (iii) making, completing or confirming any grant of Collateral permitted or required by this Agreement, any of the Credit Documents or the Intercreditor Agreement or any release of any Collateral that is otherwise permitted under the terms of this Agreement and the Credit Documents.

9.10 Withholding Tax

Each Lender Party shall severally indemnify the Administrative Agent, within ten days after demand therefor, for (a) any taxes (including any interest, additions to tax or penalties applicable thereto) attributable to such Lender Party for whatever reason (but, if such taxes are Indemnified Taxes and Other Taxes, only to the extent that Borrower has not already indemnified the Administrative Agent for such taxes and without limiting the obligation of Borrower to do so), and (b) any taxes (including any interest, additions to tax or penalties applicable thereto) attributable to such Lender Party's failure to comply with the provisions of Section 9.13 relating to the maintenance of a Participant Register (as defined in Section 9.13 below), in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender Party by the Administrative Agent shall be conclusive absent manifest error. Each Lender Party hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender Party under any Credit Document or otherwise payable by the Administrative Agent to the Lender Party from any other source against any amount due to the Administrative Agent under this Section 9.10. The obligations of the Lender Parties under this Section 9.10 shall survive the payment of all First Lien Obligations and the resignation or replacement of Administrative Agent.

If any Lender or Issuing Bank sells, assigns, grants participation in, or otherwise transfers its rights under this Agreement, the purchaser, assignee, Participant or transferee, as applicable, shall comply and be bound by the terms of Section 2.4(f) and this Section 9.10 as though it were such Lender or Issuing Bank.

9.11 General Provisions as to Payments

Administrative Agent shall promptly distribute to each Lender, subject to the terms of any separate agreement between Administrative Agent and such Lender, its pro rata share of each payment of principal and interest payable to the Lenders on the Loans and of fees hereunder received by Administrative Agent for the account of the Lenders and of any other amounts owing under the Loans. The payments made for the account of each Lender shall be made, and distributed to it, for the account of (a) its domestic Lending Office in the case of payments of principal of, and interest on, its Base Rate Loans, (b) its domestic or foreign Lending Office, as each Lender may designate in writing to Administrative Agent, in the case of ~~LIBOR~~SOFR Loans, and (c) its domestic Lending Office, or such other Lending Office as it may designate for the purpose from time to time, in the case of payments of fees and other amounts payable hereunder.

9.12 Substitution of Lender

Should any Lender fail to make a Loan in violation of its obligations under this Agreement (a "**Non-Advancing Bank**"), Administrative Agent shall (a) in its sole discretion fund the Loan on behalf of the Non-Advancing Bank, or (b) cooperate and consult with Borrower or any other Lender to find another Person that shall be acceptable to Administrative Agent and that shall be willing to assume the Non-Advancing Bank's obligations under this Agreement (including the obligation to make the Loan which the Non-Advancing Bank failed to make but without assuming any liability for damages for failing to have made such Loan or any previously required Loan). Subject to the provisions of the next following sentence, such Person shall be substituted for the Non-Advancing Bank hereunder upon execution and delivery to Administrative Agent of an agreement acceptable to Administrative Agent by such Person assuming the Non-Advancing Bank's obligations (including its Commitments) under this Agreement, and all interest and fees which would otherwise have been payable to the Non-Advancing Bank shall thereafter be payable to such Person. Nothing in (and no action taken pursuant to) this Section 9.12 shall relieve the Non-Advancing Bank from any liability it might have to Borrower or to the other Lenders as a result of its failure to make any Loan.

9.13 Participation.

Any Lender may, without the consent of Borrower, Administrative Agent or any Issuing Bank, sell participations to one or more banks or other entities (a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans and Drawing Payments owing to it); provided, that (a) no such sale of a participation shall alter such Lender's or Borrower's obligations hereunder, (b) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (c) Borrower and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and (d) any agreement or instrument (oral or written) pursuant to which any Lender may grant a participation in its rights with respect to its Commitment (or Loans made hereunder) shall provide that, with respect to such Commitment (or Loans made hereunder), subject to the following proviso, such Lender shall retain the sole right and responsibility to exercise the rights of such Lender, and enforce the obligations of Borrower relating to such Commitment (or Loans made hereunder), including the right to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document and the right to take action to have the First Lien Obligations hereunder (or any portion thereof) declared due and payable pursuant to Article 7; provided, that (e) such agreement may provide that the participant may have rights to approve or disapprove decreases in Loans, interest rates or fees, lengthening of maturity of any Loans, extending the payment date for any amount due under Article 2 or releasing all or a material portion of the Collateral (other than (i) pursuant to Section 5.9 (*Limitation on Asset Dispositions*) of the First Lien Common Terms Agreement, (ii) in respect of any Casualty Event or Event of Eminent Domain, or (iii) as otherwise expressly permitted hereby or under any other Credit Document), and (w) no other agreement (oral or written) with respect to such Participant may exist between such Lender and such Participant. Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.6, 2.7, and 2.4(d) (subject to the requirements and limitations therein, including the requirements under Section 2.4(f) (it being understood that the documentation required under Section 2.4(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.14; provided, that such Participant (x) agrees to be subject to the provisions of Section 2.8 as if it were an assignee under this Section 9.13; and (y) shall not be entitled to receive any greater payment under Sections 2.6, 2.7 and 2.4(d), with respect to any participation, than its participating Lender would have been entitled to receive. No recipient of a participation in any Commitment or Loans of any Lender shall have any rights under this Agreement or shall be entitled to any reimbursement for Indemnified Taxes, Other Taxes, increased costs or reserve requirements under Sections 2.6 or 2.7 or any other indemnity or payment rights against Borrower (but shall be permitted to receive from the Lender granting such participation a proportionate amount which would have been payable to the Lender from whom such Person acquired its participation as provided in this Section 9.13). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "**Participant Register**"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the United States Proposed Treasury Regulations (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

9.14 Transfer of Commitment

(a) Notwithstanding anything else herein to the contrary, any Lender, after receiving Administrative Agent's prior written consent (such consent not to be unreasonably withheld) and (so long as no Event of Default has occurred and is continuing) after receiving Borrower's prior written consent (such consent not to be unreasonably withheld solely with respect to a sale, assignment, transfer, negotiation or disposal to a commercial bank, financial institution or an insurance company but such consent may be withheld in Borrower's sole discretion with respect to a sale, assignment, transfer, negotiation or disposal to any other Eligible Assignee), may from time to time, at its option, sell, assign, transfer, negotiate or otherwise dispose of a portion of one or more of its Commitments (including, for purposes of this Section 9.14, Loans made hereunder) (including the Lender's interest in this Agreement and the other Credit Documents) to one or more banks, financial institutions, or Eligible Assignees; provided, that (i) no Lender (including any assignee of any Lender) may assign any portion of its Commitment (including Loans) (A) in an amount less than $5,000,000 (unless to another Lender), or (B) in an amount which leaves the assigning Lender with a Commitment (including Loans) of less than $5,000,000 (in each case based on the original principal amount of the Commitment assigned) after giving effect to such assignment and all previous assignments (except that a Lender may be left with no Commitment or Loans if it assigns its entire Commitment); (ii) without the consent of the Borrower or any other Party, any Lender may assign all or any portion of its Commitments to another Lender, an Affiliate of a Lender; (iii) no consent of the Borrower shall be required in the case of primary syndication of the Loans and Commitments within sixty days after the **Initial** Closing Date, to institutions that have been identified by the Syndication Agent and accepted by the Borrower (in its reasonable discretion) prior to the **Initial** Closing Date and (iv) Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten Banking Days after having received notice thereof. An assignee shall not be entitled to receive any greater payment under any of Sections 2.4(d), 2.6 and 2.7.

(b) No such assignment shall be made to (i) Borrower or any of Borrower's Affiliates or Subsidiaries, or (ii) any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary thereof. In the event of any such assignment, (A) the assigning Lender's Proportionate Share shall be reduced and its obligations hereunder released by the amount of the Proportionate Share assigned to the new Lender, (B) the parties to such assignment shall execute and deliver an appropriate agreement evidencing such sale, assignment, transfer or other disposition, in form and substance reasonably satisfactory to Administrative Agent and Borrower, (C) the parties to the sale, assignment, transfer or other disposition, excluding Borrower, shall collectively pay to Administrative Agent an administrative fee of $3,500; provided, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment, (D) at the assigning Lender's option, Borrower shall execute and deliver, to such new Lender, Notes in the forms attached hereto as Exhibit B-1, as requested, in a principal amount equal to such new Lender's Commitment, but only if it shall also be executing and exchanging with the assigning Lender a replacement note for any Note in an amount equal to the Commitment retained by the assigning Lender, if any; provided, that Borrower shall have received for cancellation the existing Note held by such assigning Lender, and (E) Administrative Agent shall amend Schedule 2.2(a) to reflect the Proportionate Shares of the Lenders following such assignment. Thereafter, such new Lender shall be deemed to be a Lender and shall have all of the rights and duties of a Lender (except as otherwise provided in this Article 9), in accordance with its Proportionate Share, under each of the Credit Documents. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in Section 2.1(i).

(c) Disqualified Institution. Any assignments and participations to Disqualified Institutions are void ab initio unless such assignment or participation, as the case may be, has been approved by the Borrower, in which case such assignee or participant shall not be considered a Disqualified Institutions solely for such particular assignment or participation, as the case may be. In case of such assignments not approved by the Borrower, the assignee who is a Disqualified Institutions shall be deleted from the Register upon written notification from the Borrower. Except for notifying the Lenders with a list of Disqualified Institutions, Administrative Agent shall have no responsibility or liability to monitor or enforce such list of Disqualified Institutions.

9.15 Laws

Notwithstanding the foregoing provisions of this Article 9, no sale, assignment, transfer, negotiation or other disposition of the interests of any Lender hereunder or under the other Credit Documents shall be allowed if it would require registration under the federal Securities Act of 1933, as then amended, any other federal securities laws or regulations or the securities laws or regulations of any applicable jurisdiction. Borrower shall, from time to time at the request and expense of Administrative Agent, execute and deliver to Administrative Agent, or to such party or parties as Administrative Agent may designate, any and all further instruments as may in the opinion of Administrative Agent be reasonably necessary or advisable to give full force and effect to such sale, assignment, transfer, negotiation or disposition which would not require any such registration.

9.16 Assignability as Collateral

Notwithstanding any other provision contained in this Agreement or any other Credit Document to the contrary, any Lender may assign all or any portion of the Loans or Notes held by it to the Federal Reserve Bank, any other central banking authorities in accordance with applicable law and the United States Treasury as collateral security; provided, that any payment in respect of such assigned Loans or Notes made by Borrower to or for the account of the assigning or pledging Lender in accordance with the terms of this Agreement shall satisfy Borrower's obligations hereunder in respect of such assigned Loans or Notes to the extent of such payment. No such assignment shall release the assigning Lender from its obligations hereunder and in no event shall the Federal Reserve Bank, any other central banking authorities in accordance with applicable law or the United States Treasury be considered a "Lender" hereunder.

9.17 Notices to Lenders

Administrative Agent promptly shall deliver all material documents, instruments and notices that it receives hereunder and under the other Credit Documents to each Lender. Except as expressly provided in this Agreement or the other Credit Documents, Borrower shall not be required to deliver any documents, instruments or notices directly to the Lenders.

9.18 First Lien Collateral Agent

First Lien Collateral Agent shall: (a) forward promptly to Administrative Agent any notice delivered to First Lien Collateral Agent pursuant to any Consent; (b) have the right, but not the obligation, to (i) refuse any item for credit to any Depositary Account except as required by the terms of the Credit Documents, (ii) refuse to honor any request for transfer in relation to any Depositary Account that is not consistent with the Credit Documents, (iii) charge to any Depositary Account all applicable charges related to maintaining such Depositary Accounts, and (iv) pay fees, interest and other charges owing by the Obligors as provided herein and in the other Credit Documents; (c) except as otherwise provided herein and in the Depositary Agreement (including by the provision of standing instructions therein), take all actions and make all determinations with respect to the Collateral, the First Lien Collateral Documents (including as to the advisability of taking additional steps to perfect, or cause the perfection of, any security interest) and the other Credit Documents to which it is a party as directed in writing by Administrative Agent (acting in accordance with Section 9.7); and (d) have the right at any time to seek clarification and instructions concerning the administration of the Credit Documents from Administrative Agent, legal counsel selected by it in good faith with reasonable care or any court of competent jurisdiction and shall be fully protected in relying upon such instructions.

9.19 Right to Realize on Collateral

Notwithstanding anything contained in any of the Credit Documents to the contrary notwithstanding, the Obligors, the Administrative Agent, the First Lien Collateral Agent and each Lender hereby agree that: (a) no Lender or Agent shall have any right individually to realize upon any of the Collateral, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of Lenders, in accordance with the terms hereof, and all powers, rights and remedies under the First Lien Collateral Documents may be exercised solely by the First Lien Collateral Agent, on behalf of the First Lien Secured Parties and (b) in the event of a foreclosure by the First Lien Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the First Lien Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the First Lien Collateral Agent, as agent for and representative of the First Lien Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the First Lien Obligations as a credit on account of the purchase price for any Collateral payable by the First Lien Collateral Agent at such sale or other disposition.

9.20 Depositary Agent

The Depositary Agent is an intended third party beneficiary of, and entitled to enforce on its respective behalf and for its own benefit and, if applicable, the benefit of the other First Lien Secured Parties, the provisions of this Agreement that purport to grant the Depositary Agent rights, privileges and benefits, entitlements, immunities, indemnities and/or benefits. Each Lender hereby (a) acknowledges that it has received and reviewed a copy of the Depositary Agreement and agrees to be bound by the terms thereof, and (b) authorizes and directs (i) the appointment of MUFG Union Bank, N.A. to act as the initial depositary agent under the Credit Documents, and (ii) the Depositary Agent to execute the Depositary Agreement and to take such actions as are contemplated by the terms of the Depositary Agreement. The Depositary Agent has, and shall have, no obligations under this Agreement.

9.21 Erroneous Payments

(a) If the Administrative Agent (x) notifies a Lender or Issuing Bank, or any Person who has received funds on behalf of a Lender or Issuing Bank (any such Lender, Issuing Bank or other recipient (and each of their respective successors and assigns), a "**Payment Recipient**") that the Administrative Agent has determined in its reasonable discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "**Erroneous Payment**") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof) (provided, that, without limiting any other rights or remedies (whether at law or in equity), the Administrative Agent may not make any such demand under this clause (a) with respect to an Erroneous Payment unless such demand is made within 30 days of the date of receipt of such Erroneous Payment by the applicable Payment Recipient), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 9.21 and held in trust for the benefit of the Administrative Agent, and such Lender or Issuing Bank shall use commercially reasonable efforts to (or, with respect to any Payment Recipient who received such funds on its behalf, shall use commercially reasonable efforts to cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank or any Person who has received funds on behalf of a Lender or Issuing Bank (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or Issuing Bank, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender or Issuing Bank shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.21(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 9.21(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.21(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender and Issuing Bank hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Issuing Bank under any Credit Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Issuing Bank under any Credit Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d)

(i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "**Erroneous Payment Return Deficiency**"), upon the Administrative Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans (but not its Commitments) with respect to which such Erroneous Payment was made (the "**Erroneous Payment Impacted Class**") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "**Erroneous Payment Deficiency Assignment**") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance)), and is hereby (together with the Borrower) deemed to execute and deliver an assignment and assumption agreement (or, to the extent applicable, an agreement incorporating an assignment and assumption agreement by reference pursuant to the Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender, (D) the Administrative Agent and the Borrower shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 11.17 (but excluding, in all events, any assignment consent or approval requirements (whether from the Borrower or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender or Issuing Bank, to the rights and interests of such Lender or Issuing Bank, as the case may be) under the Credit Documents with respect to such amount (the "**Erroneous Payment Subrogation Rights**") (provided that the Loan Parties' First Lien Obligations under the Credit Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such First Lien Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any First Lien Obligations owed by the Borrower or any other Loan Party; provided that this Section 9.21 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the First Lien Obligations of the Borrower relative to the amount (and/or timing for payment) of the First Lien Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 9.21 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all First Lien Obligations (or any portion thereof) under any Credit Document.

10. INDEPENDENT CONSULTANTS

10.1 Removal and Fees

Administrative Agent, in its reasonable discretion, may remove from time to time, any one or more of the Independent Consultants (other than the Independent Engineer) and Administrative Agent may appoint replacements, which, so long as no Default or Event of Default shall have occurred and be continuing, shall be reasonably acceptable to Borrower. Notice of any replacement such Independent Consultant shall be given by Administrative Agent to Borrower, the Lenders and to the Independent Consultant being replaced. All reasonable fees and expenses of the Independent Consultants (whether the original ones or replacements) shall be paid by Borrower pursuant to agreements reasonably acceptable to Borrower; provided, that no such acceptance shall be required at any time an Event of Default shall have occurred and be continuing.

10.2 Certification of Dates

Administrative Agent will request that the Independent Consultants act diligently in the issuance of all letters required to be delivered by the Independent Consultants hereunder, if their issuance is appropriate. 11.2 Right to Set-Off

If an Event of Default shall have occurred and be continuing, subject to the Intercreditor Agreement (which may limit the rights specified in this Section 11.2), each Lender Party is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Lender Party to or for the credit or the account of Borrower, against any and all obligations of Borrower, now or hereafter existing under this Agreement or any other Credit Document held by such Lender Party, irrespective of whether or not such Lender Party shall have made any demand under this Agreement or such other Credit Document and although the obligations may be unmatured; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.4(g) and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the First Lien Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender Party under this Section 11.2 are in addition to other rights and remedies (including other rights of set-off) that such Lender Party may have.

11.3 Delay and Waiver

No delay or omission to exercise any right, power or remedy accruing to the Lender Parties upon the occurrence of any Default, Event of Default or Material Adverse Effect or any breach or Default of Borrower or any other Obligor or unsatisfied condition precedent under this Agreement or any other Credit Document shall impair any such right, power or remedy of the Lender Parties, nor shall it be construed to be a waiver of any such breach or Default or unsatisfied condition precedent, or an acquiescence therein, or of or in any similar breach or Default or unsatisfied condition precedent thereafter occurring, nor shall any waiver of any single Default, Event of Default, Material Adverse Effect or other breach or Default or unsatisfied condition precedent be deemed a waiver of any other Default, Event of Default, Material Adverse Effect or other breach or Default or unsatisfied condition precedent theretofore or thereafter occurring. 11.7 Severability

In case any one or more of the provisions contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

11.8 Headings

11.9 Accounting Terms

All accounting terms not specifically defined herein shall be construed in accordance with GAAP and practices consistent with those applied in the preparation of the financial statements submitted by Borrower to Administrative Agent, and all financial data submitted pursuant to this Agreement shall be prepared in accordance with such principles and practices.

11.10 No Partnership, Etc.

Neither the Administrative Agent nor any Lender has any fiduciary relationship with or duty to any Obligor arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between Administrative Agent and Lenders, on one hand, and Borrower, on the other hand, in connection herewith or therewith shall be solely that of creditor and debtor. Nothing contained in this Agreement, the Notes or in any of the other Credit Documents shall be deemed or construed to create a partnership, tenancy-in-common, joint tenancy, joint venture or co-ownership by or between the Lenders and Borrower or any other Person. None of the Coordinating Lead Arrangers, Joint Lead Arrangers, Administrative Agent, First Lien Collateral Agent or the Lenders shall be in any way responsible or liable for the debts, losses, obligations or duties of Borrower or any other Person with respect to the Projects or otherwise. All obligations to pay real property or other taxes, assessments, insurance premiums, and all other fees and charges arising from the ownership, operation or occupancy of the Projects (if any) and to perform all obligations and other agreements and contracts relating to the Projects shall be the sole responsibility of the Obligors.

11.11 Mortgage/Collateral Documents

Certain guaranties of the Loans shall be secured in part by the Mortgages encumbering certain properties in the State of California solely to the extent provided therein. Reference is hereby made to the Mortgages and the other First Lien Collateral Documents for the provisions, among others, relating to the nature and extent of the security provided thereunder, the rights, duties and obligations of the Obligors and the rights of Administrative Agent, First Lien Collateral Agent and the other Lender Parties with respect to such security.

11.12 Limitation on Liability

No claim shall be made by any Obligor against the Coordinating Lead Arrangers, Joint Lead Arrangers, Green Loan Coordinators, Senior Managing Agents, Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Lenders, Issuing Banks or any of their respective Affiliates, directors, employees, attorneys or agents for any loss of profits, business or anticipated savings, special or punitive damages or any indirect or consequential loss whatsoever in respect of any breach or wrongful conduct (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Agreement or the other Credit Documents or any act or omission or event occurring in connection therewith, and each Obligor hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor, in each case, except to the extent such claim is based on gross negligence or willful misconduct of such Person. No claim shall be made by any Syndication Agent, Bookrunners, Green Loan Coordinator, Coordinating Lead Arranger, Joint Lead Arranger, Senior Managing Agent, Administrative Agent, First Lien Collateral Agent, Depositary Agent, Lender or Issuing Bank against any Obligor or any of their respective Affiliates, directors, employees, attorneys or agents for any loss of profits, business or anticipated savings, special or punitive damages or any indirect or consequential loss whatsoever in respect of any breach or wrongful conduct (whether or not the claim therefor is based on contract, tort or duty imposed by law), in connection with, arising out of or in any way related to the transactions contemplated by this Agreement or the other Credit Documents or any act or omission or event occurring in connection therewith, and each of the Syndication Agent, Bookrunner, Green Loan Coordinator, Coordinating Lead Arranger, Joint Lead Arranger, Senior Managing Agent, Administrative Agent, First Lien Collateral Agent, Depositary Agent, the Lenders and Issuing Banks hereby waives, releases and agrees not to sue upon any such claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor, in each case, except to the extent such claim is based on gross negligence or willful misconduct of such Person.

11.13 Indemnity

Borrower agrees to indemnify the **Green Loan Coordinators,** Coordinating Lead Arrangers, Joint Lead Arrangers, and the Agents, the Lenders, Issuing Banks and each of their respective directors, trustees, officers, employees, Affiliates, and agents (each such Person being called an "**Indemnitee**") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (other than Taxes), including reasonable and documented counsel fees, charges and disbursements, but limited, in the case of legal expenses, to the actual, reasonable and documented expenses of one counsel for the Indemnitees taken as a whole, and, if necessary, one firm of local counsel in each material jurisdiction, in each case for the Indemnitees taken as a whole (and in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict, of another firm of counsel for such affected Indemnitee), incurred by or asserted against any Indemnitee (collectively, "**Subject Claims**") arising out of, in any way connected with, or as a result of (a) the execution or delivery of this Agreement or any other Credit Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations hereunder or thereunder or the consummation of the other transactions contemplated hereby, (b) the use of the proceeds of the Loans or the use of any Letter of Credit, or (c) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (other than claims solely as between the Indemnitees); provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that (i) the applicable Subject Claim results from the gross negligence or willful misconduct of such Indemnitee, as determined by the final judgment of a court of competent jurisdiction, or (ii) such Subject Claims arise out of any dispute solely among Indemnitees (other than claims against any Indemnitee in its capacity or in fulfilling its role as Agent under this Agreement and the other Credit Documents, and other than any claims involving any act or omission on the part of the Borrower or any Guarantor). Subject to and without limiting the generality of the foregoing sentence, Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all Subject Claims arising out of, in any way connected with, or as a result of (x) any claim or enforcement action under Environmental Laws alleging a violation of Environmental Laws issued to or against Obligors or the Projects, or (y) any Release or threatened Release of Hazardous Substances at, under, on or from the Projects, or, to the extent related in any way to any Project, any property to which any Obligor has sent Hazardous Substances for treatment, storage or disposal; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that the applicable Subject Claim results from (i) the gross negligence or willful misconduct of such Indemnitee or any of its Affiliates employees, or agents, as determined by the final judgment of a court of competent jurisdiction or (ii) any act or omission by any Indemnitee or any of its Affiliates, employees, or agents, occurring on or after the date of foreclosure on any Collateral. The provisions of this Section 11.13 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the First Lien Obligations under this Agreement or any other Credit Document, the invalidity or unenforceability of any term or provision of this Agreement or any other Credit Document, or any investigation made by or on behalf of any Indemnitee. All amounts due under this Section 11.13 shall be payable within thirty days at the written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested. This Section 11.13 shall not apply to Taxes. Each of the Indemnitees, on behalf of itself and its respective directors, trustees, officers, employees, Affiliates, and agents, agrees to provide Borrower with written notice of a proposed compromise or settlement of any Subject Claim specifying in detail the nature and amount of such proposed settlement or compromise. Each such Indemnitee shall consult with Borrower before compromising or settling such Subject Claim for at least thirty days after Borrower receives such notice of intended compromise or settlement and shall take into consideration any views or issues communicated by Borrower in connection with such compromise or settlement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document. Delivery of an executed counterpart to this Agreement by facsimile transmission or electric transmission in ".pdf" format shall be as effective as delivery of a manually signed original.

The certification of the Loans as Climate Bonds by the Climate Bonds Initiative was addressed solely to the board of directors of the Borrower and is not a recommendation to any person to purchase, hold or sell the Loans and such certification does not address the market price or suitability of the Loans for a particular investor. **Each potential purchaser of the Loans should determine for itself the relevance of this certification. Any purchase of bonds should be based upon such investigation that each potential purchaser deems necessary.** The certification also does not address the merits of the decision by the Borrower or any third party to participate in any Project and does not express and should not be deemed to be an expression of an opinion as to the Borrower or any aspect of any Project (including but not limited to the financial viability of any Project) other than with respect to conformance with the Climate Bond Standard.

In issuing or monitoring, as applicable, the certification, the Climate Bonds Initiative has assumed and relied upon and will assume and rely upon the **fairness,** accuracy**, reasonableness** and completeness in all material respects of the information supplied or otherwise made available to the Climate Bonds Initiative. The certification may only be used with the Loans and may not be used for any other purpose without the Climate Bonds Initiative's prior written consent.

The certification does not and is not in any way intended to address the likelihood of timely payment of interest when due on the Loans and/or the payment of principal at maturity or any other date.

The certification may be withdrawn at any time in the Climate Bonds Initiative's sole and absolute discretion and there can be no assurance that such certification will not be withdrawn.

(b) Upon the reasonable request of the First Lien Collateral Agent (acting at the direction of the Directing Agent) at any time and from time to time, each Obligor shall promptly execute, acknowledge and deliver such security documents, instruments, certificates, notices and other documents, and take such other actions the First Lien Collateral Agent (acting at the direction of the Directing Agent) may reasonably request, to create, perfect, protect, assure or enforce the Liens and benefits intended to be conferred, in each case as contemplated by this Agreement for the benefit of the First Lien Secured Parties and as otherwise consistent with the First Lien Collateral Documents.

If reasonably requested by the First Lien Collateral Agent (acting at the direction of the Directing Agent) and if such property is a Project Site, the Borrower shall, within ninety days after such acquisition, obtain surveys (only to the extent such surveys were obtained at the time the property was acquired) and an A.L.T.A. lender's extended coverage title insurance policy (or a customary marked, unconditional, binding title commitment to issue such policy) with respect to such Project Site, insuring the Lien of the First Lien Secured Parties in such Project Site in an amount equal to the lesser of the amount paid for such After-Acquired Real Property or the insured value of such After-Acquired Real Property, in each case subject only to Permitted Liens and other exceptions to title approved by the First Lien Collateral Agent (acting at the direction of the Directing Agent, acting reasonably) and with such changes as may be necessary or advisable (as reasonably determined by the Borrower and its counsel) to account for local law matters and (with respect to the additional title policy) in amounts determined in a manner consistent with the amount of the Title Policy and to the extent reasonably requested by the First Lien Collateral Agent (acting at the direction of the Directing Agent, acting reasonably), an engineering report and a non-invasive environmental assessment report (provided, that an invasive environmental assessment report shall only be provided if requested by the TLA Administrative Agent after such has been recommended by a non-invasive environmental assessment report), each in scope, form and substance reasonably satisfactory to the First Lien Collateral Agent (acting at the direction of the Directing Agent, acting reasonably); provided, that to the extent that any Obligor has otherwise received any of the foregoing items with respect to such property, such items shall, promptly after the receipt thereof, be delivered to the First Lien Collateral Agent.
